Item 2.01. Completion of Acquisition or Disposition of Assets.

On September 14, 2010, Wright Express Corporation (the Company), through its wholly-owned subsidiary, Wright Express Australia Holdings Pty Ltd (the Acquisition Sub), completed its acquisition of all of the outstanding shares of RD Card Holdings Australia Pty Ltd (the Target) from RD Card Holdings Limited (Target's Parent). As previously disclosed in a Form 8-K dated July 30, 2010, the Company entered into a Share Purchase Agreement (the Agreement), dated as of July 30, 2010, pursuant to which the Target's Parent agreed to sell to the Acquisition Sub all of the outstanding shares of the Target for a total payment of \$353 million Australian Dollars (which was approximately \$330 million US Dollars at the time of closing), including amounts applied at the closing to the repayment of Target's debt. The consideration for the transaction was paid using the Company's existing 2007 credit facility.

Other than in respect of the transaction, there was no material relationship between the Target's Parent and the Company or any of its affiliates, or any director or officer of the Company, or any associate of any such director or officer.

The Agreement has been attached as an exhibit to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about the Company, the Acquisition Sub or Target. The representations and warranties contained in the Agreement were made only for the purposes of such agreement and as of specified dates, were solely for the benefit of the parties to the Agreement, and may be subject to limitations agreed upon by the contracting parties. Certain of the representations and warranties have been made for the purposes of allocating contractual risk between the parties to the Agreement instead of establishing these matters as facts. Investors are not third-party beneficiaries under the Agreement. In addition, the representations and warranties contained in the Agreement (i) are qualified by information that the parties have exchanged, (ii) were made only as of the date of the Agreement or a prior, specified date, and (iii) in some cases are subject to qualifications with respect to materiality, knowledge and/or other matters, including standards of materiality applicable to the contracting parties that differ from those applicable to investors. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts or condition of the Company or Target or any of their respective subsidiaries or affiliates.
