### **Item 1.01 Entry into a Material Definitive Agreement**

The information set forth under Item 2.03 of this report on Form 8-K is incorporated in this Item 1.01 by reference.

On December 20, 2007, Pool Corporation (the “Company”) entered into Amendment No. 10 (the “Amendment”) to the Receivables Purchase Agreement among Superior Commerce LLC (“SPE”), SCP Distributors LLC, as initial Servicer, JS Siloed Trust (“Trust”), and JPMorgan Chase Bank, N.A. f/k/a Bank One, NA (Main Office Chicago), individually (“JPMorgan Chase”), together with the Trust, (the “Purchasers”) and JPMorgan Chase, as agent for the Purchasers. The Amendment revises the financial covenants set forth in Article IX of the Receivables Purchase Agreement to be consistent with the financial covenants set forth in the Amended and Restated Credit Agreement discussed below.

The Amendment will be filed as an exhibit to the Company’s Form 10-K for the fiscal year ended December 31, 2007.

### **Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant**

On December 20, 2007, Pool Corporation amended and restated its unsecured syndicated senior credit facility (the “Amended Facility”). Wachovia Bank, National Association, continues to serve as the Administrative Agent, Swingline Lender and Issuing Lender for the Amended Facility. JPMorgan Chase Bank serves as Syndication Agent, Capital One, National Association, Regions Bank and Wells Fargo Bank, N.A., serve as Co-Documentation Agents. Wachovia Capital Finance Corporation (Canada), Bank of America, National Association and Comerica Bank also participate in the Amended Facility. Wachovia Capital Markets, LLC, acted as sole Lead Arranger and sole Book Manager.

The Amended Facility provides for borrowing capacity of up to \$300 million by increasing the revolving credit facility to \$240 million, which includes sublimits for the issuance of swingline loans and standby letters of credit. The term of the amended revolving credit facility is five years. The terms applicable to the \$60 million term loan facility remain unchanged.

The Company’s obligations under the Amended Facility remain guaranteed by certain of its existing and future domestic subsidiaries. Borrowings and standby letters of credit under the Amended Facility bear interest, at the Company’s option, at either (a) a base rate, which is the greater of (i) the Wachovia Bank, National Association prime rate or (ii) the overnight Federal Funds Rate plus 0.50%, or (b) the London Interbank Offered Rate (LIBOR) plus a spread ranging from 0.500% to 1.250%, with such spread in each case depending on the Company’s leverage ratio. The Company is also required to pay (a) an annual facility fee of 0.125% to 0.300%, with such spread in each case depending on the Company’s leverage ratio, (b) an annual commercial letter of credit issuance fee of 0.125% multiplied by the face amount of each letter of credit and (c) a letter of credit commission of 0.500% to 1.250% multiplied by face amount of each letter of credit, with such spread in each case depending on the Company’s leverage ratio.

The Amended Facility contains terms and provisions (including representations, covenants and conditions) customary for transactions of this type, and the financial covenants provide for maintenance of a maximum average total leverage ratio (average total funded debt plus average accounts receivable securitization/EBITDA) and a minimum fixed charge coverage ratio (EBITDAR/cash interest expense plus rental expense).

The foregoing description of the Amended Facility is not complete and is qualified in its entirety by the actual terms of the Amended Facility, a copy of which will be filed as an exhibit to the Company’s Form 10-K for the fiscal year ended December 31, 2007.
