COSTAR GROUP, INC.
PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON FRIDAY, JUNE 17, 2005

The Board of Directors of CoStar Group, Inc. (we or the Company) solicits your proxy for use at the Annual Meeting of Stockholders (the Annual Meeting) to be held at 11:00 a.m. on Friday, June 17, 2005, at 2 Bethesda Metro Center, Bethesda, Maryland 20814, and at any adjournment or postponement of the Annual Meeting.

Our headquarters are located at 2 Bethesda Metro Center, Tenth Floor, Bethesda, Maryland 20814. We are mailing this Proxy Statement and the accompanying proxy card to our stockholders eligible to vote at the Annual Meeting on or about April 29, 2005.

OUTSTANDING SECURITIES, VOTING RIGHTS AND QUORUM

At the close of business on the record date, Wednesday April 20, 2005, there were 18,355,540 shares of common stock outstanding and entitled to vote at the Annual Meeting. Each outstanding share of common stock is entitled to one vote on each proposal.

The presence at the Annual Meeting, in person or by proxy, of a majority of the outstanding shares as of the record date constitutes a quorum (the minimum number of shares required to take action) for the meeting. Both abstentions and broker non-votes will be counted as shares present for purposes of obtaining a quorum, but will be disregarded in calculating the total number of votes on each of the proposals.

The required vote and the calculation method for each of the matters scheduled for consideration at the Annual Meeting are as follows:

Item 1 Election of Directors. Each outstanding share of common stock is entitled to cast one vote for up to seven nominees. The seven nominees who receive the most votes will be elected as directors.

Item 2 Ratification of the Appointment of Independent Auditors. For stockholders to approve this proposal, the number of votes cast in favor must exceed the number of votes cast against.

PROXY VOTING AND REVOCATION

You may vote by signing your proxy card, or if your shares are held in street name, by signing the voting instruction card included by your broker or nominee, and mailing it in the enclosed, postage prepaid and addressed envelope. If you properly complete and execute your proxy card and return it before the Annual Meeting:

Your shares will be voted in accordance with your instructions.

For any items for which you do not provide instructions, your shares will be voted **FOR** the item, as recommended by the Board of Directors.

You may revoke your proxy at any time before it is voted by:

delivering to the Corporate Secretary written notice that you are revoking your proxy;

submitting a properly-executed proxy bearing a later date; or

attending the Annual Meeting and voting in person. (If you are not the owner of record, but rather hold your shares through a broker or bank, you should take appropriate steps to obtain a legal proxy from the owner of record if you wish to attend and vote at the Annual Meeting.)

Simply attending the Annual Meeting will not revoke your proxy. If you instructed a broker to vote your shares, you must follow your broker's directions for changing those instructions.

ATTENDING THE MEETING

Only stockholders as of the record date, their proxy holders, and our invited guests may attend the meeting. If you intend to attend the Annual Meeting, please mark your proxy card accordingly. Beneficial owners whose ownership is registered under another party's name and who plan to attend the meeting in person should obtain an admission ticket in advance by sending written requests, along with proof of beneficial ownership, such as a bank or brokerage firm account statement, to: Mark A. Klionsky, Senior Vice President of Marketing and Corporate Communications, CoStar Group, Inc., 2 Bethesda Metro Center, Tenth Floor, Bethesda, Maryland 20814. Beneficial owners who do not present valid admission tickets at the registration counter at the Annual Meeting will be admitted in CoStar's sole discretion and may be required to verify share ownership, which may be established by providing a bank or brokerage firm account statement and photo identification, at the registration counter at the meeting. Stockholders as of the record date or their proxy holders who plan to attend the Annual Meeting may also be asked to present photo identification at the registration counter at the Annual Meeting to gain admittance to the meeting.

ITEM 1
ELECTION OF DIRECTORS

The Board has fixed the number of directors constituting the Board at seven. The Board has nominated each of the current directors for re-election. The persons named as proxy holders on the proxy card will vote your shares FOR each of the seven nominees unless you instruct otherwise on your proxy card.

All of our directors will serve until the next Annual Meeting of Stockholders or until their successors are elected and qualified. If any of the nominees should become unable to serve prior to the Annual Meeting, proxies that do not withhold authority to vote for directors may be voted for any other nominee or nominees selected by the Board unless the Board votes to reduce the size of the Board to match the actual number of nominees. In no event may proxies be voted for a greater number of persons than the number of nominees named. Information about each of the nominees appears below.

