Item 4. Description of Securities.

Not required.

---

Item 5. Interests of Named Experts and Counsel.

None.

Item 6. Indemnification of Directors and Officers.

English law does not permit a company to indemnify a director or an officer of the company against any liability which by virtue of any rule of law would otherwise attach to him in respect of negligence, default, breach of duty or breach of trust in relation to the company except liability incurred by such director or officer in defending any legal proceeding (whether civil or criminal) in which judgment is given in his favor or in which he is acquitted or in certain instances where, although he is liable, a court finds such director or officer acted honestly and reasonably and that having regard to all the circumstances he ought fairly to be excused and relief is granted by the court. These restrictions do not prevent a company from purchasing and maintaining insurance against any such liability for any such director or officer.

Article 168 of the Registrant's Articles of Association provides:

Subject to the provisions of the Acts but without prejudice to any indemnity to which the person concerned may otherwise be entitled, every person who is or was at any time a Director or other officer of the Company excluding the Auditors may be indemnified out of the assets of the Company against all costs, charges, expenses, losses or liabilities (together "Liabilities") which he may sustain or incur in or about the actual or purported execution and/or discharge of the duties of his office and/or the exercise or purported exercise of his powers or discretions and/or otherwise in relation thereto or in connection therewith, including (without prejudice to the generality of the foregoing) any Liabilities suffered or incurred by him in disputing, defending, investigating or providing evidence in connection with any actual or threatened or alleged claims, demands, investigations, or proceedings, whether civil or criminal, or in connection with any application under section 144(3) or (4) or section 727 of the Act. The Company may also, subject to the provisions of the Acts, provide funds to any Director or other officer (excluding the Auditors) or do anything to enable a Director or other officer to avoid incurring expenditure of the nature described in section 337A of the Act.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

---

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
