2001 ANNUAL MEETING OF SHAREHOLDERS

PROXY STATEMENT

This proxy statement contains information related to our Annual Meeting of Shareholders to be held on Friday, December 7, 2001, beginning at 11:00 a.m., at the E Com Ventures, Inc. Corporate Office, 11701 N.W. 101st Road, Miami, Florida 33178, and at any adjournments or postponements thereof. The approximate date that this Proxy Statement, the accompanying Notice of Annual Meeting and the enclosed Form of Proxy are first being sent to shareholders is November 7, 2001. You should review this information in conjunction with our 2000 Annual Report to Shareholders which accompanies this proxy statement.

ABOUT THE MEETING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At the Annual Meeting, shareholders will vote on the election of directors and ratification of the appointment of our independent public accountants. In addition, we will report on our performance and respond to questions from our shareholders.

WHO IS ENTITLED TO VOTE AT THE MEETING?

Only shareholders of record at the close of business on the record date, October 17, 2001, are entitled to receive notice of the Annual Meeting and to vote shares of our common stock that they held on that date at the meeting, or any postponements or adjournments of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted upon.

WHO CAN ATTEND THE MEETING?

All shareholders as of the record date, or their duly appointed proxies, may attend. If your shares are held in the name of your broker or bank, you will need to bring evidence of your stock ownership, such as your most recent brokerage statement, and valid picture identification.

WHAT CONSTITUTES A QUORUM?

The presence at the meeting, in person or by proxy, of the holders of a majority of all of the shares of common stock outstanding on the record date will constitute a quorum, permitting the meeting to conduct its business. As of the record date, 9,492,412 shares of our common stock were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting but will not be counted as votes cast "for" or "against" any given matter.

If less than a majority of outstanding shares entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

HOW DO I VOTE?

If you complete and properly sign the accompanying proxy card and return it to us, it will be voted as you direct. If you are a registered shareholder and you attend the meeting, you may deliver your completed proxy card in person. "Street name" shareholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. The recommendation of the Board of Directors is set forth with the description of each proposal in this proxy statement. In summary, the Board of Directors recommends a vote:

- o FOR the election of the nominated slate of directors;
- o FOR the ratification of the appointment of Deloitte and Touche LLP as our independent public accountants.

The Board of Directors does not know of any other matters that may be brought before the meeting nor does it foresee or have reason to believe that the proxy holders will have to vote for substitute or alternate Board of Directors nominees. In the event that any other matter should properly come before the meeting or any Board of Directors nominee is not available for election, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in accordance with their best judgment.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

ELECTION OF DIRECTORS. The affirmative vote (either in person or by proxy) of a plurality of the votes cast at the meeting is required for the election of directors. This means that candidates who receive the highest number of votes are elected. Abstentions and broker non-votes are not votes cast and are not counted in determining whether a nominee is elected. A properly executed proxy marked "WITHHOLD AUTHORITY" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders do not have the right to cumulate their votes for directors.

OTHER PROPOSALS. For each other proposal, the affirmative vote of a majority of the votes cast at the meeting (either in person or by proxy) will be required for approval. Abstentions and broker non-votes are treated as shares present or represented and entitled to vote on such matters and thus have the same effect as negative votes. A properly marked "ABSTAIN" with respect to any such matter will not be voted, although it will be counted for purposes of determining whether there is a quorum.

Edgar Filing: E COM VENTURES INC - Form DEF 14A

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be

2

acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

WHO PAYS FOR THE PREPARATION OF THE PROXY?

We will pay the cost of preparing, assembling and mailing the proxy statement, notice of meeting and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to the beneficial owners of our common stock and to request authority for the execution of proxies and we may reimburse such persons for their expenses incurred in connection with these activities.

Our principal executive offices are located at 11701 N.W. 101st Road, Miami, Florida 33178 and our telephone number is (305) 889-1600. A list of shareholders entitled to vote at the Annual Meeting will be available at our offices for a period of ten days prior to the meeting and at the meeting itself for examination by any shareholder.

3

However, if any of them should become unavailable to serve as director, the Board of Directors may designate a substitute nominee or the number of directors may be reduced in accordance with our By-laws. EMPLOYMENT AGREEMENTS AND SEVERANCE AGREEMENTS

Effective February 1, 1999, we entered into a 3-year employment agreement with Ilia Lekach pursuant to which he will receive an annual salary of \$400,000, subject to cost-of-living increases, or 5% if higher. The employment agreement provides that Mr. Lekach will continue to receive his annual salary until the expiration of the term of his employment agreement if his employment is terminated by us for any reason other than death, disability or cause (as defined in the employment agreement). The agreement contains a performance bonus plan which provides for additional compensation and grant of stock options if we meet certain net income levels. The employment agreement also prohibits Mr. Lekach from directly or indirectly competing with us during the term of his employment and for one year after termination of employment except in the case of our termination of employment without cause.

