On August 11, 2010, Consumers Energy Company (Consumers), a principal subsidiary of CMS Energy Corporation (CMS Energy), amended and restated its \$150 million Secured Revolving Credit Facility (the Second Amended Facility) with a consortium of banks led by Union Bank, N.A. The Second Amended Facility replaces Consumers existing \$150 million Secured revolving credit facility that was set to expire in September of 2010 (the First Amended Facility). The First Amended Facility amended the Original Facility , which was set to expire in September of 2009. The Second Amended Facility has substantially similar terms as the Original Facility and the First Amended Facility; however, the Second Amended Facility is a long-term facility that expires in three years. The Second Amended Facility contains certain customary affirmative and negative covenants. Any amounts drawn under the Second Amended Facility will be secured by first mortgage bonds of Consumers, issued under the Supplemental Indenture, entered into in connection with the Original Facility, that continues to be in effect. The Original Facility was previously filed as Exhibit 10.1 to the Form 8-K filed September 16, 2008 and its Supplemental Indenture was previously filed as Exhibit 4.1 to the Form 8-K filed September 16, 2008. The First Amended Facility was previously filed as Exhibit 10.1 to the Form 8-K filed August 21, 2009. Consumers expects any drawings under the Second Amended Facility will be used for general corporate purposes.

Union Bank, N.A. and other members of the lending consortium have provided banking and underwriting services to Consumers in the ordinary course of business.

The foregoing description of the Second Amended Facility does not purport to be complete and is qualified in its entirety by the provisions of the Second Amended Facility, respectively, which is attached hereto as Exhibit 10.1 and incorporated by reference herein.