ITEM 2

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has recommended, and the Board has approved, the appointment of Ernst & Young LLP as independent auditors for the Company for 2005. The Board would like stockholders to ratify this appointment, even though ratification is not legally necessary. If stockholders do not ratify this appointment, the Board may reconsider such appointment.

Ernst & Young LLP has served as the independent auditors for the Company, its subsidiaries, and its predecessors since 1994. A representative from Ernst & Young LLP is expected to attend the Annual Meeting and will have the opportunity to make a statement and to respond to appropriate questions.

During the years ended December 31, 2003 and 2004, Ernst & Young LLP billed CoStar the fees set forth below, including expenses, in connection with services rendered by that firm to CoStar:

	Year Ended December 31, 2003		Year Ended December 31, 2004	
Audit Fees	\$	368,000	\$	666,000
Audit Related Fees	\$	0	\$	2,500
Tax Fees	\$	108,090	\$	26,000
All Other Fees	\$	2,500	\$	2,500
 Total	 \$	 478,590	 \$	 697,000

Ernst & Young LLP did not provide any financial information systems design and implementation services to the Company for the fiscal years ended December 31, 2003 and 2004.

Audit Fees include fees for services performed for the audit of CoStar's annual financial statements and review of financial statements included in CoStar's periodic filings with the Securities and Exchange Commission (the "SEC") and statutory audits required internationally. The reported audit fees for 2004 also include \$390,000 for Ernst & Young LLP's audit of CoStar's internal control over financial reporting. This category also includes fees for consents and assistance with and review of documents filed with the SEC. The reported audit fees for 2003 include approximately \$128,000 for professional services performed by Ernst & Young LLP in connection with the Company's follow-on public offering, which closed in November 2003.

Audit-Related Fees include fees associated with assurance and related services that are reasonably related to the performance of the audit or review of CoStar's financial statements. This category includes fees related to assistance in financial due diligence related to mergers and acquisitions. The reported audit related fees for 2004 represent professional services performed by Ernst & Young LLP in connection with the Company's acquisition of Peer Market Research, Inc.

Tax Fees primarily include fees associated with tax return preparation, tax compliance, tax advice and tax planning. This category also includes fees associated with the tax planning on mergers and acquisitions and restructurings.

All Other Fees include fees for products and services provided by the independent auditor other than the services reported in the categories listed above. The reported all other fees paid to Ernst & Young LLP in 2003 and 2004 represent fees paid for a subscription to Ernst & Young's online auditing and accounting news service.

Audit Committee Pre-Approval Policy

The Audit Committee's policy is that all audit and non-audit services provided by CoStar's independent auditor, Ernst & Young LLP, shall either be approved before the independent auditor is engaged for the particular services or shall be rendered pursuant to pre-approval procedures established by the Audit Committee. These services may include audit services and permissible audit-related services, tax services and other services. Pre-approval spending limits for audit services are established on an annual basis, detailed as to a particular service or category of services to be performed and implemented by CoStar's financial officers. Pre-approval spending limits for permissible non-audit services are established on a periodic basis, detailed as to a particular service or category of services to be performed and implemented by CoStar's financial officers. Any audit or non-audit service fees that may be incurred by CoStar during a period that fall outside the limits pre-approved by the Audit Committee for a particular service or category of services must be reviewed and approved by the Chairperson of the Audit Committee prior to the performance of services. CoStar's Chief Financial Officer reports to the Audit Committee on a quarterly basis on all services rendered by the independent auditor for which pre-approval has been granted and all fees paid to the independent auditor for such services during the current fiscal year and the previous quarter. The Audit Committee may revise its pre-approval spending limits and policies at any time.

All fees paid to the independent auditors in 2004 were pre-approved by the Audit Committee, and therefore no services were approved after the services were rendered pursuant to the *de minimus* exception established by the SEC for the provision of non-audit services.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR RATIFYING THE APPOINTMENT OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS.

OTHER MATTERS

We do not know of any other matter that will be presented for consideration at the Annual Meeting. If any other matter does properly come before the Annual Meeting, the proxy holders will, unless otherwise specified in the proxy, vote on it as they think best.

Additionally, in order to be eligible for inclusion in our proxy statement, the stockholder must submit the proposal and supporting statement to our Corporate Secretary in writing not later than January 1, 2006 and must satisfy the other requirements of Rule 14a-8. Stockholders interested in submitting such a proposal are advised to contact knowledgeable counsel with regard to the detailed requirements of applicable securities laws. The submission of a stockholder proposal does not guarantee that it will be included in our proxy statement.

