PROXY STATEMENT FOR
ANNUAL MEETING OF STOCKHOLDERS
JUNE 12, 2002

INFORMATION CONCERNING SOLICITATION AND VOTING

The enclosed proxy is solicited on behalf of the Board of Directors of Viewpoint Corporation (the "Company") for use at the Annual Meeting of Stockholders to be held on Wednesday, June 12, 2002 at 9:30 a.m., local time, or at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the Sky Club Conference Center, MetLife Building, 200 Park Avenue, 56th Floor, New York, NY.

These proxy solicitation materials and the Company's Annual Report to Stockholders for the year ended December 31, 2001, including financial statements, are being mailed on or about April 29, 2002 to all stockholders entitled to vote at the Annual Meeting.

RECORD DATE AND VOTING SECURITIES

Stockholders of record at the close of business on April 24, 2002 are entitled to notice of and to vote at the meeting. At the record date, 40,044,611 shares of common stock, \$0.001 par value, of the Company were issued and outstanding.

REVOCABILITY OF PROXIES

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use, whether the proxy was given by telephone, via the Internet or by proxy card. The proxy may be revoked by delivering to the Secretary of the Company a written notice of revocation or a duly executed proxy bearing a later date, or by making an authorized Internet or telephone

Edgar Filing: VIEWPOINT CORP/NY/ - Form DEF 14A

communication on a later date in accordance with the instructions on the enclosed proxy card. It may also be revoked by attendance at the meeting and voting in person.

VOTING AND SOLICITATION

Proxies properly given and not revoked will be voted in accordance with the specifications made. Where no specifications are given, such proxies will be voted as the management of the Company may propose. If any matter not described in this proxy statement is properly presented for action at the meeting, the persons named in the enclosed form of proxy will have discretionary authority to vote according to their best judgment.

Each stockholder is entitled to one vote for each share of common stock on all matters presented at the meeting. Stockholders do not have the right to cumulative voting in the election of directors.

The cost of soliciting proxies will be borne by the Company. The Company may also reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may also be solicited by certain of the Company's directors, officers, and employees, without additional compensation, personally or by telephone or telegram.

QUORUM; REQUIRED VOTES; ABSTENTIONS; BROKER NON-VOTES

The required quorum for the transactions of business being voted on at this year's Annual Meeting is a majority of the votes eligible to be cast by holders of shares of common stock issued and outstanding on the record date. Shares that are voted "FOR," "AGAINST," "WITHHELD" or "ABSTAIN" are treated as

being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting with respect to such matter.

With respect to the election of directors, Delaware law requires the affirmative vote of the holders of a plurality of the common stock present and entitled to vote on the election of directors at the Annual Meeting. Therefore, for purposes of the election of directors, abstentions will have no effect on the outcome of the vote, although they will be counted toward the presence of a quorum.

The affirmative vote of a majority of the votes cast is required to adopt all other proposals being voted on at this year's Annual Meeting. Although there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes that abstentions should be counted for purposes of determining the total number of votes cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, the Company intends to treat abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal.

The Delaware Supreme Court has held that, while broker non-votes should be counted for purposes of determining the presence or absence of a quorum for the transaction of business, broker non-votes should not be counted for purposes of determining the number of votes cast with respect to the particular proposal on which the broker has expressly not voted. The Company intends to treat broker non-votes in a manner consistent with this holding. Thus, a broker non-vote will not affect the outcome of the voting on any of the proposals at the Annual Meeting.

In the performance of its oversight function, the Audit Committee reviewed and discussed with management and the independent auditors the Company's audited financial statements. The Audit Committee also discussed with the independent auditors the matters required by Statement on Auditing Standards No. 61 relating to communication with audit committees. In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by Independence Standards Board Standard No. 1 relating to independence discussions with audit committees, the Audit Committee discussed with the independent auditors that firm's independence, and considered whether the independent auditor's provision of non-audit services to the Company is compatible with maintaining the auditor's independence.

