THE COMMITTEE TO ENHANCE EQUUS

April 15, 2010

Dear Fellow Stockholder:

The members of the Committee to Enhance Equus (the Committee or we) own an aggregate of 1,011,609 shares of common stock of Equus Total Return, Inc. (the Company), representing approximately 11.4% of the outstanding common stock of the Company. The Committee is dissatisfied with the Company s performance and believes that the Company s Board of Directors has failed to pursue a cohesive strategy to address valuation and other strategic issues facing the Company and has failed to seek and put into place a chief executive officer with fund management experience. We are therefore seeking your support at the annual meeting of stockholders of the Company (the Annual Meeting) scheduled to be held at Goodwin Procter LLP, The New York Times Building, 26th Floor, 620 Eighth Avenue, New York, New York 10018 on May 12, 2010 at 10:00 a.m., local time, for the following:

1. To elect the Committee s slate of nine director nominees to the Board of Directors of the Company in opposition to the slate of director nominees proposed by five of the nine incumbent members of the Board of Directors of the Company; and
2. To ratify the appointment of UHY LLP as the Company s independent auditors for the fiscal year ended December 31, 2010.

We believe that significant changes to the Board are necessary to put the Company back on a course of maximizing stockholder value. Over the past 5 years, the value of the Company s stock has declined substantially. Additionally, the management of the Company has suffered from a significant lack of stability and continuity. Directors who sought to change the status quo and reverse the decline in value of the Company s stock were thwarted in their efforts by the same group of incumbent directors who have been nominated on the white proxy card.

It is time for a change.

We urge you to carefully consider the information contained in the attached proxy statement and then support our nominees for director by signing, dating and returning the enclosed GOLD proxy card today. The attached proxy statement and the enclosed GOLD proxy card are first being furnished to the stockholders on or about April 15, 2010.

If you have already voted for nominees on the white proxy card, you have every right to change your vote to our nominees by signing, dating and returning the enclosed GOLD proxy card or by voting in person at the Annual Meeting.

If you have any questions or require any assistance with your vote, please contact MacKenzie Partners, Inc., which is assisting us, at their address and toll-free numbers listed below.

Thank you for your support,

The Committee to Enhance Equus

If you have any questions, require assistance in voting your GOLD proxy card, or need additional copies of the Committee s proxy materials, please call MacKenzie Partners, Inc. at the phone numbers or email listed below.

REASONS FOR SOLICITATION

The Committee to Enhance Equus believes that, after suffering from years of poor performance, significant changes at the Board level are necessary to put the Company back on a course of creating stockholder value. We believe that the Company's performance since June 2005 has resulted largely from the Board's failure to pursue a cohesive strategy to address valuation and other strategic issues and to seek, appoint and retain an effective and experienced chief executive officer.

During MCCA's tenure as the Company's investment adviser, stockholder value declined approximately 61%.

In June 2005, the Company retained, as its investment adviser, Moore, Clayton Capital Advisors, Inc. (MCCA), a wholly-owned subsidiary of MCC Global N.V. (MCC Global). MCCA served as the Company's investment adviser until June 2009, when the Company did not renew its agreement with MCCA and internalized its management. As depicted in the following chart, the Company's stock price declined approximately 61% while MCCA served as investment adviser. The declining trend has not been reversed following the termination of MCCA, as the Company's stock price has further declined approximately 12% for the period from June 30, 2009 to March 26, 2010 (the last trading day before members of our Committee announced their intention to launch a proxy contest).

The Company's net asset value has also deteriorated substantially, declining approximately 28% while MCCA served as investment adviser and approximately 37% in 2009 alone. Since June 30, 2005, investments overseen and managed by MCCA have resulted in realized and unrealized losses totaling approximately \$29.1 million for the Company. Further, the discount to net asset value of the price of the Company's common stock reached 68% during MCCA's tenure.

