The meeting is scheduled to be held at the Drake Hotel, 140 East Walton Place, Chicago, Illinois 60611, in The Drake Room, on Tuesday, January 15, 2002 at 1:30 p.m. Central Standard Time, or at any proper adjournments.

If you properly execute and return your proxy form, it will be voted in accordance with your instructions. If you return your signed proxy but give us no instructions as to one or more matters, the proxy will be voted on those matters in accordance with the recommendations of the Board as indicated in this proxy statement. You may revoke your proxy, at any time prior to its exercise, by written notice to us, by submission of another proxy bearing a later date or by voting in person at the meeting. Your revocation will not affect a vote on any matters already taken. Your mere presence at the meeting will not revoke your proxy.

VOTING PROXY AGREEMENT

In order for us to manufacture and sell gaming machines in Nevada, our officers are required to be, and have been, registered, licensed or found suitable by the Nevada gaming authorities. In addition, under applicable Nevada law and administrative procedure, as a greater than 10% stockholder of WMS, Sumner M. Redstone was required to apply, and has an application pending with the Nevada gaming authorities, for a finding of suitability as a stockholder of WMS. Mr. Redstone and National Amusements, Inc. ("NAI"), a company that he controls, collectively own 9,654,500 shares of our common stock. Pending completion of the processing of this application, Mr. Redstone and NAI, on September 21, 1995, voluntarily granted a voting proxy under a voting agreement to Louis J. Nicastro and, if he is unable to perform his duties under the voting agreement, to Neil D. Nicastro, individually, to vote all of Mr. Redstone's and NAI's shares of our common stock. The voting agreement is intended to ensure that the passive investment position of Mr. Redstone and NAI relative to WMS will not change without prior notification to the Nevada gaming authorities.

Under the voting agreement, Mr. Nicastro votes each share of our common stock owned by Mr. Redstone and NAI at his discretion at meetings of our stockholders or acts as proxy in connection with any written consent of our stockholders. The term of the voting agreement ends August 24, 2004 unless Mr. Redstone terminates it upon 30 days' written notice. It may also be terminated upon a finding by the Nevada gaming authorities that Mr. Redstone and NAI are suitable as stockholders of WMS or are no longer subject to the applicable provisions of Nevada gaming laws.

Louis J. Nicastro and Neil D. Nicastro have advised us that they plan to use the voting proxy to vote all 9,654,500 shares of our common stock

REQUIRED VOTE

The affirmative vote of a plurality of the shares of our common stock present in person or by proxy at the annual meeting is required to elect directors.

THE BOARD RECOMMENDS THAT YOU VOTE "FOR" THE NOMINEES FOR ELECTION AS DIRECTORS.

THE BOARD OF DIRECTORS

The Board of Directors is responsible for managing our overall affairs. To assist it in carrying out its duties, the Board has delegated specific authority to several committees. Nine of our ten directors are neither officers nor employees of WMS.

During fiscal 2001, the Board held six meetings. Each director attended at least 75% of the aggregate number of meetings of the Board and all committees on which he or she served during the fiscal year.

DIRECTOR COMPENSATION

We pay a fee of \$30,000 per year to each director who is not also an employee of WMS or our subsidiaries. Each non-employee director who serves as the chairman of any committee of our Board of Directors receives a further fee of \$5,000 per year for services in that capacity, and each non-employee member of our Audit and Ethics Committee receives an additional fee of \$5,000 per year. David M. Satz, Jr.

6

Five of our stock option plans permit the issuance of shares of our common stock under non-qualified stock options which may be granted to non-employee directors of WMS, generally at not less than 100% of the fair market value of the shares on the date of grant. In fiscal 2001, no options to purchase our common stock were granted to non-employee directors.

Directors are also entitled to participate, at our expense, in a medical reimbursement plan which is supplementary to their primary medical insurance.

COMMITTEES OF THE BOARD OF DIRECTORS

The Audit and Ethics Committee is currently composed of three independent directors (as independence is defined in Section 303.01(B) of the NYSE listing standards): Messrs. McKenna (Chairman), Bartholomay and Sheinfeld. This Committee meets periodically with the independent auditors and internal personnel to consider the adequacy of internal accounting controls, to receive and review the recommendations of the independent auditors, to recommend the appointment of auditors, to review the scope of the audit and the compensation of the independent auditors, to review our consolidated financial statements and, generally, to review our accounting policies and to resolve potential conflicts of interest. The Board has adopted a written charter for this committee, and a copy of the charter was included as an appendix to our proxy

During fiscal 2001, this committee did not hold any meetings, taking all actions by the unanimous written consent of its members.