In addition, each non-employee director automatically receives a non statutory option to purchase 5,000 shares of Common Stock on January 1 of each year, provided the director has been a member of the Board for at least six months. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company has employment agreements with Messrs. Rice, Kaplan, Vinberg, Kadin, and Gentile.

The Company entered into an employment agreement with Mr. Rice in December 2001 for a two-year term ending December 31, 2003 which provides for an annual base salary of \$330,000. In addition, the Company granted Mr. Rice two options to purchase shares of the Company's common stock at a price of \$3.88 per share, the fair market value of the Company's common stock on the date of grant. One of the stock option grants provides Mr. Rice with the option to acquire 200,000 shares, with 25% of the total grant vesting on the first anniversary of date of grant and the remainder vesting at the rate of 1/36th per month thereafter. The second option grant provides Mr. Rice with the option to acquire 1,000,000 shares (the "Performance-Based Option"). Six and three-tenths percent (6.3%) of

Edgar Filing: VIEWPOINT CORP/NY/ - Form DEF 14A

the shares subject to the Performance-Based Option will vest at the end of each fiscal quarter in which the Company achieves financial goals established by the Board of Directors. If the Company does not achieve such financial goals, the allotted shares will not vest in Mr. Rice and Mr. Rice will have no right to exercise the option with respect to the allotted shares except in accordance with the following. If there is a change in control of the Company (as defined in the employment agreement), a percentage of the unvested portion of the Performance-Based Option will vest in Mr. Rice equal to the multiple of the exercise price received by the Company as consideration in the change in control. For example, if the per share consideration received by the Company in the change in control is twice the exercise price of the Performance-Based Option, fifty percent of the unvested portion of the Performance-Based Option will vest in Mr. Rice.

Mr. Rice's employment agreement provides that if his employment is terminated by the Company without cause (as defined in the agreement), or by Mr. Rice for good reason (as defined), he will be entitled to immediate vesting of all of his unvested Company stock options (other than the Performance-Based Option) and severance pay equal to twice his annual base salary.

The Company's employment agreement with Mr. Kaplan provides for his employment at a base salary of \$200,000 per year. Mr. Kaplan also received a signing bonus of \$50,000 upon the commencement of his employment, and a stock option to purchase 460,000 shares of the Company's common stock at an exercise price of \$6.12 per share, which was the closing price of the Company's common stock on the day before Mr. Kaplan commenced employment. The option vests over a four-year period, with 25% of the shares vesting on February 15, 2002 and the balance vesting at the rate of 1/36th per month.

Under the employment agreement, the Company loaned \$375,000 to Mr. Kaplan. The loan bears interest at 4.94% per year, the applicable Federal rate established by Section 1274(d) of the Internal Revenue Code on the day the loan was made. The loan is secured solely by Mr. Kaplan's stock options in the Company and is non-recourse to Mr. Kaplan, unless the Company fires Mr. Kaplan for cause (as defined) or Mr. Kaplan quits without good reason (as defined), in which case the loan will become fully recourse to him.

Mr. Kaplan's employment agreement provides that if there is a change of control (as defined in the agreement) of the Company, he will be entitled to immediate vesting of the Company stock option described above. In addition, if Mr. Kaplan's employment is terminated by the Company without cause (as defined) or if he terminates his employment with good reason (as defined), he will be entitled to severance pay equal to his annual base salary.

The Company's employment agreement with Mr. Vinberg provides for his employment at a base salary of \$200,000 per year. Under the employment agreement, Mr. Vinberg also received a stock option to purchase 1,035,000 shares of the Company's common stock at an exercise price of \$4.35 per share. Twenty percent (20%) of the shares subject to the option vested on his hire date, 20% vested on the first anniversary of his hire date, and the balance vesting at the rate of 1/36th per month. In recognition of Mr. Vinberg's service as a director of Metastream, the employment agreement provides that, for purposes of vesting of this option, the option will vest as though Mr. Vinberg's hire date was October 1999 if Mr. Vinberg remains employed by the Company at least until February 28, 2001. Mr. Vinberg has satisfied this condition. Mr. Vinberg also received an additional stock option to purchase 172,500 shares of the Company's common stock at an exercise price of \$8.56 per share. This additional option vests over a four-year period, with 25% vesting on September 6, 2002

Edgar Filing: VIEWPOINT CORP/NY/ - Form DEF 14A

and the balance vesting at the rate of 1/36th per month. In the event of a change of control of the Company (as defined), both of these stock options will vest immediately.

