Item 1.01 Entry into a Material Definitive Agreement.

On April 1, 2005, Torch Offshore, Inc. (the Company) entered into an asset purchase agreement (the Agreement) with Cal Dive International, Inc., which has agreed to serve as the stalking horse bidder for the purchase of the Company's fleet of vessels, including all equipment, inventory, intellectual property and other assets related to the operation of the vessels. In exchange for these assets, the Company will receive consideration of approximately \$92.0 million, including a deposit of \$4.6 million, which will be credited towards the purchase price. The Agreement does not include the Company's accounts receivable, overhead assets unrelated to the operation of the vessels, and claims owned by the Company's bankruptcy estate.

The Agreement has been filed with the United States Bankruptcy Court for the Eastern District of Louisiana (the Bankruptcy Court) along with a motion seeking the establishment of bidding procedures for an auction that allows other qualified bidders to submit higher or otherwise better offers for all or part of the Company's assets, as required under Section 363 of the Bankruptcy Code. The Company anticipates that a transaction involving all or part of its assets will be completed in the second quarter of 2005, pending approval of the Bankruptcy Court and certain government regulatory agencies.

Attached hereto and incorporated by reference is a copy of the Agreement as Exhibit 10.1 and a copy of the bidding procedures as Exhibit 10.2. In addition, a copy of the press release dated April 7, 2005 is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
