GENERAL INFORMATION ABOUT VOTING

WHO CAN VOTE?

Holders of our Class A and Class B common stock can vote their shares if our records show that you owned the shares on January 22, 2004. A total of 34,935,419 shares of Class A common stock and 874,935 shares of Class B common stock can vote at the meeting. Each share of common stock is entitled to one vote. Each proxy card indicates the number of shares that you will be entitled to vote at the meeting.

HOW DO I VOTE BY PROXY?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a matter, the proxyholders will vote for you on that proposal. Unless you instruct otherwise, the proxyholders will vote:

- for the proposal to amend Article III of our Articles of Incorporation to (i) increase the number of authorized shares of our Class A common stock from 50,000,000 to 100,000,000 shares and (ii) increase the number of authorized shares of our Class B common stock from 1,000,000 to 2,000,000 shares;
- for the proposal to amend Article III of our Articles of Incorporation to create an authorized class of 25,000,000 shares of preferred stock available for future issuance in series with terms and preferences designated by our Board of Directors;

Edgar Filing: CITIZENS INC - Form DEF 14A

- for the proposal to amend Article V of our Articles of Incorporation to increase the maximum number of directors on our Board of Directors from nine members to up to 15 members.
- in the discretion of the proxyholders with respect to any other matters properly brought before the meeting.

WHAT IF OTHER MATTERS COME UP AT THE MEETING?

The matters described in this proxy statement are the only matters we know will be voted on at the meeting. If other matters are properly presented at the meeting, the proxyholders will vote your shares in their discretion.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. At any time before the vote on a proposal, you can change your vote either by giving our secretary, Marcia F. Emmons, at our address shown above, a written notice revoking your proxy card or by signing, dating, and returning to us a new proxy card. We will honor the proxy card with the latest date.

CAN I VOTE IN PERSON AT THE MEETING RATHER THAN BY COMPLETING THE PROXY CARD?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the meeting and vote your shares in person, even if you have previously completed and returned a proxy card.

WHAT DO I DO IF MY SHARES ARE HELD IN "STREET NAME"?

If your shares are held by your broker, a bank, or other nominee, you will probably receive this proxy statement from them with instructions for voting your shares. Please respond quickly so that they may represent you.

If your shares are held in the name of a broker, bank, or other nominee, and you do not tell that person how to vote your shares (so-called "broker non-votes"), that person can vote them as they see fit only on

2

matters that self regulatory organizations determine to be routine, and not on any other proposal such as the proposals to amend our Articles of Incorporation. Broker non-votes will be counted as present to determine if a quorum exists, but will not be counted as present and entitled to vote on any non-routine proposal.

HOW ARE VOTES COUNTED?

We will proceed with the shareholders meeting if at least one-third of the outstanding shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card. With respect to the three proposals to amend our Articles of Incorporation, each proposal will require the approval of at least a majority of the shares of the Class A and Class B common stock issued and outstanding, with each class voting separately as a voting group.

WHO PAYS FOR THIS PROXY SOLICITATION?

We will pay the cost of this solicitation. In addition to sending you these materials, some of our officers or directors may contact you by telephone, by mail, or in person. None of these individuals will receive any extra compensation for doing this.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

We have two classes of common stock. Both classes of common stock are equal in all respects, except that (i) Class B common shareholders elect a simple majority of the Board of Directors of the Company and Class A common shareholders elect the remaining directors; and (ii) Class A shareholders receive, on a per-share basis, twice the cash dividends paid on a per-share basis to Class B shareholders. Each outstanding share of common stock has one vote in all matters to be considered at the meeting.

Management knows of no matters to be submitted at the Meeting with respect to which the shareholders are entitled to vote, other than the proposals described in this proxy statement. In the event other matters properly come before the Meeting, the persons named in the proxy will vote according to their best judgment.

The following table shows, as of December 31, 2003, certain information with regard to the beneficial ownership of our Common Stock:

- by each of our executive officers and directors,
- by all of our executive officers and directors as a group, and
- by each person who is known by us to own beneficially more than 5% of our outstanding common stock.

We are not aware of any arrangement, including any pledge by any person, of our common stock, the operation of which may at a subsequent date result in a change of control of the company.

