debentures, an equivalent number of non-detachable trust shares of beneficial interest in the P&O Princess Special Voting Trust, is amended to replace the first paragraph and the table under the heading "Selling Securityholders" on page 74 with the information in the following paragraph and table. We may further amend or supplement this table from time to time if necessary.

We originally sold the debentures to the initial purchaser in a private placement. The debentures were subsequently resold by the initial purchaser to purchasers, including the selling securityholders listed below, in transactions exempt from registration. The following table provides, as of June 4, 2004, the principal amount at maturity of debentures held by such selling securityholder, the number of shares of common stock beneficially owned by such securityholder prior to its conversion of any debentures and the number of shares of our common stock issuable upon conversion of the debentures. This information has been obtained from the selling securityholders.
