ITEM 8.01 OTHER EVENTS

On March 1, 2005, the Audit Committee of the Board of Directors of Curtiss-Wright Corporation concluded that the previously issued financial information contained in the Company's Press Release dated February 3, 2005, announcing the Company's 2004 fourth quarter and year end financial results, require revision and should no longer be relied upon. The Company has determined to increase its environmental reserves by \$4.4 million for estimated future remediation costs that had not been included in previously reported information.

The Company expects to file its 2004 Form 10-K within the 75 day filing period. The decision to revise the financial statements was made by the Audit Committee of the Board of Directors and the Board of Directors in consultation with the Company's management. The Audit Committee has discussed the matter disclosed in this report with Deloitte & Touche, the Company's independent registered public accounting firm.

A copy of the Company's March 1, 2005 press release with respect to these accounting corrections is attached as Exhibit 99.1 and is incorporated by reference into this Item 4.02