BACKGROUND FOR PROPOSALS 1 THROUGH 3

We were incorporated in Colorado in November 1977. Over the years, our shareholders have approved various amendments to our Articles of Incorporation, some amendments which have amended earlier amendments. Because our Articles of Incorporation and amendments thereto date back over a period of 25 years, it is difficult to determine the content of our Articles of Incorporation as currently in effect since the whole of the articles are in multiple filings over the years. The Colorado Business Corporation Act ("CBCA"), which is the current law that controls corporations formed in Colorado, allows Colorado corporations to restate their Articles of Incorporation in order to bring the original articles and all amendments into one document. We are restating our Articles of Incorporation for purposes of clarity.

Under the CBCA, a restatement of articles of incorporation does not require shareholder approval since the action simply combines existing articles into one

Edgar Filing: CITIZENS INC - Form DEF 14A

document. However, the CBCA also allow Colorado

4

corporations to amend their articles of incorporation while restating the articles. The CBCA requires shareholder approval for any amendments to our Articles of Incorporation. Our Board of Directors is recommending to our shareholders three separate amendments which are described in the three proposals which follow. We have attached a copy of our Articles of Incorporation, restated and as proposed to be amended, as Appendix A to this proxy statement.

PROPOSAL NO. 1

TO AMEND OUR ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

GENERAL

To provide for our future capital needs, our Board of Directors on January 9, 2004, unanimously adopted a resolution, subject to shareholder approval, to amend Article III of our Articles of Incorporation to provide additional authorized shares of common stock (a copy of Article III, as it is proposed to be amended, is attached to this proxy statement as Appendix A). The proposal provides for an increase in the authorized number of shares of our Class A common stock from 50,000,000 to 100,000,000 shares, and for an increase in the authorized number of shares of our Class B common stock from 1,000,000 to 2,000,000 shares.

Both classes of common stock are equal in all respects, except that (i) Class B common shareholders elect a simple majority of our Board of Directors and Class A common shareholders elect the remaining directors; and (ii) Class A shareholders receive, on a per-share basis, twice the cash dividends paid on a per-share basis to Class B shareholders. Each outstanding share of common stock has one vote in all matters to be considered at the meeting. In the election of directors, the nominees receiving the highest number of votes cast in their favor will be elected to our board, subject to the right of the Class B shareholders to elect a simple majority of the directors.

Of our presently authorized 50,000,000 shares of Class A common stock, as of December 31, 2003, 37,674,293 shares were issued including 2,738,874 shares in treasury. No shares are reserved for future issuance. Therefore, we have approximately 12,325,707 authorized, unissued, and unreserved shares of Class A common stock.

Of our presently authorized 1,000,000 shares of Class B common stock, 874,935 shares are outstanding and no shares are reserved for future issuance. Therefore, we have 125,065 authorized, unissued, and unreserved shares of Class B common stock. All of the outstanding Class B shares are owned by the Harold E. Riley Trust, of which our Chairman, Harold E. Riley, is controlling trustee.

INCREASE OF THE AUTHORIZED CLASS A AND B COMMON STOCK

Our Board of Directors believes that it is in our company's best interest to increase the number of authorized shares of Class A and B common stock in order to have additional authorized but unissued shares available for issuance to meet business needs as they arise. The Board of Directors believes that the availability of such additional shares will provide our company with the flexibility to issue common stock for possible future financing transactions, stock dividends or distributions, acquisitions, and other proper corporate

Edgar Filing: CITIZENS INC - Form DEF 14A

purposes that may be identified by the Board of Directors. For example, in the past five years we have acquired five insurance companies. The sole consideration paid in each of these acquisitions was the issuance of shares of our Class A common stock to the shareholders of these companies. We have no plans, arrangements, agreements, or understandings at the present time regarding any acquisition using our common stock. However, our Board of Directors may consider future acquisition opportunities and believes it to be in our best interests to have sufficient shares of Class A and Class B common stock available for our future financing needs. The Board of Directors does not intend to issue any Class A and Class B common stock except on terms that the Board of Directors deems to be in the best interests of our company and its shareholders.

