To Be Held May 18, 2004**

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of STAAR Surgical Company, a Delaware corporation (referred to as the Company, we, our or us), for use at our annual meeting of stockholders (the Annual Meeting) to be held at the Four Points Sheraton, located at 700 West Huntington Drive, Monrovia, California 91016 on Tuesday, May 18, 2004, at 10:00 a.m. (California time), and at any continuation, adjournment or postponement of the Annual Meeting. Only stockholders of record (the Stockholders) at the close of business on March 31, 2004 (the Record Date) are entitled to notice of and to vote, in person or by proxy, at the Annual Meeting or any continuation, adjournment or postponement thereof. The Notice of Annual Meeting, this Proxy Statement and the accompanying proxy card are being mailed to Stockholders on or about April 2, 2004.

Matters to be Considered

The matters to be considered and voted upon at the Annual Meeting will be:

- 1. Election of Directors.** To elect two persons to serve as Class III directors of the Company until the annual meeting of stockholders to be held in 2007, or until their successors have been elected and qualified. The Board of Directors nominees are John R. Gilbert and David Morrison.
- 2. Ratification of Appointment of Independent Auditors.** To ratify the appointment of BDO Seidman, LLP as the Company s independent auditors for the year ending December 31, 2004.
- 3. Other Business.** To transact such other business as properly may come before the Annual Meeting or any continuation, adjournment or postponement thereof.

Method of Voting

Stockholders can vote by proxy or by attending the Annual Meeting and voting in person. A proxy card (the Proxy) is enclosed. If you vote by means of the Proxy, the Proxy must be completed, signed and dated by you or your authorized representative. The completed Proxy may be returned in the postage-paid envelope provided, or by facsimile to the Inspectors of Elections at (626) 358-3049. David Bailey and John Bily, the designated proxyholders (the Proxyholders), are members of the Company s management. If you hold Common Stock in street name, you must either instruct your broker or nominee as to how to vote such shares or obtain a proxy, executed in your favor by your broker or nominee, to be able to vote at the Annual Meeting.

Table of Contents

If a Proxy is properly signed, dated and returned and is not revoked, the Proxy will be voted at the Annual Meeting in accordance with the Stockholder's instructions indicated on the Proxy. If no instructions are indicated on the Proxy, the Proxy will be voted FOR the election of the Board of Directors' nominees, FOR the appointment of BDO Seidman, LLP as our independent auditors for the fiscal year ending December 31, 2004 and in accordance with the recommendations of the Board of Directors as to any other matter that may properly be brought before the Annual Meeting or any continuation, adjournment or postponement thereof.

Revocability of Proxies

Any Stockholder giving a Proxy has the power to revoke it at any time before it is exercised. A Stockholder may revoke a proxy by filing an instrument of revocation, or a duly executed proxy bearing a later date, with the Company's Secretary at our principal executive offices located at 1911 Walker Avenue, Monrovia, California 91016 prior to the commencement of the Annual Meeting. A Stockholder may also revoke the Proxy by attending the Annual Meeting and voting in person. Stockholders whose shares are held in street name should consult with their broker or nominee concerning the method for revoking their proxy.

Voting Rights

At the close of business on the Record Date, there were 18,411,190 shares of Common Stock outstanding, which constitute all the outstanding voting securities of the Company. Each Stockholder is entitled to one vote, in person or by proxy, for each share of Common Stock standing in his or her name on the books of the Company at the close of business on the Record Date, on each matter presented to the Stockholders at the Annual Meeting. Stockholders may not cumulate votes in the election of directors.

A majority of the shares of Common Stock issued and outstanding and entitled to vote at the Annual Meeting, present either in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Votes withheld, abstentions and broker non-votes (as defined below) will be counted for purposes of determining the presence of a quorum.

In the election of directors, the candidates receiving the highest number of votes, up to the number of directors to be elected, will be elected. Our Certificate of Incorporation and our Bylaws divide our Board of Directors into three classes, with each class to be elected for a three-year term on a staggered basis.

Each proposal described in this Proxy Statement, other than the election of directors, requires the affirmative vote of a majority of the outstanding shares of Common Stock present, in person or by proxy, and entitled to vote at the Annual Meeting. An abstention on any proposal submitted to the Stockholders, other than the election of directors, will be included in the number of votes cast on that proposal and, accordingly, will have the effect of a vote AGAINST the proposal. However, broker non-votes with respect to a proposal will not be included in the number of shares counted as being present for the purpose of voting on that proposal and, accordingly, will have the effect of reducing the number of affirmative votes required to approve the proposal.

Brokers holding Common Stock in street name who are members of a stock exchange are required by the rules of the exchange to transmit this Proxy Statement to the beneficial owner of the Common Stock and to solicit voting instructions with respect to the matters submitted to the Stockholders. If the broker has not received instructions from the beneficial owner by the date specified in the statement accompanying such material, the broker may give or authorize the giving of a Proxy to vote the Common Stock at his discretion in the election of directors or the appointment of independent auditors. However, brokers or nominees do not have discretion to vote on certain other proposals without specific instructions from the beneficial owner. When a broker or nominee votes a client's shares on some but not all proposals, the missing votes are referred to as broker non-votes. If you hold Common Stock in street name and you fail to instruct your broker or nominee as to how to vote such shares, your broker or nominee may, in its discretion, vote such shares FOR the election of the Board of Directors' nominees and FOR the appointment of BDO Seidman, LLP as the Company's independent auditors.

Solicitation of Proxies

This Proxy solicitation is made by the Board of Directors of the Company, and the Company will bear the costs of this solicitation, including the expense of preparing, printing, assembling and mailing this Proxy Statement and any other material used in this solicitation of Proxies. If it appears desirable to do so to ensure adequate representation at the Annual Meeting, officers and regular employees may communicate with Stockholders, banks, brokerage houses, custodians, nominees and others by telephone, facsimile, e-mail or in person to request that Proxies be furnished. No additional compensation will be paid for these services. We will furnish copies of solicitation materials to banks, brokerage houses, custodians, nominees, and others to be forwarded to the beneficial owners of Common Stock held in their names. We will reimburse banks, brokerage firms and other persons representing beneficial owners of Common Stock for their reasonable expenses in forwarding solicitation materials to the beneficial owners.

Other Business

As of the date of this Proxy Statement, the Board of Directors knows of no business to be presented for consideration at the Annual Meeting other than as stated in the Notice of Annual Meeting. If, however, other matters are properly brought before the Annual Meeting, including a motion to adjourn the Annual Meeting to another time or place in order to solicit additional proxies in favor of the recommendations of the Board of Directors, the Proxyholders intend to vote the shares represented by the Proxies on such matters in accordance with the recommendation of the Board of Directors, and the authority to do so is included in the Proxy.

Gilbert and David Morrison serve as our Class III directors, and are subject to re-election at this Annual Meeting, to serve until the annual meeting of stockholders to be held in 2007 or until their successors have been elected and qualified.

Each nominee has indicated his willingness to serve and, unless otherwise instructed, the Proxyholders will vote the Proxies received by them for the Board of Directors nominees. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting or any continuation, postponement or adjournment thereof, the Proxies will be voted for any other nominee(s) the current Board of Directors designates to fill the vacancy. The current members of the Nominating, Governance and Compensation Committee are Volker D. Anhaeusser, John R. Gilbert and David Morrison. Each member of the Nominating, Governance and Compensation Committee is independent as that term is defined under Rule 4200A(a)(14) of the Nasdaq Marketplace Rules. Beginning on the date of the Annual Meeting, the Nominating, Governance and Compensation Committee must be comprised solely of independent directors under the new Nasdaq Rule 4200(a)(15). Because Mr. Morrison received compensation as a consultant in excess of \$60,000 in fiscal years 2001 and 2002, he will not be deemed independent under Rule 4200(a)(15) and will not continue to serve on the committee when it is constituted at the meeting of the Board of Directors following the Annual Meeting.

The principal purposes of the committee are to help ensure that (A) the Board of Directors is appropriately constituted to meet its fiduciary obligations to stockholders and the Company, (B) the Company has and follows appropriate governance standards, and (C) the executive officers of the Company and its subsidiaries are compensated in a manner consistent with (i) the compensation strategy of the Company determined by the Board of Directors, (ii) treatment of all executive officers in an equitable and consistent manner, (iii) the Company's need to compete in recruiting and retaining qualified executive officers, and (iv) the requirements of the appropriate regulatory bodies.

