The Reporting Person, CSFBI, CSFB-USA and CSFB LLC may also be deemed, for purposes of this Statement, to beneficially own from time to time shares of Common Stock acquired in ordinary course trading activities by CSFB LLC.

The name, business address, citizenship and title of each executive officer or director of CSFB LLC, CSFBI, CSFB-USA, Reporting Person, CSFBPE, and those CSFB Entities that are corporations are set forth on Schedule A through Schedule K, respectively, attached hereto, each of which is incorporated by reference herein.

Except as otherwise provided herein, during the past (5) years none of CSFB LLC, CSFBI, CSFB-USA, Reporting Person, the CSFB Entities nor, to the best knowledge of the Reporting Person, any of the other persons listed on Schedules A through K attached hereto, has been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to United States federal or state securities laws or finding any violation with respect to such laws.

On January 22, 2002, CSFBC, without admitting or denying any alleged violation, entered into coordinated settlements with NASD Regulation, Inc. (□NASDR□) and the Securities and Exchange Commission (□SEC□) resolving all outstanding investigations of CSFBC into the allocation of shares in initial public offerings (□IPOs□). CSFB-USA was then the sole stockholder of CSFBC.

CSFBC consented to these settlements without admitting or denying any of the allegations made in the SEC's Complaint or the Letter of Acceptance, Waiver and Consent (□AWC□) filed with the NASDR. The SEC and NASDR alleged that, between April 1999 and June 2000, certain CSFBC employees allocated many shares in IPOs to over 100 customers with whom they had improper profit-sharing arrangements. The NASDR and SEC alleged that

certain employees allocated [hot] IPO shares to certain customers who paid the Firm a portion of the profits (between 33 and 65 percent) that they made when they sold their IPO stock, by paying inflated brokerage commissions on transactions unrelated to the IPO shares.

Under the terms of the coordinated settlement:

- CSFBC paid a total of \$100 million. This amount included \$30 million in fines and civil penalties divided evenly between the SEC and NASDR, and a total of \$70 million in disgorgement, \$35 million of which was paid to the U.S. Treasury and \$35 million of which was paid to the NASDR, representing the monies obtained as a result of the conduct described by the SEC and NASDR. The SEC determined in this case that it was appropriate and in the public interest to pay funds to the U.S. Treasury rather than to any third parties.
- CSFBC has adopted and implemented revised policies and procedures for allocating IPOs in its broker-dealer operations. The SEC and NASD have reviewed these policies and procedures. These included the establishment of an IPO Allocation Review Committee, a process for the pre-qualification of accounts before they are eligible to receive IPO allocations and enhanced supervisory procedures, which includes the review of commissions paid by certain accounts receiving allocations around the time of the IPO. CSFBC also agreed to retain an independent consultant to review the implementation of these policies and procedures one year from the date of the settlement.

In the NASDR settlement, CSFBC, without admitting or denying any findings, consented to a censure and findings that it violated NASD Rules 2110, 2330, 2710, 3010 and 3110. These Rules (a) require broker-dealers to

Page 5 of 11

adhere to just and equitable principles of trade, (b) prohibit broker-dealers from sharing in the profits of client accounts except as specifically provided, (c) require a managing underwriter to file certain information that may have a bearing on the NASDR's review of underwriting arrangements, (d) require members to establish, maintain and enforce a reasonable supervisory system, and (e) require broker-dealers to maintain certain books and records.

The NASDR AWC also found violations of Section 17(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and SEC Rule 17a-3, thereunder, which are incorporated by NASD Rule 3110 and similarly impose certain record keeping requirements on CSFBC as a broker-dealer. In the SEC settlement, CSFBC, without admitting or denying the allegations of the Complaint, consented to entry by the District Court for the District of Columbia of a final judgment that: (1) permanently enjoined CSFBC, directly or indirectly, from violations of NASD Conduct Rules 2110 and 2330 and Section 17(a)(1) of the Exchange Act and SEC Rule 17a-3; and (2) ordered CSFBC to comply with certain undertakings.

Neither the SEC nor NASDR made any allegations or findings of fraudulent conduct by CSFBC. Further, neither the SEC nor NASDR alleged that any IPO prospectus was rendered false or misleading by CSFBC's conduct or that this conduct affected either the offering price of an IPO or the price at which any IPO stock traded in the aftermarket.

Item 3. Source and Amount of Funds or Other Consideration.

Item 4. Purpose of Transaction.