Under the employment agreement, the Company loaned \$200,000 to Mr. Vinberg. The loan bears interest of 5.07% per annum, the applicable Federal rate established by Section 1274(d) of the Internal Revenue Code on the day the loan was made. The loan is secured solely by Mr. Vinberg's stock options in the Company and will be non-recourse to Mr. Vinberg unless Mr. Vinberg's employment is terminated by the Company for cause (as defined), in which case the loan will be fully recourse to Mr. Vinberg.

Mr. Vinberg's employment agreement provides that for the first three years of his employment, if his employment is terminated by the Company after a change of control (as defined) without cause (as defined), or if he quits for good reason (as defined), he will be entitled to base salary continuation, including medical benefits, for six months following his termination.

Mr. Kadin's employment agreement with the Company calls for his employment at a starting base salary of \$185,000 per year, with an anticipated annual bonus of \$35,000 for his first year of employment and future bonuses as determined by the Board of Directors. Mr. Kadin also received a signing bonus of \$30,000 and a stock option to purchase 460,000 shares of the Company's common stock at an exercise price of \$2.61 per share. This option vests over a four-year period, with 20% vesting on the date of hire, 20% vesting on the first anniversary of his hire date and the balance vesting at the rate of 1/36th per month. Mr. Kadin's employment agreement provides that if the Company terminates his employment without cause (as defined), he will be entitled to a severance payment equal to six months of his then-current base salary.

Mr. Gentile's employment agreement with the Company provides for a starting base salary of \$125,000 per year, which has since been raised to \$200,000 per year. In addition, pursuant to the employment agreement, Mr. Gentile received a stock option to purchase 50,000 shares of the Company's common stock at an exercise price of \$5.75 per share. This stock option vests over a four-year period, with 25% of the total grant vesting on the first anniversary of the date of grant and the remainder vesting at the rate of 1/36th per month. In lieu of bonuses to which Mr. Gentile was entitled under the terms of the employment agreement, the Company issued to Mr. Gentile in September 2000 an additional stock option to purchase 115,000 additional shares of the Company's common stock at an exercise price of \$5.65 per share. This additional option also vests over a four-year period, with 20% of the total grant vesting on the date of grant, 20% vesting on the first anniversary of the date of grant and the remainder vesting at the rate of 1/36th per month. Mr. Gentile also received a stock option to purchase 172,500 shares of the Company's common stock at an exercise price of \$0.87 per share in December 1999.

The Company entered into an employment agreement with Mr. James A. Abate in 2000 under which Mr. Abate served as Chief Financial Officer. Mr. Abate resigned in January 2001. The employment agreement called for his employment at a base salary of \$200,000 per year, along with a targeted annual bonus of \$50,000 for his first year of employment and future bonuses as determined by the Board of Directors. Mr. Abate also received 200,000 restricted shares of the Company's common stock, a stock option to purchase 690,000 shares of the Company's common stock at an exercise price of \$4.35 per share, and an additional stock option to purchase 100,000 shares of the Company's common stock at an exercise price of \$8.12 per share. Mr. Abate forfeited his restricted stock and his stock options upon his resignation.