Effective December 1999, we entered into 3-year employment agreements with Marc Finer, Claire Fair and Donovan Chin pursuant to which they will receive an annual salary of \$215,000, \$160,000 and \$160,000, respectively, subject to specified increases. The employment agreements provide that Mr. Finer, Ms. Fair and Mr. Chin will continue to receive their salary until the expiration of the term of the employment agreements if their employment is terminated by us for any reason other than death, disability or cause (as defined in the employment agreements), as well as provisions for change in control. Mr. Finer's employment with the Company was terminated in June 2000.

Edgar Filing: E COM VENTURES INC - Form DEF 14A

Pursuant to his employment agreement, he will continue to receive his salary until November 2002. Ms. Fair resigned from the Company in March 2001.

Effective January 2000 and March 2000, we entered into 3-year employment agreements with A. Mark Young and Jeffrey Geller pursuant to which they will receive annual salaries of \$120,000 and \$155,000, respectively, subject to specified increases. The employment agreements provide that Mr. Young and Mr. Geller will continue to receive their salary until the expiration of the term of the employment agreements if their employment is terminated by us for any reason other than death, disability or cause (as defined in the employment agreements), as well as provisions for change in control.

DIRECTOR COMPENSATION

We maintain a policy of compensating our outside directors with an annual retainer of \$10,000 for serving as our directors, and compensating all of our directors using stock option grants pursuant to our stock option plans. Our Directors Stock Option Plan provides for an automatic grant of an option to purchase 2,000 shares of our common stock upon a person's election or appointment as a director and an automatic grant of options to purchase 4,000 shares of our common stock upon such person's re-election as a director. We reimburse our directors for all out-of-pocket expenses incurred in the performance of their duties as directors. We currently do not pay fees to our directors for attendance at meetings.

11

REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee reviews and approves the compensation of our executive officers, including salaries, bonuses and benefit plans. The Compensation Committee met once during the fiscal year ended February 3, 2001.

The policy of the Board of Directors is to maintain executive compensation at levels that will permit us to attract, motivate and retain individuals with superior managerial abilities. The levels of compensation are intended to reward individual initiative and achievement, while motivating our executives to increase shareholder value by improving our performance and profitability.

The base salaries of our Chief Executive Officer and all Named Executive officers have been fixed in accordance with the terms of their respective employment agreements which have been reviewed by the Compensation Committee. In reviewing base salaries, the Compensation Committee considers factors such as the responsibilities of the position, corporate progress toward achieving objectives and individual performance, experience and expertise. In determining our executive's overall compensation, the Compensation Committee also reviews certain compensation levels at other companies because the Compensation Committee believes that we compete for executive talent with companies in addition to those in our peer group. Additional criteria reviewed by the Compensation Committee in determining appropriate compensation levels include subjective factors related to corporate and individual performance. Pursuant to the terms of his employment agreement, Ilia Lekach received a bonus of \$80,000 for fiscal year 1999 which was paid during fiscal year 2000. This bonus was earned because specified net income levels were exceeded for fiscal year 1999.

Our Stock Option Committee reviews and approves the grant of options pursuant to the Company's 2000 Stock Option Plan. In furtherance of our executive compensation policies, stock options are considered an integral part

Edgar Filing: E COM VENTURES INC - Form DEF 14A

of our executives' overall compensation. The Compensation Committee believes that as an executive's level of responsibility increases, a greater portion of the total compensation opportunity should be based upon share ownership and other incentives and less upon base salary. Our executives' compensation pursuant to a stock option grant generally increases only to the extent the value of common stock underlying the stock options increases, therefore aligning the interest of our executive officers with our shareholders by tying long-term compensation with our growth and appreciation of shares. During the fiscal year ended February 3, 2001, we granted 75,000 stock options to Jerome Falic, 60,000 stock options to Jeffrey Geller and 50,000 stock options to A. Mark Young.

