Item 8.01 Other Events

On August 11, 2011, First Horizon National Corporation (First Horizon) closed the sale of a subsidiary, First Horizon Msaver, Inc. (Msaver). Msaver s primary business is the provision of administrative services for health savings accounts. Approximately \$170 million of deposits associated with MSaver s business currently are held by First Horizon s banking subsidiary and are expected to be transferred to another depository in due course as a result of the transaction.

In the third quarter of 2011, First Horizon expects to recognize a pre-tax gain from the Msaver transaction of approximately \$9 million. In prior reports relating to earlier periods, the Msaver business assets, obligations, and results were reported in First Horizon s Regional Banking segment. In future reports, Msaver will be reported in the Non-Strategic segment and will be presented as discontinued operations; all prior periods shown in future reports will be conformed to the new presentation.
