Item 2.02 Results of Operations and Financial Condition.

This Current Report on Form 8-K is filed on behalf of The Hartford Financial Services Group, Inc. (The Hartford or the Company) to provide supplemental financial disclosure relating to the fiscal years ended December 31, 2008 and 2009; and the six months ended June 30, 2010. Such supplemental financial disclosure is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

The Hartford is changing its reporting segments effective for third quarter 2010 reporting. The segment changes reflect the manner in which the Company is currently organized for purposes of making operating decisions and assessing performance. Accordingly, segment data for prior reporting periods has been adjusted to reflect the new segment reporting. As a result, the Company created three customer focused divisions: Commercial Markets, Consumer Markets and Wealth Management.

The Commercial Markets division consists of the reporting segments of Property & Casualty Commercial and Group Benefits. The Property & Casualty Commercial reporting segment includes the former Small Commercial, Middle Market and Specialty Commercial reporting segments. Group Benefits is now included in the Commercial Markets division and is otherwise unchanged from June 30, 2010.

The Consumer Markets division and reporting segment includes the former Personal Lines reporting segment.

The Wealth Management division consists of the following reporting segments: Global Annuity, Life Insurance, Retirement Plans and Mutual Funds. Global Annuity includes the former Global Annuity - U.S. and Global Annuity International reporting segments, as well as institutional investment products (IIP) which was within the former Institutional Solutions Group (Institutional). Life Insurance includes the former Individual Life reporting segment and private placement life insurance (PPLI) operations formerly within Institutional and Life Other. The former Retirement segment is now reported as two separate segments: Retirement Plans and Mutual Funds.

Corporate and Other includes Property & Casualty Other Operations and the former Life-Other, excluding the PPLI operations now included in Life Insurance.

Certain inter-segment arrangements have been terminated retrospectively whereby the former Specialty Commercial reporting segment was reimbursing the former Personal Lines, Small Commercial and Middle Market reporting segments for certain losses incurred from uncollectible reinsurance and under certain liability claims.

As a result of this reorganization, the Company s seven reporting segments are as follows:
