PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 22, 2003

GENERAL INFORMATION

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of the Company to be voted at the annual meeting of shareholders of the Company to be held at The Manor, 24111 Tungsten Road, Euclid, Ohio, on Thursday, May 22, 2003, at 10:00 A.M., Cleveland Time, and any and all adjournments, postponements or continuations thereof. This proxy statement and the accompanying Notice of 2003 Annual Meeting of Shareholders and proxy are first being mailed to shareholders on or about April 14, 2003. A shareholder giving a proxy may revoke it, without affecting any vote previously taken, by a later appointment received by the Company or by giving notice to the Company in writing or in open meeting. Attendance at the meeting will not in itself revoke a proxy. Shares represented by properly executed proxies will be voted at the meeting. If a shareholder has specified how the proxy is to be voted with respect to a matter listed on the proxy it will be voted in accordance with such specifications, and if no specification is made the executed proxy will be voted "FOR" the election of the nominees for directors. The Company's Articles of Incorporation do not provide for cumulative voting in the election of directors.

The record date for the determination of shareholders entitled to notice of and to vote at the 2003 annual meeting is March 27, 2003. As of March 27, 2003, there were issued and outstanding 10,496,191 shares of the Company's common stock, par value \$1.00 per share (the "Common Stock"). Each share has one vote.

So far as the Company is aware, no matters other than those described in this proxy statement will be presented to the meeting for action on the part of the shareholders. If any other matters are properly brought before the meeting, of which we did not have notice of on or prior to March 1, 2003, or that applicable law otherwise permits proxies to vote on a discretionary basis, it is the intention of the persons named in the accompanying proxy to vote the shares to which the proxy relates thereon in accordance with their best judgment. Abstentions and broker non-votes will be counted as present at the meeting for purposes of determining a quorum, but will not be counted as voting, except as otherwise required by law and indicated herein.

The cost of soliciting proxies, including the charges and expenses incurred by persons holding shares in their name as nominee for the forwarding of proxy materials to the beneficial owners of such shares, will be borne by the Company. Proxies may be solicited by officers and employees of the Company, by letter, by telephone or in person. Such individuals will not be additionally compensated but may be reimbursed by the Company for reasonable out-of-pocket expenses incurred in connection therewith. In addition, the Company has retained Morrow & Co., Inc., a professional proxy soliciting firm, to assist in the solicitation of proxies and will pay such firm a fee, estimated to be \$4,000, plus reimbursement of out-of-pocket expenses.

ELECTION OF DIRECTORS

Edgar Filing: PARK OHIO HOLDINGS CORP - Form DEF 14A

GENERAL

The authorized number of directors of the Company is presently fixed at nine, divided into three classes of three members, respectively. The directors of each class are elected for three-year terms so that the term of office of one class of directors expires at each annual meeting. Proxies may only be voted for the nominees identified in the section entitled "Nominees for Election."

The class of directors to be elected in 2003, who will hold their positions for a term of three years and until the election of their successors, has been fixed at three. Unless otherwise directed, proxies in the accompanying form will be voted in favor of electing to that class: Matthew V. Crawford, Lewis E. Hatch, Jr. and Lawrence O. Selhorst. Messrs. M. Crawford, Hatch and Selhorst have previously been elected as directors by you. The persons named in the accompanying proxy will vote the proxies received by them (unless authority to vote is withheld) for the election of Matthew V. Crawford, Lewis E. Hatch, Jr. and Lawrence O. Selhorst. If any nominee is not available at the time of election, the proxy holders may vote in their discretion for a substitute or such vacancy may be filled later by the Board. The Company has no reason to believe any nominee will be unavailable.

As a result of Mr. E. Crawford moving to the class of directors to be elected in 2002 and the resignation of Mr. T.E. McGinty, two vacancies exist in the class of directors whose term expires in 2004, since suitable candidates have not been identified to fill those vacancies. However, a search continues for qualified directors.

