**ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONDITION**

As a result of the realignment of management responsibilities, CNA Financial Corporation and its controlled subsidiaries (the Company) has revised its property and casualty segments in the fourth quarter of 2009. There was no change in the Company's Life & Group Non-Core and Corporate & Other Non-Core segments.

On January 21, 2010, the Company posted a financial supplement on its website providing information on its revised property and casualty segments for each of the quarters in and for the nine month period ended September 30, 2009, the three month period ended December 31, 2008, and the years ended December 31, 2008 and December 31, 2007 as if the current segment changes occurred as of the beginning of the earliest period presented. The financial supplement is furnished as Exhibit 99.1 to this Form 8-K.

The changes to the Company's segments are as follows:

The Company's core property and casualty commercial insurance operations are reported in two business segments: CNA Specialty and CNA Commercial. CNA Specialty provides a broad array of professional, financial and specialty property and casualty products and services, primarily through insurance brokers and managing general underwriters. CNA Commercial includes property and casualty coverages sold to small businesses and middle market entities and organizations primarily through an independent agency distribution system. CNA Commercial also includes commercial insurance and risk management products sold to large corporations primarily through insurance brokers. Previously, the Company's international operations were treated as a separate business unit within CNA Specialty. The products sold through the Company's international operations are now reflected within CNA Specialty and CNA Commercial in a manner that aligns with the products within each segment. Additionally, our excess and surplus lines, which were previously included in CNA Specialty, are now included in CNA Commercial, as part of CNA Select Risk.

The information under Item 2.02 and in Exhibit 99.1 in this Current Report is being furnished and shall not be deemed filed for the purpose of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. The information under Item 2.02 and in Exhibit 99.1 in this Current Report shall not be incorporated by reference into any registration statement or other document pursuant to the Securities Act of 1933, as amended.
