SEC 1344 (05-06) **Persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number.**

The Annual Report on Form 10-K (the Form 10-K) of Commerce Bancorp, Inc. (the Company) for the year ended December 31, 2007 cannot be filed within the prescribed time period due to a determination that certain information required by Part III of the Form 10-K that the Company would, in the ordinary course and in conformity with the General Instructions of Form 10-K, incorporate by reference from its proxy statement for the annual meeting of shareholders, cannot be so incorporated as further explained below. The Company anticipates that its merger with The Toronto-Dominion Bank will close prior to the time that the Company would be required to file its proxy materials pursuant to Regulation 14A. If the merger closes as anticipated, the Company will not solicit proxies or hold an annual meeting in 2008, nor will the Company file such proxy materials. Consequently, the Company requires additional time to compile the information required by Part III of the Form 10-K and include such information in the Company s Form 10-K.