The Compliance Committee is currently composed of Messrs. Satz (Chairman) and Gamache and Ms. More. This Committee identifies and evaluates potential unsuitable situations, among other things, arising in the course of the Company's business that may cause regulatory concern to gaming authorities. Prior to July 9, 2001, this Committee was previously named the Regulatory Compliance Committee and had previously delegated all such compliance duties to the Gaming Compliance Committee of the Company's wholly-owned subsidiary, WMS Gaming Inc. During fiscal 2001, this committee held three meetings, including all meetings of the Regulatory Compliance Committee and the Gaming Compliance Committee.

The Nominating Committee is currently composed of Messrs. N. D. Nicastro (Chairman) and Bartholomay. This Committee makes recommendations about the nomination of candidates for election to the Board and does not consider recommendations from stockholders. During fiscal 2001, this committee did not hold any meetings, taking all actions by the unanimous written consent of its members.

The Stock Option Committee is currently composed of Messrs. Reich (Chairman) and McKenna. This Committee determines the timing, pricing and the amount of option grants to be made under the provisions of our stock option plans. See "Stock Option Plans" below. The joint report of this committee and the Compensation Committee is set forth later in this proxy statement. During fiscal 2001, this committee held nine meetings.

STOCK OPTION PLANS

We currently have the following stock option plans in effect: the 1991, 1993, 1994 and 2000 Stock Option Plans, the 1998 Non-Qualified Stock Option Plan, and the 2000 Non-Qualified Stock Option Plan

10

(collectively, the "Plans"). The Plans permit us to grant options to purchase shares of our common stock. These options may be incentive stock options, which meet the requirements of Section 422 of the Internal Revenue Code, except in the case of the 1998 and 2000 Non-Qualified Stock Option Plans, or may not meet the requirements of that section.

The purpose of each of the Plans is to encourage our employees and, under some of the Plans, non-employee directors, consultants and advisors to acquire a proprietary interest in our common stock and to enable these individuals to realize benefits from an increase in the value of our common stock. We believe that this benefit provides these individuals with greater incentive and encourages their continued provision of services to us and, generally, promotes our interests and those of our stockholders. The Stock Option Committee determines which of the eligible directors, officers, employees, consultants and advisors receive Stock Options, the terms, including applicable vesting periods, of the options, and the number of shares for which options are granted. The option price per share with respect to each option is determined by the Stock Option Committee and generally is not less than the fair market value of our common stock of the date that the option is granted. The Plans each have a term of ten years, unless terminated earlier.

As of November 27, 2001, under the 1991 Plan, 51,218 options were outstanding, and no further options were available for grant. Under the 1993 Plan, 165,161 options were outstanding, and 1,260 further options were available for grant. Under the 1994 Plan, 282,099 options were outstanding, and no further options were available for grant. Under the 1998 Plan, 553,100 options were outstanding, and 136,300 further options were available for grant. Under the 2000 Non-Qualified Plan, 1,359,764 options were outstanding, and 353,986 further options were available for grant. Under the qualified 2000 Plan, 250,000 options were outstanding, and 750,000 further options were available for grant. The average exercise price of outstanding options, at November 27, 2001, was approximately \$14.07 per share. Of the 2,661,342 options outstanding on November 27, 2001, 1,358,833 were held by our officers and directors.

JOINT REPORT OF THE COMPENSATION AND STOCK OPTION COMMITTEES
ON FISCAL 2001 EXECUTIVE COMPENSATION

The Compensation Committee is responsible for making recommendations to the

Edgar Filing: WMS INDUSTRIES INC /DE/ - Form DEF 14A

Board of Directors regarding the compensation of senior management personnel. To the extent that stock options form a portion of a compensation package, the Compensation Committee works together with the Stock Option Committee, which is responsible for determining stock option grants and awards.

It is the policy of the Compensation and Stock Option Committees to provide attractive compensation packages to senior management so as to motivate them to devote their full energies to our success, to reward them for their services and to align the interests of senior management with the interests of stockholders. Our executive compensation packages are comprised primarily of base salaries, annual contractual and discretionary cash bonuses, stock options and retirement and other benefits. It is the philosophy of the Compensation Committee that WMS be staffed with a small number of well-compensated senior management personnel.

In general, the level of base salary is intended to provide appropriate basic pay to senior management taking into account their historical contributions to our success, each person's unique value and the recommendation of the Chief Executive Officer. The amount of any discretionary bonus is subjective but is generally based on our actual financial performance in the preceding fiscal year, the special contribution of the executive to this performance and the overall level of the executive's compensation including other elements of the compensation package. We also have used stock options, which increase in value only if our common stock increases in value, and which terminate a short time after an executive leaves, as a means of long-term incentive compensation. The Stock Option Committee determines the size of stock option grants to our executive officers and other employees on an individual, discretionary basis in consideration of financial corporate results and each recipient's performance, contributions and responsibilities without assigning specific weight to any of these factors.