In addition, under his employment agreement, Mr. Abate received an interest-free loan of \$1,500,000 from the Company. This loan was secured by Mr. Abate's restricted stock and stock options and was repayable at the Company's

Edgar Filing: VIEWPOINT CORP/NY/ - Form DEF 14A

demand upon the termination of Mr. Abate's employment. The Company has demanded repayment of this loan by Mr. Abate. Mr. Abate, however, has refused to repay the loan, asserting that the loan was non-recourse to him and was secured solely by his restricted stock and stock options. The Company believes that Mr. Abate's assertion is entirely without merit, and that the loan is fully recourse to Mr. Abate. The Company has commenced litigation against Mr. Abate in New York State Supreme Court and intends to enforce repayment by Mr. Abate using all available legal means.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

None of the members of the Compensation Committee is a former or current officer or employee of the Company. No interlocking relationship exists between any member of the Compensation Committee and any member of any other company's board of directors or compensation committee.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee is responsible for reviewing and approving compensation for executive officers of the Company, administering the Company's stock option plans, and approving employment agreements between the Company and executive officers.

COMPENSATION PHILOSOPHY

The Company operates in the competitive and rapidly changing environment of high technology businesses. The Company's compensation philosophy is based on the belief that achievement in this environment is enhanced by the coordinated efforts of all individuals working toward common objectives. The goals of the Company's compensation program are to align compensation with the Company's business objectives and performance, to foster teamwork and to enable the Company to attract, retain and reward employees who contribute to the Company's long-term success.

COMPENSATION COMPONENTS

The Company's executive officers are compensated with a salary and stock option awards. Certain executive officers are also eligible for bonuses. The Committee assesses the past performance and anticipated future contribution, and considers the total compensation (earned or potentially available) of each executive officer in establishing each element of compensation.

Salary. The salaries of the executive officers, including the Chief Executive Officer, are determined by the Committee with reference to salaries paid to executives with similar responsibilities at comparable companies, generally in the high technology industry. The peer group for each executive officer is composed of executives whose responsibilities are similar in scope and content. The Company seeks to set executive compensation levels that are competitive with the average levels of peer group compensation.

Stock Options. Stock option awards are designed to align the interests of executives with the long-term interests of the stockholders. The Committee approves option grants subject to vesting periods (usually 48 months) to retain executives and encourage sustained contributions. The exercise price of options is typically not less than the closing market price on the date of grant. These options will acquire value only to the extent that the price of Company common stock increases relative to the market price at the date of grant. In some cases, options only vest if the Company or the individual achieves performance goals established by the Board of Directors.

Edgar Filing: VIEWPOINT CORP/NY/ - Form DEF 14A

Bonus. The Company has established an incentive compensation plan pursuant to which certain executive officers and a limited number of key employees may receive annual cash bonuses. Targets for sales growth and operating income influence whether and to what extent incentive compensation payments will be made. Individual payments are based on the Company's achievement of these targets.

CHIEF EXECUTIVE OFFICER'S COMPENSATION

The Company entered into an employment agreement with Mr. Rice in December 2001 for a two-year term ending December 31, 2003 which provides for an annual base salary of \$330,000. In addition, the Company granted Mr. Rice two options to purchase shares of the Company's common stock at a price of \$3.88 per share, the fair market value of the Company's common stock on the date of grant. One of the stock option grants provides Mr. Rice with the option to acquire 200,000 shares, with 25% of the total grant vesting on the first anniversary of the date of grant and the remainder vesting at the rate of 1/36th per month thereafter. The second option grant provides Mr. Rice with the option to acquire 1,000,000 shares (the "Performance-Based Option"). Six and three-tenths percent (6.3%) of the shares subject to the Performance-Based Option

10

will vest at the end of each fiscal quarter in which the Company achieves financial goals established by the Board of Directors. If the Company does not achieve such goals, the allotted shares will not vest in Mr. Rice and Mr. Rice will have no right to exercise the option with respect to the allotted shares except in accordance with the following. If there is a change in control of the Company (as defined in the employment agreement), a percentage of the unvested portion of the Performance-Based Option will vest in Mr. Rice equal to the multiple of the exercise price received by the Company as consideration in the change in control. For example, if the per share consideration received by the Company in the change in control is twice the exercise price of the Performance-Based Option, fifty percent of the unvested portion of the Performance-Based Option will vest in Mr. Rice.

In determining Mr. Rice's compensation, the Committee made reference to several surveys of compensation of chief executive officers of similarly-situated companies and considered Mr. Rice's role in positioning and leading the Company.
