Item 1.01 Entry into a Material Definitive Agreement

On November 8, 2007, ProxyMed, Inc. d/b/a MedAvant Healthcare Solutions, a Florida corporation (the Company) entered into a Stock Purchase Agreement (the Agreement) pursuant to which the Company agreed to sell its National Preferred Provider Network (NPPN) to a subsidiary of Coalition America, Inc., a Georgia corporation (CAI) for \$23.5 million in cash. Proceeds at closing will be \$20.5 million subject to adjustment for net working capital as of the closing with \$3 million of the purchase price placed in escrow. The transaction is expected to close in the first quarter of 2008, subject to required regulatory approvals and customary closing conditions.

The transaction is structured as the sale of all of the equity interests in the following subsidiaries of the Company: PlanVista Solutions, Inc. (f/k/a National Preferred Provider Network, Inc.), a New York corporation (PSI), National Network Services, LLC (f/k/a National Network Services, Inc.), a Delaware limited liability company (NNS), PlanVista Corporation (f/k/a HealthPlan Services Corporation), a Delaware corporation (PlanVista), Medical Resource, LLC, a Delaware limited liability company (Medical Resource) and National Provider Network, Inc., a Delaware corporation (National Provider). These subsidiaries combine to comprise NPPN.

The parties to the Agreement have made customary representations, warranties and covenants, including, among others, that the Company will (i) conduct NPPN in the ordinary course consistent with past practice during the interim period between the execution of the Agreement and the closing of the transactions contemplated thereby and (ii) not engage in certain types of transactions during such period. The Agreement also contains post-closing indemnification obligations for, among other matters, breaches of representations or warranties.

There are representations and warranties contained in the Agreement which were made by the parties to each other as of specific dates. The assertions embodied in these representations and warranties were made solely for purposes of the Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating its terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to shareholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. Therefore, you should not rely on the representations and warranties contained in the Agreement as statements of factual information.
