PROXY STATEMENT

This Proxy Statement is furnished with respect to the solicitation of proxies by the Board of Directors of Nautica Enterprises, Inc. (the "Company") for the Annual Meeting of Stockholders of the Company to be held at 10:00 a.m. on July 8, 2003 and at any adjournment or postponement thereof, at 40 West 57th Street, 7th floor, New York, New York. The approximate date on which the Proxy Statement and form of proxy were first sent or given to stockholders was June 6, 2003.

As of the close of business on May 29, 2003, the date for determining the stockholders of record entitled to notice of and to vote at the Annual Meeting and any adjournment or postponement thereof, there were issued and outstanding 33,590,100 shares of the Company's Common Stock, the holders thereof being entitled to one vote per share. The presence at the Annual Meeting of a majority of such shares, in person or by proxy, are required for a quorum. All shares that have been properly voted, whether by telephone, Internet or mail, and not revoked, will be treated as being present for the purpose of determining the presence of a quorum at the Annual Meeting and will be voted at the Annual Meeting.

The form of proxy solicited by the Board of Directors affords stockholders the ability to specify a choice among approval of, disapproval of, or abstention with respect to, each matter to be acted upon at the Annual Meeting. Shares represented by the proxy will be voted and, where the solicited stockholder indicates a choice with respect to any matter to be acted upon, the shares will be voted as specified. If any other matters are properly presented for consideration at the Annual Meeting, the persons named in the proxy will have the discretion to vote on those matters.

The expense of the solicitation of proxies for the meeting, including the cost of mailing, will be borne by the Company. In addition to mailing copies of the enclosed proxy materials to stockholders, the Company may request persons, and reimburse them for their expenses with respect thereto, who hold stock in their names or custody or in the names of nominees for others to forward copies of such materials to those persons for whom they hold stock of the Company and to request authority for the execution of the proxies. In addition to the solicitation of proxies by mail, it is expected that some of the officers, directors, and regular employees of the Company, without additional compensation, may solicit proxies on behalf of the Board of Directors by telephone, telefax, and personal interview.

Stockholders of record may vote by telephone, via the Internet or by mail. A toll-free telephone number and web site address are included on the proxy card. For stockholders who choose to vote by mail, a postage-paid envelope is provided.

Voting by Telephone. Stockholders of record may vote by using the toll-free number listed on the proxy card. Telephone voting is available 24 hours a day. Easy-to-follow voice prompts allow stockholders to vote their shares and confirm that their instructions have been properly recorded. The Company's telephone voting procedures are designed to authenticate stockholders

The persons named in the accompanying proxy intend to vote for the election as directors the eight nominees listed herein. All of the nominees have consented to serve if elected. All directors will be elected to hold office until the next annual meeting of stockholders, and, in each case, each director will serve until his successor is elected and qualified or until his earlier resignation or removal. If a nominee should be unable to act as a director, which is not anticipated, the persons named in the proxy will vote for any nominee who shall be designated by the present Board of Directors to fill the vacancy. Each of the nominees presently serves as a director.

Set forth below is biographical information for each of the nominees. Unless otherwise indicated, each has served in his stated capacity for the last five years:

Shares represented by proxies solicited by the Board of Directors will, unless contrary instructions are given, be voted in favor of the election as Directors of the nominees named above. If a stockholder wishes to withhold authority to vote for any nominee, such stockholder can do so by following the directions set forth on the form of proxy solicited by the Board of Directors or on the ballot distributed at the Annual Meeting if such stockholder wishes to vote in person. Directors shall be elected by a plurality vote of the shares of Common Stock present in person or represented by proxy at the meeting. Abstentions and broker non-votes will have no effect on the election of directors. Broker non-votes occur when a person holding shares through a bank or brokerage account does not provide instructions as to how his or her shares should be voted and the broker does not exercise discretion to vote those shares on a particular matter.

