## OUR BUSINESS

Our principal business is providing international seaborne transportation services to LPG producers and users by carrying various petroleum gas products in liquefied form, including propane, butane, butadiene, isopropane, propylene and vinyl chloride monomer, which are all byproducts of the production of crude oil and natural gas. We serve industrial companies and energy traders as well as national and independent energy companies.

## PROCEEDS

We will not receive any of the proceeds from the sale of shares of our common stock by any individuals named in any prospectus supplement hereto.

## SELLING STOCKHOLDERS

Our officers and directors as well as certain of our current and former employees may use this prospectus to sell our common stock. These selling stockholders will be named in a supplement to this prospectus, together with the number of shares owned by such individuals and the number of shares that may be sold under this prospectus, as supplemented, by such individuals.

## PLAN OF DISTRIBUTION

The shares of common stock covered by this prospectus will be sold, if at all, by the individuals named in a prospectus supplement hereto or by donees, pledgees or others on their behalf, and not by us. The shares may be sold from time to time as follows:

- on the Nasdaq Global Market, in the over-the-counter market, on an inter-dealer quotation system or on another national securities exchange (any of which may involve crosses and block transactions);
- to purchasers directly;
- in ordinary brokerage transactions in which the broker solicits purchasers;
- through underwriters, dealers and agents who may receive compensation in the form of underwriting discounts, concessions or commissions from a seller and/or the purchasers of the shares for whom they may act as agent;
- through the writing of options on the shares;
- through the granting of a security interest in any common share as collateral for any loan or obligation, including such grants to brokers or dealers who may from time to time effect distributions of the shares or other interests in the shares;
- through purchases by a broker or dealer as principal and resale by such broker or dealer for its own account pursuant to this prospectus;
- through block trades in which the broker or dealer so engaged will attempt to sell the shares as agent or as riskless principal but may position and resell a portion of the block as principal to facilitate the transaction;
- through exchange distributions in accordance with the rules of the applicable exchange or quotation system;
- in any combination of one or more of these methods; or
- in any other lawful manner.

These sales may be made at prices related to the then current market price or otherwise at prices and on terms then prevailing, or in privately negotiated transactions. In effecting sales, a broker or dealer engaged by an individual using this prospectus to sell shares of common stock may arrange for other brokers or dealers to participate in the sale. In addition, any shares covered by this prospectus which qualify for sale pursuant to Section 4(1) of the Securities Act or

Rule 144 under the Securities Act may be sold thereunder rather than by this prospectus.

I-4

---

In connection with distributions of the shares or otherwise, persons using this prospectus to sell common stock may enter into hedging transactions with broker-dealers. In connection with hedging a transaction, a broker-dealer may engage in short sales of shares registered hereunder in the course of hedging the positions it assumes with the seller. The seller may also sell shares short and deliver the shares to close out the short positions. The seller may also enter into an option or other transaction with a broker-dealer which requires the delivery to the broker-dealer of shares we have registered, which the broker-dealer may resell by this prospectus.

A seller may pay a broker-dealer or an agent compensation in the form of commissions, discounts or concessions. The broker-dealer and any other participating broker-dealer may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales and any such commission, discount or concession may be deemed to be underwriting discounts or commissions under the Securities Act.

We may be required to file a supplemented prospectus in connection with any activities involving a seller which may be deemed to be an “underwriting.” In that case, a supplement to this prospectus would contain (1) information as to whether an underwriter selected by a seller, or any other broker-dealer, is acting as principal or agent for the seller, (2) the compensation to be received by an underwriter selected by a seller or any broker-dealer, for acting as principal or agent for a seller and (3) the compensation to be received by any other broker-dealer, in the event the compensation of such other broker-dealers is in excess of usual and customary commissions. Any broker or dealer participating in any distribution of the common stock may be required to deliver a copy of this prospectus, including any prospectus supplement, to any individual who purchases any common stock from or through such a broker-dealer.

We have advised the people identified in this prospectus as potential sellers of shares that during any period when they may be engaged in a distribution of the shares offered by this prospectus, they are required to comply with Regulation M promulgated under the Securities Exchange Act. With certain exceptions, Regulation M precludes any seller, any affiliated purchaser and any broker-dealer or other individual who participates in such a distribution from bidding for or purchasing, or attempting to induce any individual to bid for or purchase any security, that is the subject of the distribution until the entire distribution is complete. Regulation M also prohibits any bids or purchases made in order to stabilize the price of a security in connection with the distribution of that security. All of these factors may affect the marketability of our common stock.

