First Financial Bancorp.

Item 2.02 Results of Operations and Financial Condition.

On February 23, 2006, First Financial Bancorp. announced the completion of its balance sheet restructuring that was previously announced in a press release dated February 1, 2006. First Financial sold \$179 million in securities and reduced its borrowings from the Federal Home Loan Banks by \$184 million. First Financial recognized an additional loss on the sale of securities of \$498,000 or \$0.01 per share and penalties associated with the prepayment of the borrowings of \$4,295,000 or \$0.07 per share in February of 2006. First Financial had previously recognized a loss of \$6.5 million in its securities portfolio in the fourth quarter of 2005.

The completion of this strategy creates an estimated \$3.8 million in annualized net interest income or \$0.06 per share and an estimated 33 basis-point improvement in net interest margin.

Attached as Exhibit 99.1 hereto is a copy of the press release announcing the balance sheet restructure.