During fiscal year 2003, the Board of Directors held six meetings. The Compensation Committee of the Board of Directors is comprised of Messrs. Bank and Weiner. The Compensation Committee reviews the Company's compensation policies and practices and develops recommendations with respect to compensation for the Company's senior executives. During fiscal year 2003, the Compensation Committee held two meetings and the Audit Committee held four meetings. The Nominating Committee of the Board of Directors is comprised of Messrs. Bank, Rosenzweig, Tishman and Weiner. The Nominating Committee identifies candidates for election to the Board of Directors. Each of the incumbent directors attended at least 75% of the meetings of the Board and the committees to which the director was assigned, with the exception of Mr. Varvatos, whose schedule resulted in his attending fewer Board meetings.

AUDIT COMMITTEE REPORT

Edgar Filing: NAUTICA ENTERPRISES INC - Form DEF 14A

The Audit Committee of the Board of Directors oversees the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the Company's financial statements and reporting process, including the Company's systems of internal controls. The Audit Committee is comprised of three independent directors and operates under a written charter annually adopted by the Board of Directors. On April 29, 2003, the Board of Directors amended the charter of the Audit Committee to reflect, among other things, requirements of recently adopted federal legislation, including the Sarbanes-Oxley Act of 2002, new and proposed rules of the Securities and Exchange Commission and certain proposed listing standards of The Nasdaq Stock Market. A copy of such charter, as amended, is annexed to this Proxy Statement as Annex A.

In the performance of its oversight responsibilities, the Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended March 1, 2003 with management of the Company, including a discussion of the quality and acceptability of the Company's financial reporting and controls. In addition, the Audit Committee has discussed with the independent certified public accountants, who are responsible for expressing an opinion on the fair presentation of those audited financial statements in accordance with accounting principles generally accepted in the United States of America, the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees.

The Audit Committee has received the written disclosures and the letter from the independent certified public accountants required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent certified public accountants such accountants' independence. The Audit Committee also considered whether the independent certified public accountants' provision of non-audit related services to the Company is compatible with maintaining independence. Further, the Audit Committee discussed with the Company's independent certified public accountants the overall scope of their audit. The Audit Committee meets periodically with the Company's independent certified public accountants, with and without management present, to discuss the results of their audits or reviews, their assessments of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the review and discussions described above with management and the independent certified public accountants, and subject to the limitations of the Audit Committee's role, the Audit Committee recommended to the Board of Directors that the audited financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 1, 2003 and filed with the Securities and Exchange Commission. The Audit Committee has also recommended and the Board of Directors has approved, subject to stockholder ratification as discussed in Proposal Two below, the selection of the Company's independent certified public accountants.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company and Messrs. Sanders and Chu have entered into an agreement that provides that upon the death of either of them, the Company will purchase a portion of the shares of Common Stock of such stockholder. The Company has obtained policies of life insurance on the lives of such stockholders for the purpose of utilizing the proceeds from such insurance for the purchase of the shares. The agreement provides for the Company to purchase the shares of the deceased stockholder at a value which is equal to the average of the last sale price as reported on the National Market List of the Nasdaq (or the closing price if the shares are listed on a national securities exchange) for the thirty trading days prior to the date of death of the deceased stockholder. The Company's obligation to purchase the Common Stock of the deceased stockholder is limited to the life insurance proceeds received by the Company on the death of such stockholder. The agreement also provides, as soon after the death of the stockholder as is practicable, for the filing of a registration statement with the Securities and Exchange

Edgar Filing: NAUTICA ENTERPRISES INC - Form DEF 14A

Commission for a secondary offering to provide for the sale of the balance of the shares owned by the deceased stockholder.

Mr. David Chu, Vice Chairman of the Company, is entitled to receive 50% of the net income Nautica Apparel, Inc. receives from all royalty income earned with respect to the Nautica name and trademarks. For the year ended March 1, 2003, Mr. Chu earned net royalty income of \$9,305,282. Through a separate arrangement, Mr. Chu was entitled to receive, subject to certain conditions, a design fee of up to 1.5% of the net sales of certain new products. On January 7, 2002, this agreement was cancelled by the Company for a payment of \$5,630,123.