Until June 14, 2001, Louis J. Nicastro was our CEO and received compensation under his employment agreement with us. That employment agreement reflected the same compensation philosophy described

11

above. On June 14, 2001, upon his retirement, we entered into a agreement with Mr. Nicastro terminating his employment agreement. See "Employment Agreements." Our President and CEO, Brian R. Gamache receives a salary, a bonus of a percentage of our pre-tax income and various retirement and other benefits, under a negotiated formula set forth in his employment agreement. Mr. Gamache's employment agreement reflects the same compensation philosophy described above.

The Omnibus Budget Reconciliation Act of 1993 (the "Budget Act") generally provides that publicly-held corporations will only be able to deduct, for income tax purposes, compensation paid to the chief executive officer or any of the four most highly paid senior executive officers in excess of one million dollars per year if it is paid under qualifying performance-based compensation plans approved by stockholders. Compensation as defined by the Budget Act includes, among other things, base salary, incentive compensation and gains on stock option transactions. Total compensation of some of our officers may be paid under plans or agreements that have not been approved by stockholders and may exceed one million dollars in a particular fiscal year. We will not be able to deduct these excess payments for income tax purposes. The Compensation Committee intends to consider, on a case by case basis, how the Budget Act will affect our compensation plans and contractual and discretionary cash compensation.

CORPORATE PERFORMANCE GRAPH

The following graph compares, for the five fiscal years ended June 30, 2001, the yearly percentage change in cumulative total stockholder return on our common stock with the cumulative total return of (1) the Standard and Poor's 500 Stock Index ("S&P 500") and (2) an index of selected issuers in our industry ("Peer Group"), composed of Alliance Gaming Corp., Anchor Gaming, International Game Technology, Mikohn Gaming Corp., and Shuffle Master Inc. (1) The graph assumes an investment of \$100 at the market close on June 30, 1996 in our common stock and \$100 invested at that time in each of the indexes and the reinvestment of dividends where applicable. The 1997 spinoff of WHG Resorts & Casinos resulted in an adjustment to total stockholder return as a reinvested dividend of \$2.25. The 1998 Midway spinoff resulted in an adjustment to total stockholder return as a reinvested dividend of \$27.10.

EMPLOYMENT AGREEMENTS

We employ Brian R. Gamache under the terms of an Employment Agreement dated June 15, 2001. He receives salary at the rate of \$550,000 per year, or a greater amount if determined by the Board of Directors. Under the agreement, Mr. Gamache is also entitled to a bonus in an amount equal to the lesser of \$1 million or one percent of our pre-tax income. Mr. Gamache may request that we make quarterly advances against the bonus in amounts as mutually agreed upon by Mr. Gamache and WMS. Since the beginning of fiscal 2001, Mr. Gamache has taken an aggregate of \$200,000 of advances, \$100,000 of which is currently outstanding. Mr. Gamache may participate in all benefit plans and perquisites generally available to our senior executives. Additionally, Mr. Gamache is entitled to receive any special bonuses that may be determined by the Board of Directors. Under the agreement, on August 9, 2001, Mr. Gamache was granted options to

Edgar Filing: WMS INDUSTRIES INC /DE/ - Form DEF 14A

purchase 175,000 shares of our common stock. Such options have an exercise price of \$19.51 and become exercisable for one-third of the grant on each anniversary of the date of grant. In addition, beginning June 30, 2002, and at the end of each fiscal year thereafter during the term of his employment, Mr. Gamache shall be entitled to receive additional grants of 100,000 options, subject to the same vesting schedule, if WMS achieves or exceeds diluted earnings per share of 1.15 times those of the previous fiscal year. The agreement expires on June 30, 2004, subject to automatic extensions so that the term of Mr. Gamache's employment shall at no time be less than three years.

In addition, Mr. Gamache or his estate is entitled to receive death, retirement and disability benefits. In the event of Mr. Gamache's death, his designated beneficiaries will continue to receive salary payments for a period of six months after the date of death. In addition, Mr. Gamache will receive death and retirement benefits equal to one-half of Mr. Gamache's salary at the time of death or retirement, but not less than \$275,000 per annum. The death or retirement benefits are payable in installments over the lesser of 10 years or the number of years Mr. Gamache is employed by WMS, beginning March 21, 2000. The employment agreement terminates upon Mr. Gamache's death. If Mr. Gamache is disabled for more than ninety consecutive days or six months in any 12-month period during the term of the agreement, and Mr. Gamache is not able to resume his duties within 30 days of notice of disability, Mr. Gamache's employment terminates, and he is entitled to receive retirement benefits under the agreement.