To carry out its purpose with respect to nominations and governance, the committee (i) identifies individuals qualified to become members of the Board of Directors, consistent with criteria approved by the Board of Directors, (ii) selects the director nominees for the next annual meeting of stockholders, (iii) develops and recommends to the Board of Directors corporate governance principles applicable to the Company, and (iv) oversees the evaluation of the Board of Directors and management. For further information concerning the criteria and procedures for selecting director nominees, see "Nominating Procedures and Criteria" below.

The current members of the Audit Committee are Donald Duffy, who serves as the chairman of the committee, John R. Gilbert and Volker Anhaeusser. Each member of the Audit Committee is independent as that term is defined under the rules of the Nasdaq and the SEC. The principal purposes of the Audit Committee are to oversee (i) the quality and integrity of the Company's financial statements, (ii) the qualifications and independence of the Company's independent auditors, and (iii) the performance of the Company's independent auditors. Effective March 15, 2004, the committee recommended, and the Board of Directors adopted, a revised charter for the Audit Committee, a copy of which is attached to this Proxy Statement as Appendix B. The current members of the Litigation Committee are David Bailey, John R. Gilbert and Volker Anhaeusser. The Litigation Committee did not meet during 2003.

Nominating Procedures and Criteria

Among its functions, the Nominating, Governance and Compensation Committee considers and approves nominees for election to the Board of Directors. The Nominating, Governance and Compensation Committee operates under a written charter adopted on March 15, 2004, a copy of which is attached to this Proxy Statement as Appendix A, which will become effective on the date of the Annual Meeting.

In addition to the candidates proposed by the Board of Directors or identified by the committee, the committee considers candidates for director suggested by our stockholders, provided the recommendations are made in accordance with the procedures required under our Bylaws and described in this Proxy Statement under the heading GENERAL INFORMATION Procedures for Stockholder Nominations. Stockholder nominations that comply with these procedures and that meet the criteria outlined below will receive the same consideration that the committee's nominees receive.

Essential criteria for all candidates considered by the committee include the following: integrity and ethical behavior; maturity; management experience and expertise; independence and diversity of thought; broad business or professional experience; and an understanding of business and financial affairs, and the complexities of business organizations.

In evaluating candidates for certain Board positions, the committee evaluates additional criteria, including the following: financial or accounting expertise; experience in the medical device industry or other regulated industries; scientific accomplishment in medicine, physiology or medical devices; experience in commercializing and marketing ophthalmic devices; other medical devices or pharmaceuticals; business and other experience relevant to public companies of a size comparable to the Company; and experience in investment banking, commercial lending or other financing activities.

In selecting nominees for the Board of Directors, the committee evaluates the general and specialized criteria set forth above, identifying the relevant specialized criteria prior to commencement of the recruitment process, considers previous performance if the candidate is a candidate for re-election, and generally considers the candidate's ability to contribute to the success of the Company.

- (1) The potential realizable dollar value of any given option is the difference between (i) the fair market value of the stock underlying such option as of the date of grant, adjusted to reflect hypothetical 5% and 10% annual growth rates applying simple interest from the date of grant of such option until the expiration date of such option, and (ii) the exercise price for such option. The 5% and 10% are hypothetical growth rates prescribed by the SEC for illustration purposes only and are not a forecast or prediction as to future stock prices. The actual amount that a named executive officer may realize will depend on various factors on the date the option is exercised, so there is no assurance that the value realized by a named executive officer will be at or near the value set forth above in the chart.
- (2) All options were granted at fair market value on the date of grant as defined by the 2003 Omnibus Plan, and first become exercisable in three equal installments on each of the first three anniversaries of the date of grant. Vesting may be accelerated based on achievement of performance goals as specified by the Compensation Committee of the Board of Directors.
- (3) No SARs were granted to the named executive officers in 2003.
- (4) The numerator in calculating this percentage includes options granted to each named executive officer in his or her capacity both as an officer (employee) and, if applicable, as a director. The denominator in calculating this percentage is 418,000, which represents the number of shares subject to all options granted to all employees of the Company, including the named executive officers, which includes, if applicable, options granted to them in their capacity as directors.

