AMENDMENT NO. 1 TO SCHEDULE 13D

This Amendment No. 1 to Schedule 13D relates to shares of common stock, \$0.01 par value per share (the "Common Stock"), of Golden Telecom, Inc. ("GTI"). This Amendment No. 1 amends and supplements the initial statement on Schedule 13D, filed by the Reporting Persons on August 29, 2003 (the "Initial Statement"). This Amendment No. 1 is being filed by the Reporting Persons to report the purchase of an aggregate of 322,178 shares of Common Stock of GTI (the "Additional Shares") by Nye Telenor East Invest AS ("Telenor"). Defined terms used herein that are not otherwise defined have the meanings ascribed to them in the Initial Statement.

ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION

Item 3 is hereby supplemented with the following information:

All of the US\$9,132,949.97 (including brokerage commission) used to acquire the Additional Shares came from the working capital of Telenor.

ITEM 4. PURPOSE OF TRANSACTION

Item 4 is hereby supplemented with the following information:

Telenor has acquired a total of 322,178 Additional Shares. The Additional Shares came from the following three sources: 127,178 Additional Shares (the "Open Market Shares") were acquired in open market purchases; 60,000 Additional Shares (the "Purchased Shares") were purchased in a privately negotiated transaction with First NIS and Cavendish; and 135,000 Additional Shares (the "Option Shares") were acquired from certain participants (each, a "Selling Option Holder") in the 1999 Golden Telecom, Inc. Equity Participation Plan (the "Plan").

The Open Market Shares were acquired by Telenor between November 18, 2003 and November 25, 2003 in transactions effected on the Nasdaq Stock Market at prices ranging from \$25.73 per Open Market Share to \$28.50 per Open Market Share.

The Purchased Shares were acquired by Telenor on November 28, 2003 from First NIS and Cavendish. These purchases were made by Telenor pursuant to the terms of a Share Purchase Agreement dated as of November 27, 2003 (the "Share Purchase Agreement") by and among Telenor, First NIS and Cavendish. Under the terms of the Share Purchase Agreement, Telenor paid First

Edgar Filing: GOLDEN TELECOM INC - Form SC 13D/A

NIS and Cavendish \$28.00 per Purchased Share.

The Option Shares were acquired from the Selling Option Holders on November 26, 2003 on the basis of an undertaking letter issued by Telenor dated November 26, 2003 (the "Undertaking Letter"). As described in the Undertaking Letter, each Selling Option Holder exercised his options to acquire certain Option Shares in accordance with the Plan and instructed GTI to arrange for the Option Shares to be registered in the name of Telenor. Telenor (through its agent, Morgan Stanley) paid to GTI for the account of each Selling Option Holder the aggregate exercise price with respect to each Option Share and paid to each Selling Option Holder an amount equal to the difference between \$30.00 and the exercise price for such Selling Option Holder's options, multiplied by the number of shares of Common Stock delivered to Telenor following such Selling Option Holder's exercise of his options. In addition, Telenor paid all fees relating to Telenor's transfer of funds to GTI and the Selling Option Holders.

According to GTI's transfer agent, as of November 26, 2003, there were outstanding 28,929,612 shares of Common Stock. As a result of the purchases of the Additional Shares described above, the Reporting Persons anticipate that if the transactions contemplated by the Share Exchange Agreement are consummated, Telenor will be the direct beneficial owner of approximately 7,329,972 shares of Common Stock or approximately 20.4% of the then outstanding shares (assuming that the number of outstanding shares of Common Stock does not change prior to the Closing).

Under the Shareholders Agreement that will become operative as of the Effective Date, Telenor will have the right to designate two individuals to serve on the Board of Directors of GTI. Telenor's right to designate at least two directors to GTI's Board under the Shareholders Agreement will continue for as long as Telenor owns at least 20% of GTI's Voting Stock. It is Telenor's present intention to continue to own at least 20% of GTI's Voting Stock. The transactions contemplated by the Share Exchange Agreement are expected to close in the first week of December 2003. Depending upon market conditions, Telenor's present intention is to acquire additional shares of Common Stock for investment purposes, from time to time, in the open-market or through privately-negotiated transactions, subject to any restrictions imposed on such purchases by law or pursuant to the terms of the Standstill Agreement, if and when the terms of the Standstill Agreement become operative. However, no assurance can be made that any such purchases will ever be made and, depending upon market conditions and other circumstances that it then deems relevant, Telenor may also dispose of shares of Common Stock, from time to time, in the open-market or in privately negotiated transactions.