During fiscal year 2003, the Company paid \$539,089 to the law firm of Hughes Hubbard & Reed LLP for professional services rendered to the Company. Samuel Sultanik, Esq., the brother-in-law of Harvey Sanders, Chairman of the Board, Chief Executive Officer and President of the Company, is a partner of Hughes Hubbard & Reed LLP and Charles H. Scherer, Esq., a Director of the Company, is managing partner of Hughes Hubbard & Reed LLP. From time to time, Rothschild Inc. may provide financial advisory services to the Company. Steven H. Tishman, a Director of the Company, is a Managing Director of Rothschild Inc. No such services were provided to the Company during fiscal year 2003.

During fiscal year 2003, the Company paid \$55,272 to the firm of Chu/Pettersen Interior Design, Inc. for interior design and related services provided to the Company. Mr. Peter Chu, the brother of David Chu, Vice Chairman of the Company, is a stockholder and Vice President in such firm.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of its Common Stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "Commission"). Officers, directors and greater than ten percent stockholders are required by the Commission to furnish the Company with copies of all Section 16(a) forms they file.

The Company believes that, based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no reports on Form 5 were required for those persons, during fiscal year 2003 all Section 16(a) reports applicable to its officers, directors and greater than ten percent stockholders were timely filed.

EMPLOYEE CONTRACTS AND TERMINATION OF EMPLOYMENT AND CHANGE IN CONTROL ARRANGEMENTS

The Company has entered into agreements with Messrs. Sanders, Chu and Varvatos providing that in the event of a change in control of the Company, as defined in the agreements, each has the right to receive a lump sum payment upon termination of employment other than for cause, for permanent disability or for resignation for good reason within three years after the change in control. At March 1, 2003, the maximum amount payable to Mr. Sanders, Mr. Chu and Mr. Varvatos under such agreements was \$4,311,000, \$2,556,500 and \$2,460,800, respectively.

The Company has entered into split-dollar agreements with trusts established by each of Mr. Sanders and Mr. Chu, and with Mr. Varvatos. Pursuant to each of the agreements, the Company pays the annual premium on specified life insurance policies owned by each of the trusts and by Mr. Varvatos, net of the

Edgar Filing: NAUTICA ENTERPRISES INC - Form DEF 14A

amount of the "economic benefit" attributable to each of the employees. The amount of the premiums paid by the Company constitutes indebtedness from each of the trusts and Mr. Varvatos to the Company and is secured by collateral assignments of each of the insurance policies to the Company. The premium payable by the Company in fiscal 2003 for the benefit of Mr. Sanders' trust was \$57,232, for Mr. Chu's trust, \$49,402 and for Mr. Varvatos, \$89,336. Due to considerations raised by the Sarbanes-Oxley Act of 2002, the Company has ceased paying premiums under such split-dollar life insurance policies. The face value of the policy for Mr. Sanders' trust is \$5,000,000, for Mr. Chu's trust, \$5,050,000 and for Mr. Varvatos, \$5,000,000.

The Company has entered into an employment agreement with Mr. Varvatos which provides for continued service by Mr. Varvatos in his present position as President of John Varvatos Company ("JVC") until February 28, 2005, subject to extension for additional three year segments unless either the Company or Mr. Varvatos provides notice of non-extension. During fiscal year 2003, Mr. Varvatos was entitled to receive a salary of \$735,000. Thereafter, any increases are determined by the Board of Directors, subject to a minimum increase of no less than 5%. Mr. Varvatos is entitled to annual bonuses in accordance with the Company's policies in effect from time to time. The employment agreement includes the change in control provisions set forth above and provides that if during the term of employment Mr. Sanders is no longer employed by the Company then the Company shall exercise one of the following options: (i) spin-off to the Company's stockholders the shares of JVC with Mr. Varvatos serving as its Chief Executive Officer; (ii) sell JVC to Mr. Varvatos at fair market value, or (iii) pay to Mr. Varvatos an annual amount equal to 10% of JVC's net income (after taxes) for so long as he remains JVC's Chief Executive Officer. The Company can elect to cease making the annual payments provided for in clause (iii) above by making a lump sum payment to the executive in an amount equal to two times the JVC average annual net income (after taxes) for the prior three years; provided, however, such sum shall not exceed \$50 million. Mr. Varvatos has assigned to the Company all of his right, title and interest in and to the names John Varvatos, Varvatos and John Varvatos Company, and any derivations thereof.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Robert B. Bank and Ronald G. Weiner serve as members of the compensation committee (the "Compensation Committee") of the Board of Directors. No member of the Compensation Committee has a relationship that would constitute an interlocking relationship with the Company's executive officers or other Directors.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors consists of two independent non-employee directors. The Compensation Committee reviews the Company's executive compensation policies and practices and develops recommendations to the Board with respect to compensation for the Company's senior executives. An executive compensation program adopted by the Board provides a framework for