Table of Contents**Option Exercises and Holdings**

During 2003, Mr. Bailey exercised options to purchase 10,000 shares of Common Stock at price per share of \$3.35, which were immediately sold at a market price of \$11.65 per share. Other than by Mr. Bailey, no options were exercised by any named executive officer in 2003.
- (2) The dollar values are calculated by determining the difference between the fair market value of the securities underlying the options and the price of the options at exercise.
- (3) The dollar value provided represents the cumulative difference in the fair market value of the Common Stock underlying all in-the-money options as of the last day of the 2003 fiscal year and the exercise prices for such options. Options are in-the-money if the fair market value of the underlying Common Stock as of the last day of the 2003 fiscal year exceeds the exercise price of such options. The fair market value of the Common Stock for purposes of this calculation is \$11.12, based on the closing price for the Company's stock as quoted on the Nasdaq National Market on January 2, 2004, the last day of the Company's 2003 fiscal year.

REPORT OF THE COMPENSATION COMMITTEE

The Report of the Compensation Committee of the Board of Directors shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 (the "Securities Act") or under the Securities Exchange Act of 1934 (the "Exchange Act"), except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

General. During 2003, the Compensation Committee was comprised of David Morrison, John R. Gilbert and Volker Anhaeusser. The Compensation Committee establishes specific awards under our equity plans, such as stock options, and determines the compensation for the Company's executive officers. Executive compensation can include salary, bonus, and option grants as well as other perquisites that vary with the level of responsibility.

In determining the compensation for a particular executive officer, the Compensation Committee was guided in 2003 by the following objectives:

attracting and retaining officers by maintaining competitive compensation packages; and

motivating officers to achieve and maintain superior performance levels.

The Compensation Committee believes that total compensation for executive officers should be sufficiently competitive with compensation paid by companies of similar size and market place position.

Base Compensation. Base pay is baseline cash compensation and is determined by market forces. The Compensation Committee sets base pay based on what it believes is comparable to compensation paid by companies of similar size and market place position.

Annual Cash Bonuses. The Compensation Committee, in its sole discretion, approves the payment of bonuses from time to time to the Company's employees, including its executive officers, as an incentive to influence employees to be productive over the course of each fiscal year. The determination of which executive officers should receive a bonus and what the amount of the bonus should be is based on a subjective analysis of the executive's level of responsibility, performance of duties and attainment of performance goals, and also takes into consideration other types and amounts of compensation paid to the executive, such as commissions.

Long-term Stock Ownership Plans. During 2003, the Company had several active stock plans in place for employees, officers and directors including the STAAR Surgical Company 2003 Omnibus Equity Incentive Plan (the "2003 Omnibus Plan"), the 1998 STAAR Surgical Company Stock Plan, the 1996 STAAR Surgical Company Non-Qualified Stock Plan, the 1991 Stock Option Plan of STAAR Surgical Company and the STAAR Surgical Company Stock Option Plan and Agreement for Chief Executive Officer. From time to time the Company has also issued non-qualified options that were not part of a formal plan. With the exception of the 1996 STAAR Surgical Company Non-Qualified Stock Plan and non-qualified options that were not part of a formal plan, the stockholders of the Company have approved these plans. The plans afford the Company the ability to make stock grants and to grant incentive stock options, non-qualified stock options, and stock appreciation rights to, among others, the Company's directors, officers and employees.

On June 25, 2003, our stockholders approved the 2003 Omnibus Plan to allow the Company to consolidate existing incentive plans in to one incentive plan. On approval of the 2003 Omnibus Plan, all prior plans were amended and incorporated into the 2003 Omnibus Plan. Outstanding options under the prior plans

Table of Contents

and shares available for future issuance under the prior plans will now be covered by the 2003 Plan. However, the substantive terms of outstanding options issued under the prior plans will not be changed and will continue to be governed by the terms of the plans under which they were originally issued.

The Compensation Committee's objective is to grant stock or options to purchase stock under its stock plans subject to vesting conditions based on continued employment. These vesting requirements are intended to create a more productive workforce by acting as an inducement for long-term employment with the Company, thereby lending stability to our employee base and encouraging more long-term productivity by our employees as they see their efforts translate into greater share value.

Compensation for Chief Executive Officer. Mr. Bailey's compensation is described in the section of this Proxy Statement entitled Employment Agreements. Mr. Bailey's base compensation of \$350,000 was based on competitive market forces, his extensive experience in the ophthalmic products industry and his successful management of the surgical division of CIBA Vision Corporation, a private company with over \$1 billion in revenues.

