2006 PROXY STATEMENT

THE ANNUAL MEETING AND VOTING PROCEDURES

What is the purpose of the annual meeting?

At the annual meeting shareholders will vote upon the matters that are summarized in the formal meeting notice. This proxy statement contains important information for you to consider when deciding how to vote on the matters before the meeting. Please read it carefully.

Who can vote?

Shareholders of record at the close of business on February 17, 2006 are entitled to vote. Each share of common stock is entitled to one vote at the annual meeting. On February 17, 2006 there were 15,339,897 shares of our common stock eligible to vote.

How do I vote?

If you are a registered shareholder (that is, if you hold shares that are directly registered in your own name) you have four voting options:

Over the internet, which we encourage if you have internet access, at the internet address shown on your proxy form;

By telephone, by calling the telephone number on your proxy form;

By mail, by completing, signing, dating, and returning your proxy form; or,

By attending the annual meeting and voting your shares in person.

If your shares are held in the name of a bank, broker, or other nominee, which is referred to as being held in street name, you will receive separate voting instructions with your proxy materials. If you hold your shares in street name, your ability to vote by internet or by telephone depends on the voting process of the bank, broker, or other nominee that holds your shares. Although most banks, brokers, and nominees also offer internet and telephone voting, availability and specific procedures will depend on their voting arrangements. Please follow their directions carefully. If you want to vote shares that you hold in street name at the meeting, you must request a legal proxy from the bank, broker, or other nominee that holds your shares and present that proxy, along with proof of your identity, at the meeting.

Can I change my vote?

You may revoke your proxy and change your vote at any time before voting begins at the meeting on a proposal.

Any shareholder giving a proxy has the power to revoke it at any time before it is exercised by (i) filing a written notice of revocation with our clerk at least one business day prior to the meeting, (ii) submitting a duly executed proxy bearing a later date which is received by our clerk at least one business day prior to the meeting, or (iii) by appearing at the meeting in person and giving our clerk proper written notice of his or her intention to vote in person.

Table of Contents

If your shares are held in street name, you should contact your bank, broker, or other nominee to revoke your proxy or, if you have obtained a legal proxy from your bank, broker, or other nominee giving you the right to vote your shares at the meeting, you may change your vote by attending the meeting and voting in person.

Who is asking for my vote?

The Independent Bank Corp. Board of Directors (the Board) is requesting your vote. We filed this proxy statement with the United States Securities and Exchange Commission (the SEC) on March 3, 2006 and the Board anticipates that it will be mailed to you on or about March 10, 2006.

What are your voting recommendations?

The Board recommends that you vote as follows:

(1) **FOR ALL NOMINEES** with respect to the reelection of Richard S. Anderson, Kevin J. Jones, Donna A. Lopolito, Richard H. Sgarzi, and Thomas J. Teuten as Class I directors;

(2) **FOR** with respect to ratifying the appointment of KPMG LLP as our independent registered public accounting firm for 2006;

(3) **FOR** the approval of the 2006 Independent Bank Corp. Non-Employee Director Stock Plan (the 2006 Director Stock Plan); and,

(4) Upon such other matters as may properly come before the meeting, in accordance with the best judgment of the persons appointed as proxies.

Each proxy that the Board receives that is not timely revoked, in writing, will be voted in accordance with the instructions it contains. The Board will only use proxies received prior to or at the annual meeting and any adjournments thereof.

How many votes are needed?

The amount of votes required for approval of the matters to be considered is as follows:

A plurality of votes cast by shareholders present, in person or by proxy, at the annual meeting is required for the election of directors. Plurality means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors who are nominated to be elected at the meeting. At our meeting the maximum number of Class I directors to be elected is five.

A majority of votes cast by shareholders present, in person or by proxy, at the annual meeting is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm for 2006.

A majority of votes cast by shareholders present, in person or by proxy, at the annual meeting is required for approval of the 2006 Director Stock Plan.

Abstentions (a proxy that withholds authority to vote) are counted as negative votes in the tabulation of the votes on proposals presented to shareholders. Broker non-votes are disregarded for purposes of determining whether a proposal has been approved.

Banks, brokers, or other nominees may vote shares held for a customer in street name on matters that are considered to be routine even if they have not received instructions from their customer. A broker non-vote occurs when a bank, broker, or other nominee has not received voting instructions from a customer and cannot vote the customer's shares because the matter is not considered routine.

Two of the matters before the meeting this year the election of directors and the ratification of the independent registered public accounting firm are deemed routine matters, which means that if your shares are held in street name your bank, broker, or other nominee can vote your shares on those proposals if you do not provide timely instructions for voting your shares. Approval of the 2006 Director Stock Plan is not deemed a routine matter.

Table of Contents

Who can attend the meeting?

Shareholders of record as of February 17, 2006 may attend the meeting, and may be accompanied by one guest. Even if you plan to attend the annual meeting we encourage you to vote your shares by proxy. If you choose to attend, please bring proof of stock ownership and proof of your identity with you.

How many shareholders need to attend the meeting?

In order to conduct the meeting, a majority of shares entitled to vote must be present in person or by proxy. This is called a quorum. If you return valid proxy instructions or vote in person at the meeting, you will be considered part of the quorum. Abstentions and broker non-votes are counted as being present for purposes of determining the presence of a quorum.

MATTERS TO BE VOTED UPON AT ANNUAL MEETING

Independent Bank Corp. is, for ease of reference, sometimes referred to in this proxy statement simply as the Company. Rockland Trust Company, our wholly-owned banking subsidiary, is for ease of reference sometimes referred to in this proxy statement simply as Rockland Trust.

Election of Directors (Notice Item 1)

The Company's articles of organization provide that the Board shall be divided into three classes as nearly equal in number as possible, and that the members of each class are to be elected for a term of three years. Currently, there are 14 members of the Board, divided into three classes of directors.

Directors continue to serve until their three-year term expires and until their successors are elected and qualified, unless they earlier reach the mandatory retirement age of 72, die, resign, or are removed from office. One class of directors is elected annually.

The Nominating and Corporate Governance Committee of the Board, which we sometimes refer to in this proxy statement simply as the nominating committee, selects director nominees to be presented for shareholder approval at the annual meeting, including the nomination of incumbent directors for reelection and the consideration of any director nominations submitted by shareholders. For information relating to the nomination of directors by our shareholders, see "Shareholder Director Nominations" below.

All director candidates are evaluated in accordance with the criteria set forth in the Company's Governance Principles with respect to director qualifications. The nominating committee has nominated the following directors, who we refer to in this proxy statement as the board nominees, for reelection at the annual meeting:

Board Nominees: Class I Directors (Term Expires in 2006):

Richard S. Anderson. Age 63. Mr. Anderson is President and Treasurer of Anderson-Cushing Insurance Agency, Inc., an insurance broker in Middleborough, Massachusetts. Mr. Anderson has served as a director of Rockland Trust and the Company since 1992.

Kevin J. Jones. Age 54. Mr. Jones is Treasurer of Plumbers Supply Company, a wholesale plumbing supply company, in Fall River, Massachusetts. Mr. Jones has served as a director of Rockland Trust since 1997 and as a director of the Company since 2000.

Donna A. Lopolito, Age 47. Ms. Lopolito is the Client Service Chief Financial Officer and Business Development Officer of AccountAbility Outsourcing, Inc., a firm based in Wellesley, Massachusetts. Ms. Lopolito has served as a director of Rockland Trust and the Company since 2005.

Richard H. Sgarzi. Age 63. Mr. Sgarzi is the President and Treasurer of Black Cat Cranberry Corp., a cranberry grower in Plymouth, Massachusetts. Mr. Sgarzi has served as a director of Rockland Trust since 1980 and as a director of the Company since 1994.

Table of Contents

Thomas J. Teuten. Age 65. Mr. Teuten is Chairman of the Board of A.W. Perry, Inc., a real estate investment company in Boston, Massachusetts, and its wholly-owned subsidiary A.W. Perry Security Corporation. Mr. Teuten was named Chairman of the Board of Rockland Trust and the Company in July 2003. Mr. Teuten has served as a director of Rockland Trust since 1975 and as a director of the Company since 1986.

Under the direction of the Board of Directors, we continue to enhance our long-term value and provide long-term financial returns to shareholders. The nominating committee therefore recommends reelection of all five of the board nominees.