Although no two business development companies are alike, the Committee believes that Capital Southwest Corporation, MVC Capital, Inc., Hercules Technology Growth Capital, Inc. and Prospect Capital Corporation have similarities to the Company because of their size, their investments or other characteristics and that the net asset values of those companies may provide a useful comparison to investors. During the period that MCCA served as investment adviser, the stock prices of Capital Southwest, MVC Capital, Hercules Technology Growth Capital and Prospect Capital declined 19%, 15%, 35% and 27%, respectively. During that time period, the net asset values (based upon publicly available data) of Capital Southwest and MVC Capital increased 42% and 74%, respectively, and the net asset values of Hercules Technology Growth Capital and Prospect Capital decreased 11% and 15%, respectively.

A majority of the incumbent Board members who nominated the Other Nominees came to the Company in connection with retaining MCCA.

The Other Nominees were nominated by a five-member majority of the incumbent Board. Three of those five incumbent members are affiliated with MCCA or were appointed to the Board in connection with the engagement of MCCA. Kenneth I. Denos, an incumbent director of the Company, was appointed as an

executive officer of the Company in June 2005, served as the Company's CEO and President from August 2007 to June 2009, and joined the Board in 2008. Mr. Denos has held a number of executive offices with MCCA and affiliates of MCC Global since 2001, including serving as MCCA's CEO and President from May 2008 until June 2009. Furthermore, Mr. Denos has been the CEO of MCC Global, MCCA's parent company, since 2006. In addition, Richard F. Bergner and Henry W. Hankinson joined the Board in June 2005 upon nomination by MCCA and have continued to serve as directors since that time. Messrs. Denos, Bergner and Hankinson are each Other Nominees.

The Company has suffered from a significant lack of stability and continuity in its management.

Since June 2005, the Company has had six chairmen of the Board and three chief executive officers. None of the chief executive officers had prior 1940 Act executive fund management experience. Although the Committee viewed the internalization of management that occurred in 2009 as a cause for hope, the Board proceeded to appoint one of its own members as chief executive officer, ostensibly on an interim basis, but the Board then failed to conduct a formal search process among external candidates to identify and enlist a chief executive officer with fund management experience. The Board's unwillingness to pursue and identify such a chief executive officer has been disappointing, and we believe that it has contributed to the instability of the Company's management and perpetuated the decline in the value of the Company's stock. Since Mr. Flanagan's resignation as CEO in February 2010, the Company has not had an acting CEO or President.

The initiatives of members of the Committee were thwarted by the incumbent directors who nominated the Other Nominees.

On or about January 19, 2010, after persistent efforts by Mr. Douglass, the Board formed an executive committee consisting of Mr. Douglass and four independent directors for the purpose of executing various initiatives to advance the goal of salvaging and maximizing stockholder value. The Committee supports those initiatives. The first critical initiative of the executive committee was to implement a program to seek, appoint and retain an external CEO with significant fund experience. In addition, as proposed by the members of the executive committee, on March 16, 2010, the Nominating and Governance Committee decided to recommend the reduction of the size of the Board to five persons, which would have included Mr. Douglass and two of Our Nominees.

The very next morning, March 17, however, Mr. Hankinson, who had been one of the members of the executive committee, abruptly changed course and joined with the four incumbent directors who were not on the executive committee to form a new five-member majority of the Board. With this new majority, the Board took action to disband the executive committee and to rearrange the chairs of the standing committees. In addition, those five incumbent directors voted to nominate themselves and four additional nominees for election to the Board at the Annual Meeting. Prior to the March 17 action, Mr. Douglass and three of the other directors who served with him on the executive committee were not aware of and had not met the four additional nominees. The Committee believes that the nomination of four new directors is a significant event for the Board, deserving of a deliberative and thorough process.

It is time for a change.

As stockholders of over 11% of the Company, we view these results and events as unsatisfactory. Our Nominees represent a diverse cross-section of the business, legal and academic communities and would bring to our Board broad experience in fund management oversight, investment management, international business, business development, the practice of law, administration, tax, accounting, the healthcare industry and service on public and private boards of directors. Six of our nine nominees have not served as directors or officers of the Company, and only two of Our Nominees are incumbent Board members.

It is time for a change. We believe Our Nominees can do better.