5

The authorized shares of Class A and Class B common stock in excess of those issued will be available for issuance at such times and for such corporate purposes as our Board of Directors may deem advisable, without further action by our shareholders, except as may be required by applicable law or by the rules of the New York Stock Exchange. Upon issuance, such shares will have the same rights as the outstanding shares of Class A and Class B common stock. Holders of Class A and Class B common stock have no preemptive rights.

The issuance of additional shares of Class A and Class B common stock, other than through a stock split in the form of a stock dividend, may have a dilutive effect on earnings per share and on the percentage voting power of existing shareholders. Any future issuance of Class A and Class B common stock will be subject to the rights of holders of outstanding shares of any preferred stock that our company may issue in the future if the preferred stock proposal discussed in this proxy statement is approved. See the discussion of Proposal No. 2 below.

POTENTIAL EFFECTS OF THE PROPOSED AMENDMENT

In deciding whether to issue additional shares of common stock, our Board of Directors will consider the effect of the issuance on our operating results and our then-existing shareholders. Since the simple majority of our Board of Directors is elected by the holders of our Class B common stock, the issuance of shares of Class A common stock in the future will likely not significantly affect the control of our company. However, the acquisition of shares of our Class A common stock by an entity in order to acquire a strong influence on the Board of Directors and our policies might be discouraged through the public or private issuance of additional shares of Class A common stock, since such issuance would dilute the stock ownership of the acquiring entity. The Board of Directors is committed to increasing the underlying value of the shares owned by all holders in the event shares are issued. Our Board of Directors did not propose this amendment for the purpose of discouraging mergers, tender offers, proxy contests, or other changes in control of our company and we are not aware of any specific effort by any party to accumulate our Class A common stock.

Our outstanding Class B common stock elects a majority of our Board of Directors. All of the outstanding shares of our Class B common stock are owned indirectly by Harold E. Riley, Chairman of the Board, through the Harold E. Riley Trust. Additionally, Mr. Riley is the largest Class A shareholder. Therefore, as a practical matter, Mr. Riley has effective control over significant corporate transactions. Additionally, cumulative voting of shares is not permitted by our Articles of Incorporation. These factors make it more difficult and time consuming for a third party to acquire control of our company or to change the members of our Board of Directors. Authorization of an additional one million shares to the number of Class B common stock we can issue could have the effect of diluting Mr. Riley's ability to effectively control the company if such shares were issued to a third party. We do not have any current

Edgar Filing: CITIZENS INC - Form DEF 14A

plans, arrangements, agreements, or understandings at the present time regarding the issuance of any shares of Class B common stock.

No rights of appraisal or similar rights of dissenters exist with respect to this proposal.

APPROVAL BY SHAREHOLDERS OF THE PROPOSED AMENDMENT

Approval of the proposed amendment to our Articles of Incorporation will require the affirmative vote of at least a majority of the issued and outstanding shares of our Class A and Class B common stock, with each class voting separately as a voting group. Upon approval by our shareholders, the proposed amendment will become effective upon filing of articles of amendment with the Colorado Secretary of State, which will occur as soon as practicable following the meeting. In the event that the proposed amendment is not approved by our shareholders at the meeting, the current articles of incorporation relating to our common stock will remain in effect.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF OUR AUTHORIZED SHARES OF OUR CLASS A AND CLASS B COMMON STOCK.

6

PROPOSAL NO. 2

TO CREATE AND AUTHORIZE A CLASS OF 25,000,000 SHARES
OF PREFERRED STOCK AVAILABLE FOR FUTURE ISSUANCE
IN SERIES BY OUR BOARD OF DIRECTORS

GENERAL

To provide for our future capital needs, our Board of Directors on January 9, 2004, unanimously adopted a resolution, subject to shareholder approval, to amend Article III of our Articles of Incorporation to create and authorize 25,000,000 shares of preferred stock. Our Articles of Incorporation currently do not provide for the issuance of preferred stock.

Under the CBCA, if the proposed preferred stock is approved by the shareholders, our Board of Directors will have the authority to issue one or more series of preferred stock with such voting rights (subject to the existing rights of our common stock with respect to the election of directors), dividend preferences or interest rates, redemption terms and prices, maturity terms and dates, liquidation preferences, conversion or other special rights, and such other terms qualifications, limitations or restrictions, as our Board may designate for each series issued from time to time. As such, the preferred stock would be available for issuance without further action by our shareholders, except as may be required by applicable law or pursuant to the requirements of the New York Stock Exchange (or other exchange or quotation system upon which our securities are then trading.)