We may terminate the agreement "for cause," which means:

- conviction of a felony or any other crime involving fraud, larceny or dishonesty;
- failure to follow a reasonable direction of our Board of Directors;
- commission of any dishonest, willful or grossly negligent act, which may adversely affect us or our business relationships; and
- failure or refusal to provide accurate information to and cooperate with any governmental agencies regulating our business.

The employment agreement may be terminated at the election of Mr. Gamache, upon the occurrence without his prior written consent of any one or more of the following events:

- the material breach by WMS of any material provision of the agreement, after Mr. Gamache has provided us with notice thereof and a reasonable opportunity to cure such breach;
- the placement of Mr. Gamache in a position of lesser status, the assignment to Mr. Gamache of duties inconsistent with his current positions with us or his duties, or the requirement that Mr. Gamache report to anyone other than the Board;
- the discontinuance or reduction (from the highest level in effect during the term of the employment agreement) of base salary payable to Mr. Gamache;
- Mr. Gamache is removed from or not re-elected as a member of the Board of Directors of WMS; or
- we move our headquarters to a location other than the present location or our 3401 North California Avenue, Chicago, Illinois facility without Mr. Gamache's consent so that such headquarters are

located more than 40 miles farther from his current place of residence than our headquarters are presently located.

If any of these events occurs or if we are considered to have wrongfully terminated Mr. Gamache's employment agreement, then we would be obligated to pay Mr. Gamache (a) a lump sum payment equal in amount to Mr. Gamache's base salary through the date of termination, less any payments previously made; (b) the pro rata bonus which would have been payable during the current year (c) an amount equal to three times the sum of one year's base salary and one year's bonus; and (d) the retirement benefits which would have been payable in the event of retirement on the date of termination.

The employment agreement may also be terminated at the election of Mr. Gamache if the individuals who presently constitute the Board of Directors, or successors approved by these Board members, cease for any reason to constitute at least a majority of the Board. If such a change of control occurs, and Mr. Gamache gives us notice of termination within 60 days, then in lieu of any other rights under the agreement, (a) all of Mr. Gamache's unvested stock options will immediately vest; (b) we will be required to pay him a lump sum of three times his base salary and one year's bonus; (c) all of his retirement benefits would be payable as if he had retired on such date of change of control; and (d) all health benefits provided to Mr. Gamache under the agreement shall continue for 18 months thereafter. In the event of (a) Mr. Gamache's death; (b) Mr. Gamache's termination by reason of permanent disability; (c) any change of control; or (d) any person or entity or group of affiliated persons or entities who were not the owners of at least 15% of the outstanding shares of our voting securities on July 16, 2001, acquiring more than 25% of our outstanding shares, all of Mr. Gamache's unexpired unvested options immediately vest.

If payments made to Mr. Gamache under the employment agreement after a change of control are considered "excess parachute payments" under Section 280G of the Internal Revenue Code of 1986 (the "Code"), additional compensation is required to be paid to Mr. Gamache to the extent necessary to eliminate the economic effect on him of the resulting excise tax. Under Section 4999 of the Code, in addition to income taxes, the recipient of "excess parachute payments" is subject to a 20% nondeductible excise tax on these payments. An excess parachute payment is a payment in the nature of compensation which is contingent on a change of ownership or effective control and which exceeds the portion of the base amount (i.e., the average compensation for the five-year period prior to the change of control) allocable to the payment. These rules apply only if the present value of all payments of compensation contingent on the change of control (including non-taxable fringe benefits) is at least equal to three times the base amount. Excess parachute payments are not tax deductible by us.

We employ Scott D. Schweinfurth under the terms of an Employment Agreement, dated as of May 19, 2000, and amended on June 4, 2001. The employment agreement, as amended, provides for salary at the rate of \$275,000 per year, or a greater amount as may be determined by us. Mr. Schweinfurth may receive annual discretionary bonuses of up to 75% of his base salary, depending on performance criteria, and he received a signing bonus of \$25,000 and relocation expenses. Additionally, Mr. Schweinfurth may participate in all benefit plans generally available to executive employees and is provided with life insurance coverage in the amount of \$400,000 or whatever lesser amount is available at an annual premium not to exceed \$3,000. The agreement is subject to automatic extensions so that the term of Mr. Schweinfurth's employment shall at no time be less than three years. We may terminate the agreement upon 30 days written notice for cause. The employment agreement may also be terminated at the election of Mr. Schweinfurth upon 30 days written notice for material breach. It may also be terminated by Mr. Schweinfurth if the individuals who presently constitute the