RECOMMENDATION AND VOTE REQUIRED

The affirmative vote of a plurality of the shares of Common Stock represented at the meeting is required to elect Matthew V. Crawford, Lewis E. Hatch, Jr. and Lawrence O. Selhorst as directors of the Company to serve until the annual meeting of shareholders in the year 2006.

YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" MATTHEW V. CRAWFORD, LEWIS E. HATCH, JR. AND LAWRENCE O. SELHORST AS DIRECTORS.

STOCK BASED COMPENSATION, INCLUDING OPTIONS

The Park-Ohio Holdings Corp. Amended and Restated 1998 Long-Term Incentive Plan (the "1998 Plan") permits the granting of stock options (either "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code or nonstatutory stock options), stock appreciation rights, restricted shares, performance shares or stock awards. The 1998 Plan is administered by the Compensation Committee of the Board of Directors, which has authority to select officers and key employees to be participants and to determine the type and number of awards to be granted.

The number of shares currently available for grant under the 1998 Plan shall not exceed 1,650,000, subject to adjustment under certain circumstances when the number of outstanding shares changes. The option price for stock options granted under the 1998 Plan is fixed by the Compensation Committee, but in no event will it be less than the fair market value of the Company's Common Stock on the date of grant. The 1998 Plan continues in effect until terminated by the Board of Directors.

The Compensation Committee did not grant stock options to the executives of the Company during 2002 under the Plan.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The following report of the Compensation Committee and the performance graphs included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report or the performance graphs by reference therein.

The Compensation Committee of the Board of Directors has furnished the following report on executive compensation for fiscal 2002.

WHAT IS THE COMPANY'S PHILOSOPHY OF EXECUTIVE OFFICER COMPENSATION?

The Company has structured its executive compensation program to support the objectives and entrepreneurial culture of the Company. The Company's compensation program for executives consists of three key elements:

- a base salary,
- a performance-based annual bonus, and
- periodic grants of stock based compensation (options, restricted shares, etc.)

Under this approach, a substantial proportion of executive pay (bonus and stock based compensation) is "at risk". The variable annual bonus is based, in significant part, on Company performance. Stock based compensation relates a significant portion of long-term remuneration directly to stock price appreciation and aligns the interests of executives with the interests of the Company's shareholders. We believe that this three-part approach best serves the

Edgar Filing: PARK OHIO HOLDINGS CORP - Form DEF 14A

interests of the Company and its shareholders.

BASE SALARY. Base salaries for the Company's executive officers other than the Chief Executive Officer, including any annual or other adjustments, are based upon recommendations by the Chief Executive Officer, taking into account such factors as competitive industry salaries, a subjective assessment of the nature of the position and the contribution and experience of the officer and the length of the officer's service.

ANNUAL BONUS. Awards of annual bonuses to executive officers, other than the Chief Executive Officer, are based upon recommendations by the Chief Executive Officer. In making his recommendations, the Chief Executive Officer considers the performance of the Company in meeting financial targets and each executive's individual efforts unrelated to Company financial performance. The financial targets are based on one or more of the following business criteria:

- net income
- earnings before interest, taxes depreciation and amortization
- return on assets,
- earnings per share, or
- any combination of the above.

For fiscal 2002, the Chief Executive Officer determined that the 2002 financial targets for net income had not been achieved. Consequently, no annual bonuses were paid based on Company performance. However, a special bonus was paid to one executive, Ronald J. Cozean, for extraordinary services to the Company related to the acquisition and organization of Ajax Tocco Magnethermic, a subsidiary of the Company.

10

STOCK BASED COMPENSATION. Award of stock based compensation to executive officers, other than the Chief executive Officer, are based upon recommendations by the Chief Executive Officer. For fiscal 2002, the Chief Executive Officer recommended to the Compensation Committee no stock options be granted based on his subjective assessment of the contribution of the officer's service.

All decisions to grant stock options are in the sole discretion of the Compensation Committee. While options typically vest over a three-year period, options granted to certain executive officers may have shorter vesting periods.

HOW IS THE COMPANY'S CHIEF EXECUTIVE OFFICER COMPENSATED?

