Important Notice Regarding Availability of Proxy Materials for the Special Meeting of Stockholders to be Held on [DATE]

We are first mailing this proxy statement and the accompanying proxy on or about March [•], 2015 to our stockholders of record as of March [•], 2015. This proxy statement is available for viewing, printing and downloading at <http://www.ssctech.com/>. This proxy statement is also available on the SEC’s website at <http://www.sec.gov>.

About the Special Meeting

You have received this proxy statement because the Board of Directors (the “Board”) of SS&C Technologies Holdings, Inc., which we refer to as SS&C Holdings, SS&C or the Company, is soliciting your proxy to vote your shares at the Special Meeting of Stockholders (the “Special Meeting”) to be held on March [•], 2015 at the time and place and for the purposes set forth in the accompanying Notice of Special Meeting, and at any adjournments or postponements of that meeting. This proxy statement includes information we are required to provide to you under the rules of the Securities and Exchange Commission (the “SEC”), and is designed to assist you in voting your shares. Only stockholders of record at the close of business on March [•], 2015 are entitled to receive notice of, and to vote at, the special meeting.

We are asking stockholders to approve an amendment to the Company’s Restated Certificate of Incorporation (the “Certificate”) to increase the number of authorized shares of common stock of the Company from 100,000,000 shares to 200,000,000 shares (the “Proposal”), and to consider and transact such other business as may properly come before the meeting or any adjournment or postponement thereof.

Voting Procedures

You may vote either in person at the Special Meeting or by proxy. To vote by proxy, you must:

- Complete all of the required information on the proxy card;
- Date and sign the proxy card;
- Return the proxy card in the enclosed postage-paid envelope. We must receive your proxy card before the Special Meeting for your proxy to be valid and for your vote to count; and
- If you are not the stockholder of record and hold shares through a bank, broker or other nominee, such agent may have special voting instructions that you should follow. You should contact your bank, broker or other nominee to obtain instructions for voting your shares.

Whether or not you expect to be present in person at the Special Meeting, you are requested to complete, sign, date and return the enclosed form of proxy. The shares represented by your proxy will be voted in accordance with your instructions. If you attend the Special Meeting, you may vote by ballot. If you want to vote in person at the Special Meeting and you own your shares through a bank, broker or other nominee, you must obtain a proxy from that party in its capacity as owner of record for your shares and bring the proxy to the Special Meeting.

Your properly completed proxy card will appoint William C. Stone, Patrick J. Pedonti and Paul G. Igoe as proxy holders, or your representatives, to vote your shares in the manner directed therein by you. Mr. Stone is our Chairman and Chief Executive Officer, Mr. Pedonti is our Senior Vice President and Chief Financial Officer, and Mr. Igoe is our Senior Vice President,

General Counsel and Secretary. Your proxy permits you to direct the proxy holders to vote “FOR,” “AGAINST” or “ABSTAIN” for the Proposal.

All shares entitled to vote and represented by properly completed proxies received prior to the Special Meeting and not revoked will be voted at the Special Meeting in accordance with your instructions. If you do not indicate how your shares are to be voted on a matter, the shares represented by your properly completed proxy will be voted “FOR” the Proposal, and in the discretion of the persons named as proxies in the manner they believe to be in the Company’s best interests as to other matters that may properly come before the Special Meeting.

Revocation of Proxies

You may revoke your proxy at any time before it is exercised by (1) delivering to us a signed proxy card with a date later than the date of your previously delivered proxy, (2) voting in person at the Special Meeting or (3) sending a written revocation to our Corporate Secretary at our principal executive offices. Shares represented by valid proxies that are received prior to the Special Meeting and not revoked at or prior to the Special Meeting will be voted at the Special Meeting.

Stockholders Entitled to Vote

The Board has fixed March [•], 2015 as the record date for the Special Meeting. You are entitled to vote (in person or by proxy) at the Special Meeting if you were a stockholder of record on the record date. On the record date, we had 81,544,402 shares of voting common stock outstanding (each of which entitles its holder to one vote). Holders of shares of our common stock do not have cumulative voting rights.