In addition to base salaries and option grants, the Compensation Committee may elect to award incentive bonuses as part of total compensation to executive officers who have rendered services during the year that substantially exceed those normally required or anticipated. These bonuses are intended to reflect the Compensation Committee's determination to reward any executive who, through extraordinary effort, has substantially benefited us during the year. No incentive bonuses were awarded during the fiscal year ended February 3, 2001.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

RELATIONSHIP WITH PARLUX. Parlux Fragrances, Inc. ("Parlux") is a public company engaged in the manufacture of fragrances. Ilia Lekach, our Chairman of the Board and Chief Executive Officer and one of our principal shareholders, is the Chairman of the Board of Parlux and beneficially owns approximately 26% of the outstanding common stock of Parlux. During the fiscal year ended February 3, 2001 we purchased approximately \$22,200,000 of merchandise from Parlux. We believe that our purchases of merchandise from Parlux were, except for credit terms, on terms no less favorable to us than could reasonably be obtained in arm's length transactions with independent third parties. The amount due to Parlux at February 3, 2001 was approximately \$13,413,000.

On October 4, 1999, Perfumania signed an \$8,000,000 subordinated note agreement with Parlux in exchange for a reduction of an equal amount of trade payables due to Parlux. During the remainder of fiscal year 1999 and for the first four months of fiscal year 2000, Perfumania made principal payments totaling \$4,500,000 and \$1,500,000, respectively. On June 1, 2000, Perfumania signed a \$5,000,000 subordinated note agreement with Parlux which included the refinancing of the \$2,000,000 balance due to Parlux remaining under the October 4, 1999 \$8,000,000 subordinated secured note, and a reduction of \$3,000,000 in trade payables due to Parlux. The note was due on December 29, 2000 with various periodic principal payments, bore interest at prime plus 1% and was subordinated to all bank related indebtedness. The note was repaid in full in December 2000.

On June 30, 2001, Perfumania signed a \$3,000,000 subordinated note agreement with Parlux. The note represents the reduction of \$3,000,000 in trade payables due to Parlux. The note is due on March 31, 2002 with monthly principal and interest payments beginning October 31, 2001, bears interest at prime plus 1% and is subordinated to all bank related indebtedness.

RELATIONSHIP WITH NIMBUS GROUP, INC. ("NIMBUS") FORMERLY TAKE TO AUCTION.COM, INC. Ilia Lekach, Chairman and Chief Executive Officer is also the Chairman of Nimbus, which reorganized its corporate structure and changed its name from Take To Auction.Com, Inc. ("Take To Auction") in September 2001, and beneficially owns 18% of the outstanding common stock of Nimbus. Horacio Groisman, M.D., one of our Directors served as the Vice Chairman of Nimbus from October 1999 until October 2001, and beneficially owns 8% of the outstanding common stock of Nimbus.

In December 1999, we loaned \$1,000,000 to Take To Auction.Com, Inc. ("Take To Auction") pursuant to the terms of a convertible note. Due to the uncertainty of collectability of the Note, we wrote off the Note and the related interest receivable which together totaled approximately \$1.0 million as of January 29, 2000. The related expense is included in the provision for impairment of assets and store closings in the consolidated statements of operations in fiscal year 1999. We converted the loan into 138,889 shares of Take To Auction common stock and, as a result of Take To Auction's successful initial public offering, the \$1.0 million principal balance and related interest previously expensed was reversed in the first quarter of fiscal 2000.

Edgar Filing: E COM VENTURES INC - Form DEF 14A

In March 2000, we loaned an additional \$1,000,000 to Take To Auction. The note was repaid in full in June 2000. In connection with both the December 1999 and March 2000 loans to Take To Auction, we were granted warrants (the "Warrants") to purchase a total of 200,000 shares of the common stock of Take To Auction at \$8 per share. The Warrants were exercisable in whole or in part at any time during the period June 13, 2000 through June 13, 2001 (the "exercise period"). We did not exercise any Warrants during the exercise period.

In October 2000, we entered into a six-month service agreement with Take To Auction to provide distribution and logistic functions for perfumania.com, our wholly-owned subsidiary. This

14

agreement will automatically renew for successive one-year terms unless otherwise terminated. This service agreement includes order processing, inventory management, warehousing, fulfillment and shipping of product. The service fee is variable based on volume of Take To Auction's sales, however, it includes monthly minimum fees if specified volume levels are not reached. Such fees range from \$11,000 to \$20,000 per month. Based on volume levels for fiscal year 2000, service fees totaled approximately \$72,000 and is included in miscellaneous income (expense) net, in the consolidated statements of operations in fiscal year 2000.

In October 2000, Take To Auction loaned us \$500,000. The loan was unsecured with interest at the rate charged by our major lender. The loan, including interest, was repaid in December 2000.