A stockholder may otherwise propose business for consideration or nominate persons for election to the Board, in compliance with federal proxy rules, applicable state law and other legal requirements and without seeking to have the proposal included in our proxy statement pursuant to Rule 14a-8. Our bylaws provide that any such proposals or nominations must be submitted to us no less than 60 nor more than 90 days before the first anniversary date of the preceding year's annual meeting. Accordingly, stockholders who wish to nominate persons for election as directors or bring other proposals outside of Rule 14a-8 at the 2006 Annual Meeting must give notice of their intention to do so in writing to our Corporate Secretary on or before April 18, 2006, but no sooner than March 19, 2006, to be considered timely within the meaning of Rule 14a-4. The stockholder's submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the stockholder's ownership of common stock. Proposals or nominations not meeting these requirements will not be entertained at the 2006 Annual Meeting.

Corporate Governance Matters*Identifying and Evaluating Nominees*

The Nominating & Corporate Governance Committee identifies nominees for director on its own as well as by considering recommendations from other members of the Board of Directors, officers and employees of

CoStar, and other sources that the committee deems appropriate. The Nominating & Corporate Governance Committee will also consider Board nominees suggested by stockholders subject to such recommendations being made in accordance with CoStar's Bylaws and applicable laws. Specifically, any stockholder recommendation for a nominee for director to be voted upon at the 2006 Annual Meeting of Stockholders should be submitted in writing to our Corporate Secretary no less than 60 nor more than 90 days before the first anniversary date of the preceding year's annual meeting. Accordingly, stockholders who wish to nominate persons for election as directors at the 2006 Annual Meeting must give notice of their intention to do so in writing to our Corporate Secretary on or before April 18, 2006, but no sooner than March 19, 2006. The stockholder's submission must include as to each person whom the stockholder proposes to nominate for election, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, and as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made, (1) the name and address of such stockholder, as they appear on the Company's books, and of such beneficial owner, and (2) the class and number of shares of stock of the Company which are beneficially owned and of record by such stockholder and such beneficial owner. These requirements are separate from and in addition to the requirements that stockholders must meet to include proposals in the proxy materials for the 2006 Annual Meeting, discussed earlier in this Proxy Statement.

When evaluating nominees for director, the Nominating & Corporate Governance Committee considers, among other things, an individual's business experience and skills, independence, judgment, integrity and ability to commit sufficient time and attention to the activities of the Board, as well as the absence of any potential conflicts with the Company's interests. When considering a director standing for re-election as a nominee, in addition to the attributes described above, the Nominating & Corporate Governance Committee also considers that individual's past contribution and future commitment to CoStar. The Nominating & Corporate Governance Committee evaluates the totality of the merits of each prospective nominee that it considers and does not restrict itself by establishing minimum qualifications or attributes. There is no difference in the manner by which the Nominating & Corporate Governance Committee evaluates prospective nominees for director based on the source from which the individual was first identified.

Stockholder Communications with the Board of Directors

Stockholders may communicate with our Board of Directors by sending written correspondence to CoStar Group, Inc., Attention: Corporate Secretary, 2 Bethesda Metro Center, Bethesda MD 20814. Such communications will be opened by the Corporate Secretary. A copy of the contents will be made and retained by the Corporate Secretary and the contents will be promptly forwarded to the Chairman of the Nominating & Corporate Governance Committee. The Corporate Secretary together with the Chairman of the Nominating & Corporate Governance Committee and his duly authorized agents are responsible for collecting and organizing stockholder communications. Absent a conflict of interest, the Chairman of the Nominating & Corporate Governance Committee is responsible for evaluating the materiality of each stockholder communication and determining which stockholder communications are to be presented to the full Board of Directors or other appropriate body.

Current Independent Directors and Executive Sessions

CoStar's Board of Directors has determined that Messrs. Klein, Bonderman, Haber, Low and Nassetta and Ms. Reynolds are each independent as defined under Rule 4200(a)(15) of the NASD's Listing Standards for NASDAQ-listed companies. The independent directors of the Board of Directors meet in regularly-scheduled executive sessions.

Policy Regarding Attendance at Annual Meetings

CoStar encourages, but does not require, directors to attend the annual meetings of stockholders. In 2004, Mr. Florance attended the annual meeting of stockholders.