The response set forth in Item 4 of Schedule 13D is hereby amended and supplemented with the following paragraphs to be added after the second paragraph, and in place of the third paragraph, in Item 4 of Schedule 13D:

On October 14, 2003, MSL, Celestica, Inc., a corporation organized under the laws of Ontario ("Celestica"), and MSL Acquisition Sub Inc., a Delaware corporation and wholly owned subsidiary of Celestica (the "Merger Subsidiary"), entered into an Agreement and Plan of Merger (the "Merger Agreement," attached hereto and made a part hereof as Exhibit 5) The Merger Agreement provides, among other things, for the acquisition of MSL by Celestica. Pursuant to the Merger Agreement, Merger Subsidiary will merge with and into MSL (the "Merger"),

with MSL as the surviving corporation (the "Surviving Corporation"). The Merger contemplates that (1) each share of Company Common Stock (as defined in the Merger Agreement) then outstanding will be converted into the right to receive a number (which may be less than one) of Parent Subordinate Voting Shares (as defined in the Merger Agreement) of Celestica equal to the Share Exchange Ratio (as defined in the Merger Agreement), (2) each share of either Series A Preferred or Series B Preferred, par value \$0.001 per share (the "Series B Preferred") then outstanding (other than shares as to which an appraisal demand is made under Delaware law ("Dissenting Shares")) and other than shares for which a valid Stock Election (as defined in the Merger Agreement) has been made) will be converted into the right to receive an amount in cash equal to \$52.50, plus an amount equal to the dividends accrued and unpaid on such share of either Series A Preferred or Series B Preferred to the date on which the Merger becomes effective (the "Effective Time"), (3) each share of Series A Preferred then outstanding for which a valid Stock Election has been made (other than Dissenting Shares) shall be converted into the right to receive a number (which may be less than one) of Parent Subordinate Voting Shares equal to the product of (x) the number of shares of Company Common Stock into which a share of Series A Preferred is convertible immediately prior to the Effective Time pursuant to its terms and (y) the Share Exchange Ratio, and (4) each share of Series B Preferred then outstanding for which a valid Stock Election has been made (other than Dissenting Shares) shall be converted into the right to receive (a) an amount in cash equal to \$2.25 or, at the election of MSL (as directed in writing by Celestica), a number (which may be less than one) of Parent Subordinate Voting Shares equal to the product of (i) the number of shares of Company Common Stock to be issued in satisfaction of the Optional Make Whole Payment (as defined in the terms of such Series B Preferred) and (ii) the Share Exchange Ratio and (b) a number (which may be less than one) of Parent Subordinate Voting Shares equal to the product of (i) the number of shares of Company Common Stock into which a share of Series B Preferred is convertible immediately prior to the Effective Time pursuant to its terms and (ii) the Share Exchange Ratio.

After the Merger, Celestica will beneficially own all of the outstanding shares of common stock of the Surviving Corporation.

Page 6 of 11

In connection with the Merger, DLJMBP, DLJIP, DLJOP, DLJMBF, ESC, ESC II and CSFB LLC, as nominee for the 2001 Investors (defined as CSFBPE, ESCLP, EMA, Docklands, Paradeplatz and CSFB 2001) (each, a "Stockholder" and together, the "Stockholders") have entered into a Stockholder Agreement with Celestica and the Merger Subsidiary dated as of October 14, 2003 (attached hereto and made a part hereof as Exhibit 6). Pursuant to the Stockholder Agreement, each Stockholder has agreed, severally and not jointly, to vote all its Shares (defined as the shares of Common Stock, Series A Preferred and Series B Preferred of which such Stockholder is the record owner and any other voting securities of MSL acquired by such Stockholder after the date of the Stockholder Agreement, whether upon the exercise of warrants, options or other rights, the conversion or exchange of any such shares or convertible or exchangeable securities or by means of purchase, dividend, distribution or otherwise) in favor of approval and adoption of the Merger Agreement.

During the period beginning on October 14, 2003 and ending on the earlier of (i) the Effective Time and (ii) the termination of the Merger Agreement (the "Agreement Period"), each Stockholder has, severally and not jointly, agreed to vote any Shares such Stockholder is entitled to vote at the time of such vote to approve and adopt the Merger Agreement, the Merger and all agreements related to the Merger that are specifically contemplated by the Merger Agreement and any actions directly and reasonably related thereto that are specifically contemplated by the Merger Agreement at any meeting or meetings of the Stockholders, and at any adjournment thereof or pursuant to action by written consent, at or by which such Merger Agreement, the Merger, such agreements or such other actions, are submitted for the consideration, consent, approval and vote of the Stockholders.

In addition, each Stockholder has agreed to vote during the Agreement Period against any proposal that would result in a breach by MSL of the Merger Agreement or any action the consummation of which would be reasonably likely to impede, interfere with, delay, postpone or attempt to discourage the Merger.

