Greenhill & Co., Inc. (which we refer to as Greenhill or we in this proxy statement) is soliciting proxies for use at the annual meeting of stockholders to be held on April 21, 2010, and at any adjournment or postponement of the meeting. This proxy statement and the enclosed proxy card are first being mailed or given to stockholders on or about March 12, 2010.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of the meeting?

At our annual meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting of Stockholders. These include the election of directors and ratification of the selection of our independent auditors. Also, management will report on matters of current interest to our stockholders and respond to questions.

Who is entitled to vote at the meeting?

The Board has set March 2, 2010, as the record date for the annual meeting. If you were a stockholder of record at the close of business on March 2, 2010, you are entitled to vote at the meeting. As of the record date, 28,315,131 shares of common stock were issued and outstanding and, therefore, eligible to vote at the meeting.

What are my voting rights?

Holders of our common stock are entitled to one vote per share. Therefore, a total of 28,315,131 votes are entitled to be cast at the meeting. There is no cumulative voting.

How many shares must be present to hold the meeting?

In accordance with our bylaws, holders of a majority of the outstanding shares of common stock entitled to vote at a meeting of stockholders must be present at the meeting in order to hold the meeting and conduct business. This is called a quorum. Shares are counted as present at the meeting if:

you are present and vote in person at the meeting;

you have properly submitted a proxy card by mail; or

you have properly voted via the Internet.

How do I submit my proxy vote?

If you are a stockholder of record, you can give a proxy to be voted at the meeting by completing, signing and mailing the enclosed proxy card.

If you wish to vote using a proxy, please return your signed proxy card to us before the annual meeting.

If you hold your shares in street name, you must vote your shares in the manner prescribed by your broker, bank, trust or other nominee. Your broker, bank, trust or other nominee has enclosed or otherwise provided a voting instruction card for you to use in directing the broker, bank, trust or nominee how to vote your shares.

What is the difference between a stockholder of record and a street name holder?

If your shares are registered directly in your name, you are considered the stockholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a broker, bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the stockholder of record with respect to those shares. However, you still are considered the beneficial owner of those shares, and your shares are said to be held in street name. Street name holders generally cannot vote their shares directly and must instead

Table of Contents

instruct the broker, bank, trust or other nominee how to vote their shares using the method described above under How do I submit my proxy vote?

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, it means that you hold shares registered in more than one account. To ensure that all of your shares are voted, sign and return each proxy card you receive.

How do I vote via the Internet?

Internet voting information is provided on the proxy card. A control number, which is the number located below the account number on the proxy card, is designated to verify a stockholder's identity and allow the stockholder to vote the shares and confirm that the voting instructions have been recorded properly. *If you vote via the Internet, please do not return a signed proxy card.* Stockholders who hold their shares through a bank or broker can vote via the Internet if that option is offered by the bank or broker.

Can I vote my shares in person at the meeting?

If you are a stockholder of record, you may vote your shares in person at the meeting by completing a ballot at the meeting. Even if you currently plan to attend the meeting, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the meeting. If you submit your vote by proxy and then decide to vote in person at the annual meeting, the vote you submit at the meeting will override your proxy vote.

If you are a street name holder, you may vote your shares in person at the meeting only if you obtain and bring to the meeting a signed letter or other proxy from your broker, bank, trust or other nominee giving you the right to vote the shares at the meeting.

What vote is required for the election of directors or for a proposal to be approved?

The approval of a plurality of the votes of the shares present at the meeting is required for the election of directors. The affirmative vote of the holders of a majority of the outstanding shares of common stock present in person or represented by proxy and entitled to vote at the annual meeting is required to ratify the selection of our independent auditors.

How are votes counted?

You may either vote FOR or WITHHOLD authority to vote for each nominee for the Board of Directors. You may vote FOR, AGAINST or ABSTAIN on the other proposal.

If you submit your proxy or vote via the Internet but abstain from voting on one or more matters, your shares will be counted as present at the meeting for the purpose of determining a quorum. Your shares also will be counted as present at the meeting for the purpose of calculating the vote on the particular matter with respect to which you abstained from voting or withheld authority to vote.

If you abstain from voting on a proposal, your abstention has the same effect as a vote against that proposal.

The New York Stock Exchange permits a member broker who holds shares in street name for customers to use its discretion to vote on routine matters but member brokers can no longer vote on the election of directors if the broker has not received instructions from the beneficial owner of the shares. We therefore urge you to give voting instructions to your broker on all proposals.

Table of Contents

How does the Board recommend that I vote?

The Board of Directors recommends a vote:

FOR all of the nominees for director; and

FOR the ratification of the selection of Ernst & Young LLP as Greenhill's independent auditors for the year ending December 31, 2010.

What if I do not specify how I want my shares voted?

If you submit a signed proxy card or vote via the Internet but do not specify how you want to vote your shares, we will vote your shares:

FOR all of the nominees for director; and

FOR the ratification of the selection of Ernst & Young LLP as Greenhill's independent auditors for the year ending December 31, 2010.

Can I change my vote after submitting my proxy?

Yes. Whether you vote by mail or via the Internet, you may revoke your proxy and change your vote at any time before your proxy is voted at the annual meeting, in any of the following ways:

By sending a written notice of revocation to the Secretary of Greenhill;

By submitting a later-dated proxy to the Secretary of Greenhill;

By voting via the Internet at a later time; or

By voting in person at the meeting.

Will my vote be kept confidential?

Yes. We have procedures to ensure that, regardless of whether stockholders vote by mail, via the Internet or in person, (1) all proxies, ballots and voting tabulations that identify stockholders are kept permanently confidential, except as disclosure may be required by federal or state law or expressly permitted by a stockholder; and (2) voting tabulations are performed by an independent third party.

How can I attend the meeting?

You may be asked to present valid picture identification, such as a driver's license or passport, before being admitted to the meeting. You also will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from your broker, bank, trust or other nominee are examples of proof of ownership.

Please let us know if you plan to attend the meeting when you return your proxy, by marking the attendance box on the proxy card.

Who pays for the cost of proxy preparation and solicitation?

Greenhill pays for the cost of proxy preparation and solicitation, including the reasonable charges and expenses of brokerage firms, banks, trusts or other nominees for forwarding proxy materials to street name holders.

We are soliciting proxies primarily by mail. In addition, our directors, officers and regular employees may solicit proxies by telephone or facsimile or personally. These individuals will receive no additional compensation for their services other than their regular compensation.

ITEM 1 ELECTION OF DIRECTORS

The number of directors currently serving on our Board of Directors (which we also refer to as our Board) is seven. Each director who is elected will serve a one-year term. Each of the nominees has agreed to serve as a director if elected. If, for any reason, any nominee becomes unable to serve before the election, the persons named as proxies will vote your shares for a substitute nominee selected by the Board of Directors.

The Board of Directors recommends a vote FOR the election of all of the director nominees. Proxies will be voted FOR the election of the nominees unless otherwise specified.

The nominees for election as director and the directors whose terms of office will continue after the meeting have provided the following information about themselves.

Mr. Greenhill was a member of our Management Committee since its formation in January 2004 until October 2007. In addition, Mr. Greenhill has been a director of Greenhill & Co., Inc. since its incorporation in March 2004. Prior to founding and becoming Chairman of Greenhill, Mr. Greenhill was chairman and chief executive officer of Smith Barney Inc. and a member of the board of directors of the predecessor to the present Travelers Corporation (the parent of Smith Barney) from June 1993 to January 1996. From January 1991 to June 1993, Mr. Greenhill was president of, and from January 1989 to January 1991, Mr. Greenhill was a vice chairman of, Morgan Stanley Group, Inc. Mr. Greenhill joined Morgan Stanley in 1962 and became a partner in 1970. In 1972, Mr. Greenhill directed Morgan Stanley's newly-formed mergers and acquisitions department. In 1980, Mr. Greenhill was named director of Morgan Stanley's investment banking division, with responsibility for domestic and international corporate finance, mergers and acquisitions, merchant banking, capital markets services and real estate. Also in 1980, Mr. Greenhill became a member of Morgan Stanley's management committee. We chose to nominate Mr. Greenhill as a director because he is the founder of our firm and has nearly fifty years of experience in our industry.

Scott L. Bok, 50, has served as Co-Chief Executive Officer since October 2007 and served as our U.S. President between January 2004 and October 2007. He has also served as a member of our Management Committee since its formation in January 2004. In addition, Mr. Bok has been a director of Greenhill & Co., Inc. since its incorporation in March 2004. Mr. Bok joined Greenhill as a Managing Director in February 1997. Before joining Greenhill, Mr. Bok was a managing director in the mergers, acquisitions and restructuring department of Morgan Stanley & Co., where he worked from 1986 to 1997, based in New York and London. From 1984 to 1986, Mr. Bok practiced mergers and acquisitions and securities law in New York with Wachtell, Lipton, Rosen & Katz. Simon A. Borrows, 51, has served as our Co-Chief Executive Officer since October 2007 and served as our Non-U.S. President between January 2004 and October 2007. He has also served as a member of our Management Committee since its formation in January 2004. In addition, Mr. Borrows has been a director of Greenhill & Co., Inc. since its incorporation in March 2004. Mr. Borrows joined Greenhill as a Managing Director in June 1998. Prior to joining Greenhill, Mr. Borrows was the managing director of Baring Brothers International Limited (the corporate finance division of ING Barings), a position Mr. Borrows had held since 1995. Mr. Borrows was a director of Baring Brothers from 1989 to 1998. Prior to joining Baring Brothers in 1988, Mr. Borrows worked in the corporate

finance department of Morgan Grenfell. We chose to nominate Mr. Borrows as a director because he serves as our Co-Chief Executive Officer and has more than twenty years of experience in our industry.

He served as the United States Representative to the United Nations between July 2004 and January 2005 and, except during his service at the United Nations, has been a partner in the law firm of Bryan Cave LLP since 1995. He served in the United States Senate from 1976 to 1995. Senator Danforth is a member of the board of directors of Cerner Corporation. He is ordained to the clergy of the Episcopal Church. We chose to nominate Mr. Danforth as a director because he was personally known to members of our management, who respected Mr. Danforth's high integrity, sense of ethics and experience with government matters; we believe that his long record of outstanding public service enables Mr. Danforth to bring incremental perspectives to our Board.

Steven F. Goldstone, 64, has served on our Board of Directors since July 2004. He currently manages Silver Spring Group, a private investment firm. From 1995 until his retirement in 2000, Mr. Goldstone was chairman and chief executive officer of RJR Nabisco, Inc. (which was subsequently named Nabisco Group Holdings following the reorganization of RJR Nabisco, Inc.). Prior to joining RJR Nabisco, Inc., Mr. Goldstone was a partner at Davis Polk & Wardwell, a law firm in New York City. He is also the non-executive Chairman of ConAgra Foods, Inc. and a member of the board of directors of Merck & Co. Mr. Goldstone served as a member of the board of directors of Trane, Inc. (f/k/a American Standards Companies, Inc.) from 2002 until 2008. We chose to nominate Mr. Goldstone as a director because he was personally known to several members of our management, who respected Mr. Goldstone's high integrity and business acumen. We believe Mr. Goldstone's past experience in a service industry similar to ours as well as his experience as the leader of a complex publicly traded company enables Mr. Goldstone to provide valuable experience to our Board.

Stephen L. Key, 66, has served on our Board of Directors since May 2004. Since 2003, Mr. Key has been the sole proprietor of Key Consulting, LLC. From 1995 to 2001, Mr. Key was the Executive Vice President and Chief Financial Officer of Textron Inc., and from 1992 to 1995, Mr. Key was the Executive Vice President and Chief Financial Officer of ConAgra, Inc. Mr. Key is a Certified Public Accountant in the State of New York. Mr. Key is also a member of the board of directors First Wind Holdings, LLC. Mr. Key served as a member of the board of directors of 1-800-Contacts, Inc. from 2005 and Sitel, Inc. from 2007 until 2008. We chose to nominate Mr. Key as a director because he was personally known to several members of our management, who respected Mr. Key's high integrity and financial expertise. We believe Mr. Key's deep accounting experience and his previous management experience at several public companies adds significant support both to the Board of Directors and the management team in considering accounting, finance and related matters.

Robert T. Blakely, 68, has served on our Board of Directors since April 2009. Since 2008, Mr. Blakely has served as the President of Performance Enhancement Group, a position he previously held from 2002 to 2003. the oversight body for the Financial Accounting Standards Board. We chose to nominate Mr. Blakely as a director because he was personally known to several members of our management, who respected Mr. Blakely's high integrity and financial expertise. We believe Mr. Blakely's financial expertise and previous management experience at public companies in several different industries, including the financial services industry, brings additional perspectives to the oversight of our business.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

The Board of Directors conducts its business through meetings of the Board and the following standing committees: Audit, Compensation, and Nominating and Governance. Each of the standing committees has adopted and operates under a written charter, all of which are available on our Web site at www.greenhill.com. Other corporate governance documents also are available on our Web site at the same address, including our Corporate Governance Guidelines, our Code of Business Conduct and Ethics and our Related Person Transaction Policy. The Guidelines, the Code and the Related Person Transaction Policy are also available in print to any shareholder who requests them.

Director Independence

Under applicable New York Stock Exchange listing standards, a majority of the Board of Directors must be independent, and no director qualifies as "independent" unless the Board of Directors affirmatively determines that the director has no material relationship with Greenhill. In connection with this independence determination, the Board considered transactions and relationships between each director or director nominee or any member of his or her immediate family and Greenhill and its subsidiaries and affiliates, including those reported under "Certain Relationships and Related Transactions" below. The Board also examined transactions and relationships between directors and our director nominee or their affiliates and members of Greenhill's senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director or director nominee is independent.

The Board determined that none of Messrs. Danforth, Goldstone, Key or Blakely:

had any material relationship with Greenhill (other than as directors)

had any material relationship, either directly or as a partner, shareholder or officer of another organization that has a relationship with Greenhill

is an employee or has an immediate family member who is or has in the last three years been an executive officer of Greenhill

receives, or has an immediate family member who receives, more than \$120,000 in direct compensation from Greenhill (other than director and committee fees)

is affiliated with or employed by, or has an immediate family member who is or has been within the past three years a partner of or employee of the Greenhill audit team or, a present or former internal or external auditor of Greenhill

is employed or has an immediate family member who is employed as an executive officer of another company where any of Greenhill's present executives serve on the compensation committee

is an executive officer of a company that makes payment to or receives payments from Greenhill for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues

Table of Contents

is an executive officer of any charitable organization to which Greenhill has contributed an amount in any single fiscal year in excess of \$1 million or 2% of the consolidated gross revenues of such charitable organization.

As a result of this review the Board affirmatively determined that each of our non-employee directors (Robert T. Blakely, John C. Danforth, Steven F. Goldstone, and Stephen L. Key) is "independent" as that term is defined in the applicable New York Stock Exchange listing standards. Messrs. Greenhill, Bok and Borrows cannot be considered independent directors because of their employment at Greenhill.

Meetings of the Independent Directors

In addition to the committees of the Board of Directors described above, our non-employee directors meet regularly in executive sessions in which our employee directors (Messrs. Greenhill, Bok and Borrows) and other members of management do not participate. The independent directors take turns serving as the presiding director of these executive sessions.

The Audit Committee is a separate committee established in accordance with Rule 10A-3 under the Securities Exchange Act of 1934. The Board of Directors has determined that all members of the Audit Committee are "independent" as that term is defined in the applicable New York Stock Exchange listing standards and regulations of the Securities and Exchange Commission and that all members are financially literate as required by the applicable New York Stock Exchange listing standards. The Board of Directors also has determined that all members of the Audit Committee have the accounting or related financial expertise required by the applicable New York Stock Exchange listing standards and that Mr. Key is an "audit committee financial expert" as defined by applicable regulations of the Securities and Exchange Commission. While we do not have a policy that limits the number of public company audit committees on which the members of our Audit Committee may serve. Except for Mr. Blakely, none of the members of our Audit Committee currently serves on more than three such audit committees. Mr. Blakely currently serves on the audit committees of four public companies, including Greenhill. Our Board of Directors has discussed with Mr. Blakely the time and effort required to be devoted by Mr. Blakely to his service on these committees and has affirmatively determined that such services do not impair Mr. Blakely's ability to serve as an effective member of Greenhill's Audit Committee.

The Audit Committee's purpose is to oversee the independent auditor's qualifications, independence and performance, the integrity of our financial statements, the performance of our internal audit function and independent auditors and compliance with legal and regulatory requirements. The Audit Committee has sole authority to retain and terminate the independent auditors and is directly responsible for the compensation and oversight of the work of the independent auditors. The Audit Committee reviews and discusses with management and the independent auditors the annual audited and quarterly financial statements, reviews the integrity of the financial reporting processes, both internal and external, and prepares the Audit Committee Report included in the proxy statement in accordance with the rules and regulations of the Securities and Exchange Commission. The Audit Committee has adopted and operates under a written charter, which is available on our Web site at www.greenhill.com. The Audit Committee met five times during 2009. In addition, the SEC

Subcommittee of the Audit Committee, which is responsible for reviewing periodic reports of Greenhill filed with the SEC, met three times during 2009.

Compensation Committee

Members:

Steven F. Goldstone (Chairman)

Robert T. Blakely

Stephen L. Key

The Board of Directors has determined that all members of the Compensation Committee are independent as that term is defined in applicable New York Stock Exchange listing standards. The Compensation Committee oversees our compensation and benefits policies generally, evaluates senior executive performance, oversees and sets compensation for our senior executives and reviews management's succession plan. The Compensation Committee evaluates our compensation philosophy, goals and objectives generally, and it approves corporate goals related to the compensation of our senior executives (including the co-chief executive officers), approves compensation and compensatory arrangements applicable to our other executive officers based on our compensation goals and objectives. See

Executive Compensation Compensation Discussion and Analysis for more information on the Compensation Committee's role in determining compensation. In addition, the Committee is responsible for reviewing and recommending the establishment of broad-based incentive compensation, equity-based, retirement or other material employee benefit plans, and for discharging any duties under the terms of our equity incentive plan. The Compensation Committee has adopted and operates under a written charter, which permits the Compensation Committee to delegate its authority to subcommittees of the Chairman of the Compensation Committee when it deems appropriate and in the best interests of Greenhill. The charter is available on our Web site at www.greenhill.com. The Compensation Committee met four times during 2009.

Nominating and Governance Committee

Members:

Robert T. Blakely (Chairman)

Steven F. Goldstone

Stephen L. Key

The Board of Directors has determined that all members of the Nominating and Governance Committee are independent as that term is defined in applicable New York Stock Exchange listing standards. The Nominating and Governance Committee identifies and recommends individuals qualified to become members of the Board of Directors and recommends to the Board sound corporate governance principles and practices for Greenhill. In particular, the Committee assesses the independence of all Board members, identifies and evaluates candidates for nomination as directors, recommends the slate of director nominees for election at the annual meeting of stockholders and to fill vacancies between annual meetings, recommends qualified members of the Board for membership on committees, oversees the director orientation and continuing education programs, reviews the Board's committee structure, reviews and assesses the adequacy of our Corporate Governance Guidelines, evaluates the annual evaluation process for the Board and Board committees and is charged with overseeing our Related Person Transaction Policy. The responsibilities of the Nominating and Governance Committee are set forth in the Nominating and Governance Committee Charter, which is available on our Web site at www.greenhill.com. The Nominating and Governance Committee met three times during 2009.

Meeting Attendance

Our Corporate Governance Guidelines provide that our directors are expected to attend meetings of the Board and of the committees on which they serve. We do not have a policy requiring directors to

Table of Contents

attend our annual meeting of stockholders. All of our directors attended the annual meeting of stockholders in 2009 and at least 75% of the Board and committee meetings on which the directors served.

Procedures for Contacting the Board of Directors

The Board has established a process for stockholders and other interested parties to send written communications to the Board or to individual directors. Such communications may be made anonymously. Such communications should be sent by U.S. mail to the Board of Directors, c/o Greenhill, 300 Park Avenue, New York, New York, 10022 (attention: General Counsel). The communications will be collected by the Secretary and delivered, in the form received and if so addressed, to a specified director, the independent directors or the Audit Committee or its Chairman. Items that are unrelated to a director's duties and responsibilities as a Board member may be excluded by the Secretary, including solicitations and advertisements, junk mail and resumes.

Procedures for Selecting and Nominating Director Candidates

In evaluating the appropriate characteristics of candidates for service as a director, the Nominating and Governance Committee takes into account many factors. At a minimum, director candidates must demonstrate high standards of ethics, integrity and professionalism, independence, sound judgment, community leadership and meaningful experience in business, law or finance or other appropriate endeavor. In addition, the candidates must be committed to representing the long-term interests of our stockholders. In addition to these minimum qualifications, the Committee also considers other factors it deems appropriate based on the current needs of the Board, including specific business and financial expertise currently desired on the Board, experience as a director of a public company and diversity. The Committee does not have any formal diversity policy. With these factors and characteristics in mind, the Committee will generally begin its search by seeking nominations from existing members of the Board and management. The Committee will also reassess the qualifications of a director, including the director's past contributions to the Board and the director's attendance and contributions at Board and committee meetings, prior to recommending a director for reelection to another term.

Our Board of Directors has adopted procedures by which stockholders may recommend nominees to the Board. The Nominating and Governance Committee will consider any director candidate recommended by shareholders in accordance with the procedures set out in our bylaws and applicable law on the same basis as it considers other director candidates. Shareholders may also submit a letter and relevant information about the candidate to the Secretary at Greenhill & Co., Inc., 300 Park Avenue, 23rd Floor, New York, New York 10022.

Director and Officer Indemnification

We have entered into agreements that provide indemnification to our directors, officers and all other persons requested or authorized by our Board of Directors to take actions on behalf of us for all losses, damages, costs and expenses incurred by the indemnified person arising out of such person's service in such capacity, subject to the limitations imposed by Delaware law. These agreements are in addition to our indemnification obligations under our amended and restated certificate of incorporation.

Board Leadership Structure and Role in Risk Oversight

The Chairman of our Board of Directors, Robert F. Greenhill, is the founder of Greenhill and has previously served as its Chief Executive Officer. In 2007, Mr. Greenhill relinquished the position as Chief Executive Officer, and Messrs. Bok and Borrows were appointed Co-Chief Executive Officers. At that time, the Board of Directors determined that it was in the best interests of our stockholders for Mr. Greenhill to continue to serve as Chairman of the Board, given the depth of his experience with our firm and our industry. The independent members of our Board of Directors have not chosen to appoint a lead independent director. Our Board of Directors, under the guidance of the Nominating

Table of Contents

and Governance Committee, reviews the structure of our Board of Directors and its committees each year as a part of its annual self evaluation process, and in that context considers, among other things, issues of structure and leadership. The Board of Directors is satisfied that its current structure and processes are well suited for the Company, given its simple business model, significant employee stock ownership and size.

The Board of Directors has delegated risk management and oversight to the Audit Committee. The Audit Committee receives regular reports on risk matters, including financial, legal and regulatory risks, at its quarterly meetings. In addition, the Audit Committee meets regularly with the Chief Compliance Officer, principal accounting officer and General Counsel of Greenhill as well as its external and internal auditors, to discuss issues related to risk management. The Audit Committee, in turn, reports any material risk issues which may arise to the full Board of Directors.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics applicable to all of our directors and employees, including our principal executive officers, principal financial officer, principal accounting officer, controller and other employees performing similar functions. A copy of this Code of Business Conduct and Ethics is available on our Web site at www.greenhill.com.

We intend to post on our Web site any amendment to, or waiver from, a provision of our Code of Business Conduct and Ethics that applies to our principal executive officers, principal financial officer, principal accounting officer, controller and other persons performing similar functions within four business days following the date of such amendment or waiver.

Related Person Transactions Policy

In January 2009, our Board of Directors adopted a written related person transactions policy, which is administered by the Nominating and Governance Committee. This policy applies to any transaction or series of related transactions or any material amendment to any such transaction involving a related person and the Company or any subsidiary of the Company. For the purposes of the policy, related persons consist of executive officers, directors, director nominees, any shareholder beneficially owning more than 5% of the Company's common stock, and immediate family members of any such persons. Under the policy, the transaction will be referred to the General Counsel, a Co-Chief Executive Officer and/or the Nominating and Governance Committee for review depending on who the related person is. Such reviewer will review, approve or ratify the transaction, taking into account all factors that it deems appropriate, including whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction. No reviewer may participate in any review, approval or ratification of any related person transaction in which such reviewer or any of his or her immediate family members is the related person. All determinations by a Co-Chief Executive Officer or the General Counsel under the policy will be reported to the Committee at its next regularly scheduled meeting or earlier if appropriate. The related person transactions discussed in *Certain Relationships and Related Transactions* below were entered into before the adoption of this written policy.

Executive Compensation Compensation Discussion and Analysis

Overview and Process

The Compensation Committee of the Board of Directors, which consists entirely of independent outside directors, has overall responsibility for evaluating and approving the executive officer base salary, annual and long-term incentive compensation, benefit, severance, equity-based and other compensation plans, policies and programs of Greenhill. Neither we nor the Compensation Committee has retained any compensation or similar consultants to assist in determining forms or amounts of

Table of Contents

compensation for employees or directors. Rather, the Compensation Committee maintains a dialogue with the management of Greenhill regarding compensation, industry practices, and the contributions of individual executives which are taken into account in determining compensation. The Compensation Committee in approving annual and long-term incentive compensation also is aware of the amounts of compensation previously awarded to the executive officers and their level of stock ownership.

Compensation Philosophy

Given the critical importance of human capital to our business, we have designed our executive compensation program to attract, motivate and retain the executive leadership necessary for Greenhill to achieve long-term success and increase stockholder value. Our compensation policy has not changed since our initial public offering in 2004. A substantial portion of each executive's total compensation is variable and delivered on a pay-for-performance basis. We are committed to utilizing the executive compensation program to reinforce our ownership culture and to broaden employee ownership over time. We strongly believe that executive and employee ownership directly aligns the interests of employees and stockholders and promotes long-term stockholder value creation. The key components of the compensation program for executive officers are base salary, annual incentive compensation and long-term incentives, and for those of our executive officers who are active in our merchant banking business, profit overrides earned by our merchant banking funds, each of which is described below. It is our policy that compensation and benefits in the aggregate represent 50% or less of our annual revenues (although we retain the ability to change this policy in the future). In allocating compensation to our executive officers and other senior professionals, our primary emphasis is on evaluating the relative contribution to the company that each executive officer and other senior professional has made and on allocating compensation fairly to reflect those contributions. This allocation changes on an annual basis. See *Allocation of Compensation* below for a description of 2009 allocations.

Components of Compensation

Base Salary Annual base salaries for executive officers were set at \$600,000 at the time of our initial public offering in 2004 and have remained at that level since then.

Executive officer base salaries and subsequent adjustments, if any, will be determined by the Compensation Committee, based on a review of relevant publicly available market data and other factors the Compensation Committee believes are relevant. In addition, the Compensation Committee will consider salary adjustments for the organization's broader employee population.

Incentive Compensation Incentive compensation is a key component of Greenhill's executive compensation strategy. Awards of annual and long-term incentive compensation are generally based on the Greenhill's operating performance and each individual's contributions to revenue as well as to the development of the Greenhill's client base, strategic development, market position and management. Consistent with our philosophy regarding executive ownership, executive officers are eligible for annual incentive compensation generally payable in the form of cash and long-term incentives payable in the form of restricted stock units. Annual incentive compensation awards and long-term incentive compensation awards are only granted once a year, generally at the meeting of the Compensation Committee held in January once the revenue and other financial information is available; however, we often make restricted stock unit grants to new employees at the time that they join the firm to foster a sense of ownership.

Annual Incentive Compensation. The aggregate amount of annual incentive compensation will vary from year to year depending on the amount of our revenues, industry practices and other factors. See *Allocation of Compensation* below for a description of the process for determining the size of 2009 annual incentive compensation awarded.

Table of Contents

Long-Term Incentive Compensation. The aggregate amount of long-term incentive compensation awarded in any year will also vary from year to year depending on the amount of revenues, industry practices and other factors. Greenhill believes the use of significant equity-based awards as part of the compensation program will support the achievement of the firm's long-term objectives and stockholder value creation, further align executive and stockholder interests and promote executive ownership. Long-term incentive compensation awards of restricted stock units generally will vest pro rata over a period of five years, consistent with our desire to maximize long-term retention of senior professionals. Some awards of restricted stock units may not vest at all for five years, when they vest fully. Restricted stock units are only transferable in limited circumstances. We pay dividend equivalents to the holders of unvested restricted stock units, although such amounts are subject to forfeiture under certain circumstances. See *Allocation of Compensation* below for a description of the process for determining the size of 2009 long-term incentive compensation awarded.

Profit Overrides In 2009, we announced our intention to separate our merchant banking business to focus entirely on our financial advisory business, and we sold certain assets of our merchant banking business (including the right to raise successor funds) to certain of our employees engaged in that business. As part of those agreements, we agreed that a portion of the profit overrides which had previously been available to us as compensation for those executive officers who also served as members of the investment committees of our merchant banking funds or were otherwise actively involved with those funds, would be reallocated to those employees whose sole focus is and will continue to be the merchant banking funds. We also agreed that the managing directors who focus solely on our merchant banking funds would not receive any incentive compensation in the form of cash or restricted stock unit awards. In previous years, in addition to base salary, annual incentive compensation and long-term incentive compensation described above, those executive officers who also served as members of the investment committees of our merchant banking funds or were otherwise actively involved with those funds, and other employees who played significant roles in the investments made by our funds, were eligible to receive as additional compensation in any fiscal year from profit overrides allocated to such executive officers in previous fiscal years (subject to achievement of a minimum investment return for our funds' outside investors). Beginning in 2010 profit overrides in respect of any new investments will be allocated on an annual basis in the same year as such investment is made to employees focused exclusively on our merchant banking funds based on the recommendations of the chairmen of the respective investment committees; to the extent that any portion of available profit overrides was not allocated to specific individuals at the beginning of a year, such unallocated portions may be allocated to such employees as a performance bonus in respect of the investment. Beginning in 2010, 19 out of 20 points of the profit overrides payable by the investors in our funds will be allocated to merchant banking employees in the year each investment is made. The remainder of the profit overrides is allocated to Greenhill. None of the profit override in respect of investments made in 2009 was allocated to any of our executive officers other than Mr. Niehaus. The ultimate value of the profit override in respect of an investment will not be determinable until that investment has been fully divested or otherwise monetized by the fund in question, a process which can take many years. No portion of such profit overrides is paid to employees until such time as the profit overrides are actually paid to Greenhill by the funds. Profit overrides are subject to vesting, generally over a period of four years, and may only be transferred under limited circumstances.

Other Forms of Compensation We do not provide any perquisites to any employees other than Mr. Robert F. Greenhill, our Chairman of the Board of Directors and a managing director of Greenhill. Please see *Certain Relationships and Related Transactions* on page 26 for a description of the compensation provided to Mr. Greenhill.

Table of Contents

We do not have any pension, severance or deferred compensation plans, except for our tax qualified 401(k) profit sharing plan. We maintain medical, dental, disability and life insurance benefit plans for the benefit of all of our eligible employees.

Allocation of Compensation

Annual incentive compensation awards and long-term incentive compensation awards are granted once at the beginning of each calendar year in respect of performance for the preceding year and a desire for long-term retention of the grant recipients. In order to determine the size of annual incentive and long-term incentive compensation awards to be granted to the executive officers, we begin by determining the available annual incentive compensation pool and long-term incentive compensation pool. Each pool is calculated by multiplying our revenues for the immediately preceding year by a percentage (determined by management in consultation with the Compensation Committee but not to exceed 50%, although we retain the ability to change this policy in the future), and subtracting from that number the salaries and benefits paid to all employees, certain other compensation expenses (including the expense attributable to previously issued restricted stock unit grants) and the cash bonuses payable in respect of the preceding fiscal year to all employees other than the managing directors. The remaining amount represents the annual incentive compensation pool out of which cash bonuses to managing directors may be awarded.

The actual percentage of our revenues which was recorded as compensation expense during 2009 was 46%. The actual percentage is determined by management in consultation with the Board of Directors and based on such factors as the relative level of revenues, the anticipated compensation requirements (which may vary depending on the level of recruitment of new managing directors in any given period and other factors), and the level of other costs and expenses.

Management then reviews the relative contributions of each pool participant, including the named executive officers, including contributions made to revenues (both financial advisory and other revenues), business development and the expansion and development of Greenhill. On the basis of this review, management then makes a proposal to the Compensation Committee regarding the size of the annual incentive compensation award (*i.e.*, cash bonus) and the size of the long-term incentive compensation award (*i.e.*, value of restricted stock units). A proposal for the allocation of profit overrides is made by the chairmen of the respective investment committees based on a similar review of the contributions of the employees involved in the merchant banking business.

In determining the size of the annual incentive compensation awards and the size of the long-term incentive compensation awards granted to our named executive officers for 2009, the Compensation Committee considered the contributions to revenues, business development and development of the Company of all of the executive officers.

In 2009, we had higher total revenue relative to 2008 and annual incentive compensation awards to employees were increased accordingly. However, cash bonuses to executive officers were limited to modest amounts (in some case, there were none) in order to maintain our historical compensation ratio and to pay our more junior professionals on a competitive basis, to strengthen the retention incentive and because most of our peers increased the stock portion of executive compensation. Moreover, and in order to strengthen the retention incentive for our executive officers, a significant portion of long-term incentive compensation received by our most highly compensated executive officers in respect of 2009 was in the form of restricted stock units that do not vest at all for five years, when they vest fully (rather than vesting pro rata over five years).

Executive Stock Ownership

Most of our executive officers own significant amounts of stock in Greenhill. See Security Ownership of Directors, Executive Officers and Certain Beneficial Owners. In connection with our

Table of Contents

November 2009 secondary offering, our executive officers agreed to a lock-up arrangement with the underwriters that restricts the transfer of all the shares they own or subsequently acquire until June 30, 2010 subject to certain limited exceptions. This lock-up, together with lock-ups entered into in connection with previous share offerings, effectively extended and broadened the five year transfer restriction agreed to by our executive officers in respect of the shares that they received at the time of our initial public offering in May 2004. In addition, new grants of restricted stock units made to such officers as compensation are subject to restrictions on vesting. As a result, we believe our executive officers have a demonstrable and significant interest in increasing the stockholders' value over the long term.

Tax and Accounting Implications

Policy on Qualifying Compensation for Deductibility. Section 162(m) of the Internal Revenue Code limits deductions for non-performance-based annual compensation in excess of \$1.0 million paid to certain executive officers. Our policy is to maximize the tax deductibility of compensation payments to our executive officers. We may, however, authorize payments to executive officers that may not be fully deductible if we believe such payments are in our stockholders' interests.

Compliance with Section 409A of the Internal Revenue Code. We structure compensation in a manner intended to avoid the incurrence of any additional tax, interest or penalties under Section 409A of the Internal Revenue Code.

Accounting for Stock-Based Compensation. We account for stock-based compensation in accordance with the requirements of FASB Accounting Standards Codification (ASC) Topic 718.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee, comprised entirely of independent, non-employee directors, is responsible for establishing and administering our policies involving the compensation of our executive officers. No employee of Greenhill serves on the Compensation Committee. The Compensation Committee members have no interlocking relationships as defined by the Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board of Directors of Greenhill has reviewed and discussed the Compensation Discussion and Analysis with management, and based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Proxy Statement.

(1) These amounts reflect the aggregate grant date fair value determined in accordance with FASB ASC Topic 718 for awards granted in 2009 pursuant to our Equity Incentive Plan. As these awards are fully vested, the entire expense arising from them is recognized in the year the services were rendered to which they relate.

(2) Ms. Sawhill retired from our Board of Directors in April 2009 and Mr. Blakely was elected to fill the vacancy created by Ms. Sawhill's retirement.

During 2009, directors who were not Greenhill employees received an annual retainer of \$100,000 for service on our Board of Directors payable at their option either in cash or stock or a combination. No separate meeting fees were paid. The chairman of the Audit Committee received an additional annual cash retainer of \$15,000, which was paid at his option in a combination of cash and stock. We have not retained any compensation consultants to advise on director compensation.

Our non-employee directors also will be reimbursed for reasonable out-of-pocket expenses incurred in connection with their service on the Board and the Board committees. We may also arrange transportation for our directors to and from Board meetings. Employees of Greenhill who also serve as directors receive compensation for their services as employees, but they do not receive any additional compensation for their service as directors. No other compensation is paid to our Board members in their capacity as directors. Non-employee directors do not participate in our employee benefit plans. See discussion under *Certain Relationships and Related Transactions - Other Compensation* for a description of the compensation paid to Robert F. Greenhill, who is the Chairman of our Board of Directors and an employee of Greenhill, but is not an executive officer.

EMPLOYMENT AND NON-COMPETITION AGREEMENTS

We entered into employment and non-competition agreements with those of our managing directors who were members of Greenhill & Co. Holdings, LLC prior to our initial public offering and non-competition agreements with those of our U.K.-based managing directors who were partners of Greenhill & Co. International LLP prior to our IPO. Signatories to these agreements include those officers who served as our named executive officers in 2009 other than Mr. Lieb and Ms. Ekman. Accordingly, the references in this section to managing director only include those managing directors (Messrs. Bok, Borrows, Niehaus and Rodriguez); we also refer to those managing directors in this section as the covered managing directors. The following are descriptions of the material terms of the provisions of those agreements which remain (some provisions lapsed in 2009). With the exception of the few differences noted in the description below, the terms of these agreement, are in relevant part identical.

Base Salary. Each covered managing director who devotes 100% of his time to Greenhill will be paid an annual base salary of \$600,000. The amount of each covered managing director's annual salary is subject to annual review by the Compensation Committee. In addition, a covered managing director may be awarded an annual bonus in an amount determined in the sole discretion of the Compensation Committee.

Benefits. Each covered managing director will be entitled to participate in all of our employee retirement and welfare benefit plans, including, without limitation, our group health, dental and life insurance plans, 401(k) profit sharing plan, and equity incentive plan.

Confidentiality. Each covered managing director is required to protect and use confidential information in accordance with the restrictions placed by us on its use and disclosure.

Non-competition. The non-competition, non-solicitation and pledge provisions of these agreements expired in May 2009. However, we have entered into new non-competition agreements with our named executive officers which provide that during the period ending 3 months after the date a managing director ceases to provide services to us, that managing director may not:

form, or acquire a 5% or greater ownership, voting or profit participation interest in, any competitive enterprise; or

engage in any business activity in which we operate.

Competitive enterprise means any business (or business unit) that engages in any activity in which we or any of our subsidiaries engage at the time such covered managing director ceases to provide services to us, including investment banking financial advisory services and merchant-banking and related services.

In addition to the provisions relating to non-competition in the agreements described above, that portion of any new grants of restricted stock units which remains unvested at retirement is subject to forfeiture (as defined in the Equity Incentive Plan) unless the retiring managing director enters into a senior advisor agreement with us. The terms of the senior advisor agreement will provide, among other things, that for the three year period during which a retired managing director serves as a senior advisor, he will not compete with us (on the same terms as described above). The non-compete provision in the senior advisor agreement (if and when entered into) would effectively extend the non-compete provisions described above for a period of three years.

Non-solicitation. During the period ending 6 months after the date a managing director ceases to provide services to us, that managing director may not, directly or indirectly, in any manner solicit any

Table of Contents

of our employees (at an associate or above level) to apply for, or accept employment with, any competitive enterprise.

Transfer of Client Relationships. Each covered managing director is required, upon cessation of his or her services, to take all actions and do all things reasonably requested by us to maintain for us the business, goodwill and business relationships with our clients with which he or she worked.

Termination of Employment. Each employment agreement may generally be terminated by either that covered managing director or us on 90 days prior written notice.

The agreement with Mr. Borrows does not contain the provisions relating to base salary, benefits, transfer of client relationships or termination of employment.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We recognize that transactions between us and any of our directors or executives can present potential or actual conflicts of interest or create the appearance that our decisions are based on considerations other than what is in the best interests of the firm and our stockholders. We also recognize that at times, such transactions may actually be in the best interests of the Company. Therefore, to ensure such transactions are given due consideration, our Board of Directors adopted a Related Persons Transaction Policy. Under the policy, the Co-Chief Executive Officers, the General Counsel and the Nominating and Governance Committee are tasked with reviewing the proposed transactions between Greenhill and the related parties and the Nominating and Governance Committee is charged with overseeing the policy. See *Information Regarding the Board of Directors and Corporate Governance Related Persons Transaction Policy* above.

Related Transactions Involving Our Directors and Executive Officers

Other Compensation

Mr. Greenhill, one of our directors, is our Chairman and an employee of Greenhill. In 2009, Mr. Greenhill received a total of \$7,354,959 in compensation, including \$5,378,340 in restricted stock units awarded in 2009 (calculated by multiplying the number of shares underlying the award by the closing price of our common stock on the trading date prior to the grant date of the award). We also provide Mr. Greenhill with a car and driver, with a cost to Greenhill of \$182,168 in 2009. In addition, Mr. Greenhill uses an aircraft owned by the Company for personal travel; Mr. Greenhill reimburses us for the costs associated with his personal use of the aircraft. See *Use of Corporate Aircraft* below.

Relationship with the Greenhill Merchant Banking Funds and other Principal Investments

Greenhill has an indirect interest in three different merchant banking funds and one venture fund, which we refer to as Greenhill Capital Partners I (or Fund I), Greenhill Capital Partners II (or Fund II), Greenhill Capital Partners Europe (or GCP Europe) and Greenhill SAVP (or GSAVP), each of which consists of several related fund vehicles which generally invest in parallel on a pro rata basis (we refer to those funds collectively as the Funds).

The managing general partners of the Funds (other than the Original General Partner) are controlled by Greenhill. Greenhill recognizes as revenue 100% of the profit overrides earned by the managing general partners (except as described above). Beginning in 2010, 19 out of 20 points of such profit override is allocated as compensation to Greenhill managing directors and other employees involved in the management of the Funds.

Greenhill's employees, including all of its executive officers and directors, committed an aggregate of \$292 million of capital to the Funds total committed capital of \$1.8 billion.

Table of Contents

Greenhill and those employees who made capital commitments to the Funds (including all of the executive officers) have entered into a series of agreements with Funds (the Partnership Agreements). The principal terms of such Partnership Agreements are as follows:

All limited partners in Fund II, GCP Europe and GSAVP who are managing directors or other employees of Greenhill have agreed to pay during the commitment period an annual management fee to the respective managing general partner of such Fund ranging from 1.5% and 2.5% of the capital committed by such limited partners. The commitment period for Fund II will terminate on June 7, 2010, for GCP Europe on December 31, 2012 and for GSAVP on September 30, 2011, in each case, unless extended or terminated earlier by the general partner in accordance with the terms of the applicable Partnership Agreements. Upon termination of the relevant commitment period, the annual management fee will be reduced to 1% of the invested capital in the case of Fund II, 2% in the case of GCP Europe, and 1.5% of the invested or reserved capital in the case of GSAVP. No management fee or profit override is payable in respect of the capital committed by Greenhill. Limited partners who are employees of Greenhill (with certain exceptions) also agreed to pay to the managing general partners of the funds certain profit overrides. The Partnership Agreements also provide for the payment by the limited partners of certain expenses incurred by the general partner and for the indemnification of the general partner, its affiliates and their employees under certain circumstances.

On December 22, 2009, Greenhill closed the previously announced sale of certain of the firm's merchant banking assets (including the right to raise successor funds) to a newly-formed entity owned by Robert H. Niehaus, Chairman of Greenhill Capital Partners, and V. Frank Pottow, a managing director in our merchant banking business, in exchange for 289,050 shares of Greenhill common stock. It is anticipated that Messrs. Niehaus and Pottow will remain employees of Greenhill until the completion of the first phase of the separation of the merchant banking business, which is expected to occur late in 2010.

Relationship with Barrow Street Capital

Barrow Street Capital LLC, or Barrow Street Capital, is a real estate merchant banking firm founded in 1997. One of Barrow Street Capital's two managing principals is Robert F. Greenhill, Jr., son of Robert F. Greenhill, the Chairman of Greenhill. Barrow Street Capital's investment committee includes Robert F. Greenhill, Jr., Robert F. Greenhill and other principals of Barrow Street Capital.

The Barrow Street Capital Real Estate Funds

Greenhill committed \$5.0 million to Barrow Street Capital Real Estate Fund III (BSREF III), with its investment bearing no management fees or profit override. Certain of Greenhill's managing directors also committed capital to BSREF III. Greenhill's investment will entitle it to receive 25% of any profit overrides earned by BSREF III. Greenhill's managing directors receive no participation in profit overrides in BSREF III. The commitment period for BSREF III has expired although capital of \$0.5 million may continue to be called under certain circumstances.

Use of Corporate Aircraft

Through our wholly-owned subsidiary Greenhill Aviation Co., LLC, we own and operate an airplane that is used by our employees for transportation on business travel and by Robert F. Greenhill and his family for transportation on business and personal travel. We bear all costs of operating the aircraft, including the cost of maintaining air and ground crews. We have an aircraft expense policy in place that sets forth guidelines for personal and business use of the airplane. Mr. Greenhill reimburses the company for the actual out of pocket costs associated with the operation of the company's aircraft in connection with the personal use thereof by Mr. Greenhill. In 2009, Mr. Greenhill reimbursed us \$179,934 for such costs incurred in 2009.

Table of Contents

In addition, employees of Greenhill from time to time use airplanes personally owned by Mr. Greenhill for business travel. In those instances, Mr. Greenhill invoices us for the travel expense on terms we believe are comparable to those we could secure from an independent third party. During 2009 we paid \$7,994 to an entity controlled by Mr. Greenhill on account of such expenses.

Use of Hangar Space

Riversville Aircraft Corporation, an entity controlled by Robert F. Greenhill, uses and reimburses us for a portion of the hangar space we lease at the Westchester County Airport. In 2009 Riversville Aircraft Corporation paid us \$68,100 in rent and related costs. Riversville Aircraft Corporation reimburses us for its use of a portion of the hangar space on terms we believe are comparable to those we could secure from an independent third party.

AUDIT COMMITTEE REPORT AND PAYMENT OF FEES TO AUDITORS

Audit Committee Report

The consolidated financial statements of Greenhill, Inc. for the year ended December 31, 2009, were audited by Ernst & Young LLP, independent auditors for Greenhill.

As part of its activities, the Committee has:

1. Reviewed and discussed with management and the independent auditors the audited financial statements of Greenhill;
2. Discussed with the independent auditors the matters required to be communicated under Statement on Auditing Standards No. 61, *Communications with Audit Committees* (SAS 61), as amended and as adopted by the Public Company Accounting Oversight Board in Rule 3200T;
3. Received from the independent auditors written disclosures regarding the auditors independence required by PCAOB Ethics and Independence Rule 3526, *Communications with Audit Committees Concerning Independence*; and
4. Discussed with the independent auditors, the independent auditors' independence.

Management is responsible for Greenhill's system of internal controls and the financial reporting process. Ernst & Young LLP is responsible for performing an independent audit of the consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. Our Committee's responsibility is to monitor and oversee these processes. Based on the foregoing review and discussions and a review of the report of Ernst & Young LLP with respect to the consolidated financial statements, and relying thereon, we have recommended to Greenhill's Board of Directors the inclusion of the audited consolidated financial statements in Greenhill's Annual Report on Form 10-K for the year ended December 31, 2009, for filing with the Securities and Exchange Commission.

Auditor Services Pre-Approval Policy

The Audit Committee has adopted an auditor services pre-approval policy applicable to services performed for us by our independent auditors. In accordance with this policy, the Committee's practice is to approve annually all audit services and, on a case-by-case basis, recurring permissible non-audit services to be provided by the independent auditors during the fiscal year. The Audit Committee reviews each non-audit service to be provided and assesses the impact of the service on the auditor's independence. In addition, the Audit Committee may pre-approve other non-audit services during the year on a case-by-case basis, and delegate authority to grant such pre-approvals during the year to the chairperson of the Audit Committee, so long as the chairperson informs the Audit Committee at its next scheduled meeting.

ITEM 2 RATIFICATION OF SELECTION OF AUDITORS

The Audit Committee of our Board of Directors has selected Ernst & Young LLP to continue to serve as our independent auditors for the year ending December 31, 2010. While it is not required to do so, our Board of Directors is submitting the selection of Ernst & Young LLP for ratification in order to ascertain the views of our stockholders on this appointment. If the selection is not ratified, our Audit Committee will reconsider its selection.

Representatives of Ernst & Young LLP are expected to be present at the annual meeting, will be available to answer stockholder questions and will have the opportunity to make a statement if they desire to do so.

The Board of Directors recommends that you vote FOR ratification of the selection of Ernst & Young LLP as the independent auditors of Greenhill and our subsidiaries for the year ending December 31, 2010. Proxies will be voted FOR ratifying this selection unless otherwise specified.