Codes of Conduct

CoStar has adopted a Code of Conduct for its directors. In addition, CoStar has also adopted a separate Code of Conduct for its officers and employees, including its principal executive officer and principal financial officer. Copies of each of these codes may be found on the Company's website, www.costar.com. You will find the codes by clicking on Corporate Info, then Investors and then Corporate Governance.

Report of the Audit Committee

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditors are responsible for expressing an opinion on the conformity of the Company's audited consolidated financial statements to generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited consolidated financial statements for 2004. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. The Audit Committee has also considered whether the independent auditors' provision of non-audit services to the Company is compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2004, for filing with the Securities and Exchange Commission.

Compensation Committee Report On Executive Compensation

Compensation Philosophy and Review

The compensation philosophy of the Company is to provide a competitive total compensation package so that the Company can attract, retain, and motivate talented employees and executives. The Company also strives to maximize shareholder value by linking compensation to individual and team achievement of agreed

upon goals relating to overall corporate performance. The Company's Compensation Committee therefore believes that compensation for the Company's executives should encourage and reward superior performance.

The Committee has commissioned third-party consultants to perform compensation studies comparing the compensation packages offered to executives of the Company with similarly situated executives within peer groups of companies. The Committee uses the results of such studies, together with corporate and individual performance, to evaluate the compensation parameters of the Company's executives.

Elements of Executive Compensation

The Company's executive compensation consists primarily of base salary, annual cash bonuses, commission payments, the award of stock options or restricted stock, a Company 401(k) match, health insurance and similar benefits. The Company has an employment arrangement with each of its executives that entitles the executive to a specified base salary, a bonus award up to a specified percentage of base compensation based upon achievement of individual and team goals, and a competitive award of stock vesting over time. The compensation package of each executive is reviewed by the Committee on an annual basis.

Base Salaries

Base salary levels of the Company's executives are reviewed annually, and may be adjusted to reflect an executive's individual responsibilities and performance, as well as the overall performance of the Company. The Compensation Committee also considers salaries paid to executives of the peer groups identified in the studies in determining base salary levels. The Compensation Committee believes that base salaries should be generally competitive with companies in the peer group.

Annual Cash Bonus Program

The Compensation Committee administers an annual cash bonus plan for its executives, under which these executives may receive a cash bonus based on individual and corporate performance. The bonuses generally have a potentially attainable range from 0% to 100% of base salary, based on the executive's employment agreement with the Company. In setting these ranges, the Compensation Committee considered the potential annual cash bonuses offered by members of the peer groups and the specific area of responsibility of the executive and set competitive annual cash bonus levels for superior performance. Each executive officer is entitled to receive a percentage of his bonus potential based on the Company's achievement of corporate/financial goals and such officer's achievement of individual/team performance goals. The criteria that the Committee uses to determine bonuses include, without limitation, the level of achievement of goals based on the following criteria: Company revenues, Company earnings, research, data quality, new and enhanced products, software development, management, customer service, accounts receivable, human resources, investor relations, financial reporting and sales. The criteria differ for each of the executive officers. The executives may receive all, or a portion of, the bonus based on attaining the objectives delineated at the start of a given year.

Long-Term Incentive Plan

The Company has in place a stock incentive plan, which allows the Company to grant stock options and restricted stock to its executive officers and other employees. Prior to 2005, the Company had generally granted stock options to its executive officers and other employees. However, beginning in 2005, the Compensation Committee determined that it was in the Company's best interest to grant restricted stock to its executive officers. The Compensation Committee believes that granting stock awards (whether stock options or restricted stock) to executives is important to the Company's success because these awards help to attract, retain and motivate executives. The Committee believes that stock awards, when used with appropriate holding periods, help encourage executive retention because they vest over a period of years. In addition, the executive benefits when the CoStar stock price rises for all of CoStar's stockholders.

Each executive is eligible to receive stock awards under the CoStar Group, Inc. 1998 Stock Incentive Plan. The Compensation Committee generally awards stock awards to each executive when he or she joins the

Company. Thereafter, the Compensation Committee, in its discretion, based on the recommendation of the Chief Executive Officer may award additional stock awards to executives at the time of their annual review. There is no established formula or criteria for grants under the Plan, and stock awards may be granted on a subjective basis at intervals determined by the Compensation Committee. Options are typically granted with an exercise price equal to the fair market value of the Company's common stock on the date of grant, and typically vest over a period of four years. Restricted Stock is typically granted for a stock price equal to the par value of the Company's common stock (\$0.01 per share) and typically vests over a period of four years. The Compensation Committee considers long-term incentives offered by the peer group in determining the amount of stock awards.