In addition to our voting common stock, on the record date, we had 2,703,846 shares of our Class A non-voting common stock outstanding. Shares of our Class A non-voting common stock cannot be voted at the Special Meeting.

Quorum

For the Proposal on the agenda for the Special Meeting, the holders of a majority of the shares of common stock issued and outstanding and entitled to vote must be present at the Special Meeting in person or represented by proxy to constitute a quorum. Shares represented by all proxies received, including proxies that abstain from voting on the Proposal, as well as broker non-votes (as described below), will be counted toward establishing a quorum.

Votes Required

The affirmative vote of a majority of the outstanding shares of the Company’s common stock is required to approve the Proposal. Abstentions or the failure to vote shares therefore will have the effect of votes “AGAINST” the Proposal in this context.

If you hold shares of common stock through a bank, broker or other nominee, that party may under certain circumstances vote your shares if you do not timely provide them with voting instructions. Banks, brokers or other nominees have discretionary authority to vote customers’

unvoted shares on routine matters. Your bank, broker or other nominee cannot vote your shares on any matter that is not considered a routine matter. The Proposal is not considered a routine matter. Shares for which a bank, broker or other nominee cannot vote on a particular matter because that party does not have discretionary voting authority to do so are considered “broker non-votes” on these matters.

Solicitation of Proxies

We will bear the expenses of preparing, printing and assembling the materials used in the solicitation of proxies. In addition to the solicitation of proxies by use of the mail or the Internet, we may also use the services of some of our officers and employees (who will receive no compensation for such services in addition to their regular salaries) to solicit proxies personally and by telephone and email. Banks, brokers or other nominees will be requested to forward solicitation materials to the beneficial owners of shares of record held by them, and we will reimburse them for their reasonable expenses.

Other Business to be Considered

Our management does not know of any business other than the matters set forth in the Notice of Special Meeting of Stockholders and described above to be presented for consideration at the Special Meeting and the advance notice period applicable to the Special Meeting as prescribed by our By-laws has expired. If any other business should properly come before the Special Meeting, the proxies will be voted in the discretion of the proxy holders. Each of the persons appointed by the enclosed form of proxy present and acting at the meeting, in person or by substitute, may exercise all of the powers and authority of the proxies in accordance with their judgment.

The date of this Proxy Statement is March [•], 2015.

PROPOSAL:

Approval of Amendment to the Certificate to Increase the Number of Authorized Shares of Common Stock from 100 Million to 200 Million Shares

The Board recommends that stockholders consider and vote in favor of the adoption of an amendment to Article Fourth of the Certificate that would increase the authorized number of shares of common stock from 100,000,000 (as presently authorized) to 200,000,000 shares. The Board voted to approve this amendment and to recommend that stockholders approve it.

The first paragraph of Article Fourth of the Certificate, marked to show the proposed amendments, is as follows:

“FOURTH: The total number of shares of all classes of stock which the Corporation shall have authority to issue is 110210,000,000 shares, consisting of (i) 100200,000,000 shares of Common Stock, \$0.01 par value per share (“Common Stock”), (ii) 5,000,000 shares of Class A Non-Voting Common Stock, \$0.01 par value per share (“Class A Common Stock”), and (iii) 5,000,000 shares of Preferred Stock, \$0.01 par value per share (“Preferred Stock”).

As of March [•], 2015 (the record date), 85,034,687 shares of common stock were issued and outstanding, of which 786,439 shares of common stock were held as treasury shares.

This is the first increase in the number of authorized shares of common stock since our initial public offering in 2010. The Board believes that the availability of additional authorized shares of common stock will provide us with additional flexibility to issue common stock for a variety of general corporate purposes as the Board may determine to be desirable including, without limitation, stock splits (including splits effected through the declaration of stock dividends), raising capital, future financings, investment opportunities, acquisitions, employee stock-based incentive plans or other distributions. For example, we have recently entered into a definitive agreement to acquire all of the outstanding shares of common stock of Advent Software, Inc., as described in our Current Report on Form 8-K filed February 3, 2015. We expect that certain of our currently authorized shares of common stock will be reserved for issuance under employee equity incentive plans of Advent Software, Inc. that we will assume in connection with this acquisition, and we expect, depending upon market factors and other considerations, to issue shares of our common stock in connection with financing this acquisition. However, the Board has not authorized any action with respect to the shares that would be authorized under this proposal, and we currently do not have any definitive plans, arrangements or understandings with respect to the issuance of the additional shares of common stock authorized by the proposed amendment to the Certificate.