DISCUSSION OF PROPOSED PREFERRED STOCK

Our Board of Directors believe that the creation of preferred stock is advisable and in the best interests of our company and our shareholders for several reasons. The authorization of the preferred stock would permit our Board of Directors to issue such stock without shareholder approval and, thereby, provide us with maximum flexibility in structuring acquisitions, joint ventures, strategic alliances, capital-raising transactions and for other corporate purposes.

Edgar Filing: CITIZENS INC - Form DEF 14A

The preferred stock would enable us to respond promptly to and take advantage of market conditions and other favorable opportunities without incurring the delay and expense associated with calling a special shareholders' meeting to approve a contemplated stock issuance.

We do not view the authorization of the preferred stock as part of any "anti-takeover" strategy. Any future series of preferred stock created by our Board of Directors would be subject to the existing rights of our Class B common shareholders to elect a simple majority of our Board of Directors and to the Class A common shareholders to elect the remaining members of our Board of Directors. However, the issuance of shares of preferred stock under particular circumstances could dilute or impair the voting power of our common stock with respect to other matters.

We would likely issue preferred stock without first offering it to holders of our common stock, as the holders of our common stock have no preemptive rights. The actual effect of the issuance of any shares of preferred stock upon the rights of holders of our common stock cannot be stated until the Board determines the specific rights of the holders of such series of preferred stock. However, the effects might include, among other things, granting superior dividend rights to, or restricting dividends on, our common stock, diluting the voting power of our common stock (except with respect to the elections of directors), reducing the market price of our common stock, or impairing the liquidation rights of our common stock, without further action by our shareholders.

We may consider issuing preferred stock in the future for purposes of acquiring other businesses and raising additional capital or for other reasons.

7

POTENTIAL ISSUANCE OF PREFERRED STOCK

On January 9, 2004, we entered into a term sheet with a New York based institutional investor ("Investor"). The term sheet outlines a proposed issuance of up to \$25 million in senior convertible preferred stock by us to the Investor. The letter agreement, while not a definitive agreement between the parties, does require both the Investor and us to negotiate in good faith towards a definitive agreement. The proposed preferred stock would be sold to the Investor for cash. We contemplate that net proceeds from the sale would be used for acquisitions and general working capital. The term sheet does not require, nor is it contemplated, that the Investor be given a seat on our Board of Directors. The term sheet is subject to:

- completion of due diligence by the Investor;
- mutual agreement on definitive terms, agreements and documentation;
- no material adverse change affecting us prior to closing; and
- approval by our shareholders of this proposal to amend our articles of incorporation to issue preferred stock.

While the exact rights and terms of the proposed preferred stock are not final, the term sheet contemplates that the series of preferred stock would have the following terms:

- Security and Issuance Amount -- \$25 million of 4% Senior Convertible Preferred Stock, of which \$20 million would be purchased on closing and an option to purchase an additional \$5 million for 12 months.

Edgar Filing: CITIZENS INC - Form DEF 14A

- Preferred Dividend -- 4% per annum, accrued to the principal face amount of the preferred stock, compounded quarterly and payable in cash or shares of our Class A common stock.
- Voting -- None, other than class voting rights as will be required under the CBCA.
- Term/Maturity -- Principal face amount of the preferred stock plus accrued, but unpaid, dividends would be due 60 months after the closing.
- Payment Terms -- We may pay the principal amount and any dividends due in cash or, at our election, in shares of our Class A common stock. If payment were to be made in Class A shares, the number of shares issued would be calculated by taking the dollar amount due and dividing it by the lesser of (a) the conversion price or (b) 95% of the 15-day volume weighted average price of our Class A common shares for the 15-day period prior to the payment date. The terms sheet defines the conversion price to be 110% of the weighted average price of our Class A common shares for the 30 business days prior to the closing of the transaction (the "Conversion Price").
- Forced Conversion -- We would have the option to require conversion of the preferred stock into our Class A common stock if our Class A common stock trades higher than 135% of the Conversion Price for a period of 25 consecutive trading days after the closing.
- Forced Redemption -- If the average of the closing prices of our Class A common stock is less than 80% of the Conversion Price during any 50 day trading period after issuance of the preferred stock, following the first anniversary of the closing, the Investor may force us every six months to redeem up to 25% of any outstanding preferred stock at its face amount plus any accrued dividends. We have the election of paying any forced redemption in cash or in Class A common shares with the number of shares to be issued calculated in the same manner described under "Payment Terms" above. The Investor's right to force redemption is terminated if the closing price of our Class A common stock exceeds 130% of the Conversion Price for any 25 business day period after closing.
- Liquidation Rights -- In the case of a liquidation of our company, any principal amount and accrued dividends on outstanding shares of the preferred stock would be entitled to payment prior to a liquidating distribution to our outstanding shares of common stock.