Unless instructions to the contrary are received, it is intended that the shares represented by proxies will be voted for the reelection of the board nominees. We have no reason to believe that any of the board nominees will be unable to serve. If, however, any of the board nominees should not be available for election at the time of the annual meeting, it is the intention of the persons named as proxies to vote the shares to which the proxy relates, unless authority to do so has been withheld or limited in the proxy, for the election of such other person or persons as may be designated by the Board or, in the absence of such designation, in such other manner as they may, in their discretion, determine.

**The Nominating Committee Therefore Recommends That You Vote
FOR ALL NOMINEES And Reelect The Board Nominees.**

Ratification of KPMG LLP As Independent Registered Public Accounting Firm (Notice Item 2)

The audit committee has appointed KPMG LLP to serve as our independent registered public accounting firm for 2006. While we are not required to have shareholders ratify the selection of KPMG LLP as our independent registered public accounting firm, the Board considers the selection of the independent registered public accounting firm to be an important matter and is therefore submitting the selection of KPMG LLP for ratification by shareholders as a matter of good corporate practice.

The following table shows the fees paid or accrued by us for audit, audit related, and tax services provided by KPMG LLP during the fiscal years ended December 31, 2005 and December 31, 2004:

	2005	2004
Audit Fees:		
Audit	\$ 255,000	\$ 220,500
Sarbanes-Oxley Internal Controls Audit	\$ 175,000	\$ 175,000
SEC Filings	\$ 5,000	\$ 67,300
Audit Related:		
Benefit Plan Audit	\$ 14,500	\$ 13,000
Tax Fees:		
Compliance	\$ 85,825	\$ 76,375
Planning	\$ 15,000	
Consulting	\$ 43,768	
Totals:	\$ 594,093	\$ 552,175

The audit committee has also received the written disclosures and letter from KPMG LLP required by Independence Standards Board Standard No. 1 (Independence Discussion with Audit Committees), has discussed the independence of KPMG LLP and considered whether the provision of non-audit services by KPMG LLP is compatible with maintaining auditor independence, and has satisfied itself as to the independence of KPMG LLP.

The Board recommends that shareholders vote in favor of ratifying KPMG LLP as our independent registered public accounting firm for 2006. If shareholders do not ratify selection of our independent registered public

accounting firm, the audit committee will reconsider the appointment of KPMG LLP at the appropriate time. We anticipate, however, that there would be no change in our independent registered public accounting firm made for 2006 if shareholders do not ratify the selection of KPMG LLP because of the practical difficulty and expense associated with making such a change mid-year. Even if shareholders ratify the selection of KPMG LLP the audit committee may, in its discretion, change our independent registered public accounting firm at any time if it determines that it would be in the best interests of the Company to do so.

A KPMG LLP representative is expected to be present at the annual meeting to respond to appropriate questions and will have the opportunity to make a statement if he or she desires to do so.

**The Board Therefore Recommends That You Vote FOR Ratifying
The Selection of KPMG LLP As The Independent Registered Public Accounting Firm
of The Company For 2006.**

Approval of 2006 Director Stock Plan (Notice Item 3)

On April 26, 2005, the 1996 Non-Employee Directors' Stock Option Plan (the "1996 Director Stock Plan") expired. The Board believes that it is in the best interests of the Company and its shareholders to continue the policies of the 1996 Director Stock Plan by adopting the 2006 Director Stock Plan. The Board has voted unanimously to submit the 2006 Director Stock Plan for shareholder approval. We are asking for shareholder approval so that we will be able to grant stock options and restricted stock awards to the directors of the Company and of Rockland Trust who are not also employees of the Company or of Rockland Trust (the "Non-Employee Directors") under the 2006 Director Stock Plan.

The summary of the 2006 Director Stock Plan that follows does not purport to be complete and is qualified in its entirety by reference to the full text of the 2006 Director Stock Plan, a copy of which is attached hereto as Exhibit A and is incorporated by reference into this proposal:

Purpose

The purpose of the 2006 Director Stock Plan is to promote the long-term success of the Company and its subsidiaries by creating a long-term mutuality of interests between the Non-Employee Directors and the Company's shareholders through the granting of stock options and/or restricted stock awards, to provide an additional inducement for the Non-Employee Directors to remain with the Company and/or Rockland Trust, and to provide a means through which the Company and Rockland Trust may attract qualified persons to serve as Non-Employee Directors.

Administration of the 2006 Plan

The 2006 Director Stock Plan will be administered by the Board, which may delegate its powers under the 2006 Director Stock Plan to a committee. The committee, if so appointed, would consist of two or more directors who are outside directors and non-employee directors. The Non-Employee Directors to whom stock options and restricted stock awards are granted, the timing of grants, the number of shares subject to any stock option and restricted stock award, the exercise price of any stock option, the periods during which any stock option may be exercised and restricted stock awards shall vest, and the term of any stock option shall be as provided in the 2006 Director Stock Plan and the Board shall have no discretion as to such matters.

Shares Subject to the Plan

The 2006 Director Stock Plan authorizes the issuance of either stock options or restricted stock awards for up to 50,000 shares of common stock. As of February 28, 2006, the closing sale price of our common stock was \$30.30 per share. Shares issuable under the 2006 Director Stock Plan as restricted stock awards or stock options may be authorized and unissued or shares previously issued that we have reacquired. Any shares subject to grants under the 2006 Director Stock Plan which expire or are terminated, forfeited, or canceled without having been exercised or vested in full, shall be available for new grants.

Table of Contents

Eligibility

Stock options and restricted stock awards may be granted under the 2006 Director Stock Plan to the Non-Employee Directors of the Company and of Rockland Trust. Persons who are Non-Employee Directors of both the Company and of Rockland Trust shall be entitled to awards under the 2006 Director Stock Plan as if they were Non-Employee Directors of the Company only. There are currently thirteen (13) Non-Employee Directors.

Terms and Conditions of Awards

Types of Awards. Non-statutory stock options and restricted stock awards will be granted to Non-Employee Directors in the amounts and at the times specified in the 2006 Director Stock Plan. Following the 2006 Annual Shareholders Meeting, Director Donna A. Lopolito and Director Eileen C. Miskell shall each automatically and without further action be granted a non-statutory option to purchase five thousand (5,000) shares of common stock. Each person who becomes a Non-Employee Director at any time following the 2006 Annual Shareholders Meeting shall, on the first anniversary of his or her election, automatically and without further action be granted a Non-Statutory Option to purchase five thousand (5,000) shares of common stock. Following the 2006 Annual Shareholders Meeting, all Non-Employee Directors shall automatically and without further action be granted a restricted stock award for four hundred (400) shares of common stock and thereafter, following each annual shareholders meeting after 2006, each Non-Employee Director who serves on the Board of the Company and/or Rockland Trust at any point during the calendar year of that annual meeting shall automatically and without further action be granted a restricted stock award for four hundred (400) shares of common stock.

Exercise Price. The option price for shares issued upon exercise of stock options will be 100% of the fair market value of the shares on the date the option is granted.

Form of Consideration Upon Exercise of Options. The option price for each stock option will be payable in cash (including by check, bank draft or money order) or by other shares of our common stock.

Term. Stock options will vest over three calendar years, or earlier if the Non-Employee Director ceases to be a director for any reason other than for cause, and will expire no more than ten years from the date of grant. Restricted stock awards will vest at the end of a five year period, or earlier if the Non-Employee Director ceases to be a director for any reason other than for cause.

Right of Repurchase. Restricted stock awards are subject to the Company's right to repurchase the shares that have not vested upon the removal of a Non-Employee Director from the Board for cause.

Other Provisions. The stock option agreement or restricted stock agreement for each grant of stock options or restricted stock award may contain other terms, provisions, and conditions not inconsistent with the 2006 Director Stock Plan, as may be determined by the Board.

Adjustments

The number of shares available under the 2006 Director Stock Plan, the number of shares to be granted for each stock option or restricted stock award, and the number of shares subject to outstanding stock options or restricted stock awards will be adjusted to reflect any stock split, stock dividend or other event generally affecting the number of shares of common stock. If a merger, consolidation or other business reorganization occurs and the Company is not the surviving entity, the vesting of outstanding stock options and restricted stock awards will automatically accelerate and the stock options and restricted stock awards will become fully exercisable.

Limitations on Transferability

Non-statutory stock options and restricted stock awards granted under the 2006 Director Stock Plan may be transferred only pursuant to a qualified domestic relations order, by will or the laws of intestacy, or to any member of the grantee's family.