ITEM 5. INTEREST IN SECURITIES OF THE ISSUER

Items 5(a) and (b) are hereby amended to read in their entirety as follows:

(a) and (b) On the basis of information available to the Reporting Persons on the date hereof, immediately after the completion of all of the transactions described in Item 4 above, Telenor will be the direct beneficial owner of 7,329,972 shares of Common Stock, which will constitute 20.4% of the issued and outstanding shares of Common Stock of GTI, after taking into account the effect of the issuance of GTI Shares pursuant to the Share Exchange Agreement. The calculation of the 7,007,794 shares to be received by Telenor upon the closing of the Share Exchange Agreement assumes that the 28,929,612 shares of Common Stock of GTI currently outstanding will be the number of shares outstanding on the date of the Closing. If GTI issues any additional shares of Common Stock after the date hereof and prior to the Closing, the number of shares of Common Stock beneficially owed by Telenor will change. Telenor currently has the sole

Edgar Filing: GOLDEN TELECOM INC - Form SC 13D/A

power to vote or direct the vote of, and the sole power to dispose or direct the disposition of, the 322,178 Additional Shares purchased by it and will have such power with respect to the 7,007,794 GTI Shares to be acquired by it upon the consummation of the transactions contemplated by the Share Exchange Agreement.

A total of 26,870,767 shares of Common Stock will be subject to the Shareholders Agreement upon consummation of the transactions under the Share Exchange Agreement, constituting in the aggregate approximately 74.8% of GTI's total issued and outstanding Common Stock, after giving effect to the issuance of all of the GTI Shares. The calculation of the preceding share amount and percentage is based upon the respective Common Stock shareholdings at August 19, 2003 of Alfa, RTK, CIG, Cavendish and First NIS, as disclosed to the Reporting Persons by such parties, and GTI's 28,929,612 total outstanding shares of Common Stock. Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission that any of the Reporting Persons is the beneficial owner of any shares of Common Stock of GTI (other than, solely in the case of Telenor, (i) the 322,178 Additional Shares owned directly by Telenor and (ii) after the completion of the transactions contemplated by the Share Exchange Agreement described in Item 4 above, the 7,007,794 GTI Shares) for purposes of Section 13(d) of the Exchange Act or for any other purpose, and such beneficial ownership is expressly disclaimed.

Telenor is a direct wholly owned subsidiary of Telenor Business Solutions Holding AS, and Telenor Business Solutions Holding AS is a direct wholly owned subsidiary of Telenor ASA. As a result, Telenor Business Solutions Holding AS and/or Telenor ASA may be deemed to be the indirect beneficial owner of the Option Shares owned directly by Telenor and the GTI Shares to be acquired by Telenor upon completion of the transactions contemplated by the Share Exchange Agreement. Neither the filing of this Schedule 13-D nor any of its contents shall be deemed to constitute an admission that Telenor Business Solutions Holding AS or Telenor ASA is the beneficial owner of either the Option Shares presently owned by Telenor or the GTI Shares to be acquired by Telenor for the purposes of Section 13(d) of the Exchange Act or for any other purpose, and such beneficial ownership is expressly disclaimed.

Item 5(c) is supplemented with the following information:

Except with respect to the acquisitions of the Additional Shares described in response to Item 4, no Reporting Person (and no other person for whom information is required to be reported pursuant to General Instruction C to Schedule 13D) has entered into any transactions in the shares of Common Stock of GTI during the past sixty days. Further details concerning the acquisition of the Additional Shares are set forth on Schedule 1 hereto, which is incorporated herein by reference.

ITEM 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER

Item 6 is hereby amended to read in its entirety as follows:

Except as provided in the Share Exchange Agreement, the Shareholders Agreement, the Standstill Agreement, the Registration Rights Agreement, the Undertaking Letter and the Share Purchase Agreement, or as set forth herein, none of the Reporting Persons or, to the best knowledge of such parties, none of the individuals named in Item 2 hereof has entered into any contracts, arrangements, understandings or relationships (legal or otherwise) with any person with respect to any securities of GTI, including, but not limited to, transfer or voting of any securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits

or losses, or the giving or withholding of proxies.

ITEM 7. MATERIAL TO BE FILED AS EXHIBITS

Item 7 is hereby supplemented with the following information:
