PROXY STATEMENT

General Information

These proxy materials are delivered in connection with the solicitation by the Board of Directors of United Bankshares, Inc. (United, the Company, we, or us), a West Virginia corporation, of proxies to be voted at our 2006 Annual Meeting of Shareholders and at any adjournment or postponement.

You are invited to attend our Annual Meeting of Shareholders on May 15, 2006, beginning at 4:00 p.m. The Meeting will be held at The Blennerhassett Hotel, 320 Market Street, Parkersburg, West Virginia.

This Proxy Statement, form of proxy and voting instructions are being mailed on or about April 7, 2006.

Shareholders Entitled to Vote

Holders of record of United common shares at the close of business on March 27, 2006 are entitled to receive this notice and to vote their shares at the Annual Meeting. As of that date, there were 41,872,564 common shares outstanding. Each common share is entitled to one vote on each matter properly brought before the Meeting.

Proxies

Shareholders of record may vote their proxies by mail, in person, by telephone or by Internet.

Proxies may be revoked at any time before they are exercised by (1) written notice to the Secretary of the Company, (2) timely delivery of a valid, later-dated proxy or (3) voting at the Annual Meeting.

You may save us the expense of a second mailing by voting promptly. Choose one of the following voting methods to cast your vote.

Vote By Mail

If you choose to vote by mail, simply mark your proxy, date and sign it, and return it to us in the postage-paid envelope provided.

Vote By Telephone or Internet

If you have telephone or Internet access, you may submit your proxy by following the instructions on the proxy card.

Vote at the Annual Meeting

The method by which you vote now will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. **If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Meeting.**

Table of Contents

All shares that have been properly voted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

Voting of Other Matters

If any other matters are properly presented for consideration at the Annual Meeting, the persons named in the enclosed form of proxy will have the discretion to vote on those matters for you. On the date this proxy statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

Required Vote and Cumulative Voting

The presence, in person or by proxy, of the holders of a majority of the votes entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner.

A plurality of the votes cast is required for the election of directors. Abstentions and broker non-votes are not counted for purposes of the election of directors.

In the election of directors, shareholders cast one (1) vote for each nominee for each share held. However, every shareholder has the right of cumulative voting, in person or by proxy, in the election of directors. Cumulative voting gives each shareholder the right to aggregate all votes which he or she is entitled to cast in the election of directors and to cast all such votes for one candidate or distribute them among as many candidates and in such a manner as the shareholder desires.

At our 2006 Annual Meeting, the number of directors to be elected is fifteen (15). Each shareholder has the right to cast fifteen (15) votes in the election of directors for each share of stock held on the record date. If you wish to exercise, by proxy, your right to cumulative voting in the election of directors, you must provide a proxy showing how your votes are to be distributed among one or more candidates. Unless contrary instructions are given by a shareholder who signs and returns a proxy, all votes for the election of directors represented by such proxy will be divided equally among the fifteen (15) nominees. If cumulative voting is invoked by any shareholder, the vote represented by the proxies delivered pursuant to this solicitation, which do not contain contrary instructions, may be cumulated at the discretion of the Board of Directors of United Bankshares, Inc. in order to elect to the Board of Directors the maximum nominees named in this proxy statement.

With respect to other matters, including the approval of the United Bankshares, Inc. 2006 Stock Option Plan and the ratification of the selection of Ernst & Young LLP to act as the independent registered public accounting firm for the fiscal year that began January 1, 2006, if a quorum exists, the affirmative vote of a majority of the votes cast is required for approval of such matters. In voting for these matters, shares may be voted for or against or abstain. In determining whether the proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be disregarded and have no effect on the outcome of the vote.

On March 27, 2006, there were 41,872,564 shares of common stock outstanding that are held by approximately 5,909 shareholders of record and 7,153 shareholders in street name. The presence in person or proxy of a majority of the outstanding shares of United Bankshares, Inc. will constitute a quorum at the Meeting.

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by telephone, electronic transmission, facsimile transmission or by telegram. Brokers, fiduciaries, custodians and other nominees have been requested to forward solicitation materials to the beneficial owners of the Company's common stock. Upon request we will reimburse these entities for their reasonable expenses.

In order to facilitate and expedite distribution of these proxy solicitation materials to brokers, fiduciaries, custodians, nominee holders and institutional investors, United has retained Mellon Investor Services LLC of Jersey City, New Jersey (Mellon). Pursuant to a retention letter dated March 3, 2006, Mellon will contact all broker and other nominee accounts identified on United's shareholder mailing list in order to facilitate determination of the number of sets of proxy materials such accounts require for purposes of forwarding the same to the beneficial owners. Mellon will then assist in the delivery of proxy materials to these accounts for distribution. Mellon will also (i) assist in the distribution of proxy materials to institutional investors, and (ii) follow-up with any brokers, other nominee accounts and institutional investors, requesting return of proxies. United is not retaining Mellon to solicit proxies from registered holders or from non-objecting beneficial owners. Mellon's fee for the above services is \$6,500 plus reasonable disbursements that may include the broker search, printing, postage, courier charges, filing reports, data transmissions and other expenses approved by United.

PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors consists of one class of fifteen (15) directors. Fifteen (15) directors will be elected at our 2006 Annual Meeting to serve for a one-year term expiring at our Annual Meeting in the year 2007. The Company's Bylaws provide that the number of directors shall be at least five (5) and no more than thirty-five (35) with the composition and number of nominees to be set at the discretion of the Board of Directors. For the election of directors at the 2006 Annual Meeting, the Board of Directors established the composition and number of nominees to be elected at fifteen (15).

The persons named in the enclosed proxy intend to vote the proxy for the election of each of the fifteen (15) nominees, unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as a director will continue in office until his successor has been elected or until his death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as directors with terms expiring in 2007 at the Annual Meeting: Richard M. Adams, Robert G. Astorg, Thomas J. Blair, III, W. Gaston Caperton, III, Lawrence K. Doll, Theodore J. Georgelas, F. T. Graff, Jr., Russell L. Isaacs, John M. McMahon, J. Paul McNamara, G. Ogden Nutting, William C. Pitt, III, I. N. Smith, Jr., Mary K. Weddle, and P. Clinton Winter, Jr.

The Board of Directors recommends a vote FOR the election of each of these nominees for Director.

We expect each nominee for election as a director to be able to serve if elected. To the extent permitted under applicable law, if any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees, unless the Board chooses to reduce the number of directors serving on the Board.

The principal occupation and certain other information about the nominees for director are set forth on the following pages.

Nominations to the Board of Directors by a shareholder may be made only if such nominations are made in accordance with the procedures set forth in Article II, Section 5 of the Restated Bylaws of United, which section, in full, is set forth below:

Section 5. Nomination of directors. Directors shall be nominated by the Board prior to the giving of notice of any meeting of shareholders wherein directors are to be elected. Additional nominations of directors may be made by any shareholder; provided that such nomination or nominations must be made in writing, signed by the shareholder and received by the Chairman or President no later than ten (10) days from the date the notice of the meeting of shareholders was mailed; however, in the event that notice is mailed less than thirteen (13) days prior to the meeting, such nomination or nominations must be received no later than three (3) days prior to any meeting of the shareholders wherein directors are to be elected.

In evaluating and determining whether to nominate a candidate for a position on United's Board, the Committee considers the criteria outlined in United's corporate governance policy, which include the independence of the proposed nominee, diversity, age, skills and experience in the context of the needs of the Board. United regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. Candidates may come to the attention of the Committee from current Board members, shareholders, professional search firms, officers or other persons. The Committee will consider and review all candidates in the same manner regardless of the source of the recommendation.

Ogden Nutting, Chairman, W. Gaston Caperton, III, Russell L. Isaacs, John M. McMahon, and P. Clinton Winter, Jr. Until May of 2005, H. Smoot Fahlgren and F. T. United's subsidiaries have had, and expect to have in the future, banking transactions with United and with its officers, directors, principal shareholders, or their interests (entities in which they have more than a 10% interest). The transactions, which at times involved loans in excess of \$60,000, were in the ordinary course of business, were made on substantially the same terms, including interest rates, collateral and repayment terms as those prevailing at the time for comparable transactions and did not involve more than the normal risk of collectibility or present other

United Bank (WV) leases office space in its main Charleston branch from the Kanawha-Roxalana Company pursuant to a written lease agreement originally dated October 1, 1992, and amended on August 7, 2002 (the "United Center Lease"). The Kanawha-Roxalana Company is a shareholder of United, and the voting and investment authority for its shares are beneficially owned by its President and Chief Executive Officer, I.N. Smith, Jr. who is a director of United. The United Center Lease provided for an initial term of ten (10) years that commenced on October 1, 2002, and was extended for another ten (10) years with the amendment. The expiration date of term of the lease is September 30, 2012. The United Center Lease provides for United Bank (WV) to pay a monthly base rent, which is based on square footage of the rentable areas, and additional monthly rent at a fixed monthly rate. Additionally, the United Center Lease provides for United Bank (WV) to pay the tenant's share of operating costs. Management believes the United Center Lease is on terms comparable to market terms for similar rental space in Charleston, West Virginia. During 2005, United paid rent expense of approximately \$869,000 under the United Center Lease.

