## COMPENSATION FAQs

As announced on September 25, 2018, Sonic Corp. has entered into an agreement to be acquired by Inspire Brands, Inc. Although there are certain conditions and much to be done prior to closing, the transaction, referred to as a “merger,” is currently expected to close by the end of the year. These FAQs are intended to answer your questions about your compensation and benefits as a result of the merger.

### Compensation and Benefits

#### 1. Will there be changes to my compensation?

As part of the merger agreement, for the one-year period following the closing of the merger, Inspire Brands, Inc. has agreed to provide you with at least the same level of cash compensation as was provided to you immediately prior to the closing of the merger. This means that you will continue to be provided with your current base salary (subject to merit adjustments), your “holiday mint” bonus (both in November 2018 and in November 2019). For 2018, like in past years, your holiday mint will be paid prior to Thanksgiving.

Merit adjustments to cash compensation will be made for officers effective January 1, 2019 as appropriate, and for everyone else effective November 1, 2018 as appropriate, as determined by the methods used in the past. If there are any changes to cash compensation after the one-year period, we would expect cash compensation to remain competitive.

#### 2. Will my employee benefits change?

As part of the merger agreement, for at least a year after closing, employee benefits will either not change or, if changed, will be at least as favorable to you in the aggregate as those benefits currently provided by Sonic. This includes medical, dental, life, disability, 401(k) and other optional benefit plans. You will still need to participate in the Active Enrollment process (October 22-November 14, 2018) for benefits to remain active for 2019. Should any changes to our benefit programs occur, we will keep you informed. If there are any changes to employee benefits after the one-year period, we would expect employee benefits to remain competitive.

#### 3. Do I need to take any action with respect to my 401(k) Plan?

You do not need to do anything to your current elections under the 401(k) Plan as a result of the merger. If you have a 401(k) loan outstanding, this also remains in place and your payments continue as scheduled. Upon completion of the merger, the funds allocated to the 401(k) Plan’s Sonic Stock fund, based on the merger price of \$43.50 per share of Sonic stock, will be re-allocated to the other funds in your account based on your then specified allocation. As in the past, you may change your allocations in your 401(k) account at any time. If there are any changes to the 401(k) Plan after the closing of the merger, we would expect the 401(k) Plan to remain competitive.

Employee Stock Purchase Plan (ESPP)

4. How will the ESPP be handled?

Future participation in the ESPP is now frozen. The ESPP will terminate as of the closing date of the merger. If you currently contribute to the plan, there will be one last purchase of stock as of the payroll deduction on September 28, 2018, based on your current deferral percentage. The purchase price for this last purchase will be the same discounted price (15% discount) of the market price as in the past.

5. If I own Sonic stock through the ESPP, what happens to it after the merger?

Sonic stock held by employees, including the ESPP shares you have purchased, will be cashed out following the closing of the merger at the merger price of \$43.50 per share (subject to certain legal rights regarding your Company stock for which information will be provided later).

6. Will I owe taxes on the payment for my shares?

Yes. Based on how long you have held the shares, your gains may be taxed as capital gains rather than ordinary income gains on shares. Generally, the 15% discounted amount you received on the purchase of the shares will be taxed as ordinary income. As with all individual tax matters, you should consult your tax provider for tax planning purposes.