Chief Executive Officer Compensation

In establishing the salary and bonus for Mr. Florance, our Chief Executive Officer and President, the Committee relied on its strong belief that Mr. Florance significantly and directly influences the Company's overall performance. Accordingly, the Committee sought to achieve the following objectives: (1) establish a base salary competitive with that paid to other chief executive officers of peer companies; (2) reward Mr. Florance for superior performance in connection with his contribution to the Company; and (3) reward Mr. Florance for the Company's outstanding corporate and financial performance for the fiscal year. Accordingly, pursuant to Mr. Florance's employment agreement, the range for Mr. Florance's annual bonus is between 0% and 100% of his base salary. In 2004, the Committee determined that 75% of Mr. Florance's bonus would be based on the Company meeting certain financial goals (including revenue and earnings goals) and that 25% of his bonus would be based on Mr. Florance achieving certain individual qualitative performance goals.

Based on these factors, in 2004 Mr. Florance was paid an annual salary of \$367,710. In addition, based on the level of achievement of each of Mr. Florance's goals, in 2005 Mr. Florance was paid a bonus of \$302,310 (82% of his annual base salary) for his performance in 2004. Finally, based on the belief that Mr. Florance should be focused on the long-term growth of the Company, in March 2004, the Committee granted Mr. Florance an option to purchase 50,000 shares of the Company's common stock at an exercise price of \$39.00 per share, the fair market value of the Company's common stock on the date of grant. These options vest over a period of four years.

In addition, at a Compensation Committee meeting in 2005, the Committee determined that Mr. Florance's base salary should be increased 4%, such that beginning in April 2005, Mr. Florance would receive a base salary of \$382,418. The Committee also determined that for 2005, Mr. Florance's bonus range would be between 0% and 100% of Mr. Florance's base salary, and that 75% of his bonus would be based on the Company meeting certain corporate/financial goals (including revenue and earnings goals) and 25% would be based on Mr. Florance achieving certain individual qualitative performance goals. Finally, in March 2005, the Committee also granted Mr. Florance 15,920 shares of restricted stock of the Company, which vest annually over a period of four years, with a purchase price per share equal to the par value of the Company's common stock.

Employment Agreements

Our employment agreements with Messrs. Florance, Carchedi and Schaffel became effective as of January 1, 1998 and the employment agreement with Mr. Tully became effective as of December 1, 2004. The employment agreements for Messrs. Carchedi and Schaffel are for initial terms of two years, the employment agreement for Mr. Florance is for an initial term of three years, and the employment agreement for Mr. Tully is for an initial term of one year, and all are automatically renewable for successive one-year terms unless the executive or we terminate the agreement. Mr. Farrington has at-will employment terms.

Policy on Deductibility of Compensation

Section 162(m) of the Internal Revenue Code disallows the deduction of compensation by a company to its Chief Executive Officer and any of its four most highly compensated executive officers that is in excess of

\$1 million. Compensation that is considered performance-based is excluded from the \$1 million limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by the stockholders. The Compensation Committee will continue to monitor total compensation and, should the 162(m) limitation become an issue, take the measures that they deem appropriate.

Stock Price Performance Graph

The stock performance graph below shows how an initial investment of \$100 in our common stock would have compared to:

An equal investment in the Standards & Poor's Stock 500 Index (S&P 500).

An equal investment in the S&P 500 Application Software Index.

The comparison covers the period beginning December 31, 1999, and ending on December 31, 2004, and assumes the reinvestment of any dividends. You should note that this performance is historical and is not necessarily indicative of future price performance.

Certain Relationships and Related Transactions

Since January 1, 2004 none of our executive officers or directors has engaged in or had a direct or indirect interest in any transactions with us that are required to be disclosed in this proxy statement. Although they are not related party transactions, we note that (1) in 2003, Michael Klein committed to invest \$250,000 in a Founders Equity SBIC Fund, of which Warren H. Haber is a managing member, and (2) since 2004, Christopher Nassetta has invested approximately \$65,000 and is a limited partner in a Texas Pacific fund, in which David Bonderman is a principal.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires that our directors and executive officers, and anyone who owns more than 10% of our common stock, file with the Securities and Exchange Commission reports of initial ownership and reports of changes in ownership of our common stock, and to furnish us with copies of those reports. Based solely on a review of the reports furnished to us, we believe that during 2004, our directors, executive officers and 10% stockholders complied with these requirements.

Each shareholder will continue to receive a separate voting instruction form.
