**Item 7.01. Regulation FD Disclosure**

When ION Geophysical Corporation (the Company) hired Robert P. Peebler as its President and Chief Executive Officer in March 2003, the Company awarded Mr. Peebler an option to purchase 1,325,000 shares of the Company's common stock at \$6.00 per share. The stock option award was in lieu of any guaranteed cash bonus or other stock option awards in his employment agreement entered into upon his hire. Consistent with the intention of his original stock option award, the Company did not grant Mr. Peebler additional stock option awards until December 2008.

On March 31, 2003, the date of his stock option award grant, the closing sales price per share of the Company's common stock on the New York Stock Exchange was \$3.60. As a result, the exercise price for Mr. Peebler's original grant of the stock option exceeded the market price of the Company's shares on the date of grant by approximately 60%. By its terms, the stock option was to expire and become unexercisable in March 2013.

Because the stock option was scheduled to expire in the near future, and because Company policy prohibits Mr. Peebler, as an executive of the Company, from exercising stock options or selling shares of stock of the Company except during limited time periods and provided he does not possess material non-public information involving the Company, Mr. Peebler recently elected to exercise the stock option and retain a portion of the shares. Accordingly, on February 25, 2011, Mr. Peebler exercised his option to purchase 1,325,000 shares of the Company's common stock, retained 100,000 of the acquired shares and sold in broker's transactions the remaining 1,225,000 shares.

Immediately after giving effect to his exercise of the above stock option, Mr. Peebler owns a total of 839,569 shares of the Company's stock and an option to purchase 180,000 shares of the Company's common stock.

The information contained in this Item 7.01 (i) is not to be considered filed under the Securities Exchange Act of 1934, as amended (the Exchange Act) and (ii) shall not be incorporated by reference into any previous or future filings made by or to be made by the Company with the Securities and Exchange Commission under the Securities Act of 1933, as amended, or the Exchange Act.