Table of Contents

Amendment and Termination

The Board may not materially alter the 2006 Director Stock Plan without shareholder approval, including any alterations to increase the benefits accrued to participants under the 2006 Director Stock Plan, to increase the amount of common stock which may be issued under the 2006 Director Stock Plan, to modify the requirements for participation under the 2006 Director Stock Plan, or to include provisions in the 2006 Director Stock Plan to allow the Board to lapse or waive restrictions contained in the 2006 Director Stock Plan at its discretion. The Board may otherwise modify, amend, or terminate the 2006 Director Stock Plan in any respect, except that if at any time the approval of the shareholders of the Company is required the Board may not effect the modification, amendment, or termination without shareholder approval. No amendment, alteration, suspension, or termination of the 2006 Director Stock Plan shall impair the rights of any participant, unless mutually agreed in writing.

Federal Income Tax Consequences

The following discussion is intended to be a summary and is not a comprehensive description of the federal tax laws, regulations, and policies affecting the Company and recipients of awards under the 2006 Director Stock Plan. Any descriptions of the provisions of any law, regulation, or policy are qualified in their entirety by reference to the particular law, regulation, or policy. Any change in applicable law or regulation or the policies of various taxing authorities may have a significant effect on this summary.

A participant who receives non-statutory stock options will not recognize taxable income for federal income tax purposes at the time a non-statutory stock option is granted. However, the participant will recognize compensation taxable as ordinary income at the time of exercise for all shares that are not subject to a substantial risk of forfeiture. The amount of such compensation will be the difference between the option price and the fair market value of the shares on the date of exercise of the option. We will be entitled to a deduction for federal income tax purposes at the same time and in the same amount as the participant is deemed to have recognized compensation income with respect to shares received upon the exercise of the non-statutory stock options. The participant's basis in the shares will be adjusted by adding the amount so recognized as compensation to the purchase price paid by the participant for the shares. The participant will recognize gain or loss when he or she disposes of shares obtained upon exercise of a non-statutory stock option in an amount equal to the difference between the selling price and the participant's tax basis in such shares. Such gain or loss will be treated as long-term or short-term capital gain or loss, depending upon the holding period.

A participant who receives restricted stock awards under the 2006 Director Stock Plan will not recognize taxable income for federal income tax purposes when the restricted stock award is granted. Once the award is vested and the shares are distributed, the participant will generally be required to include in ordinary income for the taxable year in which the vesting date occurs an amount equal to the fair market value of the shares on the vesting date. We will generally be allowed to claim a deduction for compensation expense in a like amount.

The preceding statements are intended to summarize the general principles of current federal income tax law applicable to awards under the 2006 Director Stock Plan. State and local tax consequences may also be significant.

Current Grants

If the 2006 Director Stock Plan is approved, Director Donna A. Lopolito and Director Eileen C. Miskell shall each automatically and without further action be granted a non-statutory stock option to purchase five thousand (5,000) shares of common stock, exercisable at 100% of the fair market value on the date the options are granted, and all thirteen (13) Non-Employee Directors shall automatically and without further action be granted a restricted stock award for four hundred (400) shares of common stock.

Table of Contents

The following table shows the benefits that the Non-Employee Directors would receive in 2006 if the 2006 Director Stock Plan is approved by the shareholders:

- (1) In 2006, each of Donna A. Lopolito and Eileen C. Miskell will be granted 5,000 stock options. Each person who becomes a Non-Employee Director at any time following the 2006 Annual Shareholders Meeting will be granted 5,000 stock options on the first anniversary of his or her election.

Following each annual shareholders meeting after 2006, each Non-Employee Director who serves on the Board of the Company and/or Rockland Trust at any point during the calendar year of that annual meeting will be granted a restricted stock award for four hundred (400) shares of common stock.
- (4) Assumes no change in the number of Non-Employee Directors and that each current Non-Employee Director remains in office.

**The Board Therefore Recommends That You Vote FOR
Approval of The 2006 Director Stock Plan.**

Other Matters (Notice Item 4)

The proxy also confers discretionary authority with respect to any other business which may come before the annual meeting, including rules for the conduct of the meeting. The Board knows of no other matter to be presented at the meeting. It is the intention of the persons named as proxies to vote the shares to which the proxies relate according to their best judgment if any matters not included in this proxy statement come before the meeting.

The audit committee is responsible for providing independent, objective oversight of our audit process and for monitoring our accounting, financial reporting, data processing, regulatory, and internal control functions. One of the audit committee's primary responsibilities is to enhance the independence of the audit function, thereby furthering the objectivity of financial reporting. Related Party Transactions

Since January 1, 2005, neither the Company nor Rockland Trust has been a party to any transaction or series of transactions in which the amount involved exceeded \$60,000 and which any director, executive officer, or holder of more than 5% of our stock had or will have a direct or indirect material interest other than:

standard compensation arrangements described below under Summary Compensation Table and Stock Option Grants and Employment Agreements ; and,

the transactions described below.

In August 1989 A.W. Perry, Inc., a real estate developer (A.W. Perry), and Rockland Trust entered into a joint venture to develop a three story office building containing approximately 22,000 square feet on a parcel of land in Hanover, Massachusetts (the Hanover Building). A.W. Perry and Rockland Trust each had a fifty percent (50%) interest in that joint venture. In 1990, when construction was complete, Rockland Trust entered into a long term lease for a substantial portion of the Hanover Building. Pursuant to that lease, as amended, Rockland Trust currently occupies, as a tenant, approximately 15,000 square feet in the Hanover Building. During 2005 Rockland Trust paid approximately \$333,371 in rent to the landlord for the Hanover Building, an entity in which due to the joint venture A.W. Perry and Rockland Trust each have a fifty

percent (50%) interest. Directors Thomas J. Teuten and John H. Spurr, Jr. are, respectively, Chairman of the Board and President of A.W. Perry. The total rent that Rockland Trust paid during the past year to the landlord for the Hanover Building does not exceed five percent (5%) of A.W. Perry's 2005 consolidated gross revenues.

During 2005 Rockland Trust paid approximately \$110,732 in rent for its Plymouth Route 44 bank branch to a landlord known as the MFS Realty Trust, a Massachusetts nominee realty trust. Director Robert D. Sullivan is one of the four Trustees of the MFS Realty Trust. Director Sullivan does not currently have a direct beneficial interest in the MFS Realty Trust.

During 2005 Rockland Trust paid approximately \$60,274 in rent for its Norwell bank branch to the Route 53 Realty Trust, a Massachusetts nominee realty trust. Director Robert D. Sullivan is one of the Trustees of, and a one-third beneficiary of, the Route 53 Realty Trust.

During 2005 Rockland Trust paid an approximate total of \$71,591 to Tedeschi Realty Corporation, comprised of separate payments of: \$57,500 in rent for its North Plymouth bank branch; and, \$14,091 paid by Rockland Trust, in its capacity as the condominium unit owner of its Hanover bank branch, for common area maintenance charges. Director Brian S. Tedeschi is the Chairman of the Board of Directors of Tedeschi Realty Corporation.

In the opinion of management of the Company, the terms of the foregoing transactions were no less favorable to the Company than those it could have obtained from an unrelated party providing comparable premises or services.

Some of the directors and executive officers of the Company, as well as members of their immediate families and the companies, organizations, trusts, and other entities with which they are associated, are, or during 2005 were, also customers of Rockland Trust in the ordinary course of business, or had loans outstanding during 2005, including loans of \$60,000 or more, and it is anticipated that such persons and their associates will continue to be customers of and indebted to Rockland Trust in the future. All such loans were made in the ordinary course of business, did not involve more than normal risk of collectibility or present other unfavorable features, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the same time for comparable transactions with unaffiliated persons and, where required by law, were prior approved by the Rockland Trust Board. At December 31, 2005, such loans amounted to approximately \$20.9 million (9.17% of total shareholders' equity). None of these loans to directors, executive officers, or their associates are nonperforming.

Report of Compensation Committee on Executive Compensation(3)**Executive Compensation Administration and History**

The executive compensation program of the Company and Rockland Trust has four primary components: base salary, annual cash incentive compensation, long-term equity-based compensation opportunities, and benefits. Base salary, cash incentives, benefits, and long-term equity-based opportunities are administered by the compensation committee in accordance with its Charter.

The compensation committee, subject to the provisions of our 1987 Employee Stock Option Plan, the 1997 Employee Stock Option Plan, and the 2005 Employee Stock Plan, (the 1987, 1997, and the 2005 Plans are referred to in this proxy statement as the Plans) has plenary authority in its discretion to determine the employees of the Company and Rockland Trust to whom stock options and/or restricted stock awards shall be granted, the number of shares to be granted to each employee, and the time or times at which options and/or restricted stock awards should be granted. The compensation committee also has plenary authority to interpret the Plans and to prescribe, amend, and rescind rules and regulations relating to the Plans. The 1987 Plan expired in 1997, and no additional stock options may be granted under it.

(3) This Report shall not be deemed to be incorporated by reference into any of our previous filing with the SEC and shall not be deemed incorporated by reference into any of our future SEC filings irrespective of any general incorporation language therein.

Table of Contents

All members of the compensation committee are independent directors in accordance with NASDAQ rules. There are currently six directors who serve on the compensation committee. The Board has appointed Director Clark, as Chairman, and directors Sgarzi and Teuten as permanent members of the compensation committee. In order to maximize director participation, the Board has appointed all of its other independent directors as rotating members of the compensation committee. The directors appointed as rotating members comprise the other three members and serve on the compensation committee in a rotating capacity for a three month term, with the terms of the rotating director members staggered so that a new director rotates on and off the compensation committee at the beginning of each month. The current membership of the compensation committee is comprised of the directors identified below.

The compensation committee strives to balance short-term and long-term Company performance and shareholder returns in establishing performance criteria. The compensation committee evaluates executive compensation against these performance criteria and competitive executive pay practices before determining changes in base salary, the amount of any incentive payments, stock option awards, restricted stock awards, and other benefits.

In 1994, the Company reviewed the objectives of Rockland Trust's qualified and non-qualified retirement plans in light of the Congressional Omnibus Budget Reconciliation Act of 1993 and its effects on qualified retirement plan benefits. Based upon that review, the Company established that the objective of its nonqualified retirement program would be to replace from all Rockland Trust-funded sources, inclusive of social security, approximately 60% of the average of the highest five year annual covered compensation for a full 25-year career, with proportionate reduction for less than a 25-year career.

In 1997, the Company engaged performance compensation consultants Sibson and Company to review Rockland Trust's performance based cash compensation program for executive officers and other officers of Rockland Trust. Sibson's review encompassed total compensation, peer compensation levels, and the linkage between cash incentive compensation, plan results, and bank performance. Sibson found that Rockland Trust's compensation program was competitive and has supported performance improvement. From 1997 until 2004 Sibson's recommendations were incorporated in the cash incentive compensation programs for executive officers and other officers of Rockland Trust.

In 1998, the Company amended the objective of its non-qualified retirement program to include cash incentive compensation in the calculation of retirement income objectives. This was done in response to current peer practices in this area of long-term compensation and was consistent with the results of a survey of executive retirement practices published by Hay Management Consultants.

In 1999, to help accomplish the amended non-qualified retirement program objective, the Company created an additional supplemental executive retirement plan, which was later implemented through a funded Rabbi Trust (the Rockland SERP).

In 2003, the Company engaged Hay to review base salary ranges for its executive officers. Hay conducts market analyses of cash compensation and uses its proprietary job evaluation process to recommend salary ranges that reflect competitive factors and maintain internal equity. Salary ranges were adjusted based upon Hay's recommendations. In 2004 and 2005 Hay made recommendations for adjustments to the Company's salary ranges.

In 2004, the Company engaged Blue Peak, an executive compensation consulting practice, specialists in bank compensation, to conduct a comprehensive review of Rockland Trust's annual cash incentive compensation program, the Company's long-term, equity-based compensation opportunities, and a review of total compensation. Blue Peak found that executive compensation practices were in line with competitive practices and assisted the compensation committee in amending its Cash Incentive Plan to increase linkage between individual performance and shareholder results. The compensation committee relied upon Blue Peak's recommendations when it adopted 2005 cash incentive compensation programs for executive officers of the Company and for other Rockland Trust officers.

Table of Contents

After reviewing the Company's historic approach to long-term, equity-based compensation opportunities, peer practices, and considering other pertinent factors, such as Financial Accounting Standards Board (FASB) Statement No 123R regarding the expensing of stock options, Blue Peak:

determined that the level of stock option awards to executive officers was somewhat below competitive; and,

recommended that the Company increase the award of stock options to executive officers to competitive levels and enhance the Company's long-term, equity-based opportunities to include the potential for granting restricted stock awards to executive officers of the Company and/or Rockland Trust and to other Rockland Trust officers. Blue Peak also submitted recommendations for additions to the listing of peer banks that the Company uses for performance comparison purposes.

In addition, Rockland Trust also uses SNL Securities Executive Compensation Review for Commercial Banks for comparative purposes. This review provides a summary of the compensation of the top five executive officers of all publicly traded U.S. commercial banks as reported in their Proxy Statements.

Base Salary and Cash Bonuses for Current Executive Officers

In February 2005 the Board approved 2005 cash incentive programs for executive officers of the Company and/or Rockland Trust (the Executive Cash Incentive Plan) and for other officers of Rockland Trust (the Officer Cash Incentive Plan). The performance goals and targets established in the Executive Cash Incentive Plan and Officer Cash Incentive Plan were both based upon achievement of budgeted 2005 earnings per share for the Company and upon a comparison of the Company's return on average assets, return on average equity, and asset quality to peer institutions. The Board reserved the discretion in the Executive Cash Incentive Plan and Officer Cash Incentive Plan to adjust cash awards based upon the established goals and targets.

The Company determined the base salary for Mr. Oddleifson, the current CEO, which is disclosed in the Summary Compensation Table set forth below, when he was hired in 2003 based upon reported information on salaries paid to CEOs at peer institutions, the salary paid to his predecessor, and other relevant considerations. The Board evaluates, at least twice a year, Mr. Oddleifson's performance in light of established corporate achievement goals and objectives. A review of Mr. Oddleifson's performance for 2005 was conducted at executive sessions of the Board in July 2005 and again in January 2006. The Board completed its 2005 performance evaluation of Mr. Oddleifson in approximately February 2006 and approved a base salary increase for Mr. Oddleifson and an award to him under the 2005 Executive Cash Incentive Plan.

Year 2005 performance evaluations of Mr. Fuerschbach, Mr. Jankowski, Mr. Kelley, Ms. Lundquist, Mr. Paciulli, Mr. Seksay, and Mr. Sheahan were also completed in February 2006. The Board approved base salary increases for Mr. Fuerschbach, Mr. Jankowski, Mr. Kelley, Ms. Lundquist, Mr. Paciulli, Mr. Seksay, and Mr. Sheahan and awards under the 2005 Executive Cash Incentive Plan.

Stock Options Awarded to Current Executive Officers

Mr. Oddleifson, Mr. Fuerschbach, Mr. Jankowski, Mr. Kelley, Ms. Lundquist, Mr. Paciulli, Mr. Seksay, and Mr. Sheahan received stock option awards under the 2005 Plan in December 2005. Each option provides the right to purchase a fixed number of shares at fair market value on the date of the grant. The number of shares granted to each executive officer in 2005 reflects the Company's assessment of the individual's relative contribution to the Company, long-term compensation practices prevalent in the industry, and the impact of such options on shareholder dilution.

Supplemental Retirement Benefits for Current Executive Officers

Prior to 2003 the Company authorized, at different times, supplemental retirement programs for Messrs. Fuerschbach, Kelley, Seksay, and Sheahan utilizing split dollar life insurance agreements (the

Table of Contents

Executive Split Dollar Agreements). In 2003, in response to potential issues with respect to the Executive Split Dollar Agreements due to the Sarbanes-Oxley Act and Internal Revenue Service Notice 2002-8, the Company engaged Segal Consulting (Segal) to advise the Company and make recommendations on the best alternative for funding executive officer non-qualified retirement programs. As a result of Segal's recommendations, which were reviewed by KPMG LLP, Messrs. Fuerschbach, Kelley, Saksay, and Sheahan were given the option of assigning ownership of the life insurance policies subject to the Executive Split Dollar Agreements to Rockland Trust or purchasing them. Messrs. Fuerschbach, Saksay, and Sheahan elected to assign ownership of the life insurance policies subject to the Executive Split Dollar Agreements to Rockland Trust. Mr. Kelley elected to purchase one of his life insurance policies and to assign ownership of the others to Rockland Trust. The Executive Split Dollar Agreements were terminated when those actions were taken.