As Chief Executive Officer, Mr. Crawford receives an annual base salary of \$500,000. Even though Mr. Crawford is entitled to receive a \$500,000 annual base salary, Mr. Crawford voluntarily reduced his annual base salary by \$50,000. Mr. Crawford is eligible to receive an annual bonus and stock based compensation. Annual bonuses for Mr. Crawford are generally based upon the Company meeting performance targets. The Compensation Committee may award a bonus to Mr. Crawford despite performance targets not being met when the Compensation Committee, in its sole discretion, deems it appropriate. The 2002 performance target for net income was not met. Mr. Crawford received no bonus for 2002. Mr. Crawford received no new awards of stock based compensation in 2002.

HOW IS THE COMPANY ADDRESSING INTERNAL REVENUE CODE LIMITS ON DEDUCTIBILITY OF COMPENSATION?

Edgar Filing: PARK OHIO HOLDINGS CORP - Form DEF 14A

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to the corporation's chief executive officer and four other most highly compensated executive officers as of the end of any fiscal year. However, the status exempts qualifying performance-based compensation from the deduction limit if certain requirements are met.

The Compensation Committee believes that it is generally in the Company's best interests to attempt to structure performance-based compensation, including stock option grants and annual bonuses, to executive officers who may be subject to Section 162(m) in a manner that satisfies the statute's requirements. However the Committee also recognizes the need to retain flexibility to make compensation decisions that may not meet Section 162(m) standards when necessary to enable the Company to meet its overall objectives, even if the Company may not deduct all of the compensation. Accordingly, the Board and the Compensation Committee have expressly reserved the authority to award non-deductible compensation in appropriate circumstances.

During 2002, the members of the Compensation Committee were:

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Committee recommends the selection of the independent auditors to the Board. The Committee is normally composed of three independent directors, each of whom is independent as defined under the NASD listing standards. Currently the Audit Committee is composed of two members, Messrs. Hatch and Greene. The Board is actively seeking to fill the current vacancy due to the retirement of Mr. McGinty. The Committee operates under a written charter adopted by the Board of Directors on May 4, 2000.

Management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Committee met with management and Ernst & Young LLP to review and discuss the audited consolidated financial statements for the year ended December 31, 2002. The Committee discussed with Ernst & Young LLP their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Committee has received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committee), has discussed with Ernst & Young LLP its independence from management and has considered the compatibility of nonaudit services with the auditors' independence.

Edgar Filing: PARK OHIO HOLDINGS CORP - Form DEF 14A

The Committee meets with the internal and independent auditors, with and without management present, to discuss the overall scope and plans for their respective audits, the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

IN RELIANCE ON THE REVIEWS AND DISCUSSIONS REFERRED TO ABOVE, THE COMMITTEE RECOMMENDED TO THE BOARD OF DIRECTORS, AND THE BOARD OF DIRECTORS HAS APPROVED, THAT THE AUDITED FINANCIAL STATEMENTS BE INCLUDED IN THE ANNUAL REPORT ON FORM 10-K FOR THE FISCAL YEAR ENDED DECEMBER 31, 2002. WE ALSO RECOMMENDED THE SELECTION OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR 2003 AND BASED ON THAT RECOMMENDATION, THE BOARD HAS SELECTED ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR 2003.

THE AUDIT COMMITTEE
 Lewis E. Hatch, Jr., Chairman
 Kevin R. Greene

PERFORMANCE COMPARISONS

The graph and chart set forth below compare the cumulative total shareholder return of the Company's Common Stock for the five years ended December 31, 2002 to (a) the Total Return Index for the Nasdaq Stock Market (U.S. Companies), and (b) the S&P SmallCap Performance 600. In all cases shown, the chart assumes the investment of \$100 on December 31, 1997 and the reinvestment of all dividends.

The Company has chosen the S&P SmallCap Performance 600 Index as an index of issuers with similar market capitalizations because the Company does not believe it can reasonably identify a peer group or select an appropriate published industry or line-of-business index. Such industry or line-of-business indices are comprised primarily of either retailers or manufacturers whose business is not substantially similar to the Company's businesses.