8

- Warrants -- The Investor would also receive a seven year warrant to purchase shares of our Class A common stock for 100% of the Conversion Price. The number of Class A common shares issuable under the warrant would be equal to 27.5% of the number of preferred shares issued to the Investor. The warrants would contain customary anti-dilution provisions with respect to stock splits, stock dividends and other similar events. The preferred stock will not contain anti-dilution provisions, although the Investor will have the right to force redemption if we issue any equity securities or equity-linked securities at a price per share below the Conversion Price.
- Registration Rights -- We will be obligated to register for resale with the Securities and Exchange Commission any of the shares of Class A common stock issued in connection with the transaction described above.
- Borrowing Limitation -- We will not be allowed to incur any new debt or

Edgar Filing: CITIZENS INC - Form DEF 14A

obligations that is in any manner senior to or equal in right of payment or liquidation to the preferred stock; however, we retained the right to utilize a bank line of credit of up to \$30 million.

THE FOREGOING TERMS ARE NOT NECESSARILY BINDING ON US OR THE INVESTOR. AS WE PREPARE AND NEGOTIATE DEFINITIVE AGREEMENTS WITH THE INVESTOR, THE TERMS OF THE PREFERRED STOCK MAY BE REVISED. SINCE APPROVAL OF THIS PROPOSAL WILL ALLOW OUR BOARD OF DIRECTORS TO ISSUE THE PREFERRED STOCK IN SERIES WITH TERMS AND RIGHTS AS IT DEEMS FIT WITHOUT SHAREHOLDER APPROVAL, OUR BOARD OF DIRECTORS WOULD BE ABLE TO ISSUE A SERIES OF PREFERRED STOCK WITH TERMS OR RIGHTS THAT VARY SIGNIFICANTLY FROM THE TERMS DESCRIBED ABOVE, WHETHER IT BE IN A TRANSACTION WITH THE INVESTOR OR OTHERWISE. DEPENDING ON THE FINAL TERMS, THE PREFERRED STOCK COULD BE CLASSIFIED AS A LIABILITY RATHER THAN EQUITY FOR FINANCIAL REPORTING PURPOSES. FURTHERMORE, AS THE TERM SHEET ONLY OBLIGATES US AND THE INVESTOR TO NEGOTIATE IN GOOD FAITH TOWARDS DEFINITIVE DOCUMENTS, NEITHER PARTY IS BOUND TO COMPLETE THE TRANSACTION AS DESCRIBED ABOVE.

APPROVAL BY SHAREHOLDERS OF THE PROPOSED AMENDMENT

Approval of the proposed amendment to our Articles of Incorporation will require the affirmative vote of at least a majority of the issued and outstanding shares of our Class A and Class B common stock, with each class voting separately as a voting group. Upon approval by our shareholders, the proposed amendment will become effective upon filing of Articles of Amendment with the Colorado Secretary of State, which will occur as soon as practicable following the meeting. In the event that the proposed amendment is not approved by our shareholders at the meeting, we will not be able to issue preferred stock and we will not be able to complete our proposed financing with the Investor.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE PROPOSAL TO AMEND OUR ARTICLES OF INCORPORATION TO CREATE AN AUTHORIZED CLASS OF 25,000,000 SHARES OF PREFERRED STOCK AVAILABLE FOR FUTURE ISSUANCE IN SERIES WITH TERMS AND PREFERENCES DESIGNATED BY OUR BOARD OF DIRECTORS.

