RISK FACTORS

You should carefully consider the risks described below before making a decision to invest in our common stock. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also constrain our business and operations.

If any of the matters included in the following risks were to occur, our business, financial condition, results of operations, cash flows or prospects could be materially adversely affected. In that case, the trading price of our common stock could decline and you could lose all or part of your investment.

WE CONTINUE TO BE THE SUBJECT OF GOVERNMENTAL INVESTIGATIONS AND LITIGATION WHICH COULD RESULT IN SANCTIONS AND JUDGMENTS THAT COULD ADVERSELY AFFECT OUR RESULTS OF OPERATIONS AND LIQUIDITY.

We continue to be the subject of governmental investigations and litigation relating to our business practices.

In December 2000, we entered into a Plea Agreement with the Criminal Division of the Department of Justice and various U.S. Attorney's Offices (which we will refer to as the plea agreement) and a Civil and Administrative Settlement Agreement with the Civil Division of the Department of Justice (which we will refer to as the civil agreement). The agreements resolve all Federal criminal issues outstanding against us and certain issues involving Federal civil claims by or on behalf of the government against us relating to diagnosis related group, or DRG, coding, outpatient laboratory billing and home health issues. Pursuant to the plea agreement, we paid the government \$95 million during the first quarter of 2001. The civil agreement was approved by the Federal District Court of the District of Columbia in August 2001. Pursuant to the civil agreement, we agreed to pay the government \$745 million plus interest, which was paid in the third quarter of 2001. Civil issues that are not covered by the civil agreement which remain outstanding include claims related to cost reports and physician relations issues. We also entered into a corporate integrity agreement with the Office of Inspector General of the Department of Health and Human Services, which is structured to assure the government of our overall Medicare compliance.

We remain the subject of a formal order of investigation by the Securities and Exchange Commission. We understand that the investigation includes the anti-fraud, insider trading, periodic reporting and internal accounting control provisions of the Federal securities laws.

While we are unable to predict the outcome of any of the investigations and litigation or the initiation of any additional investigations or litigation, were we to be found in violation of Federal or state laws relating to Medicare, Medicaid or similar programs or in breach of the corporate integrity agreement, we could be subject to substantial monetary fines, civil and criminal penalties

Edgar Filing: HCA INC/TN - Form 424B3

and/or exclusion from participation in the Medicare and Medicaid programs. Any such fines or penalties could require us to make significant additional payments, and any exclusion from participation in the Medicare and Medicaid programs could reduce our revenues.

THE COMPANY

HCA Inc. is a holding company whose affiliates own and operate hospitals and related health care entities. The term "affiliates" includes our direct and indirect subsidiaries and partnerships and joint ventures in which our subsidiaries are partners. As of December 31, 2001, these affiliates owned and operated 184 hospitals and 79 freestanding surgery centers and provided extensive outpatient and ancillary services. Our affiliates are also partners in several 50/50 joint ventures that own and operate six hospitals and three freestanding surgery centers which are accounted for using the equity method. Our facilities are located in 24 states, England and Switzerland.

Our primary objective is to provide a comprehensive array of quality health care services in the most cost-effective manner possible. Our hospitals provide a full range of medical services including such medical specialties as internal medicine, general surgery, cardiology, oncology, neurosurgery, orthopedics and obstetrics, as well as diagnostic and emergency services. We also provide outpatient and ancillary health care services at both our general, acute care hospitals and at our freestanding outpatient surgery and diagnostic centers, and rehabilitative facilities. In addition, we operate psychiatric hospitals which generally provide a full range of mental health care services in inpatient, partial hospitalization and outpatient settings.

We were formed in January 1990 as a Nevada corporation and reincorporated in Delaware in September 1993. Our principal executive offices are located at One Park Plaza, Nashville, Tennessee 37203, and our telephone number at that address is (615) 344-9551.

AGREEMENTS WITH CANADIAN INVESTMENTS

We are party to a \$500 million loan agreement among us, Canadian Investments, as lender, and Toronto Dominion (Texas), Inc., as administrative agent. The loan agreement provides for a \$350 million term loan and a \$150 million revolving credit loan. At December 31, 2001, there was outstanding \$250 million under the term loan and \$150 million under the revolving credit loan. We are obligated to make quarterly interest payments on these loans at a rate equal to LIBOR plus 125 basis points and to repay the principal of the loans on April 30, 2003. If an event of default occurs under the loan agreement or our loan repayment obligations thereunder are otherwise accelerated, then to the extent necessary to satisfy our obligations under the loan agreement, Canadian Investments may elect to sell up to 16,776,193 shares of our common stock.