Edgar Filing: WMS INDUSTRIES INC /DE/ - Form DEF 14A

Board of Directors, or successors approved by these Board members, cease for any reason to constitute at least a majority of the Board. If such a change of control occurs, and Mr. Schweinfurth gives us notice of termination within 60 days, then in lieu of any other rights under the agreement, all of Mr. Schweinfurth's unvested stock options will immediately vest, and we will be required to pay him a lump sum of three times his base salary. In the event of (a) Mr. Schweinfurth's death; (b) Mr. Schweinfurth's termination by reason of permanent disability; (c) any change of control; or (d) any person or entity or group of affiliated persons or entities who were not the owners of at least 15% of the outstanding shares of our voting securities as of November 15, 2001, acquiring more than 25% of our outstanding shares, all of Mr. Schweinfurth's unexpired unvested options immediately vest. If the agreement terminates by reason of

15

death, disability or material breach by us, or if we terminate the agreement other than for cause, we are required to pay Mr. Schweinfurth or his legal representatives an amount equal to all cash compensation that would otherwise be payable to him until the expiration of the extended term of the agreement. If any portion of the amount paid to Mr. Schweinfurth is subject to the excise tax imposed by Section 4999 of the Code, then additional compensation is required to be paid to him to the extent necessary to eliminate the economic effect on him of the resulting excise tax.

We employ Orrin J. Eddin under the terms of an Employment Agreement dated as of May 8, 2000, and amended on June 4, 2001. The employment agreement, as amended, provides for salary at the rate of \$250,000 per year, or a greater amount as may be determined by us. Mr. Eddin may receive annual discretionary bonuses of up to 75% of his base salary, depending on performance criteria. Mr. Eddin also received a bonus of \$125,000 for serving us through October 30, 2000. Additionally, Mr. Eddin may participate in all benefit plans generally available to executive employees and is provided with life insurance coverage in the amount of \$400,000 or whatever lesser amount is available at an annual premium not to exceed \$3,000. The agreement is subject to automatic extensions so that the term of Mr. Eddin's employment shall at no time be less than three years. We may terminate the agreement upon 30 days written notice for cause. The employment agreement may also be terminated at the election of Mr. Eddin upon 30 days written notice for material breach. It may also be terminated by Mr. Eddin if the individuals who presently constitute the Board of Directors, or successors approved by these Board members, cease for any reason to constitute at least a majority of the Board. If such a change of control occurs, and Mr. Eddin gives us notice of termination within 60 days, then in lieu of any other rights under the agreement, all of Mr. Eddin's unvested stock options will immediately vest, and we will be required to pay him a lump sum of three times his base salary. In the event of (a) Mr. Eddin's death; (b) Mr. Eddin's termination by reason of permanent disability; (c) any change of control; or (d) any person or entity or group of affiliated persons or entities who were not the owners of at least 15% of the outstanding shares of our voting securities as of November 15, 2001, acquiring more than 25% of our outstanding shares, all of Mr. Eddin's unexpired unvested options immediately vest. If the agreement terminates by reason of death, disability or material breach by us, or if we terminate the agreement other than for cause, we are required to pay Mr. Eddin or his legal representatives an amount equal to all cash compensation that would otherwise be payable to him until the expiration of the extended term of the agreement. If any portion of the amount paid to Mr. Eddin is subject to the excise tax imposed by Section 4999 of the Code, then additional compensation is required to be paid to him to the extent necessary to eliminate the economic effect on him of the resulting excise tax.

Mr. Nicastro will continue to serve as our nonexecutive Chairman of the Board, entitled to remuneration similar to other outside directors and will continue to act as voting proxy for Sumner Redstone and National Amusements, Inc. pursuant to the voting agreement dated September 21, 1995. Mr. Nicastro has agreed to provide such management transition assistance as we reasonably request. As full consideration for, and in lieu of the payments that would otherwise be made to him under the employment agreement with respect to, base salary, bonus, retirement and death benefits, we have paid Mr. Nicastro a lump sum of \$6.0 million. In addition, as a special bonus for his extraordinary service, we have paid Mr. Nicastro an additional \$6.7 million. The employment agreement provided that, in the event that WMS breached the employment agreement, Mr. Nicastro would have the right to require us to purchase all of his WMS stock options. In settlement of this right, we have purchased Mr. Nicastro's 500,000 fully-vested options, which had an exercise price of \$17.5625, with a lump sum payment of \$7.3 million. All such payments have been made less withholding of income and other taxes as may be required by law to be paid or withheld by WMS.