PROPOSAL NO. 3

TO INCREASE THE MAXIMUM NUMBER OF DIRECTORS ON OUR BOARD OF DIRECTORS FROM NINE MEMBERS TO UP TO 15 MEMBERS

Considering the growth and size of our company, our Board of Directors on January 9, 2004, unanimously adopted a resolution, subject to shareholder approval, to amend Article V of our Articles of Incorporation to increase the maximum number of directors on our Board of Directors from nine members to up to 15 members (a copy of Article V, as it is proposed to be amended, is attached to this proxy statement as Appendix A).

9

Our Articles of Incorporation provide that our Board of Directors shall consist of at least five members and not more than nine members. Our company has grown significantly since it was incorporated 1977. We have grown to become a life insurance holding company with approximately 120 employees and approximately \$400 million in assets at December 31, 2003 (unaudited). Our Class A common stock is traded on the New York Stock Exchange ("NYSE").

As a life insurance holding company and stature as a company traded on the NYSE, along with intentions to continue our growth pattern, our Board of Directors believes it requires the flexibility to increase the size of the Board to meet the challenges of a complex and highly competitive insurance industry. In order to effectively manage and guide the business plan of the company, we may require Board members with diverse backgrounds, such as in sales, national and international business contacts and experience, insurance regulation and

Edgar Filing: CITIZENS INC - Form DEF 14A

medicine (considering our significant life insurance business).

Additionally, recent NYSE regulations and federal securities laws require Boards of Directors of public companies to include members on the Board who are sophisticated in accounting matters. Current NYSE regulations require that we maintain an Audit Committee of the Board of Directors comprised of at least three independent directors, all of whom must be financially sophisticated and one of whom must be an accounting expert.

Thus, we believe it is important to be authorized to maintain a board size to meet the regulatory and business challenges of the insurance industry. Failure to obtain shareholder approval of this amendment could lead to our Board being unprepared to effectively complete and meet the significant regulatory requirements of a publicly traded insurance holding company.

APPROVAL BY SHAREHOLDERS OF THE PROPOSED AMENDMENT

Approval of the proposed amendment to our Articles of Incorporation will require the affirmative vote of at least a majority of the issued and outstanding shares of our Class A and Class B common stock, with each class voting separately as a voting group. Upon approval by our shareholders, the proposed amendment will become effective upon filing of Articles of Amendment with the Colorado Secretary of State, which will occur as soon as practicable following the meeting. In the event that the proposed amendment is not approved by our shareholders at the meeting, our Board of Directors will be limited to no more than nine members.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF THE PROPOSAL TO AMEND OUR ARTICLES OF INCORPORATION TO INCREASE THE MAXIMUM NUMBER OF DIRECTORS ON OUR BOARD OF DIRECTORS FROM NINE MEMBERS TO UP TO 15 MEMBERS.

DEADLINE FOR RECEIPT OF SHAREHOLDER PROPOSALS

The deadline for receipt of shareholder proposals for our 2004 meeting was on December 26, 2003. Any shareholder who wishes to present a proposal to be considered at our 2005 annual meeting of shareholders and who wishes to have such proposal receive consideration for inclusion in our proxy statement for such meeting must deliver such proposal in writing to us at 400 East Anderson Lane, Austin, Texas 78752, not later than 120 calendar days before the date that our proxy statement is released to our shareholders in connection with our 2004 annual meeting of shareholders. Any such shareholder proposal must comply with the requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934.

The persons who will be named as proxies for the 2004 annual meeting of shareholders will generally have discretionary authority to vote on any matter presented by a shareholder for action at that meeting. In the event that we receive notice of any shareholder proposal no later than forty-five (45) days before the date on which we first mail our 2004 proxy statement, then so long as we include in our proxy statement for the 2004 annual meeting of shareholders advice on the nature of the matter and how the named proxies intend to vote the shares for which they have received discretionary authority, such proxies may exercise discretionary authority with respect to such matter, except to the extent limited by the rules of the Securities and Exchange Commission governing shareholder proposals.
