(hereinafter Company) hereby announces that at the meeting of the Board of Directors held on July 14, 2009, the Company resolved the details of the terms and conditions of the issuance of rights to subscribe for or purchase shares of the Company (Stock Acquisition Right) for the purpose of granting stock option to directors, pursuant to the provisions of Article 236, Article 238, and Article 240 of the Corporation Act, and a resolution at the 138th Ordinary General Meeting of the Shareholders of the Company.

[Description]

1. Reason to issue the Stock Acquisition Rights:

To raise the morale and motivation of directors for their contributions to the improvement of the consolidated performance of the Company.

2. The name of Stock Acquisition Rights:

Eleventh Stock Acquisition Rights of Komatsu Ltd.

3. Type and number of shares to be issued upon the exercise of Stock Acquisition Rights:

The shares to be issued for the Stock Acquisition Rights shall be ordinary shares, and the number of shares subject to one Stock Acquisition Right (hereinafter Number of Shares Granted) shall be 1,000 shares.

However, after July 14, 2009, if the Company effects a stock split of its ordinary shares (including allotment of ordinary shares to shareholders without consideration; the same applies hereinafter) or effects a stock consolidation, the Number of Shares subject to one Stock Acquisition Right shall be adjusted proportionately, in accordance with the ratio of the stock split or the stock consolidation in question. Also, if it is necessary to adjust the Number of Shares Granted after July 14, 2009 for other than the aforementioned reasons, the Company shall adjust the Number of Shares Granted in connection with the aforementioned Stock Acquisition Rights to the extent reasonable.

Fractions of less than one (1) share resulting from the foregoing adjustment shall be rounded down.

4. Total number of the Stock Acquisition Rights:

239 rights

The above number is the total number of the Stock Acquisition Rights that are expected to be allotted and, accordingly, in the event that the total number of application for subscription of the Stock Acquisition Rights does not reach the above-mentioned number or there occurs a reduction in the total number of the Stock Acquisition Rights to be allotted, the total number of the Stock Acquisition Rights shall be equal to the total number of the Stock Acquisition Rights that are actually allotted.

5. Persons to whom Stock Acquisition Rights shall be granted (Grantee):

Ten directors of the Company.

6. Subscription amount to be paid for each Stock Acquisition Right (The subscription amount):

The subscription amount shall be the amount obtained by multiplying the Number of shares subject to one Stock Acquisition Right by fair value per share provided in the accounting standard concerning the incentive stock option, etc.

7. Allotment Date of the Stock Acquisition Rights:

September 1, 2009.

8. Due date of subscription for the Stock Acquisition Rights:

September 1, 2009.

9. Amount of assets paid upon exercise of the Stock Acquisition Rights:

The amount of assets paid upon exercise of the Stock Acquisition Rights shall be the amount calculated by multiplying the paid-in amount per share to be transferred upon exercise of the Stock Acquisition Rights (hereinafter "Exercise Price") by the Number of Shares subject to one Stock Acquisition Right.

The Exercise Price shall be the amount calculated by multiplying 1.05 by the average of the closing price of the Company's ordinary shares of each day in regular trading during the month (excluding days when there was no transaction of the Company's ordinary shares) (hereinafter "Closing Price") at the Tokyo Stock Exchange, immediately preceding the month in which the date of allotment of the Stock Acquisition Rights falls (hereinafter "Allotment Date"), with fractions of less than one (1) yen rounded up to a whole yen. However, if the Exercise Price is lower than the Closing Price on the Allotment Date (if there is no Closing Price on that date, the Closing Price on the immediately preceding transaction date shall be applied), the Closing Price on the Allotment Date shall be applied.

In addition, the Exercise Price shall be adjusted as follows.

- 1) If the Company effects a stock split or stock consolidation after the Allotment Date of the Stock Acquisition Rights, the Exercise Price shall be adjusted in accordance with the following formula, with fractions of less than one (1) yen resulting from the adjustment being rounded up to a whole yen.

$$\text{Exercise price after adjustment} = \text{Exercise price before adjustment} \times \frac{1}{\text{Ratio of stock split (or stock consolidation)}}$$

- 2) After the Allotment Date of the Stock Acquisition Rights, if the Company issues new ordinary shares or disposes of the Company's shares in treasury at a price below the market price, the Exercise Price shall be adjusted in accordance with the following formula, with fractions of less than one (1) yen being rounded up to a whole yen. However, this shall not apply to the cases where issue or disposition of ordinary shares is made upon exchange of securities exchangeable for Company's ordinary shares, or upon exercise of Stock Acquisition Rights (including corporate bonds with share acquisition rights).

$$\text{Exercise price} = \text{Exercise price} \times \left(\frac{\text{Number of currently issued shares} + \text{Number of newly issued shares}}{\text{Number of currently issued shares}} \right) \times \text{Paid-in amount per share} \times \text{Market Price}$$

- 3) After the Allotment Date of the Stock Acquisition Rights, if the Company allots shares of the Company of a class other than the ordinary shares without consideration to the holders of the ordinary shares of the Company, or pays dividends in the form of shares of another company to the holders of the ordinary shares, and if, in consideration of all factors in the situation, there is a need to adjust the Exercise Price, the Company shall adjust the Exercise Price to the extent reasonable.