9

administering the Company's executive compensation program. The Committee also administers the Company's Incentive Compensation Plan and the 1996 Stock Incentive Plan.

The goals of the Company's compensation policies are as follows:

- to attract, retain, reward and motivate executive officers and employees

Edgar Filing: NAUTICA ENTERPRISES INC - Form DEF 14A

by establishing compensation levels generally competitive with the marketplace;

- to align executive compensation with the Company's business objectives;
- to position compensation to reflect the individual's performance as well as the level of responsibility, skill and strategic value of the executive; and
- to align the interests of the Company's employees with those of its stockholders.

In setting compensation, the Compensation Committee reviews, with the assistance, from time to time, of independent compensation consultants, available information for similar positions or levels at comparable companies. Such companies include a diverse range of apparel manufacturers with sales within, below and above the range of sales of the Company. The Compensation Committee has adopted a policy to seek to maintain executive compensation within the deduction cap of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

The Company's executive compensation program consists of three main components: base salary, cash bonus or incentive awards, and long-term stock-based incentives. Base salaries are determined with reference to a competitive norm and job grades with consideration given to the executive's strategic value, experience, proficiency and performance. Ranges of salary are assigned to each grade with a minimum salary representing the lowest entry level, a midpoint salary representing a market value of experienced good performers and a maximum salary representing the highest value for the most experienced and proficient employees. Cash bonuses to eligible employees are based upon a formula to provide a direct "pay-for-performance" vehicle. The annual bonus also serves to focus executives on those activities that most directly affect stockholder value which are within their control and for which they are held accountable. At the beginning of the fiscal year, specific performance measures and goals are established based upon corporate and/or business unit profitability and individual performance. Each participant is assigned a target bonus award opportunity that relates to his or her level. That target award level represents the level of bonus payment the participant can expect to earn in the event all performance goals are achieved at 100% during the ensuing fiscal year. When performance levels exceed or fall below expectations, actual awards are proportionately increased or decreased from the target, with bonuses "at risk." In fiscal year 2003, the target levels established at the corporate and business unit levels were based upon earnings before income taxes.

With respect to certain senior executives, including Harvey Sanders, the Chairman of the Board, President and Chief Executive Officer of the Company, David Chu, the Vice Chairman of the Company, and John Varvatos, President of John Varvatos Company, a wholly-owned subsidiary of the Company, annual incentive award opportunities are set in accordance with the Company's Incentive Compensation Plan (the "Plan"). At the start of each fiscal year, the Compensation Committee, in consultation with management, establishes target levels of either earnings before income taxes, net earnings and/or return on equity for the Company or a business unit. In fiscal year 2003, threshold levels of earnings were

established. If the designated minimum level of earnings was not achieved, the participants would have received no incentive award for fiscal year 2003 performance under the Plan (although in its discretion, the Compensation

Edgar Filing: NAUTICA ENTERPRISES INC - Form DEF 14A

Committee may authorize awards outside of the Plan). During such year, certain of the Company's business units exceeded the minimum threshold level, and the participants received an incremental proportionately greater payment than the minimum. Other business units did not exceed the minimum and participants received no bonuses, while others received discretionary bonuses. The Compensation Committee has established target levels for fiscal year 2004 and has granted incentive award opportunities for such year to each of Messrs. Sanders, Chu and Varvatos.

