Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On September 15, 2006, our wholly owned subsidiary, Core Communities, LLC (Core), entered into a revolving credit facility with Transamerica Life Insurance Company (Transamerica) for borrowings up to \$40,000,000, based on the appraised value of and other factors relating to approximately 2,950 acres in the Tradition Development in Port St. Lucie, Florida currently pledged to Transamerica. The revolving credit facility is guaranteed by Horizons Acquisition 5, LLC, a wholly owned subsidiary of Core which owns the 2,950 acres, and this guarantee is secured by the mortgage on the property. The facility includes a cross default provision with \$48,000,000 of mortgage notes payable to Transamerica incurred in connection with the acquisition of the property as disclosed in the notes to Levitt Corporation s financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2005. Advances under the facility bear interest at one month LIBOR plus a spread of 275 basis points. Accrued interest is due and payable monthly and all outstanding principal is due and payable on June 1, 2011. The credit facility includes customary conditions to funding, acceleration and limitations on prepayment provisions. The forgoing was in addition to the following indebtedness previously incurred which was not individually considered material.

On September 13, 2006, our wholly owned subsidiary, Levitt and Sons, LLC (Levitt and Sons), entered into a first modification agreement to its existing credit facility with Regions Bank (Regions). The modification increased the amount available for borrowing under the Regions Facility from \$35 Million to \$75 Million and amended the definition of Debt to exclude liabilities associated with inventory not owned in the event any such amounts are required to be recorded in accordance with Financial Accounting Standards Board Interpretation No. 46(R), which clarified the application of Accounting Research Bulletin No. 51. All other material terms of the Regions Facility, as summarized in our Form 8-K filed with the Securities and Exchange Commission on January 11, 2006, remain unchanged.