Under the terms of the letter agreement, Mr. Nicastro's benefits under the employment agreement, relating to medical, dental and other expenses, will remain in full force and effect, and we will continue to maintain an office and secretary in Palm Beach, Florida for Mr. Nicastro's use until at least December 31, 2002. This letter agreement was not entered into in connection with any contemplated change of control of WMS, and no payments made thereunder should be deemed "parachute payments" or "excess parachute payments" as defined in section 280G of the Code.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

RELATIONSHIP WITH MIDWAY

Midway Games Inc. ("Midway") was formerly a wholly-owned subsidiary of ours. Since we distributed all of our Midway stock to our stockholders in April 1998, we do not own any Midway common stock. Seven of Midway's directors are also directors of ours, including Louis J. Nicastro and Neil D. Nicastro, the Chief Executive Officer of Midway. See "Proposal 1 -- Election of Directors."

We have leased to Midway our facility at 2704 W. Roscoe Street, Chicago, Illinois. Currently, and until such time as the renovation of our technology campus at 3401 N. California Avenue, Chicago, Illinois is completed in early calendar 2002, we will be sharing the Roscoe Street facility with Midway. The term of the lease is five years commencing August 1, 2001, with two 3-year options for renewal.

In connection with our spinoff of Midway, we entered into a number of agreements with Midway, each dated as of April 6, 1998. Under a Settlement and Temporary Services Agreement, dated as of August 31, 2001, we have amended some of these agreements. The remaining material agreements between Midway and us dated as of April 6, 1998, as so amended, are described below:

Information Systems Service Agreement. We provide Midway with access to our AS-400 computer system and related services and computer systems for some of their computing needs, including order entry, financial and manufacturing modules, marketing and sales and engineering (including engineering documentation and blueprint systems) as well as support for these computer systems. Midway pays us at a fixed rate for monthly services. The term of the agreement expires December 31, 2001, with an option for a three-month extension.

Edgar Filing: WMS INDUSTRIES INC /DE/ - Form DEF 14A

Confidentiality and Non-Competition Agreement. Under this agreement, Midway or we may designate business information as confidential, and the other party must use its best efforts to keep this information confidential. The agreement also includes a five-year non-competition clause, which expires in April 2003.

Right of First Refusal Agreement. We have granted Midway a right of first refusal with respect to any offer to us to purchase our South parking lot behind the building located at 3325 North California Avenue, Chicago, Illinois as long as the offer is not made in connection with the sale of our stock or assets and business as a going concern. The term of the agreement expires April 5, 2008.

Third Parties Agreement. This agreement governs the treatment of the numerous arrangements with third parties with respect to game development, licensing and other matters. Under the agreement, Midway and we allocate the rights and obligations under third party arrangements so that the party receiving the benefits will bear the burdens of those agreements. The agreement will remain in effect as long as any prior third party arrangements remain outstanding.

Tax Separation Agreement. Until the Midway spinoff, Midway had been a member of the consolidated group of corporations of which WMS was the common parent for federal income tax purposes (the "WMS Group") since 1988. Therefore, Midway is jointly and severally liable for any federal tax liability of the WMS Group for the period that it was part of the WMS Group. The agreement sets forth the parties' respective liabilities for federal, state and local taxes as well as their agreements as a result of Midway and its subsidiaries ceasing to be members of the WMS Group. The agreement governs, among other things, (i) the filing of tax returns with federal, state and local authorities, (ii) the carryover of any tax benefits of Midway, (iii) the treatment of the deduction attributable to the exercise of stock options to purchase our common stock which are held by employees or former employees of Midway and any other similar compensation related tax deductions, (iv) the treatment of certain net operating loss carrybacks, (v) the treatment of audit adjustments, (vi) procedures with respect to any proposed audit adjustment or other claim made by any taxing authority with respect to a tax liability of Midway or any of its subsidiaries. In fiscal 2001, WMS paid to Midway an amount equal to demonstrated tax benefits lost to Midway relating to the exercise or adjustment of WMS options held by Midway employees. If Midway is able to receive the tax benefits from these options or if there is a change of control of Midway, Midway will pay to WMS some or all of this amount.

18

Tax Indemnification Agreement. This agreement provides for indemnification if the Midway spinoff fails to qualify under Section 355 of the Code. The parties agreed, among other things, that for a period of two years after the spinoff, each would continue active conduct of its historic trade or business as conducted by it during the five-year period prior to the spinoff. Midway will indemnify WMS if any action that it takes causes the spinoff to fail to qualify under Section 355 of the Code, against any taxes, interest, penalties and additions to tax imposed upon or incurred by the WMS Group or any member. WMS will indemnify Midway and its subsidiaries against taxes, interest, penalties and additions to tax resulting from the spinoff, other than any of these liabilities for which Midway is required to indemnify WMS.

