Item 1.01. Entry into a Material Definitive Agreement.

Sight Resource Corporation (the "Company") has, pursuant to an engagement agreement executed by the Company on October 1, 2004, retained the investment banking firm of SSG Capital Advisors, LP to assist the Company with, among other matters, the possible sale or sales by the Company of all or a part of its assets or operations. Considering the Company's current financial condition, the magnitude of the claims of its creditors, and preliminary estimates as to the value of its remaining assets and operations, the Company does not expect that any such sale or sales, if consummated, will generate proceeds sufficient to

result in a distribution to stockholders.

Under the terms of the engagement agreement, SSG will receive a monthly fee of \$25,000. The agreement also calls for the payment to SSG of fees upon successful completion of certain financing transactions and sale transactions. A copy of the engagement agreement is being filed as an Exhibit to this Report.

See FORWARD-LOOKING STATEMENTS appearing below in this Report.

### Item 2.02. Results of Operations and Financial Condition.

On October 20, 2004, the Company filed its operating reports for the period from June 24, 2004 (the date of the filing of its petition under Chapter 11 of the Bankruptcy Code) to September 30, 2004 with the United States Bankruptcy Court for the Southern District of Ohio. Such filing was made pursuant to the filing requirements of Office of the United States Trustee. The filing includes a consolidated and consolidating balance sheet and operating statement. The consolidated balance sheet information and consolidated operating statement information included in the Bankruptcy Court filing are included with this report as Exhibit 99.1 (the "Bankruptcy Court Statements").

The Bankruptcy Court Statements are unaudited and do not conform to generally accepted accounting principles ("GAAP"). All goodwill and other intangible assets have been eliminated in the preparation of the Bankruptcy Court Statements. Reference is made to the footnotes to the financial statements for a statement of other limitations and qualifications applicable to the statements.

As previously reported, the Company's 2002 and 2003 year-end financial statements have not been audited or certified. Also, as previously reported, in view of the Company's Chapter 11 bankruptcy filing, and in view of the resignation of the independent accounting firm previously engaged to audit the Company's financial statements, it is doubtful that such statements will ever be certified. The Company's aforementioned year-end reports remain unaudited, and the Company remains unable to generate GAAP compliant statements for subsequent interim periods for inclusion in filings on Forms 10-Q and 10-K. In view of the foregoing, the Company is unable to, and does not expect in the future to be able to, submit a reconciliation of the differences between the Bankruptcy Court Statements and comparable statements prepared in accordance with GAAP.

See FORWARD-LOOKING STATEMENTS appearing below in this Report.

### Item 9.01. Financial Statements and Exhibits.

(a) Financial Statements of Business Acquired.

Not applicable.

(b) Pro Forma Financial Information.

Not applicable.

(c) Exhibits.

See Exhibit Index.

The Company does not undertake to update any forward-looking statements included in this Report.
