On February 28, 2007, McKesson Corporation (the Company) entered into an Underwriting Agreement (the Underwriting Agreement) with Banc of America Securities LLC and Wachovia Capital Markets, LLC, as representatives of the several underwriters named therein (the Underwriters), pursuant to which the Company agreed to issue and sell to the Underwriters \$500,000,000 aggregate principal amount of its 5.25% Notes due March 1, 2013 (the 2013 Notes) and \$500,000,000 aggregate principal amount of its 5.70% Notes due March 1, 2017 (the 2017 Notes and, together with the 2013 Notes, the Notes). The Notes will be issued pursuant to an Indenture (the Indenture), dated March 5, 2007, by and between the Company and The Bank of New York Trust Company, N.A., as trustee, as supplemented by an Officer's Certificate, dated March 5, 2007 (the Officer's Certificate).

The 2013 Notes will bear interest at the rate of 5.25% per year. The 2017 Notes will bear interest at the rate of 5.70% per year. Interest on the Notes is payable on March 1 and September 1 of each year, beginning on September 1, 2007. The 2013 Notes will mature on March 1, 2013 and the 2017 Notes will mature on March 1, 2017. Upon 30 days' notice to holders of the Notes, the Company may redeem the Notes for cash in whole, at any time, or in part, from time to time, prior to maturity, at redemption prices that include accrued and unpaid interest and a make-whole premium, as specified in the Indenture and Officer's Certificate. The Indenture limits the ability of the Company to incur liens or enter into sale and leaseback transactions, in each case subject to a cure period, or consolidate, merge or sell all or substantially all of its assets. The Notes will be unsecured and unsubordinated obligations of the Company and will rank equally with all of the Company's existing and future unsecured and unsubordinated indebtedness from time to time outstanding. The Indenture also contains customary event of default provisions. In the event of the occurrence of both (1) a change of control of the Company and (2) a downgrade of the Notes below an investment grade rating by each of Fitch Ratings, Moody's Investors Service, Inc. and Standard & Poor's Ratings Services within a specified period, the Company will be required to make an offer to purchase the Notes at a price equal to 101% of the principal amount of the Notes, plus accrued and unpaid interest to the date of repurchase.

The public offering price of the 2013 Notes was 99.580% of the principal amount, and the public offering price of the 2017 Notes was 99.835% of the principal amount. The Company expects to receive net proceeds (before expenses) of approximately \$990.7 million and to use such net proceeds, together with cash on hand, to repay borrowings outstanding under the interim credit facility that the Company entered into to fund a portion of the merger consideration for the Company's recent acquisition of Per-Se Technologies, Inc.

The Notes were offered and sold pursuant to the Company's shelf registration statement on Form S-3 (Registration No. 333-124921) under the Securities Act of 1933, as amended, which was declared effective by the Securities and Exchange Commission (the SEC) on August 4, 2005. The Company has filed with the SEC a prospectus supplement, dated February 28, 2007, together with the accompanying prospectus, dated August 4, 2005, relating to the offering and sale of the Notes.

For a complete description of the terms and conditions of the Underwriting Agreement, the Indenture, the Officer's Certificate and the Notes, please refer to the Underwriting Agreement, the Indenture, the Officer's Certificate, the form of 2013 Note and the form of 2017 Note, each of which is incorporated herein by reference and attached to this Current Report on Form 8-K as Exhibits 1.1, 4.1, 4.2, 4.3 and 4.4, respectively.

Some of the Underwriters and their affiliates have engaged in, and may in the future engage in, investment banking, commercial banking and other commercial dealings with the Company in the ordinary course of business. In particular, J.P. Morgan Securities Inc. acted as financial advisor to the Company in connection with the acquisition of Per-Se Technologies, Inc., and affiliates of Banc of America Securities LLC and Wachovia Capital Markets, LLC and affiliates of certain of the other Underwriters served as agents and/or lenders under the interim credit facility being repaid with the net proceeds from the offering. In addition,
