ITEM 8.01 OTHER EVENTS.

On November 10, 2004, Vornado Operating Company (the "Company") announced that its Board of Directors has voted to recommend to its stockholders that the Company liquidate. The liquidation must be approved by holders of a majority of the Company's common shares. The Board of Directors has scheduled a stockholder

meeting to vote on the liquidation for December 17, 2004 and has set November 16, 2004 as the record date for determining the stockholders entitled to vote at that meeting. The Company expects to mail proxy materials for the meeting promptly after the November 16, 2004 record date.

Assuming stockholders approve the liquidation at the December 17, 2004 meeting, the Company will pay its remaining liabilities and distribute its residual cash to stockholders. The Company estimates that the distribution will be approximately \$2.00 per share, although the actual amount may be higher or lower depending on whether its remaining liabilities turn out to be higher or lower than the estimated amounts.

A copy of the press release issued by the Company on November 10, 2004 regarding the above-referenced decision by the Board of Directors to recommend liquidation is being filed as exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.