**PROPOSAL NO. 1
ELECTION OF DIRECTORS**

The Board is currently composed of nine directors whose terms expire at the Annual Meeting. We are seeking your support at the Annual Meeting to elect Our Nominees in opposition to the Other Nominees. Each of Our Nominees has consented to serve upon election. The Committee knows of no reason why any of Our Nominees would not be able to serve as a director upon their election. However, if, at the Annual Meeting, any of Our Nominees is unable or unwilling to serve on the Board, the persons named as proxies will vote for a substitute candidate of their choosing.

We believe the Board would benefit from Mrs. Douglass disciplined investment approach gained from her legal and business experience, her entrepreneurial drive and her many relationships in various industries.

- (2) Interested directors are interested persons (as defined in the 1940 Act). Mrs. Douglass is deemed to be an interested director by reason of: (i) her relationship to her husband Sam P. Douglass, who directly or indirectly owns, holds or controls, with the power to vote, five percent or more of the outstanding voting securities of the Company; and (ii) her former affiliation with the Company and the Company's former investment adviser.
- (3) Mrs. Douglass is the spouse of Sam P. Douglass, a member of the Board whose term expires at the Annual Meeting in 2010.

YOU ARE URGED TO VOTE FOR THE ELECTION OF OUR NOMINEES ON THE ENCLOSED GOLD PROXY CARD.

ADDITIONAL NOMINEE INFORMATION

Mr. Godshall is a shareholder of Trulite, Inc. and the non-executive Vice Chairman of its Board of Directors . He also served as its chief executive officer from August 2006 until October 2008 and a consultant from December 2008 until March 2010. Mr. Godshall owns less than 5% of Trulite's equity in the form of shares and options. Mrs. Douglass has served as a director of Trulite, Inc. since 2008. Mr. White is the non-executive Chairman of the Board of Directors of Trulite, Inc. and owns approximately 6% of the entity that is the majority owner of Trulite, Inc. Since June 2008, the Company has made investments in Trulite in the form of loans and warrants. The loans currently bear interest at a rate of 18%, and the warrants entitle the Company to acquire approximately 10% of Trulite's equity. The current outstanding principal amount of the loans is approximately \$2.3 million, and the current unpaid interest is approximately \$200,000. The current obligations under the loans are the largest aggregate amount of such obligations since they were incurred.

Mr. Wade, either in his individual capacity or as a representative of Wade & Company LLP, an accounting firm of which he is the Senior and Managing Partner (or other accounting firms with which he was associated previously), has provided tax consulting, tax return preparation and other advisory services to the Company for fees. Since January 1, 2008, the Company has paid a total of approximately \$80,000 to Wade & Company LLP for such services. Mr. Wade has also provided tax consulting, tax return preparation and other administrative and advisory services for Mr. and Mrs. Douglass, the trusts in the Committee and other interests of the Douglass family.

Other than Dr. Boyd, Dr. Tuggle and Mrs. Douglass, none of Our Nominees, or any Immediate Family Member (as such term is defined in Schedule 14A of the Exchange Act) of any of Our Nominees, has, during the past 5 years, held

any position, including as an officer, employee, director or general partner, with (i) the Company, (ii) any investment company, or any person that would be an investment company but for the exclusions provided by Sections 3(c)(1) and (c)(7) of the 1940 Act, having the same investment adviser, principal underwriter or Sponsoring Insurance Company (as such item is defined in the 1940 Act) or under the control of such investment advisers, principal underwriter or Sponsoring Insurance Company, as the Company, (iii) the Company's investment adviser, principal underwriter or Sponsoring Insurance Company and (iv) any person, directly or indirectly, controlling, controlled by, or under common control of the Company's investment adviser, principal underwriter or Sponsoring Insurance Company.

Since the beginning of the Company's last two completed fiscal years, no officer of an investment adviser, principal underwriter or Sponsoring Insurance Company, of the Company, or of a person directly or indirectly controlling, controlled by, or under common control thereby, serves, or has served, on the board of directors of a company of which one of Our Nominees is an officer.

Except as disclosed herein, since the beginning of the Company's last two completed fiscal years, none of Our Nominees or any Immediate Family Member of any of Our Nominees was a party to any transaction, or series of similar transactions or is a party to any currently proposed transaction, or series of similar transactions, in which the amount involved exceeded or is to exceed \$120,000, to which (i) the Company, (ii) any of its officers, (iii) any investment company, or officer thereof, or any person, or officer thereof, that would be an investment company but for the exclusions provided by Sections 3(c)(1) and (c)(7) of the 1940 Act, having the same investment adviser, principal underwriter or Sponsoring Insurance Company or under the control of such investment adviser, principal underwriter or Sponsoring Insurance Company, as the Company, (iv) the Company's investment adviser, principal underwriter or Sponsoring Insurance Company, or officer thereof, (v) any person, or officer thereof, directly or indirectly controlling, controlled by, or under common control of the Company's investment adviser, principal underwriter or Sponsoring Insurance Company, was or is to be a party.

Other than as set forth herein, there are no arrangements or understandings between Our Nominees and any other member of the Committee or any other person or persons pursuant to which the nomination described herein is to be made, other than the consent by each of Our Nominees to be named in this proxy statement and to serve as a director of the Company upon election at the Annual Meeting. Our Nominees who own or owned Shares on the Record Date have informed the Committee that they expect to vote such Shares for Our Nominees.

There are no material proceedings to which any of Our Nominees or any of their associates is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries. With respect to each of Our Nominees, none of the events enumerated in Item 401(f)(1) - (8) of the Exchange Act occurred during the past ten years.

Mrs. Douglass has entered into an arrangement with Mr. Funston for the advancement of up to \$300,000 to Mrs. Douglass to pay costs and expenses of conducting this proxy solicitation, which she is undertaking. This arrangement is described in more detail in "Solicitation of Proxies" below.

Section 16(a) Beneficial Ownership Reporting Compliance

In 2009, none of Our Nominees failed to file on a timely basis reports related to the Company that are required by Section 16(a) of the Exchange Act.

Independence

We expect that all of Our Nominees, upon election, would be deemed by the newly-elected Board to be independent directors pursuant to the listing standards of the New York Stock Exchange, except for Mrs. Douglass, who would be not be considered independent under such standards and would be considered an "interested" director under the 1940 Act because (i) she was a Vice President of the Company from June 2006 until April 2010 and (ii) she is Sam P. Douglass's spouse, and Mr. Douglass directly or indirectly owns, holds or controls, with the power to vote, more than five percent or more of the outstanding voting securities of the Company.

During 2009, the Board met 12 times and Dr. Tuggle and Dr. Boyd attended at least 75% of all meetings held by the Board and the committees of the Board on which they served. **PROPOSAL 2 RATIFICATION OF
SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has selected UHY LLP as the Company's independent registered public accounting firm for the year 2010. The Company is submitting the selection of UHY LLP for ratification of and approval by the stockholders at the Annual Meeting.

WE RECOMMEND VOTING FOR THE RATIFICATION OF THE SELECTION OF UHY LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR THE YEAR 2010.

VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Each stockholder may cast one vote for each Share that such stockholder held on the Record Date. Stockholders who sold Shares before the Record Date or acquire them without voting rights after the Record Date may not vote such Shares. The Company has stated that it will make a list of stockholders on the Record Date available for inspection at the Company's office at Eight Greenway Plaza, Suite 930, Houston, Texas 77046 for ten days before the Annual Meeting.

Shares represented by properly executed GOLD proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of Our Nominees to the Board, FOR the ratification of the selection of UHY LLP and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting.

According to the Company's proxy statement for the Annual Meeting, five of the nine incumbent members of the Board of Directors of the Company intend to nominate the Other Nominees for election as directors. This proxy statement is soliciting proxies to elect Our Nominees and none of the Other Nominees.

Quorum

The by-laws of the Company provide that the holders of a majority of the stock issued and outstanding and entitled to vote, present in person or represented by proxy, constitute a quorum at any meeting of stockholders. The Company's by-laws do not address how proxies that express abstentions will be treated for the purpose of constituting a quorum. Under Delaware law, abstentions are counted for the purposes of determining a quorum. Please see Broker Non-Votes below for the treatment of broker non-votes for quorum purposes.

Votes Required for Approval

Election of Directors. Pursuant to the by-laws of the Company and the Delaware General Corporation Law, if a quorum is present at the Annual Meeting, directors will be elected by a plurality of the votes of the Shares present in person or represented by proxy and entitled to vote on the election of directors. This means that the nine persons who receive the highest number of FOR votes will be elected to fill the available seats on the Board. A properly executed proxy marked withhold with respect to the election of any or all director nominees will be counted for purposes of determining whether there is a quorum, but will not be considered to have been voted for or against such director nominee(s). Therefore, a proxy marked withhold with respect to a specific director nominee will result in such director nominee receiving fewer FOR votes.

Ratification of Selection of UHY LLP. The by-laws of the Company provide that, if a quorum is present at the Annual Meeting, the ratification of the selection of UHY LLP will be determined by the vote of the holders of a majority of the stock having voting power present in person or represented by proxy. Proxies that express abstentions on this matter will be counted as votes against the ratification of UHY LLP as the company's independent auditor.

Broker Non-Votes

Proxies submitted by brokers that do not indicate a vote because they do not have discretionary authority and have not received instructions as to how to vote on a proposal are so-called broker non-votes. Brokers holding shares must vote according to specific instructions they receive from the beneficial owners of those shares. If brokers do not receive specific instructions, brokers may in some cases vote the shares in their discretion. However, the New York Stock Exchange precludes brokers from exercising voting discretion on non-routine matters without specific instructions from the beneficial owner. With respect to the two proposals related to this proxy statement, the contested nature of the election of directors renders all matters at the Annual Meeting non-routine and, as such, broker non-votes will not be considered for quorum purposes and may not be voted on any matter that is voted upon at the Annual Meeting.

Revocation of Proxies

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy that is properly

completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to the Committee c/o of MacKenzie Partners, Inc. at the address set forth on the back cover of this proxy statement or to the Company at Eight Greenway Plaza, Suite 930, Houston, Texas 77046 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we

request that either the original or photostatic copies of all revocations be mailed to the Committee c/o MacKenzie Partners, Inc. at the address set forth on the back cover of this proxy statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding Shares. Additionally, MacKenzie Partners, Inc. may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of Our Nominees.

IF YOU WISH TO VOTE FOR THE ELECTION OF OUR NOMINEES TO THE BOARD AND FOR THE RATIFICATION OF THE SELECTION OF UHY LLP, PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD PROXY CARD IN THE POSTAGE-PAID ENVELOPE PROVIDED.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this proxy statement is being made by the Committee. Proxies may be solicited by mail, facsimile, telephone, Internet, in person and by advertisements.

On behalf of the Committee, Mrs. Douglass has entered into an agreement with MacKenzie Partners, Inc. for solicitation and advisory services in connection with this solicitation, for which MacKenzie Partners, Inc. has received a retainer of \$10,000 and will receive a subsequent fee to be mutually agreed upon after the completion of the engagement, together with reimbursement for its reasonable out-of-pocket expenses. Pursuant to their agreement, MacKenzie Partners, Inc. will also be indemnified against certain claims in connection with its retention. MacKenzie Partners, Inc. will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. We have requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the Shares they hold of record. We will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. It is anticipated that MacKenzie Partners, Inc. will employ approximately 15 persons to solicit the Company's stockholders for the Annual Meeting.

The expense of preparing, assembling, printing and mailing this proxy statement and related materials and the cost of soliciting proxies for Our Nominees will be borne by Mrs. Douglass. Costs of this solicitation of proxies are currently estimated to be approximately \$800,000. It is estimated that through the date hereof, the expenses in connection with this solicitation are approximately \$250,000. Mrs. Douglass has arranged with Mr. Funston to advance up to \$300,000 to her to pay costs and expenses of conducting the proxy solicitation. Under this arrangement, if any such amounts are advanced, they are to be repaid on terms mutually agreeable to Mrs. Douglass and Mr. Funston. If successful, Mrs. Douglass intends to seek reimbursement from the Company of all expenses she incurs in connection with the solicitation of proxies for the election of Our Nominees to the Board at the Annual Meeting. Mrs. Douglass does not intend to submit the question of such reimbursement to a vote of security holders of the Company.