During 2003, the Compensation Committee recommended, and the Board of Directors approved, the grant of an option to Mr. Bailey allowing him to purchase 140,000 shares of the Company's Common Stock at \$3.60 per share, the fair market value of the Common Stock on the date of grant as defined by the 2003 Omnibus Plan. These options vest over in three equal annual installments, with the first vesting one year from the date of grant, and allow for the acceleration of vesting based on the achievement of performance milestones. On February 27, 2004, the Compensation Committee approved the accelerated vesting of 50,000 of these options based on the Company receiving an expedited review of the ICL Pre-Market Approval Application by the U.S. Food and Drug Administration.

In addition to his compensation as Chief Executive Officer, Mr. Bailey is entitled to stock options on reelection to the Board of Directors. Accordingly, on May 30, 2002, Mr. Bailey received options to purchase 60,000 shares of our Common Stock at an exercise price of \$5.19. These options vest in three equal amounts of 20,000 shares during each year of service with the first vesting on the date of grant.

The Compensation Committee also granted Mr. Bailey a bonus of \$50,000 for the 2003 fiscal year and early in 2003, granted Mr. Bailey 42,254 shares of stock at a market price of \$3.55 for an aggregate amount of \$150,000, as payment of bonuses earned in 2001 and 2002.

Policy under Section 162(m) of the Internal Revenue Code. The Compensation Committee has not formulated a policy in qualifying compensation paid to executive officers for deductibility under Section 162(m) of the Internal Revenue Code, and does not foresee the necessity of doing so in the near future. Should limitations on the deductibility of compensation become a material issue, the Compensation Committee will, at such time, determine whether such a policy should be implemented, either in general or with respect to specific transactions.

On March 15, 2004, the Board of Directors changed the name of this committee to the Nominating, Governance and Compensation Committee and, on this committee's recommendation, adopted a written charter for this committee. A copy of the charter is attached hereto as Appendix A.

2003 Omnibus Equity Incentive Plan

The 2003 Omnibus Equity Incentive Plan (the "2003 Omnibus Plan") was adopted by the Board of Directors on May 14, 2003 and approved by the stockholders on June 25, 2003, as a new plan and as a consolidation of the Company's existing incentive plans. 4,913,629 shares of Common Stock were authorized for awards under the 2003 Omnibus Plan, consisting of 1,000,000 newly available shares, and 3,913,629 shares that were already available or subject to outstanding awards under the 1991 Stock Option Plan of STAAR Surgical Company, the 1995 STAAR Surgical Company Consultant Stock Plan, the 1996 STAAR Surgical Company Non-Qualified Stock Plan, the 1998 STAAR Surgical Company Stock Plan and the STAAR Surgical Company Stock Option Plan and Agreement for Chief Executive Officer (the "Prior Plans"). The 2003 Omnibus Plan also provides that on each January 1 during the life of the plan the number of shares of Common Stock available for awards will automatically increase by a number of shares equal to 2% of the Company's outstanding Common Stock, up to a maximum of 1,586,371 additional shares, and a maximum total of 6,500,000 shares issuable pursuant to incentive stock options.

The 2003 Omnibus Plan is administered by the Compensation Committee of the Board of Directors (the "Committee"). Employees, non-employee directors, and consultants of the Company and its subsidiaries are eligible to participate in the 2003 Omnibus Plan. Awards available under the 2003 Omnibus Plan include stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards and other stock-based awards that may be approved by the Committee. Stock options under the 2003 Omnibus Plan may either be issued in a form intended to qualify as incentive stock options ("ISOs") within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or non-qualified options, which are not intended to satisfy Section 422 of the Code. Awards granted under the 2003 Omnibus Plan may generally not be transferred except by will or the laws of descent.

While the Committee has the discretion to determine the exercise price of options under the 2003 Omnibus Plan, an option intended to be an ISO may not be priced at less than 100% of fair market value on the date of grant. No ISO may be granted under the 2003 Omnibus Plan to any person who, at the time of the grant, owns (or is deemed to own) stock possessing more than 10% of the total combined voting power of the Company or any affiliate of the Company, unless the option exercise price is at least 110% of the fair market value of the stock subject to the option on the date of the grant and the term of the option does not exceed five years from the date of the grant. In general, stock options issued under the 2003 Omnibus Plan may not have a term in excess of ten years from the date of grant.