During fiscal year 2000, we purchased 314,000 shares of Take To Auction for approximately \$2.5 million. In January 2001, we received 250,000 shares of Take To Auction's common stock as partial payment on a loan receivable from Ilia Lekach, our Chairman of the Board and Chief Executive Officer. The payment amount was based on a per share price of \$1.01 which represents 90% of the closing price of Take To Auction's common stock for the 30 business days prior to transfer to us. As of February 3, 2001, we own approximately 703,000 shares of Take To Auction's common stock representing approximately 9.5% of their total outstanding shares.

RELATIONSHIP WITH GRUPO TULIN, INC. Grupo Tulin, Inc. ("Tulin") is a privately held company engaged in the distribution of fragrances. Zalman Lekach, one of our Directors, co-founded Tulin in June 2001. During the period June through October 2001, we purchased approximately \$1,425,000 of merchandise from Tulin. We believe that our purchases of merchandise from Tulin were on terms no less favorable to us than could be obtained in arm's length transactions with independent third parties. Amounts due to Tulin are non-interest bearing.

RELATIONSHIPS WITH CONVERTIBLE NOTE HOLDERS. In February 2001, we entered into a Convertible Note Option Repurchase Agreement (the "Agreement") with the holders of our outstanding Series A, B, C and D Convertible Notes. The agreement provides that we have the option to repurchase the total outstanding convertible notes over an eleven month period beginning February 2001, at a price equal to the unpaid principal balance plus a 20% premium. The portion of the notes redeemable in each of the eleven months varies as per a specified redemption schedule. In the event we exercise our option, the note holders are restricted from converting any part of the remaining outstanding and unpaid principal balance of such holder's notes into our common stock. As of October 31, 2001, we made payments of \$235,231 to Eisenberg Partners, L.L.C. ("Eisenberg") and \$967,941 to Mark A. Rice in connection with the Agreement.

Edgar Filing: E COM VENTURES INC - Form DEF 14A

Eisenberg beneficially owns all the shares of several convertible notes which collectively beneficially own 9.6% of our outstanding common stock. Mr. Rice beneficially owns 10.9% of our outstanding common stock.

RELATED PARTY INDEBTEDNESS. Notes receivable from Ilia Lekach, our Chairman of the Board and Chief Executive Officer, and Zalman Lekach, one of our Directors, were \$3,694,278 and \$150,000, respectively, as of February 3, 2001. The notes are unsecured, mature December 31, 2001 and bear interest at 8% per annum. Principal and interest are payable in full at maturity. Total interest income was approximately \$247,000 during fiscal year 2000. Accrued interest receivable at February 3, 2001 amounted to approximately \$12,000. In January 2001, we received 250,000 shares of common stock of Nimbus valued at \$252,500 as partial payment on the note receivable from Ilia Lekach as discussed above. In March 2001, we received a principal payment from Ilia Lekach of \$500,000. In June 2001 and August 2001, we received an interest payment of \$15,856 and a principal and interest payment of \$71,000, respectively, from Zalman Lekach.

15

In October 1999, Rachmil Lekach, one of our principal shareholders issued us an unsecured promissory note in the principal amount of \$756,000. Such note, including accrued interest, was repaid in April 2000. Rachmil Lekach is the brother of Ilia Lekach.

PROPOSAL 2 - RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The firm of PricewaterhouseCoopers LLP ("PwC") served as the Company's independent certified public accountants for the fiscal year ended January 30, 1999. On April 4, 2000, PwC notified the Company that upon completion of their audit of the Company's consolidated financial statements for the fiscal year ended January 29, 2000, they would resign as the Company's independent certified public accountants. PwC has previously audited the Company's consolidated financial statements for the fiscal years ended January 30, 1999 and January 31, 1998 ("prior fiscal years"). Their reports on such consolidated financial statements did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles, except for a modified opinion for the fiscal year ended January 30, 1999 relating to the Company's ability to continue as a "going concern". Further, in connection with its audit of the Company's financial statements for the prior fiscal years and through April 4, 2000, the Company had no disagreements with PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused them to make a reference to the subject matter of the disagreements in connection with its report on the consolidated statements of the Company for each of its prior fiscal years. The Board of Directors, on the recommendation of the Company's Audit Committee, selected Deloitte and Touche LLP as the Company's independent certified public accountants for both the fiscal years ended February 3, 2001 and February 2, 2002. One or more representatives of Deloitte and Touche LLP are expected to be present at the Annual Meeting. Such representatives will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from shareholders.

AUDIT FEES

The aggregate fees billed by Deloitte & Touche LLP for the audit of the Company's annual financial statements for the fiscal year ended February 3, 2001 and for its reviews of the financial statements included in the Company's Form 10-Q's for the fiscal year ended February 3, 2001, were approximately \$210,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The Company was not billed by Deloitte & Touche LLP for financial information systems design and implementation for the fiscal year ended February 3, 2001.