We also have the following agreements with Midway:

Tax Sharing Agreement. This agreement is dated July 1, 1996 and remains in effect, except to the extent described in the Tax Separation Agreement referred

Edgar Filing: WMS INDUSTRIES INC /DE/ - Form DEF 14A

to above. Under this agreement, WMS and Midway have agreed upon a method for: (i) determining the amount which Midway must pay to WMS in respect of federal income taxes; (ii) compensating any member of the WMS Group for use of its net operating losses, tax credits and other tax benefits in arriving at the WMS Group tax liability as determined under the federal consolidated return regulations; and (iii) providing for the receipt of any refund arising from a carryback of net operating losses or tax credits from subsequent taxable years and for payments upon subsequent adjustments. Because the IRS or other taxing authorities can be expected to seek payment from WMS prior to seeking payment from the individual group members, it is likely that Midway would seek to enforce any rights it may have against WMS for sharing at a time when WMS is unable to pay its proportionate share of taxes.

Patent License Agreement. We entered into a patent license agreement dated July 1, 1996 with Midway under which each party licensed to the other, on a perpetual, royalty-free basis, some patents used in the development and manufacture of both coin-operated video games and video lottery terminals and other gaming machines.

OTHER RELATED PARTY TRANSACTIONS

Under a consulting agreement with Neil D. Nicastro, Mr. Nicastro renders services to us that the Board of Directors, the Chairman of the Board or Chief Executive Officer of WMS may reasonably request. The term of the consulting agreement expires April 6, 2003, and is automatically renewable for successive one-year terms unless either party shall give notice of termination not less than six months prior to the end of the term then in effect. We pay Mr. Nicastro \$1,000 per month for his services under the consulting agreement.

Ira S. Sheinfeld, one of our directors, is a member of the law firm of Squadron, Ellenoff, Plesent & Sheinfeld LLP, which we retained to provide tax services during the last fiscal year and retain for tax services during the current fiscal year.

Donna B. More, one of our directors, is a member of the More Law Group law firm, which we retained to provide legal services during the last fiscal year and retain for legal services during the current fiscal year. See also "Director Compensation." Payments by WMS accounted for greater than 5% of the gross revenues of this law firm during its last fiscal year.

William C. Bartholomay, one of our directors, is President of Near North National Group, insurance brokers, which we retained to provide insurance services during the last fiscal year and propose to retain for insurance services during the current fiscal year.

PROPOSAL 2 -- APPOINTMENT OF INDEPENDENT AUDITORS

We propose that the stockholders ratify the appointment by the Board of Directors of Ernst & Young LLP as our independent auditors for fiscal 2002. We expect that representatives of Ernst & Young will be present at the annual meeting and that they will be available to respond to appropriate questions submitted by stockholders at the meeting. Ernst & Young will have the opportunity to make a statement if they desire to do so.

The following table presents fees billed for professional services rendered for the audit of our annual financial statements for fiscal 2001 and review of our Form 10-Q's and fees billed for other services rendered by Ernst & Young LLP for fiscal 2001:

Edgar Filing: WMS INDUSTRIES INC /DE/ - Form DEF 14A

Audit Fees:.....	\$181,000

Financial Information Systems Design and Implementation Fees:.....	\$ --
	=====
All Other Fees:	
Audit-related fees:.....	\$ 61,000

Non-audit fees:.....	\$155,000

	=====

The Audit Committee has considered whether the independent accountant's provision of non-audit services is compatible with maintaining the independent accountant's independence.

Approval by the stockholders of the appointment of independent auditors is not required, but the Board believes that it is desirable to submit this matter to the stockholders. If holders of a majority of our common stock present and entitled to vote on the matter do not approve the selection of Ernst & Young at the meeting, the selection of independent auditors will be reconsidered by the Board.

 THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT AUDITORS.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of WMS ("Audit Committee") is composed of three independent directors and operates under a written charter adopted by the Board of Directors. WMS' management is responsible for its internal accounting controls and the financial reporting process. WMS' independent accountants, Ernst & Young LLP, are responsible for performing an independent audit of WMS' consolidated financial statements in accordance with auditing standards generally accepted in the United States and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In keeping with that responsibility, the Audit Committee has reviewed and discussed WMS' audited consolidated financial statements with management. In addition, the Audit Committee has discussed with WMS' independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committees," as amended.

The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and has discussed with the independent accountants their independence.