Edgar Filing: HCA INC/TN - Form 424B3

Following our payment at maturity, prepayment or collateralization of our obligations under the loan agreement, we may direct Canadian Investments to sell up to 16,776,193 shares of our common stock and pay the proceeds to us. In connection with the loan agreement, we entered into a registration rights agreement to maintain an effective registration statement so as to facilitate such a sale under this prospectus.

USE OF PROCEEDS

The proceeds from the sale of the shares offered pursuant to this prospectus will be used to the extent necessary to satisfy our obligations under the loan agreement. In the event we direct Canadian Investments to sell shares of our common stock upon payment at maturity, prepayment or collateralization of our obligations under the loan agreement, or to the extent there are any remaining proceeds following application of the proceeds from the sale of shares to satisfy our obligations under the loan agreement, such proceeds are required to be delivered to us and we will use them for general corporate purposes.

6

PLAN OF DISTRIBUTION

Canadian Investments may sell up to 16,776,193 shares of our common stock from time to time in one or more transactions. The sales may be made on any national securities exchange or quotation service on which the shares may be listed at the time of sale or in the over-the-counter market or otherwise, at prices and at terms then prevailing or at prices related to the then current market price, or in privately negotiated transactions. Canadian Investments may effect such transactions by selling the shares to or through underwriters, broker-dealers or agents. The shares may be sold by one or more of, or a combination of, the following:

- a block trade in which the broker-dealer so engaged will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by such broker-dealer for its account pursuant to this prospectus;
- an exchange distribution in accordance with the rules of such exchange;
- ordinary brokerage transactions and transactions in which the broker solicits purchasers;
- in privately negotiated transactions; and
- in underwritten offerings.

To the extent required, this prospectus may be amended or supplemented from time to time to describe a specific plan of distribution. In addition, any securities covered by this prospectus which qualify for sale pursuant to Rule 144 promulgated under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

Broker-dealers or agents may receive compensation in the form of commissions, discounts or concessions from Canadian Investments. Broker-dealers or agents may also receive compensation from the purchasers of the shares for whom they act as agents or to whom they sell as principals, or both. Compensation as to a particular broker-dealer might be in excess of customary commissions and will be in amounts to be negotiated in connection with the sale. Broker-dealers or agents may be deemed to be "underwriters" within the meaning

Edgar Filing: HCA INC/TN - Form 424B3

of Section 2(a)(11) of the Securities Act in connection with the sale of shares. Since the proceeds from the sale of the shares offered pursuant to this prospectus will be used either to satisfy our obligations under the loan agreement or will be delivered to us, Canadian Investments will be selling the shares for our account and, accordingly, is deemed to be an "underwriter" within the meaning of Section 2(a)(11) of the Securities Act in connection with the sale of the shares pursuant to this prospectus. Any commission, discount or concession received by Canadian Investments, broker-dealers or agents and any profit on resale of the shares purchased by them may be deemed to be underwriting discounts or commissions under the Securities Act.

Canadian Investments has advised us that it has not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of the shares covered by this prospectus. There is no underwriter or coordinating broker acting in connection with the proposed sale of shares by Canadian Investments. The shares will be sold through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states the shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and complied with. We will make copies of this prospectus available to Canadian Investments and have informed Canadian Investments of the need for delivery of copies of this prospectus to purchasers or to the New York Stock Exchange, as applicable, at or prior to the time of any sale of the shares.

We will file a supplement to this prospectus, if required, pursuant to Rule 424(b) under the Securities Act upon being notified by Canadian Investments that any material arrangement has been entered into with a broker-dealer for the sale of shares through a block trade, special offering, exchange distribution or secondary

7

distribution or a purchase by a broker or dealer or through an underwritten offering. Such supplement will disclose:

- the name of the participating broker-dealer(s);
- the number of shares involved;
- the price at which such shares will be offered for sale;
- the commissions to be paid or discounts or concessions to be allowed to such broker-dealer(s), where applicable; and
- other facts material to the transaction.

Our registration rights agreement with Canadian Investments provides for our indemnification of Canadian Investments and its directors and officers, the underwriters and controlling persons of Canadian Investments or any underwriters against liabilities in connection with the offer and sale of the shares of our common stock, including liabilities under the Securities Act, and requires us to contribute to payments that such persons or entities may be required to make in respect of such liabilities.

We will bear all costs, expenses and fees in connection with the registration of the shares offered pursuant to this prospectus. Canadian Investments will pay all commissions and discounts, if any, attributable to the sales of the shares, unless we direct Canadian Investments to sell the shares, in which case we will pay any such commissions.