During 2003 the Company amended the Rockland SERP, in accordance with the amended non-qualified retirement program objective described above, to provide retirement benefits to Messrs. Fuerschbach, Kelley, Saksay, and Sheahan to compensate them for the retirement benefits they relinquished when the Executive Split Dollar Agreements were terminated. In 2003 the Company also included Mr. Oddleifson and Mr. Jankowski in the Rockland SERP to provide them with retirement benefits in accordance with the amended non-qualified retirement program objective described above. Ms. Lundquist became a participant in the Rockland SERP in July 2005.

Report Regarding Former Executive Officer

Ms. Geogan, who left Rockland Trust on December 8, 2005 as a result of a restructuring, was granted a salary increase and a performance award by the Company, in April 2005. Those actions were based on the Company's results and her individual performance, within the framework of the salary ranges established using the Hay process and Rockland Trust's 2005 cash incentive compensation performance program for executive officers. At the time of Ms. Geogan's separation in December 2005, Rockland Trust entered into a severance agreement with Ms. Geogan that required a \$4,000 payment to her; required her to be paid her base salary for nine months; and, that defined Ms. Geogan's eligibility for a cash incentive award under the 2005 Executive Incentive Plan.

Employment Agreements

In January 2003, the Company and Rockland Trust entered into an employment agreement with Mr. Oddleifson for him to serve as President of the Company and President of Rockland Trust and to serve as CEO of the Company and Rockland Trust beginning February 24, 2003. The agreement provides Mr. Oddleifson with a base annual salary which may be increased at the discretion of the Board, the use of a Rockland Trust owned automobile, a fully vested stock-option grant of 50,000 shares under the 1997 Plan, and provides for participation in the various benefit programs provided by the Company, including group life insurance, sick leave and disability, retirement plans and medical insurance programs. The Company paid to relocate Mr. Oddleifson and his family from Charlotte, North Carolina and for temporary living expenses on a grossed up for taxes basis. The employment agreement provides that in the event of an involuntary termination of Mr. Oddleifson by Rockland Trust or the Company for reasons other than cause, as defined in the agreement, or resignation by Mr. Oddleifson for good reason, as defined, Mr. Oddleifson would (i) continue to receive, in a lump sum, his base salary for 18 months, plus a sum equal to the amount of any target incentive payment under the Company's Executive Incentive Plan and (ii) be entitled to continue to participate in and receive benefits under the Company's group health and life insurance programs for 18 months or, at his election, to receive a grossed up for taxes bonus payment in an amount equal to the cost to

the Company of Mr. Oddleifson's participation in such plans and benefits for a year period. Also, in the event of a termination without cause or a resignation for good reason, all stock options granted to Mr. Oddleifson would remain exercisable for a period of three months following the date of his termination and Mr. Oddleifson would continue to have the use of the Company-owned automobile. Resignation for good reason under the employment agreement, means, among other things, the resignation of Mr. Oddleifson after (i) the Company or Rockland Trust, without the express written consent of Mr. Oddleifson, materially breaches the agreement to his substantial detriment; (ii) the Board of the Company or of Rockland Trust, without cause, substantially changes Mr. Oddleifson's core duties or removes his responsibility for those core duties, so as to effectively cause him to no longer be performing the duties of President and CEO of Rockland Trust and of the Company; (iii) the Board of the Company or of Rockland Trust without cause, places another executive above Mr. Oddleifson in the Company or Rockland Trust or (iv) a change of control, as defined, occurs. In the event of a change of control, Mr. Oddleifson is entitled to the above compensation and benefits for a three year period, with a tax gross up for any amounts in excess of IRS 280G limitations. Mr. Oddleifson is required to give the Company or Rockland 30 days notice and an opportunity to cure in the case of a resignation effective pursuant to clauses (i) through (iii) above.

In December 2004 Rockland Trust and, in the case of those individuals who are also officers of the Company, Independent Bank Corp. entered into revised employment agreements with Mr. Fuerschbach, Mr. Jankowski, Mr. Kelley, Ms. Lundquist, Mr. Saksay, and Mr. Sheahan (the Employment Agreement Group) that are, in substance, virtually identical.

These agreements, as revised, are terminable at will by either party. These agreements established base annual salaries which may be increased at the discretion of the Board. The employment agreements also provide for members of the Employment Agreement Group to participate in various benefit programs of Rockland Trust, including group life insurance, sick leave and disability, retirement plans and medical insurance programs and, in some instances, for the use of a Rockland Trust-owned automobile. The employment agreements further provide that if any member of the Employment Agreement Group is terminated involuntarily for any reason other than cause, as defined in the agreements, or if any member of the Employment Agreement Group resigns for good reason, as defined in the agreements, he or she would be entitled to continue to (i) receive his/her then current base salary for twelve months (unless such termination or resignation follows a change of control, as defined in the agreements, in which case such member of the Employment Agreement Group shall receive a lump sum payment equal to 36 months salary, plus a lump sum payment equal to three times the greater of (x) the amount of any incentive payment paid out within the previous 12 months under the Executive Incentive Plan or (y) the amount of any incentive payment paid out during the 12 months prior to such change of control under the Executive Incentive Plan) and (ii) participate in and receive benefits under Rockland Trust's group health and life insurance programs for twelve months or, to the extent such plans or benefits are discontinued and no comparable plans or benefits are established, to receive a grossed up for taxes bonus payment equal to the cost to Rockland Trust of such member of the Employment Agreement Group's participation in such plans and benefits for such period (unless such termination or resignation follows a change of control, in which case such member of the Employment Agreement Group shall have the right to participate in and receive such benefits for 36 months or, at his or her election, to receive a grossed up for taxes bonus payment in an amount equal to the cost to Rockland Trust of such member of the Employment Agreement Group's participation in such plans and benefits for 36 months). In the event of a change of control, the Company is obligated to credit and fund three (3) years additional service in the Rockland SERP. Also, during the 30 day period that comes one year after a change of control of the Company (as defined in the agreements), members of the Employment Agreement Group have the unqualified right to resign for any reason, or for no reason, and to receive the benefit provided for following the occurrence of a change of control as if such resignation was a resignation for good reason. These amounts are subject to the limits of Section 280G of the Internal Revenue Code and will be rolled back to an amount less than the limit. In addition, in the event any of the Employment Agreement Group are terminated involuntarily for any reason other than for cause or if he or she resigns for good reason, all incentive stock options previously granted would immediately become fully exercisable and would remain exercisable for a period of three months following his/her termination. Resignation for good reason under the employment agreements, means, among other things, the resignation of the member of the Employment Agreement Group after

Table of Contents

(i) Rockland Trust, without the express written consent of such member of the Employment Agreement Group, materially breaches the agreement to the substantial detriment of such member of Employment Agreement Group; or (ii) the Rockland Trust Board of Directors, or its President and CEO, without cause, substantially changes such member of the Employment Agreement Group's core duties or removes his/her responsibility for those core duties, so as to effectively cause him/her to no longer be performing the duties for which he/she was hired. Each of the members of the Employment Agreement Group is required to give Rockland Trust 30 days notice and an opportunity to cure in the case of a resignation for good reason.

In December 2004 Rockland Trust entered into a revised Change of Control Agreement with Mr. Paciulli. Rockland Trust executed the revised Change of Control Agreement to align contractual employment benefits offered to its Executive Officers with arrangements in place for executive officers at peer institutions and to revise the Change of Control Agreement of Mr. Paciulli to increase the base salary multiple in the event of a Change of Control from two years to three years.

Defined Benefit Pension Plan. In 1994, the Rockland Trust Retirement Plan (the Defined Benefit Plan) formula was amended for participants who retired in 1995 and subsequent years of service. The annual normal retirement benefit under the Defined Benefit Plan is equal to (a) two percent (2%) of final average compensation less (b) sixty-five hundredths of a percent (0.65%) of covered compensation as defined for Social Security purposes (Covered Compensation) times (c) years of service to 25. For participants who had completed 20 or more years of service at December 31, 1994 an additional benefit of one-half percent (0.5%) times final average compensation times service in excess of 25 years, but not exceeding ten additional years, is provided.

Examples of approximate annual benefits at normal retirement under the formula are shown above using the 2005 Covered Compensation amount of \$48,696 for the offset percentages of the Defined Benefit Plan.