OTHER PARTICIPANT INFORMATION

Each member of the Committee is considered or may be deemed a participant under the federal proxy rules in this solicitation.

Except as set forth in this proxy statement, (i) no participant is, or within the past year was, a party to any contract, arrangements or understanding with any person with respect to any securities of the Company, including, but not limited to, joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies, and (ii) no participant or any of his, her or its associates has any arrangement or understanding with any person with respect to any future employment by the Company or its affiliates, or with respect to any future transactions to which the Company or any of its affiliates will or may be a party.

On or about June 30, 2009, the Company, and three other persons, including Mr. Douglass, received Wells notices from the staff of the SEC regarding the staff's intention to recommend to the SEC that the SEC bring civil actions against the recipients of such notices alleging possible violations of the securities laws.

Based on discussions with the SEC staff, Mr. Douglass believes that the issues the staff intends to pursue relate to disclosure regarding (i) a one-time administrative fee that was recommended by a special committee of the Company's board of directors, approved by the board of directors of the Company, and paid by the Company in 2005; and (ii) the compensation of a certain officer of the Company during approximately the same time period. Although Mr. Douglass has been cooperating with the SEC in its inquiry, in the event an action or proceeding is brought, Mr. Douglass intends to defend himself vigorously. In a Current Report on Form 8-K, filed July 7, 2009, and in its Quarterly Report on Form 10-Q filed on November 16, 2009, the Company reported receipt by it and three other persons of Wells notices relating to the 2005 activity.

However, should other matters be brought before the Annual Meeting, the persons named as proxies on the enclosed GOLD proxy card will vote on such matters in their discretion, including, without limitation, nominating additional persons for directorships, or making any proposals as may be appropriate to address any action of the Board not publicly disclosed prior to the date of this proxy statement.

Stockholder Proposals and Nominations

In order for stockholder proposals intended to be presented at the 2011 Annual Meeting of Stockholders of the Company (the 2011 Annual Meeting) to be eligible for inclusion in the Company's proxy statement and the form of proxy for such meeting, they must follow the procedures prescribed in SEC Rule 14a-8. To be eligible for inclusion, the Company's Secretary must receive stockholder proposals at Eight Greenway Plaza, Suite 930, Houston, Texas 77046, Attn: President, no later than December 4, 2010.

Under the Company's by-laws, no business may be brought before a stockholder meeting unless it is specified in the notice of the meeting or is otherwise properly brought before the meeting by or at the direction of the Board or by a stockholder entitled to vote who has delivered an appropriate notice to the Company's Secretary. To be properly brought before such a meeting a stockholder must deliver a written notice to the Company at the address set forth in the following paragraph of the stockholder's intention to present a proposal (containing certain information specified in the by-laws about the stockholder and the proposed action) not less than 60 nor more than 90 days prior to the meeting. However, in the event less than 70 days' notice or prior public disclosure of the date of the meeting is given to stockholders, such notice to be

timely must be received not later than the close of business on the fifth day following the day on which such notice is mailed or such public disclosure was made.

Stockholder proposals with respect to director nominations require written notice of your intent to make such a nomination either by personal delivery or by U.S. mail, postage prepaid, to Brett M. Chiles, Secretary, Equus Total Return, Inc., Eight Greenway Plaza, Suite 930, Houston, TX 77046, within the time limits described above for delivering a stockholder proposal notice and must comply with the information requirements in the Company's by-laws relating to director nominations by stockholders. These requirements are separate from and in addition to the SEC's requirements that a stockholder must meet in order to have a stockholder proposal included in the Company's proxy statement.

The information set forth above regarding the procedures for submitting stockholder proposals and nominations for consideration at the 2011 Annual Meeting is based on information contained in the Company's proxy statement. The inclusion of this information in this proxy statement should not be construed as an admission by the Committee that such procedures are legal, valid or binding.