An increase in the authorized number of shares of common stock could, under certain circumstances, have an anti-takeover effect or delay or prevent a change in control of the Company by providing us the capability to engage in actions that would be dilutive to a potential acquiror, to pursue alternative transactions, or to otherwise increase the potential cost to acquire control of the Company. Thus, while we currently have no intent to employ the additional unissued authorized shares as an anti-takeover device, the proposed amendment may have the effect of discouraging future unsolicited takeover attempts. The Board is not aware of any such attempt to take control of the Company.

The proposed increase in the number of authorized shares of common stock will not change the number of shares of common stock outstanding, nor will it have any immediate dilutive effect or change the rights of current holders of common stock. However, the issuance of additional shares of common stock authorized by this amendment to the Certificate may occur at times or under circumstances as to have a dilutive effect on earnings per share, book value per share or the percentage voting or ownership interest of the present holders of common stock, none of whom have preemptive rights under the Certificate to subscribe for additional securities that we may issue.

Once the proposed amendment is approved, no further action by the stockholders would be necessary prior to the issuance of additional shares of common stock unless required by law or the rules of any stock exchange or national securities association on which the common stock is then listed or quoted. Under the proposed amendment, each of the newly authorized shares of common stock will have the same rights and privileges as currently authorized common stock. The proposed amendment to increase the authorized number of shares of common stock does not change the number of shares of non-voting common stock or preferred stock that the Company is authorized to issue.

If the proposed amendment is adopted, it will become effective upon filing of an Amended and Restated Certificate of Incorporation with the Delaware Secretary of State. The Board intends to cause such filing promptly following stockholder approval, but the Board nevertheless retains the discretion under Delaware law not to implement the proposed amendment.

The affirmative vote of a majority of the outstanding shares of the Company's common stock is required to approve the Proposal. Abstentions or the failure to vote shares therefore will have the effect of votes "AGAINST" the Proposal in this context.

The Board recommends a vote "FOR" approval to amend the Certificate to increase the number of authorized shares of common stock from 100,000,000 to 200,000,000 shares.

OWNERSHIP OF OUR COMMON STOCK

The following table sets forth information regarding the beneficial ownership of our common stock as of [•], including:

- each person we know to be the beneficial owner of more than 5% of the outstanding shares of common stock;
- each of our directors and named executive officers; and
- all of our directors and executive officers as a group.

Beneficial ownership is determined under the rules of the SEC and generally includes voting or investment power over securities. Except in cases where community property laws apply or as indicated in the footnotes to this table, we believe that each stockholder identified in the table possesses sole voting and investment power over all shares of common stock shown as beneficially owned by the stockholder. Shares of common stock subject to options that are

exercisable or exercisable within 60 days of March [•], 2015 are considered outstanding and beneficially owned by the person holding the options for the purpose of computing the percentage ownership of that person but are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

Unless otherwise indicated, the address of the persons and entities listed on the table is c/o SS&C Technologies Holdings, Inc., 80 Lambertson Road, Windsor, CT 06095.

Householding of Meeting Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for annual reports and proxy statements with respect to two or more stockholders sharing the same address by delivering a single annual report and/or proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially provides extra convenience for stockholders and cost savings for companies. We and some brokers household annual reports and proxy materials, delivering a single annual report and/or proxy statement to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders.

Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent.

If, at any time, (1) you no longer wish to participate in householding and would prefer to receive a separate annual report and/or proxy statement in the future or (2) you and another stockholder sharing the same address wish to participate in householding and prefer to receive a single copy of our annual report and/or proxy statement, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to Investor Relations, 80 Lamberton Road, Windsor, Connecticut 06095, or call 860-298-4500.