Table of Contents

Benefits for 2005 consider only the first \$210,000 of compensation earned by an executive. On December 31, 2005 the CEO and four other most highly compensated current executive officers have earned credit service under the plan as follows:

Current Executive Officers	Credited Service
Christopher Oddleifson	1 year 11 months
Ferdinand T. Kelley	13 years
Jane L. Lundquist	N/A
Edward H. Seksay	4 years 5 months
Denis K. Sheahan	8 years 5 months

The Defined Benefit Plan benefit formula for service prior to 1994 is equal to (a) one and one-half percent (1.5%) of a participant's final average compensation times his or her credited service up to 10 years; plus (b) two percent (2%) of his or her final average compensation times his or her credited service in excess of 10 years (provided that not more than 20 years of service shall be considered); plus (c) one-half percent (0.5%) of his or her final average compensation times his or her credited service in excess of 30 years (provided that no more than 5 years of service over 30 years shall be considered), less the smaller of (i) or (ii) described as follows: (i) sixty-five hundredths of a percent (0.65%) times the participant's years of service up to 35, times the lesser of his or her average annual compensation or his or her Covered Compensation; or (ii) one-half (1/2) the sum of (a), (b) and (c) above, substituting the lesser of average annual compensation or Covered Compensation for final average compensation, if less. Defined Benefit Plan participants are eligible at normal retirement for the benefit derived from the current formula or, if greater, the benefit for service under the prior Defined Benefit Plan formula.

In January 1997, the Defined Benefit Plan was joined with The Financial Institutions Retirement Fund (FIRF). This merger has provided significant expense reductions which began impacting Rockland Trust in 1997 while continuing to provide the benefit structure discussed above. In 2005, the Company made a payment of \$2,996,947 to FIRF to fund its Defined Benefit Pension Plan. In 2005 the Defined Benefit Plan was amended to provide an accelerated vesting schedule of 20% per year of service beginning in the second year of employment.

Shareholder Communications to Board

The Board will give appropriate attention to written communications on issues that are submitted by shareholders and will respond if and as appropriate. Absent unusual circumstances or as expressly contemplated by committee charters, the general counsel of the Company will (1) be primarily responsible for monitoring communications from shareholders and (2) will provide copies or summaries of such communications to the Board as he considers appropriate.

Communications will be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the general counsel of the Company considers to be important for the Board to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to personal grievances and matters as to which the Company tends to receive repetitive or duplicative communications.

Shareholders who wish to send communications on any topic to the Board should submit them, in writing, to the Clerk, Independent Bank Corp., 288 Union Street, Rockland, Massachusetts 02370.

As approved by the Board of Directors on February 16, 2006
and as approved by shareholders on April , 2006.

1. Purposes.

This 2006 Non-Employee Director Stock Plan (the **Plan**) has been approved to grant stock options and to make restricted stock awards to directors of Independent Bank Corp. The purposes of the Plan are as follows: to promote the long-term success of the Company and its subsidiaries by creating a long-term mutuality of interests between the Non-Employee Directors and the Company's shareholders through the granting of stock options and/or restricted stock awards; to provide an additional inducement for the Non-Employee Directors to remain with the Company and/or Rockland Trust; and to provide a means through which the Company and Rockland Trust may attract qualified persons to serve as Non-Employee Directors.

2. Effect of Plan on Rights of the Company and Shareholders.

Nothing in this Plan, or in any stock option or restricted stock award granted under this Plan, shall confer any right to any person to continue as a Non-Employee Director of the Company or of Rockland Trust or interfere in any way with the rights of the shareholders or Board of the Company or of Rockland Trust to elect and remove directors.

3. Types of Awards and Administration.

(a) *Types of Awards.* Stock options and restricted stock awards will be granted to Non-Employee Directors under this Plan in the amounts and at the times specified below. All stock options granted pursuant to this Plan will be non-statutory stock options (**Non-Statutory Options**) that are not intended to qualify under the requirements of Sections 422 or 423 of the Internal Revenue Code of 1986 (the **Code**).

(i) The Non-Employee Directors to whom stock options and restricted stock awards are granted, the timing of grants, the number of shares subject to any stock option and restricted stock award, the exercise price of any stock option, the periods during which any stock option may be exercised and restricted stock awards shall vest, and the term of any stock option shall be as provided in this Plan and the Company's Board of Directors (the **Board**) shall have no discretion as to such matters.

(ii) The Plan will be administered by the Board, subject to the limits expressly imposed by this Plan on the Board's discretion. The Board's construction and interpretation of the terms and provisions of this Plan shall be final and conclusive. The Board shall have authority, subject to the express provisions of this Plan, to construe the stock option agreements (each an **Option Agreement**) and restricted stock agreements (each a **Restricted Stock Agreement**) issued pursuant to this Plan, to prescribe, amend, and rescind rules and regulations relating to this Plan, to determine the terms and provisions of Option Agreements and Restricted Stock Agreements, and to make all other determinations which are, in the judgment of the Board, necessary or desirable for the administration of this Plan. The Board may correct any defect, supply any omission, or reconcile any inconsistency in this Plan, in any Option Agreement, or in any Restricted Stock Agreement in the manner and to the extent it shall deem expedient to carry this Plan into effect and it shall be the sole

and final judge of such expediency. No director or person acting pursuant to authority delegated by the Board shall be liable for any action or determination under this Plan made in good faith.

(iii) The Board may, to the full extent permitted by or consistent with applicable law and the Plan, delegate any or all of its powers under this Plan to a committee (the **Committee**) appointed by the Board, subject to such resolutions as may be adopted by the Board that are consistent with the provisions of this Plan. If the Committee is so appointed, all references to the Board in the Plan shall be deemed to refer to the Committee. The Committee, if appointed, shall consist of two or more directors, each of whom is an outside director within the meaning of Section 162(m) of the Code and a non-employee director within the meaning of Rule 16b-3 (as defined below). 4. Eligibility.

Stock options and restricted stock awards may be granted to the Non-Employee Directors of the Company and of Rockland Trust. Persons who are Non-Employee Directors of both the Company and of Rockland Trust shall be entitled to awards under this Plan as if they were Non-Employee Directors of the Company only. Persons who have been granted a stock option or a restricted stock award may, if he or she is otherwise eligible, be granted additional stock options or restricted stock awards under this Plan. Stock options and restricted stock awards may be granted separately or in any combination to any individual eligible under this Plan.

5. Stock Subject To Plan.

The aggregate number of shares which may be issued and as to which grants of stock options and/or restricted stock awards may be made under this Plan is fifty thousand (50,000) shares of common stock, par value \$0.01 per share, of the Company (the **Common Stock**), subject to adjustment and substitution as provided below. If any stock option granted under this Plan shall expire or terminate for any reason without having been exercised in full, the unpurchased shares shall again be available for purposes of this Plan. The shares which may be issued under this Plan may be authorized but unissued shares, reacquired shares, treasury shares or any combination thereof.

6. Grant of Stock Options and Restricted Stock Awards. Except for the specific stock options and restricted stock awards referred to below, no other stock options or restricted stock awards shall be granted hereunder.

(a) *Stock Options.* On the later of (i) the third business day following the day of the Company's 2006 Annual Shareholders Meeting at which this Plan is approved by shareholders or (ii) the effectiveness of a registration statement under the Securities Act of 1933, as amended, (the **Act**) with respect to the shares subject to this Plan, Director Donna A. Lopolito and Director Eileen C. Miskell shall each automatically and without further action be granted a Non-Statutory Option to purchase five thousand (5,000) shares of Common Stock, subject to adjustment and substitution as set forth below, such stock options to vest pursuant to the terms set forth below. In addition, each person who becomes a Non-Employee Director at any time following the 2006 Annual Shareholders Meeting shall, on the first anniversary of his or her election, automatically and without further action be granted a Non-Statutory Option to purchase five thousand (5,000) shares of Common Stock, subject to adjustment and substitution as set forth below, such stock options to vest pursuant to the terms set forth below.