The people identified in any prospectus supplement to this prospectus as potential sellers of common stock offer to sell all, some or none of the shares covered by any prospectus supplement to this prospectus. Because it is possible that a significant number of shares could be sold simultaneously by means of this prospectus (as supplemented), such sales, or the possibility thereof, may have an adverse effect on the market price of our common stock.

#### INDEMNIFICATION

We are a Marshall Islands corporation. Section 60 of the Business Corporations Act of the Republic of the Marshall Islands (the “BCA”) provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of

another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best

interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe his conduct was unlawful.

A Marshall Islands corporation also has the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

To the extent that a director or officer of a Marshall Islands corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in the preceding paragraph, or in the defense of a claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid in advance of the final disposition of such action, suit or proceeding as authorized by the board of directors in the specific case upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the corporation as authorized under Section 60 of the BCA.

Section 60 of the BCA also permits a Marshall Islands corporation to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation or is or was serving at the request of the corporation as a director or officer against any liability asserted against him and incurred by him in such capacity whether or not the corporation would have the power to indemnify him against such liability under the provisions of Section 60 of the BCA.

The indemnification and advancement of expenses provided by, or granted pursuant to, Section 60 of the BCA are not exclusive of any other rights to which those seeking indemnification and advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office. In this regard, our Bylaws provide that such expenses (including attorneys' fees) incurred by former directors and officers may be so paid upon

such terms and conditions, if any, as the company deems appropriate, and the board of directors may authorize the company's legal counsel to represent a present or former director or officer in any action, suit or proceeding, whether or not the company is a party to such action, suit or proceeding. Our Bylaws further provide for indemnification of directors and officers on the basis described above as being permitted by Section 60 of the BCA and provide, to the extent authorized from time to time by the board of directors of the company, rights to indemnification and to the advancement of expenses to employees and agents of the corporation similar to those conferred to directors and officers of our company.

Our Articles of Incorporation provide that no director shall have personal liability to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, but the liability of a director is not limited or eliminated (i) for any breach of the director's duty of loyalty to our company or its stockholders; (ii) for acts or omissions not undertaken in good faith or which involve intentional misconduct or a knowing violation of law; or (iii) for any transaction from which the director derived an improper benefit.

Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant is a Marshall Islands corporation. Section 60 of the Business Corporations Act of the Republic of the Marshall Islands (the "BCA") provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of no contest, or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe his conduct was unlawful.

A Marshall Islands corporation also has the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a

director or officer of the corporation, or is or was serving at the request of the corporation as a director or officer of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him or in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the corporation unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper.

To the extent that a director or officer of a Marshall Islands corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in the preceding paragraph, or in the defense of a claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid in advance of the final disposition of such action, suit or proceeding as authorized by the board of directors in the specific case upon receipt of an undertaking by or on behalf of the director or officer to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the corporation as authorized under Section 60 of the BCA.

Section 60 of the BCA also permits a Marshall Islands corporation to purchase and maintain insurance on behalf of any person who is or was a director or officer of the corporation or is or was serving at the request of the corporation as a director or officer against any liability asserted against him and incurred by him in such capacity whether or not the corporation would have the power to indemnify him against such liability under the provisions of Section 60 of the BCA.

The indemnification and advancement of expenses provided by, or granted pursuant to, Section 60 of the BCA are not exclusive of any other rights to which those seeking indemnification and advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office. In this regard, the Registrant's Bylaws provide that such expenses (including attorneys' fees) incurred by former directors and officers may be so paid upon such terms and conditions, if any, as the Registrant deems appropriate, and the board of directors may authorize the Registrant's legal counsel to represent a present or former director or officer in any action, suit or proceeding, whether or not the Registrant is a party to such action, suit or proceeding. The Registrant's Bylaws further provide for indemnification of directors and officers on the basis described above as being permitted by Section 60 of the BCA and provide, to the extent authorized from time to time by the board of directors of the Registrant, rights to indemnification and to the advancement of expenses to employees and agents of the corporation similar to those conferred to directors and officers of Registrant.

The Registrant's Articles of Incorporation provide that no director shall have personal liability to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, but the liability of a director is not limited or eliminated (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders; (ii) for acts or omissions not undertaken in good faith or which involve intentional misconduct or a knowing violation of law; or (iii) for any transaction from which the director derived an improper benefit.

## Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the effective Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by

reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

II-3

---

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser: Each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities: The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