Edgar Filing: WMS INDUSTRIES INC /DE/ - Form DEF 14A

independent accountants and the Audit Committee's review of the representations of management and the report of the independent accountants, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in WMS' Annual Report on Form 10-K for the year ended June 30, 2001 for filing with the Securities and Exchange Commission.

This report is respectfully submitted by the Audit Committee of the Board of Directors.

OTHER MATTERS

STOCKHOLDER PROPOSALS

As of the date of this proxy statement, the Board has not received notice of, and does not intend to propose, any other matters for stockholder action. However, if any other matters are properly brought before the meeting, it is intended that the persons voting the accompanying proxy will vote the shares represented by the proxy in accordance with their best judgment.

We must receive any stockholder proposals to be acted upon at our 2003 Annual Meeting of Stockholders on or before August 5, 2002 in order to consider including them in our proxy materials for that meeting. If we do not receive notice of a stockholder proposal to be acted upon at our 2002 Annual Meeting of Stockholders on or before October 19, 2002, our proxy for that meeting may confer discretionary authority to vote on any such proposal.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors and persons who beneficially own greater than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. These persons are required by regulation to furnish us with copies of all Section 16(a) reports that they file. Based solely on our review of copies of these reports that we have received and on representations from some reporting persons that no Form 5 report was required to be filed by them, we believe that during fiscal 2001 our officers, directors and 10% beneficial owners complied with all of their Section 16(a) filing requirements, except that Mr. Terence C. Dunleavy, our former Vice President, Assistant General Counsel and Chief Compliance Officer, filed one late report concerning two transactions, and Mr. Rogowski filed one late report concerning one transaction.

MANNER AND EXPENSES OF SOLICITATION

This solicitation of proxies is made by the Board, and we will bear all solicitation costs. In addition to the solicitation of proxies by use of the mails, some of our officers, directors and other employees may also solicit proxies personally or by mail, telephone or telegraph, but they will not receive additional compensation for those services. We will request that brokerage firms, custodians, banks, trustees, nominees or other fiduciaries holding shares of our common stock in their names forward proxy material to their principals and will reimburse them for their reasonable out of pocket expenses.

VOTING PROCEDURES

We will appoint inspectors of election to tabulate the number of shares of common stock represented at the meeting in person or by proxy, to determine whether or not a quorum is present and to count all votes cast at the meeting.

Edgar Filing: WMS INDUSTRIES INC /DE/ - Form DEF 14A

The inspectors of election will treat abstentions and broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Votes withheld in connection with the election of one or more of the nominees for director will not be counted in determining the votes cast and will have no effect on the vote. With respect to the tabulation of votes cast on each proposal presented to the

21

stockholders at the meeting, abstentions will be considered as present and entitled to vote with respect to that specific proposal, whereas broker non-votes will not be considered as present and entitled to vote with respect to that specific proposal. Therefore, abstentions will have the affect of a vote against each proposal, but broker non-votes will have no effect on the vote for or against each proposal. Under NYSE rules, however, with respect to any proposal that is a prerequisite to listing of additional or new securities, the total vote cast on the proposal must represent at least a majority of all outstanding shares of our common stock entitled to vote on the proposal. With respect to these proposals, broker non-votes are not counted as part of the total vote cast on the proposal. The term "broker non-votes" commonly refers to shares held in street name for customers, where the broker does not have authority under NYSE rules to vote on its own initiative on particular items, and the broker has not received instructions from the beneficial owners.

HOW TO OBTAIN OUR ANNUAL REPORT ON FORM 10-K

We will provide without charge a copy of our annual report on Form 10-K for the fiscal year ended June 30, 2001, including financial statements and schedule, to each of our stockholders of record on December 3, 2001 and each beneficial owner of stock on that date, upon receipt of a written request mailed to our offices, 800 South Northpoint Boulevard, Waukegan, Illinois 60085, attention: Treasurer. In the event that exhibits to the Form 10-K are requested, a reasonable fee will be charged for reproduction of the exhibits. Please note that you can obtain our Form 10-K and all other documents that we file electronically, at the SEC's website: www.sec.gov. Requests from beneficial owners of common stock must set forth a good faith representation as to their ownership.

IT IS IMPORTANT THAT YOU RETURN THE ACCOMPANYING PROXY CARD PROMPTLY. THEREFORE, WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING IN PERSON, YOU ARE EARNESTLY REQUESTED TO MARK, DATE, SIGN AND RETURN YOUR PROXY IN THE ENCLOSED ENVELOPE TO WHICH NO POSTAGE NEED BE AFFIXED IF MAILED IN THE UNITED STATES.