Table of Contents

(b) *Restricted Stock Awards.* On the later of (i) the third business day following the day of the Company's 2006 Annual Shareholders Meeting at which this Plan is approved by shareholders or (ii) the effectiveness of a registration statement under the Act with respect to the shares subject to this Plan, all Non-Employee Directors shall automatically and without further action be granted a restricted stock award for four hundred (400) shares of Common Stock, such restricted stock awards to vest pursuant to the terms set forth below. Thereafter, on the third business day following the day of each annual shareholders meeting after 2006 each Non-Employee Director who serves on the Board of the Company and/or Rockland Trust at any point during the calendar year of that annual meeting shall automatically and without further action be granted a restricted stock award for four hundred (400) shares of Common Stock, such restricted stock awards to vest pursuant to the terms set forth below.

7. Terms and Conditions of Stock Options. Stock options granted under this Plan shall be subject to the following terms and conditions:

(a) *Option Price.* The purchase price at which each stock option may be exercised (the **Option Price**) shall be one hundred percent (100%) of the fair market value per share of the Common Stock covered by the stock option on the date of grant. Fair market value of the Common Stock shall be the mean between the following prices, as applicable, for the date as of which fair market value is to be determined as quoted in *The Wall Street Journal* (or in such other reliable publication as the Board, in its discretion, may determine to rely upon): (i) if the Common Stock is listed on the National Association of Securities Dealers Automated Quotation System or any successor system then in use (**NASDAQ**), the highest and lowest sales prices per share of the Common Stock for such date on the NASDAQ or (ii) if the Common Stock is not listed on NASDAQ, the highest and lowest sales prices per share of Common Stock for that date on (or on any composite index including) the principal United States securities exchange registered under the Exchange Act on which the Common Stock is listed. If the fair market value of the Common Stock cannot be determined on the basis set forth above, the Board shall in good faith determine the fair market value of the Common Stock on the date of grant. Fair market value shall be determined without regard to any restriction other than a restriction which, by its terms, will never lapse.

(b) *Payment of Option Price.* The Option Price for each stock option shall be paid in full upon exercise and shall be payable in cash in United States dollars (including check, bank draft, or money order); *provided, however*, that in lieu of cash the person exercising the stock option may pay the Option Price in whole or in part by delivering shares of Common Stock already owned by such person having a fair market value, determined in the manner set forth above for the day immediately preceding the date on which the Option Price is delivered, equal to the Option Price for the shares being purchased; except that (i) any portion of the Option Price representing a fraction of a share shall in any event be paid in cash and (ii) no shares of the Common Stock which have been held for less than six months may be delivered in payment of the Option Price. Delivery of shares may also be accomplished through the effective transfer to the Company of shares held by a broker or other agent. Notwithstanding the foregoing, the exercise of the stock option shall not be deemed to occur and no shares of Common Stock will be issued until the Company has received payment, in full, of the Option Price. The date of exercise of a stock option shall be determined under procedures established by the Board, and as of the date of exercise the person exercising the stock option shall be considered for all purposes to be the owner of the shares with respect to which the stock option has been exercised. Payment of the Option Price with shares shall not increase the number of shares of the Common Stock which may be issued under this Plan.

(c) *Expiration and Vesting.* Each stock option shall expire on the date specified in the applicable Option Agreement. Subject to the preceding sentence and subject to the provisions of this Plan that provide for earlier termination of a stock option under certain circumstances, each stock option shall be exercisable for not later than ten years from the date on which the stock option was granted. Stock options granted under this Plan shall not be exercisable until they become vested. Except as set forth below, one-third ($1/3$) of each stock option shall vest on the date of the grant of such stock option, one-

third ($1/3$) of each stock option shall vest on January 2 of the first (1st) calendar year following the date of the grant of such stock option and one-third ($1/3$) of each stock option shall vest on January 2 of the second (2nd) calendar year following the date of the grant of such stock option. Stock options, to the extent exercisable at any time, may be exercised in whole or in part.

(d) *Accelerated Vesting in the Event of a Change of Control or Liquidation.* Stock options shall immediately and fully vest in the event of a **Change of Control** or a liquidation of the Company. A **Change of Control** shall be deemed to have occurred if (i) any person (as such term is defined in Section 13(d) of the Exchange Act) is or becomes the beneficial owner, directly or indirectly, of either (x) a majority of the outstanding common stock of the Company or Rockland Trust, or (y) securities of either the Company or Rockland Trust representing a majority of the combined voting power of the then outstanding voting securities of either the Company or Rockland Trust, respectively; or (ii) the Company or Rockland Trust consolidates or merges with any other person or sells all or substantially all of its assets to a person not at such time owning a majority of the outstanding voting stock of the Company; or (iii) individuals who currently constitute the Board cease for any reason to constitute a majority of the Board, unless the election of each new director was nominated or approved by the shareholders of the Company at their regularly scheduled annual meeting or was approved by at least two thirds of the directors of the Board currently in office.

(e) *Nontransferability of Options.* Except as expressly provided below, stock options shall not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of by the Non-Employee Director to whom they are granted (the **Grantee**), either voluntarily or by operation of law and, during the life of the Grantee, shall be exercisable only by the Grantee. Stock options, however, may be transferred (i) pursuant to a qualified domestic relations order (as defined in Rule 16b-3), (ii) by will or the laws of intestacy, or (iii) to any member of the Grantee's **Family**. The Grantee's **Family** shall, for purposes of this Plan, mean a Grantee's spouse, the Grantee's lineal descendants by birth or adoption, and trusts for the exclusive benefit of the Grantee and/or the foregoing individuals.

(f) *Effect of Termination of Non-Employee Director Status.* If a Grantee ceases to be a Non-Employee Director, any outstanding stock options held by the Grantee shall be exercisable according to the following provisions:

(i) *General.* If a Grantee ceases to be a Non-Employee Director for any reason other than removal from the Board for cause, any outstanding stock option shall be exercisable by the Grantee (whether or not exercisable by the Grantee immediately prior to ceasing to be a Non-Employee Director) at any time prior to the expiration date of the stock option or within three years after the date the Grantee ceases to be a Non-Employee Director, whichever is the shorter period. Following the death or permanent and total disability (as defined in Section 22(e)(3) of the Code or any successor thereto) of a Grantee during service as a Non-Employee Director any outstanding stock option held by the Grantee at the time of death or permanent and total disability (whether or not exercisable by the Grantee immediately prior to death or permanent and total disability) shall be exercisable by the person entitled to do so under the Grantee's will or, if the Grantee shall fail to make testamentary disposition of the stock option, shall die intestate or shall become permanently and totally disabled, by the Grantee's legal representative at any time prior to the expiration date of the stock option or within three years after the Grantee's death or permanent and total disability, whichever is the shorter period.

(ii) *For Cause.* If during his or her term of office as a Non-Employee Director a Grantee is removed from the Board for cause, any outstanding stock option held by the Grantee which is not exercisable by the Grantee immediately prior to such removal shall terminate as of the date of such removal, and any outstanding stock option held by the Grantee which is exercisable by the Grantee immediately prior to such removal shall be exercisable at any time prior to the expiration date of the stock option or within three months after the date of such removal, whichever is the shorter period. If a Grantee dies or becomes permanently and totally disabled, during the period when any outstanding stock options remain exercisable after ceasing to be a Non-Employee

Director due to a

removal for cause, any outstanding stock option shall be exercisable by the person entitled to do so under the will of the Grantee or, if the Grantee shall fail to make testamentary disposition of the stock option, shall die intestate or shall become permanently and totally disabled, by the Grantee's legal representative at any time prior to the expiration date of the stock option or within one year after the Grantee's date of death or permanent and total disability, whichever is the shorter period.

(g) *Option Agreements.* All stock options shall be confirmed by an Option Agreement which shall be executed by the Grantee and, on behalf of the Company, by the Chief Executive Officer (if other than the President), the President, or any officer of the Company or Rockland Trust that the President authorizes to sign the Option Agreement. Each Option Agreement shall contain such terms, provisions, and conditions not inconsistent with this Plan as may be determined by the Board, in its sole discretion.

(h) *Registration and Listing.* The obligation of the Company to issue shares of the Common Stock under this Plan upon the exercise of stock options shall be subject to (i) the effectiveness of a registration statement under the Act with respect to such shares, if deemed necessary or appropriate by counsel for the Company, (ii) the condition that the shares shall have been listed (or authorized for listing upon official notice of issuance) upon each stock exchange, if any, on which the Common Stock may then be listed and (iii) all other applicable laws which may then be in effect.

