**Item 1.01. Entry into a Material Definitive Agreement**

*Underwriting Agreement*

On September 11, 2009, we entered into an underwriting agreement (the *Underwriting Agreement* ) with Raymond James & Associates, Inc. (the *Underwriter* ), relating to the sale by our company of a total of 2,600,000 shares of our common stock (the *Offering* ). The offering price to the public was \$7.00 per share. Net proceeds (after deducting the underwriting discounts but before expenses) were approximately \$17.1 million to our company. The shares of common stock were offered and sold pursuant to a base prospectus and related prospectus supplement, which have been filed with the Securities and Exchange Commission. Pursuant to the *Underwriting Agreement*, we have granted the *Underwriter* a 30-day option to purchase up to an additional 390,000 shares of our common stock solely to cover over-allotments, if any.

The *Underwriting Agreement* contains customary representations, warranties, and conditions to closing. We have also agreed to indemnify the *Underwriter* against certain liabilities, including civil liabilities under the Securities Act of 1933, as amended, or to contribute to payments that the *Underwriter* may be required to make in respect of those liabilities. Subject to specified exceptions, we and each of our directors and officers, also agreed not to make an offer, sale, short sale, or other disposition of shares of common stock or other securities convertible into or exchangeable or exercisable for shares of common stock for 90 days after September 11, 2009 without first obtaining the written consent of the *Underwriter*.

The foregoing description of the *Underwriting Agreement* does not purport to be complete and is qualified in its entirety by reference to the full text of the *Underwriting Agreement*, a copy of which is attached hereto as Exhibit 1.1 and is incorporated by reference into this Item 1.01. A copy of the opinion of Greenberg Traurig, LLP relating to the legality of the issuance and sale of the shares in the *Offering* is attached hereto as Exhibit 5.1.

*Sixth Amendment to Amended and Restated Credit and Security Agreement*

On September 11, 2009, we entered into a Sixth Amendment to our Second Amended and Restated Credit and Security Agreement (the *Amendment* ) among MarineMax, Inc. and our subsidiaries, as Borrowers; and KeyBank National Association; Bank of America, N.A.; GE Commercial Distribution Finance Corporation; Wachovia Bank, National Association; Wells Fargo Bank, N.A.; U.S. Bank National Association; Branch Banking & Trust Company; and Bank of the West, as Lenders.

As part of the *Offering*, we requested from the Lenders additional flexibility to our debt covenants, since the *Offering* also benefits the Lenders. The Lenders have agreed to amend our revolving credit facility to modify the size of our facility and financial covenants upon the completion of the *Offering*. The *Amendment* will provide a line of credit with asset-based borrowing availability up to \$300 million, stepping down to \$250 million by September 30, 2009 and \$175 million by September 30, 2010, with interim decreases between such dates. Each interim step down will be reduced by the net proceeds of the *Offering* but will never be reduced to below \$175 million. Additionally, the *Amendment* will modify the definition of EBITDA to
