Stanley Black & Decker, Inc. (the Company) is filing this Current Report on Form 8-K ( Form 8-K ) to update certain financial information in its Annual Report on Form 10-K for the fiscal year ended January 1, 2011 filed on February 18, 2011( Form 10-K ). The update pertains to the realignment of certain segment net sales and segment profit from the Construction and Do-it Yourself ( CDIY ) segment to the Industrial segment to align the reporting with the current management of certain industrial end customers to be comparable with the current year presentation.

Accordingly, segment net sales and segment profit have been adjusted between the CDIY and Industrial segments.

Additionally the associated goodwill of each segment was reclassified between segments to reflect the change. There is no impact to the consolidated financial statements of the Company as a result of this segment realignment.

This Form 8-K presents disclosures updated from the Company's originally filed Form 10-K to reflect the realignment of these segments for all periods presented. The updates to the Form 10-K, as set forth in this Form 8-K, for this realignment are consistent with the presentation in the Company's quarterly Report on Form 10-Q for each quarterly period in the current fiscal year. The sections of the Form 10-K affected by these changes are Items 7 and 8.

Further, certain disclosures contained in Items 7 and 8 of the Form 10-K have been enhanced pursuant to certain comments contained in a Securities and Exchange Commission comment letter the Company received on April 4, 2011. Additionally, the Company has reclassified certain amounts as discussed in Note U to the consolidated financial statements, which had no impact on the net assets of the entities.

All such updated and enhanced items of the Form 10-K are set forth in their entirety in Exhibits 99.1 through 99.3 hereto, and are incorporated by reference herein.

We have not updated or enhanced any other disclosures presented in our Form 10-K. All other information is presented as of the original filing date and has not been updated in this Form 8-K. Without limitation of the foregoing, this Form 8-K does not purport to update the Management's Discussion and Analysis of Financial Condition and Results of Operations contained in the Form 10-K with respect to any uncertainties, transactions, risks, events or trends occurring, or known to management. More current information is included in the Company's other filings with the Securities and Exchange Commission. This Form 8-K should be read in conjunction with the Form 10-K and the Company's other filings. Other filings may contain important information regarding uncertainties, trends, risks, events, transactions, developments and updates to certain expectations of the Company that may have been reported since the filing of the Form 10-K.