Each Stockholder has irrevocably appointed the Merger Subsidiary as proxy for and on behalf of such Stockholder during the Agreement Period to vote (including, without limitation, the taking of action by written consent) such Stockholder's Shares, for and in the name, place and stead of such Stockholder for the matters and in the manner contemplated above.

Each Stockholder has agreed that during the Agreement Period it will not sell, transfer, pledge, encumber, assign or otherwise dispose of or hypothecate (including by gift or by contribution or distribution to any trust or similar instrument (collectively, "Transfer")), or enter into any contract, option or other arrangement or understanding with respect to the Transfer of, any of such Stockholder's Shares other than pursuant to the terms of the Stockholder Agreement or the Merger Agreement, (ii) enter into any voting arrangement or understanding with respect to such Stockholder's Shares (other than the Stockholder Agreement), whether by proxy, voting agreement or otherwise, or (iii) take any action that could make any of its representations or warranties contained herein untrue or incorrect in any material respect or would have the effect of preventing or disabling such Stockholder from performing any of its obligations hereunder. Nothing in the Stockholder Agreement, however, shall be construed to prohibit the conversion of Preferred Shares into Common Stock or the exercise of any warrants, and any Common Shares obtained upon such conversion or exercise shall be subject to the Stockholder Agreement.

Each Stockholder hereby has agreed that during the Agreement Period it will not exercise any rights (including, without limitation, under Section 262 of the General Corporation Law of the State of Delaware) to demand appraisal of any Shares owned by such Stockholder in connection with the Merger.

Each Stockholder and, for the purpose of the section of the Stockholder Agreement described in this paragraph, DLJMB, has agreed that during the Agreement Period it will not, directly or indirectly, (i) solicit or initiate or knowingly encourage or induce or facilitate, the making, submission or announcement of any Acquisition Proposal (as defined in the Merger Agreement) or take any action that could reasonably be expected to lead to an Acquisition Proposal, (ii) furnish any information regarding any of the Acquired Corporations to any Person (as defined in the Merger Agreement) in connection with or in response to an Acquisition Proposal or an inquiry or indication of interest that could reasonably be expected to lead to an Acquisition Proposal, (iii) engage in discussions or negotiations with any Person with respect to any Acquisition Proposal, (iv) approve, endorse or recommend any Acquisition Proposal or (v) enter into any letter of intent or similar document or any contract contemplating or otherwise relating to any Acquisition Transaction (as defined in the Merger Agreement). Notwithstanding the foregoing, if the Board of Directors of MSL determines in good faith that a Qualified Acquisition Proposal (as defined in the Merger Agreement) made by any

Person is reasonably likely to result in a Superior Proposal (as defined in the Merger Agreement), each Stockholder shall be permitted to engage in discussions and negotiations with such Person if (1) the Board of Directors of MSL has concluded in good faith, after consultation with its outside legal counsel, that such action is required in order to comply with its fiduciary obligations to the stockholders of MSL under applicable Legal Requirements (as defined in the Merger Agreement) and (2) the other requirements of the proviso to the first sentence of Section 4.3(a) of the Merger Agreement have been satisfied.

Each Stockholder has agreed to grant an irrevocable option (the "Option") to allow Merger Subsidiary to purchase the number of shares of Common Stock (the "Option Shares") set forth below:

<u>Stockholder</u>	<u>Option Shares Common Stock</u>
DLJ Merchant Banking Partners, L.P.	6,354,162
DLJ International Partners, C.V.	2,855,687
DLJ Offshore Partners C.V.	165,406
DLJ Merchant Banking Funding, Inc.	2,503,633
DLJ First ESC L.P.	1,556,845
DLJ ESC II L.P.	8,615
CSFB LLC as nominee for 2001 Plan Investors	80,980

Such Option may be exercised, as a whole and not in part, at a price of \$6.5992 per Option Share (the "Option Shares Purchase Price") during a period commencing upon the termination of the Merger pursuant to Section 9.1(f) of the Merger Agreement and ending 96 hours after such termination. The closing of the Option (the "Option Closing") is conditioned upon (i) the expiration of any waiting periods under any applicable antitrust laws, (ii) no restraining order, injunction or other order, nor any adopted legislation, shall prohibit the consummation of the Option and (iii) that the purchase of all Option Shares shall occur concurrently. If the Option Closing has not occurred within 90 days after the exercise of the Option then, unless such failure results from a Stockholder's failure to comply with Stockholder Agreement, the Option and the Stockholder Agreement shall terminate and be

of no further force or effect.

If after exercising the Option, and within six months of the Option Closing, Merger Subsidiary has not consummated a tender offer for the remaining Common Stock or a merger with MSL, and Merger Subsidiary receives consideration for some or all of the Option Shares (the "Transferred Shares") in connection with a Third Party Business Combination (as defined in the Stockholder Agreement), Merger Subsidiary shall promptly pay over to the Stockholders (to be allocated among them pro rata) an amount in cash equal to 50% of the excess, if any, of the value of such consideration received over the aggregate Option Shares Purchase Price paid for the Transferred Shares. Additionally, if, within six months after purchasing the Option Shares, Merger Subsidiary consummates a tender or exchange offer for the remaining Common Stock or a merger with MSL, in either case at a price per share of Common Stock in excess of the Option Shares Purchase Price, Merger Subsidiary shall promptly pay over to the Stockholders (to be allocated among them pro rata) an amount in cash equal to 50% of the product of (i) the number of Option Shares sold to Merger Subsidiary and (ii) the excess, if any, of the price per share of Common Stock paid in such transaction over the Option Share Purchase Price. If the Option expires unexercised and the Stockholders have not consummated a tender offer for the remaining Common Stock or consummated a merger with MSL, and they receive additional consideration for the Common Stock (the "Transferred Stock") in connection with a Third Party Business Combination during the period commencing 96 hours after termination of the Merger Agreement pursuant to Section 9.1(f) thereof and ending on the six month anniversary thereof, such Stockholder shall promptly pay over to Merger Subsidiary an amount in cash equal to 50% of the excess, if any, of the value of such consideration received over the product of (A) the Option Shares Purchase Price and (B) the number of shares of Transferred Stock sold by it. However, the number of shares of Transferred Stock sold by any Stockholder shall not exceed the number of such Stockholder's Option Shares and, if the Stockholder sells a greater number of shares of Common Stock than Option Shares, such sales shall be taken into account in the order in which they occur until the

Page 8 of 11

number of shares of Common Stock subject to those sales equals the number of such Stockholder's Option Shares and then no further sharing shall be required.

In the event that any of the consideration to be paid by either the Stockholders or Merger Subsidiary as described in the foregoing paragraph consists of securities listed on a national securities exchange or traded on the NASDAQ National Market ("Listed Securities"), the per share value of such consideration shall be equal to the closing price per share of such Listed Securities on the date such transaction is consummated. For any consideration in a form other than Listed Securities, the per share value shall be determined in good faith as of the date such transaction is consummated by Merger Subsidiary and the Stockholders, or, if Merger Subsidiary and the Stockholders cannot reach agreement, by a nationally recognized investment banking firm reasonably acceptable to the parties.

Each Stockholder has authorized and requested MSL to notify its transfer agent that there is a stop transfer order with respect to all of such Stockholder's Shares. Each Stockholder has agreed with and covenanted to Celestica that such Stockholder shall not request the transfer of any certificate representing any of such Stockholder's Shares, unless such transfer is made in compliance with the Stockholder Agreement. In the event of a stock dividend, distribution or recapitalization, "Shares" will be deemed to refer to and include the Shares as well as any stock dividends and distributions and the Option Share Purchase Price shall be accordingly adjusted.

Each of Celestica and the Merger Subsidiary has agreed that it will not agree to any material amendment to the Merger Agreement without the prior written consent of each of the Stockholders.

The obligations of each Stockholder with respect to the agreements on voting, the granting of an irrevocable proxy, the waiver of appraisal rights and the no-solicitation clause will terminate upon the earlier of the Effective Time or the expiration of the Agreement Period. The obligations under the Option regarding the payment of any excess consideration by Merger Subsidiary or the Stockholders, as the case may be, will survive termination of the Stockholder Agreement unless the Effective Time shall have occurred. All other provisions of the Stockholder Agreement will terminate, and no party shall have any rights or obligations under the Stockholder Agreement and the Stockholder Agreement shall become null and void and have no further effect upon the earliest to occur of (a) the Effective Time, (b) the expiration of the period commencing upon the termination of the Merger pursuant to Section 9.1(f) of the Merger Agreement and ending 96 hours after such termination without the exercise of the Option, (c) the Option Closing, (d) the expiration of the period commencing upon the exercise of the Option and

ending 90 days after such exercise without the occurrence of the Option Closing, unless such failure results from a Stockholder's failure to comply with Stockholder Agreement, or (e) termination of the Merger Agreement other than pursuant to Section 9.1(f) in the Merger Agreement.

Except as set forth in this statement, the Merger Agreement and the Shareholder Agreement and in connection with the transaction described above, none of the Reporting Person, CSFBI, CSFB-USA, the CSFB Entities nor, to the best knowledge of the Reporting Person, any of the other persons listed on Schedules A through K attached hereto, have any plans or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.

The response set forth in Item 5 of Schedule 13D is hereby amended and restated in its entirety as follows:

(a) and (b)

As of October 14, 2003, the CSFB Entities beneficially owned 16,353,979 shares of Common Stock.