OTHER FEES

The aggregate of all other fees billed to the Company by Deloitte & Touche LLP were approximately \$28,000 for the fiscal year ended February 3, 2001. The audit committee has considered and determined that the fees paid to Deloitte & Touche LLP for other audit-related services is compatible with Deloitte & Touche LLP's independence.

KEY RESPONSIBILITIES AND PROCESSES

The primary responsibility of the Committee is to oversee the Company's financial reporting process on behalf of the Board and to report the results of the Committee's activities to the Board. The Committee recognizes that management shall be responsible for preparing the Company's financial statements and the independent certified public accountants shall be responsible for auditing those financial statements. The functions set forth below shall be the principal recurring activities of the Committee in carrying out its oversight function. In carrying out its responsibilities, however, the Committee shall remain flexible in order to best react to changing conditions and circumstances. The following functions are set forth as a guide with the understanding that the Committee may deviate from this guide and supplement these functions, as the Committee deems appropriate under the circumstances.

1. The Committee shall have a clear understanding with management and the independent certified public accountants that the independent certified public accountants are ultimately accountable to the Board and the Committee, as representatives of the Company's shareholders. The Committee and the Board shall have the ultimate authority and responsibility to select (or to nominate for shareholder approval) the independent auditors, to approve the fees to be paid to the independent auditors, to evaluate the performance of the independent auditors, and, if appropriate, to replace the independent auditors.
2. The Committee shall discuss with management and the independent auditors the overall scope and plans for the audit, including the adequacy of staffing and the compensation to be paid to the independent auditors. The Committee also shall discuss with management and the independent auditors the adequacy and effectiveness of the Company's accounting and financial controls, including the Company's system to monitor and management business risk, as well as legal and ethical compliance programs. To the extent the Committee deems it to be necessary, the Committee shall meet separately with the internal accounting staff and the independent auditors, with or without management present, as well as the Company's Chief Financial Officer

Edgar Filing: E COM VENTURES INC - Form DEF 14A

and other management personnel, to discuss the results of the Committee's examinations.

2

3. The Committee shall:
 - o ensure that the independent auditors submit annually a formal written statement delineating all relationships between the independent auditors and the Company, consistent with Independence Standards Board Standard No. 1, as such standard may be amended or supplemented from time to time;
 - o discuss with the independent auditors any such relationships or services provided by the independent auditors and their impact on the objectivity and independence of the independent auditors; and
 - o recommend that the Board take appropriate action to oversee the independence of the independent auditors.
4. The Committee shall review with management and the independent auditors the financial statements to be included in the Company's Annual Report on Form 10-K (or the Annual Report to Shareholders if distributed prior to the filing of the Form 10-K), including the auditors' judgment about the quality, not just acceptability, of the Company's accounting principles, the consistency of the Company's accounting policies and their application, and the clarity and completeness of the Company's financial statements and related disclosures. The Committee also shall discuss the results of the annual audit and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards, including SAS No. 61, as such might be amended or supplemented.
5. If so requested by the independent auditors or the Company's management, prior to the filing of the Company's Quarterly Report on Form 10-Q the Committee (as a whole or acting through the Committee chair) shall:
 - o review the interim financial statements with management and the independent auditors, and
 - o discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards, including Statement of Auditing Standards ("SAS") No. 71, as such may be amended or supplemented from time to time.
6. The Committee shall prepare the report required by the rules of the Securities and Exchange Commission to be included in the Company's Proxy Statement to be delivered to shareholders in connection with the Company's annual meeting of shareholders.
7. The Committee shall review with the independent auditors any problems or difficulties the auditors may have encountered and any management letter provided by the independent auditors and the Company's response to that letter. Such review should include:

- o any difficulties encountered in the course of the audit work, including any restrictions on the scope of activities or access to required information; and
 - o any changes required in the planned scope of the audit.
8. The Committee shall meet periodically with management to review the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures.

9. The Committee shall review with the Company's general counsel any legal matters that may have a material impact on the financial statements, the Company's compliance policies, and any material reports or inquiries received from regulators or governmental agencies.

With respect to the foregoing responsibilities and processes, the Committee recognizes that the Company's financial management, including its internal audit staff, if any, as well as the independent auditors, have more time, knowledge, and more detailed information regarding the Company than do Committee members. Consequently, in discharging its oversight responsibilities, the Committee will not provide or be deemed to provide any expertise or special assurance as to the Company's financial statements or any professional certification as to the independent auditors' work. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditors. Nor is it the duty of the Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditors, or to assure compliance with laws and regulations and the Company's internal policies and procedures.
