(1) This Registration Statement also relates to an indeterminate number of additional Common Shares issuable as a result of the anti-dilution provisions of the Plan.

(2) Estimated solely for the purpose of calculating registration fee in accordance with Rule 457(h) and 457(c) under the Securities Act of 1933 and based upon the average of the high and low prices reported on the Nasdaq National Market on June 16, 2003.(3) This Registration Statement also relates to the rights to purchase Common Shares of the Registrant which are attached to all Common Shares issued, pursuant to the terms of the Rights Agreement, dated as of April 27, 1999, by and between the Registrant and National City Bank. Until the occurrence of certain prescribed

events, the rights are not

exercisable, are evidenced by the certificates for the Common Shares and will be transferred with and only with such Common Shares. Because no separate consideration is paid for the rights, the registration fee therefore is included in the fee for the Common Shares.

This Registration Statement is being filed for the purpose of registering additional securities of the same class as other securities for which a registration statement on Form S-8 has already been filed.