8. Terms and Conditions of Restricted Stock Awards. Restricted stock awards granted under this Plan shall be subject to the following terms and conditions:

(a) *Time Vesting.* Shares of Common Stock issued to a Non-Employee Director in connection with a restricted stock award shall not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of, except as set forth in this Plan, until the end of the following period: the lesser of (i) the fifth anniversary of the date on which the restricted stock award was granted; or, (ii) the date on which the Non-Employee Director ceases to be a Non-Employee Director for any reason other than removal from the Board for cause (the **Vesting Period**).

(b) *Repurchase Right.* All shares of Common Stock issued to a Non-Employee Director in a restricted stock award shall, prior to the end of the Vesting Period, be subject to repurchase by the Company (the **Repurchase Right**). The Company may exercise the Repurchase Right to repurchase from the Non-Employee Director any unvested shares of Common Stock in any restricted stock award for the aggregate price of One Dollar (\$1.00). The Repurchase Right shall lapse at the end of the Vesting Period. Shares of Common Stock issued pursuant to a restricted stock award for which the Vesting Period has not elapsed and that remain subject to a Repurchase Right shall not be sold, assigned, transferred, pledged, hypothecated or otherwise disposed of by the Non-Employee Director to whom they are granted, either voluntarily or by operation of law; provided, however, such shares may be transferred (i) pursuant to a qualified domestic relations order (as defined in Rule 16b-3), (ii) by will or the laws of intestacy, or (iii) to any member of the Grantee's Family. Any attempt to dispose of shares in a restricted stock award in contravention of the Repurchase Right shall be null and void and without effect.

Each certificate for shares of Common Stock Restricted Shares issued to a Non-Employee Director in a restricted stock award shall bear an appropriate legend referring to the Repurchase Right, together with any other applicable legends, and, upon issuance, shall be deposited by the Non-Employee Director with the Company together with a stock power and such other instruments of transfer as may be reasonably requested by the Company, duly endorsed in blank, if appropriate; *provided, however*, that the failure of the Company or its transfer agent to place such a legend on a certificate for such Common Stock shall have no effect on the Repurchase Right applicable to such shares.

(c) *Accelerated Vesting in General.* If during the Vesting Period the Non-Employee Director ceases to be a Non-Employee Director for any reason, including death or permanent and total disability as defined in Section 22(e)(3) of the Code or any successor thereto, other than removal from the Board for cause the restricted stock award shall immediately and fully vest in the Non-Employee Director or his/her heirs.

(d) *Accelerated Vesting in the Event of a Change of Control or Liquidation.* The restricted stock award shall immediately and fully vest in the event of a Change of Control or a liquidation of the Company occurs during the Vesting Period.

(e) *Termination of Vesting Upon Removal from Board for Cause.* If a Non-Employee Director is removed from the Board for cause during the Vesting Period, the Company may exercise its Repurchase Right during the ninety (90) day period following the date on which the Non-Employee Director was removed from the Board for cause with respect to any portion of any restricted stock award that has not yet vested.

(f) *Restricted Stock Agreements.* Any restricted stock award shall be confirmed by a Restricted Stock Agreement which shall be executed by the Non-Employee Director to whom they are granted and, on behalf of the Company, by the Chief Executive Officer (if other than the President), the President, or any officer of the Company or Rockland Trust that the President authorizes to sign the Option Agreement. Each Restricted Stock Agreement shall contain such terms, provisions and conditions not inconsistent with this Plan as may be determined by the Board, in its sole discretion.

(g) *Registration and Listing.* The obligation of the Company to issue shares of the Common Stock under this Plan for restricted stock awards shall be subject to (i) the effectiveness of a registration statement under the Act with respect to such shares, if deemed necessary or appropriate by counsel for the Company, (ii) the condition that the shares shall have been listed (or authorized for listing upon official notice of issuance) upon each stock exchange, if any, on which the Common Stock may then be listed and (iii) all other applicable laws which may then be in effect.

9. General Restrictions.

(a) *Investment Representations.* The Company may require any person to whom a stock option or restricted stock award is granted to give written assurances in substance and form satisfactory to the Company to the effect that the person is acquiring the Common Stock for his or her own account for investment and not with any present intention of selling or otherwise distributing the same, and to such other effects as the Company deems necessary or appropriate in order to comply with federal and applicable state securities laws, or with covenants or representations made by the Company in connection with any public offering of its Common Stock.

(b) *Compliance with Securities Laws.* Each stock option or restricted stock award shall be subject to the requirement that if, at any time, counsel to the Company shall determine that the listing, registration or qualification of the shares subject to such stock option or restricted stock award upon any securities exchange or under any state or federal law, or the consent or approval of any governmental or regulatory body, or that the disclosure of non-public information or the satisfaction of any other condition is necessary as a condition of, or in connection with, the issuance or purchase of shares there under, such option may not be exercised, in whole or in part, unless such listing, registration, qualification, consent or approval, or satisfaction of such condition shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration or qualification, or to satisfy any such condition.

10. Rights as a Shareholder.

The holder of a stock option shall have no rights as a shareholder with respect to any shares covered by the stock option (including, without limitation, any rights to receive dividends or non-cash distributions with respect to such shares) until the date of issue of a stock certificate to him or her upon exercise of the stock option. No adjustment shall be made for dividends or other rights for which the record date is prior to the date a stock certificate is issued.

The holder of a restricted stock award shall have any and all rights of a shareholder with respect to the shares covered by a restricted stock award, subject to the restrictions set forth in this Plan and the Restricted Stock Agreement under which it was granted. Such rights include, without limitation, any rights to receive

dividends or non-cash distribution with respect to such shares and the right to vote shares at any meeting of the Company's shareholders.

11. *Adjustment Provisions for Recapitalizations and Related Transactions.*

(a) *General.* If, through or as a result of any merger, consolidation, sale of all or substantially all of the assets of the Company, reorganization, recapitalization, reclassification, stock dividend, stock split, reverse stock split or other similar transaction, (i) the outstanding shares of Common Stock are increased, decreased or exchanged for a different number or kind of shares or other securities of the Company, or (ii) additional shares or new or different shares or other securities of the Company or other non-cash assets are distributed with respect to such shares of Common Stock or other securities, an appropriate and proportionate adjustment may be made in (x) the maximum number and kind of shares reserved for issuance under this Plan, (y) the number and kind of shares or other securities subject to any then outstanding stock options or restricted stock award under this Plan, and (z) the price for each share subject to any then outstanding stock options under this Plan, without changing the aggregate purchase price as to which such stock options remain exercisable.

(b) *Board Authority to Make Adjustments.* Any adjustments or substitutions under this Section 11 shall be made by the Board, whose determination as to such adjustments or substitutions, if any, shall be final, binding and conclusive. No fractional shares will be issued under this Plan on account of any such adjustments or substitutions.

12. *Amendment of the Plan.*

Notwithstanding any other provisions of this Plan, the Board may not materially alter this Plan without shareholder approval, including any alterations to increase the benefits accrued to participants under this Plan, to increase the amount of Common Stock which may be issued under this Plan, to modify the requirements for participation under this Plan, or to include provisions in this Plan to allow the Board to lapse or waive restrictions contained in this Plan at its discretion.

The Board may otherwise modify, amend, or terminate this Plan in any respect, except that if at any time the approval of the shareholders of the Company is required under Rule 16b-3, under National Association of Securities Dealers Rule 4350(i)(1)(A), or other applicable law, the Board may not effect the modification, amendment, or termination without shareholder approval.

The termination or any modification or amendment of the Plan shall not, without the consent of the holder of a stock option or any restricted stock award, affect his or her rights. The Board, however, may with the consent of the person affected amend outstanding Option Agreements or Restricted Stock Agreements in a manner not inconsistent with this Plan. 13. *Effective Date and Duration of the Plan.*

(a) *Effective Date.* This Plan shall immediately take effect once approved by the Company's shareholders. If shareholder approval is obtained at the 2006 Annual Shareholders Meeting, this Plan shall immediately be in effect on the date of such meeting and the first stock options and restricted stock awards shall be granted on the later of (i) the third business day thereafter or (ii) the effectiveness of a registration statement under the Act with respect to the shares subject to this Plan.

(b) *Termination.* This Plan shall terminate upon the close of business on the day after restricted stock awards are made following the 2010 Annual Shareholders Meeting. Any stock options outstanding or unvested restricted stock awards that exist as of the termination date shall continue to have force and effect in accordance with the provisions of the any Option Agreement or Restricted Stock Agreement evidencing them.