The 2003 Omnibus Plan will terminate on May 13, 2013, unless terminated earlier by the Board Of Directors.

Securities Act or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Audit Committee of the Board of Directors is currently composed of three directors who are independent directors as defined under Rules 4200A(a)(14) and 4200(a)(15) of the Nasdaq Rules and applicable SEC rules. The Audit Committee operates under a written charter adopted by the Board of Directors.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management is responsible for the Company's financial statements and the financial reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on whether the Company's financial statements fairly present, in all material respects, the Company's financial position and results of operations and conform with generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements that have been included in our Annual Report on Form 10-K for the year ended January 2, 2004.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management including the matters in the written disclosures provided to the Audit Committee as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*.

The Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, the inclusion of the audited financial statements in the Annual Report on Form 10-K for the 2003 fiscal year for filing with the Securities and Exchange Commission. The Audit Committee has recommended the selection of BDO Seidman, LLP, as our independent auditor for the fiscal year ending December 31, 2004, subject to approval by the Stockholders at the Annual Meeting.

The Audit Committee considered whether the fees paid the auditors for non-audit services were compatible with maintaining the auditors' independence, and concluded that they were. These fees are listed below under the caption Independent Public Accountants.

On March 15, 2004, the Board of Directors approved a revised charter for the Audit Committee based on recommendations by the Committee. A copy of the charter, as revised, is attached to this Proxy Statement as Appendix B.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act, as amended (the Exchange Act), and the SEC's rules thereunder, require our directors, executive officers and persons who own more than 10% of our Common Stock to file reports of ownership and changes in ownership of our Common Stock with the SEC and to furnish to us copies of all reports they file. The SEC has established specific due dates for these reports and requires the Company to report in this Proxy Statement any failure by these persons to file or failure to file on a timely basis.

To our knowledge, based solely on a review of the copies of such reports received or written representations from the reporting persons, we believe that during our 2003 fiscal year our directors, executive officers and persons who own more than 10% of our Common Stock complied with all Section 16(a) filing requirements.

Table of Contents**PROPOSAL NO. 2
RATIFICATION OF INDEPENDENT AUDITOR**

The Board of Directors, upon the recommendation of the Audit Committee, has selected BDO Seidman, LLP to serve as our independent auditors for the fiscal year ending December 31, 2004.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN, LLP AS OUR INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING DECEMBER 31, 2004.

INDEPENDENT PUBLIC ACCOUNTANTS

Representatives of BDO Seidman, LLP, the independent auditors for the Company for fiscal 2003, will be present at the Annual Meeting and will have an opportunity to make a statement and to respond to appropriate questions.

The Company paid the following fees to BDO Seidman, LLP during fiscal 2003 and 2002:

	<u>2003</u>	<u>2002</u>
Audit fees	\$ 344,000	\$ 299,000
Audit-related fees	129,000	48,000
Tax-related fees	3,000	97,000
All other fees		

The audit fees for the years ended January 2, 2004 and January 3, 2003, were for professional services rendered for the audits of the consolidated financial statements of the Company, statutory audits, consents and assistance with review of documents filed with the SEC.

The audit-related fees for the year ended January 2, 2004 and January 3, 2003, were mainly for consultations concerning financial accounting and reporting standards and assurance services related to employee benefit plan audits.

Tax-related fees for the years ended January 2, 2004 and January 3, 2003, were for services related to tax compliance, including for the year ended January 3, 2003 the preparation of domestic and foreign income and non-income tax returns and assistance with claims for refunds.

The Audit Committee administers the Company's engagement of BDO Seidman, LLP and pre-approves all audit and permissible non-audit services on a case-by-case basis. In approving non-audit services, the Audit Committee considers whether the engagement could compromise the independence of BDO Seidman, LLP, and whether for reasons of efficiency or convenience it is in the best interest of the Company to engage its independent auditor to perform the services. The audit committee has determined that performance by BDO Seidman, LLP of the non-audit services related to the fees on the table above did not affect their independence.

Prior to engagement, the Audit Committee pre-approves all independent auditor services. The fees are budgeted and the Audit Committee requires the independent auditor and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent auditor for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent auditor.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.
