Sunset Management LLC Litigation. On October 5, 2004, Sunset Management LLC (Sunset) filed a complaint as a purported stockholders derivative action on behalf of Transcontinental Realty Investors, Inc. in the United States District Court for the Northern District of Texas, Dallas Division, against American Realty Investors, Inc., and others (including Income Opportunity Realty Investors, Inc. [IOT or the Company]). Sunset s complaint filed as Case No. 304CV02162-B raised a number of allegations previously raised by Sunset in four other cases. All of the Defendants, on November 8, 2004, filed a Motion to Dismiss the case pursuant to Rules 12 and 23.1 of the Federal Rules of Civil Procedure on the basis that Sunset s allegations were insufficient to evade the stringent demand requirements under the futility exceptions for stockholder derivative actions, and that Sunset could not fairly and adequately represent the interest of other stockholders of Transcontinental Realty Investors, Inc. The Sunset complaint made no real allegations against the Company and sought no specified relief against the Company.

On May 16, 2005, the United States District Court for the Northern District of Texas, Dallas Division, entered its Memorandum Opinion and Order and Judgment dismissing the purported stockholders derivative action. The Court s Judgment granted the Defendants Motion to Dismiss and ordered that Plaintiff Sunset take nothing by its suit. The Court s Order was entered granting the Motion to Dismiss filed by the Defendants and advised that Sunset had not met the fair and adequate representation test as a proper shareholder representative because Sunset is pursuing separate litigation claims against Transcontinental Realty Investors, Inc. and various other defendants in different lawsuits. The Company is not a party to such other lawsuits.