The Company's senior executives are eligible to receive stock options and/or restricted stock in accordance with the Company's 1996 Stock Incentive Plan. The objectives of such participation are to align executive and stockholder long term interests and to enable executives to develop a stock ownership position in the Company. The Compensation Committee has the responsibility of granting stock options and restricted stock awards to executive and management employees. In granting stock options, the Compensation Committee takes into account Company performance, subsidiary performance and individual performance, utilizing the same factors as those used in the determination of cash compensation. The Compensation Committee also takes into account the number of options held by an individual and the total number of stock options outstanding. No stock options were granted to the executive officers listed in the Summary Compensation table above in fiscal year 2003.

The Chairman of the Board, President and Chief Executive Officer of the Company is Harvey Sanders. The criteria by which the Compensation Committee determines salary, bonus and the grant of stock options for senior executives, as set forth above, is also utilized by the Compensation Committee in determining cash compensation and stock awards for Mr. Sanders.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF ACCOUNTANTS

The Board of Directors proposes the ratification by the stockholders at the Annual Meeting of Stockholders of the Company of the appointment of the accounting firm of Grant Thornton LLP as independent certified public accountants who will make an examination of the accounts of the Company for the year ending February 28, 2004. Grant Thornton LLP served as the Company's independent certified public accountants for the years ended March 1, 2003 and March 2, 2002. Stockholder ratification of the selection of Grant Thornton LLP as the Company's independent certified public accountants is not required by the Company's By-laws or otherwise. If the stockholders fail to ratify the selection, the Board of Directors will consider whether to retain that firm. Even if the selection is ratified, the Board of Directors in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the

12

Company and its stockholders. A representative of Grant Thornton LLP is expected to be present at the annual meeting to respond to appropriate questions and to make a statement if that representative so desires.

This Proposal Two relating to the ratification of the appointment of Grant Thornton LLP, will be adopted if a majority of the voting power of the shares of Common Stock present at the meeting, in person or by proxy, and entitled to vote, affirmatively vote in favor of the proposal. Broker non-votes will have no effect on the adoption of this proposal.

The Board of Directors recommends that stockholders vote FOR the ratification of the appointment of Grant Thornton LLP as the Company's independent certified public accountants.

AUDIT FEES

The aggregate fees billed by Grant Thornton LLP in each of the last two fiscal years for professional services rendered for the audit of the Company's annual financial statements, review of financial statements included in the Company's quarterly reports on Form 10-Q and services that were provided in connection with statutory and regulatory filings or engagements were \$342,110 for 2003 and \$296,000 for 2002.

AUDIT-RELATED FEES

The aggregate fees billed by Grant Thornton LLP in each of the last two fiscal years for assurance and related services that were reasonably related to the performance of the audit or review of the Company's financial statements were \$84,193 in 2003 and \$411,106 in 2002. The nature of the services performed for these fees included, among other things, employee benefit plan audits, special projects, internal control reviews, and consultations concerning financial accounting and reporting matters not classified as audit.

TAX FEES

The aggregate fees billed by Grant Thornton LLP in each of the last two fiscal years for professional services rendered for tax compliance, tax advice,

Edgar Filing: NAUTICA ENTERPRISES INC - Form DEF 14A

and tax planning were \$256,024 for 2003 and \$330,154 for 2002.

ALL OTHER FEES

There were no fees billed by Grant Thornton LLP in fiscal year 2003 for products and services other than those reported in the three prior categories. The aggregate fees billed by Grant Thornton LLP in 2002 for products and services other than those reported in the three prior categories was \$361,189. The nature of the other services performed included advisory services with respect to information systems and other matters, and implementation of information systems.

The Audit Committee of the Board of Directors has considered whether provision of non-audit services by Grant Thornton LLP is compatible with maintaining the independent public accountants' independence. The Audit Committee has established a policy requiring its review and approval of all

13

audit services, engagements and permitted non-audit services to be performed by the Company's independent public accountants. The policy allows the Audit Committee to delegate pre-approval authority to one or more Audit Committee members.
