Item 8.01 Other Events

The Great Atlantic & Pacific Tea Company, Inc. (A&P) has filed this Current Report on Form 8-K in order to revise the historical financial statements included in its Annual Report on Form 10-K for the fiscal year ended February 24, 2007 (the Form 10-K) to reflect, for all periods presented in the Form 10-K, the reclassification of revenues and expenses of its supermarkets in the Greater New Orleans area as discontinued operations in accordance with Statement of Financial Accounting Standards No. 144, *Accounting for the Impairment or Disposal of Long-lived Assets* (Statement 144).

In addition, beginning in the first quarter of fiscal 2007, our Company revised our reportable segments to reflect our operations by geographic region. Our revised segments, which are reflected in these financial statements, are the Northeast, Midwest, and our investment in Metro, Inc. Our Northeast and Midwest segments are comprised of retail supermarkets. Our investment in Metro, Inc. represents our economic interest in Metro, Inc. and is required to be reported as an operating segment in accordance with SFAS No. 131, *Disclosure about Segments of an Enterprise and Related Information* as our investment was greater than 10% of our Company s combined assets of all operating segments and the investment generated operating income during the first quarter of fiscal 2007.

On May 30, 2007, A&P announced that it was in advanced negotiations with a number of buyers for its 21 stores based in the Greater New Orleans area. As reported in our Quarterly Report on Form 10-Q for the quarterly period ended June 16, 2007 (the Form 10-Q), consistent with the provisions of Statement 144, A&P classified its assets in the Greater New Orleans Area as assets held for sale at June 16, 2007.

Under current Securities and Exchange Commission (SEC) guidance, the same classification as discontinued operations for the quarterly period ended June 16, 2007 required by SFAS No. 144 is also required for previously issued financial statements included in the Form 10-K, if those financial statements are incorporated by reference in filings with the SEC under the Securities Act of 1933, as amended, even though those financial statements relate to periods prior to the operations being classified as discontinued operations.

This report includes the following with respect to the periods presented in the Form 10-K:

Revised Selected Financial Data (Part II. Item 6);

Revised Management s Discussion and Analysis of Financial Condition and Results of Operations (Part II. Item 7); and

Revised Financial Statements and Supplementary Data (Part II. Item 8).

The reclassification of A&P s stores in the Greater New Orleans area as discontinued operations had no effect on the net income previously reported by A&P in the audited financial statements contained in the Form 10-K.

This Form 8-K does not reflect events occurring after the filing of the Form 10-K, and does not modify or update the disclosures therein, except as required to reflect the changes for discontinued operations and segment disclosures as described above. The information filed with this Form 8-K should be read together with the Form 10-K (except for Items 6, 7 and 8, which are contained in this report) and A&P s subsequent SEC filings, including the Form 10-Q.