In addition, United Bank (WV) leases land for one of its other Charleston branches from the Kanawha-Roxalana Company pursuant to a written lease agreement dated November 28, 2001 (the "Kanawha City Lease"). As previously mentioned, the Kanawha-Roxalana Company is a shareholder of United, and the voting and investment authority for its shares are beneficially owned by its President and Chief Executive Officer, I.N. Smith, Jr. who is a director of United. The Kanawha City Lease provides for an initial term of twenty-five (25) years that commenced on December 1, 2001, with five (5) additional five (5) year renewal options after expiration of the initial twenty-five (25) year term. The Kanawha City Lease provides for the base rent to be paid by United Bank (WV) to be adjusted on December 1, 2006, and every five years thereafter following the commencement and any renewal option properly exercised by United Bank (WV). The adjusted amount of rent shall be calculated based on changes in the Consumer Price Index of the United States Bureau of Labor Statistics. Additionally, the Kanawha City Lease provides an option for United Bank (WV) to purchase the property after the expiration of the initial twenty-five year term at a purchase price equal to the average of three separate appraisals. Upon the expiration of the Kanawha City Lease for any cause, all improvements and structures shall become the property of the Kanawha-Roxalana Company. Management believes the Kanawha City Lease is on terms comparable to market terms for similar rental space in Charleston, West Virginia. During 2005, United paid rent expense of approximately \$39,000 under the Kanawha City Lease.

United Bank (WV) leases one of its Wheeling drive-in facilities from The Ogden Newspapers, Inc. pursuant to a written lease agreement dated August 1, 2000 (the "Wheeling Lease"). The Ogden Newspapers, Inc. is a shareholder of United, and the voting and investment authority for its shares are beneficially owned by its President, G. Ogden Nutting who is a director of United. Management believes the Wheeling Lease is on terms comparable to market terms for similar rental space in Wheeling, West Virginia. The Wheeling Lease provides for an initial term of ten (10) years with two (2) successive options to renew and extend the terms of the Lease for ten (10) additional years each. Additionally, the Wheeling Lease provides that The Ogden Newspapers, Inc. may, at its option, terminate the Lease upon nine (9) months advance written notice to United Bank (WV). Previously, United had leased its Wheeling branch premises and the drive-in facility from The Ogden Newspapers, Inc. pursuant to a written lease agreement dated August 1, 1979. The Wheeling Lease superceded the prior lease agreements and only pertains to United Bank (WV)'s lease of the drive-in facility; United Bank (WV) no longer leases the Wheeling branch premises from The Ogden Newspapers, Inc. During 2005, United paid rent expense of approximately \$60,000 under the Wheeling Lease.

All options granted under this plan were originally exercisable in accordance with a three-year vesting schedule: 50% after the first year; 75% after the second year; and 100% after the third year. However, on December 30, 2005, the Executive Committee approved the accelerated vesting of all unvested stock options granted prior to

December 30, 2005, thus the stock options reflected became immediately exercisable. See the paragraph entitled Acceleration of Option Vesting below for a further explanation.

(2) The option exercise price is the market value of United's stock at the date the option was granted.

Acceleration of Option Vesting

On December 30, 2005, the Executive Committee (the "Committee") of the Board of Directors of United approved the accelerated vesting of all unvested stock options (the "Options") granted prior to December 30, 2005 to United employees, including executive officers, under the 2001 Stock Option Plan (the "Plan"). United believes the decision to accelerate the vesting of the Options was in the best interests of shareholders as it will reduce United's reported compensation expense in future periods. Based on changes to the accounting rules relating to the expensing of stock options that became effective on January 1, 2006, United estimates that accelerating the vesting of the Options, will eliminate pre-tax compensation expenses of approximately \$1.85 million, \$984 thousand and \$456 thousand, which otherwise would have been recognized in United's consolidated statements of income for the years ending December 31, 2006, 2007 and 2008, respectively. United recognized a pre-tax expense of approximately \$21 thousand in the fourth quarter of 2005 related to the accelerated vesting of the Options.

The accelerated vesting affected options for approximately 547,626 shares of United's common stock, including 173,250 shares held by executive officers. In order to prevent unintended personal benefits to executive

officers, the Committee imposed restrictions on any shares received through the exercise of the Options held by executive officers. These restrictions will prevent the sale, transfer, pledging or otherwise disposing of any shares received from the exercise of the Options prior to the earlier of the original vesting date of the Options under the Plan or termination of the individual executive officer employment. The following Options to purchase shares held by United's named executive officers were accelerated: 52,500 shares held by Richard M. Adams; 26,250 shares held by Steven E. Wilson; 17,500 shares held by James B Hayhurst, Jr.; 17,500 shares held by Kendal E. Carson; and 17,500 shares held by James J. Consagra, Jr.

**REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

Duties of the Compensation Committee

United's Compensation Committee (the Committee) administers United's executive compensation program. In this regard, the role of the Committee is to review annually and approve all compensation arrangements for the CEO of the Company and for all executive officers who are subject to the reporting requirements of Section 16 of the Exchange Act. The Committee has overall responsibility for evaluating and approving the benefits, bonus, incentive compensation, severance, equity-based or other compensation plans, policies and programs of the Company. With respect to the CEO's compensation, the Committee reviews and approves corporate goals and objectives of the Company relevant to the CEO's compensation, evaluates the CEO's performance in light of these goals and objectives and reviews and approves all compensation arrangements.

The Committee also reviews and approves all grants of stock options under the Company's Incentive Stock Option Plan. The Committee is composed entirely of non-employee, independent directors. The Committee meets at

Table of Contents

scheduled times during the year as required, generally one to two times, and the Committee reports on its actions and recommendations to the Company's Board of Directors. The Committee has the authority to retain outside counsel and any other advisors as the Committee may deem appropriate in its sole discretion.

Periodically, the Committee retains the services of nationally recognized compensation consulting firms to perform a review of the Company's compensation program for all executive officers. In late 2004, the Company retained Aon Consulting, Inc. (Aon) to conduct an evaluation of the Company's executive compensation program. In its report, Aon concluded that compared to peer group compensation, the Company was generally within a competitive range for base salary, bonus (measured over a three year period) and total cash compensation. Long-term incentives (measured over a three year period) are below the competitive range in some cases.

Overview of Compensation Philosophy

The Company's executive compensation program is designed to:

retain executive officers by paying them competitively, motivate them to contribute to the Company's success, and reward them for their performance;

link a substantial part of each executive officer's compensation to the performance of both the Company and the individual executive officer; and

encourage ownership of Company common stock by executive officers.

The Company's fundamental philosophy is to closely link executive compensation with the achievement of annual financial and non-financial performance goals. It is the Committee's practice to provide a balanced mix of cash and equity-based compensation that the Committee believes promotes the best interests of the Company's executives and the Company's shareholders.

As discussed below, the program consists of, and is intended to balance, three elements:

Salaries. Salaries are based on the Committee's evaluation of individual job performance and an assessment of the salaries and total compensation mix paid by the Company's Peer Group to executive officers holding equivalent positions. The Company's Peer Group is a group consisting of all public banks and thrifts in the United States with assets of \$5 Billion – \$10 Billion.

Annual Incentive Compensation. Executive Annual Incentive Compensation is based on an evaluation of both individual and Company performance against qualitative and quantitative measures.

Long-term Incentive Compensation. Long-term incentive awards, which consist of stock options, are designed to insure that incentive compensation is linked to the long-term performance of the Company and its common stock.

Salaries

The first element of the executive compensation program is salaries. In recent years, the Board and the Committee have been directing a shift in the mix of the Company's executive compensation towards incentive compensation, with proportionately less emphasis on salaries. This strategy is intended to increase the performance orientation of the Company's executive compensation, and the Board intends to continue this emphasis in 2006. In setting the base salary for the CEO, and in reviewing and approving the salaries for the other named executive officers, the Committee first reviews the history of and the proposals for the compensation for each individual,

Table of Contents

including cash and equity-based components. In setting salaries, the Committee does not use a predetermined formula. Instead, the salaries of the CEO and the other executive officers are based on:

the Board's review of the Chief Executive Officer's evaluation of each officer's individual job performance, and the Board's evaluation of the Chief Executive Officer's job performance;

an assessment of the Company's performance;

the perquisites provided to the CEO and named executive officer;

a consideration of salaries paid by the Peer Group to executive officers holding equivalent positions.

a consideration of aggregate amount of all components of compensation paid to the CEO and other executive officers.

The Company reviews the range of salaries for executive officers holding equivalent positions in companies participating in the Watson Wyatt Survey and other peer group information. The Company establishes a midpoint in this range which is used as a guideline to determine the executive officer's base salary for the following year.

Annual Incentive Compensation

The second element of the executive compensation program is annual incentive compensation. The purpose of the Company's annual incentive compensation is to motivate and reward eligible employees for their contributions to the Company's performance by making a large portion of their cash compensation variable and dependent upon the Company's performance. The Committee annually adopts a plan for cash incentive awards. In determining the potential annual incentive compensation to which an executive officer may be entitled in 2006, the Company uses a percentage of the salary midpoint discussed under Salaries above as a guideline to determine annual incentive compensation. This percentage is reviewed and established by the Committee each year. For 2005, all bonuses awarded were based primarily on the achievement of earnings goals, accomplishment of goals assigned to each executive officer and the executive officer's annual performance review conducted by the CEO. Generally, the better the Company's performance the greater the annual compensation awarded to the executive officer.

Long-Term Incentive Compensation

The third element of the executive compensation program is long-term incentive compensation. The main component of the long-term incentive compensation program is the 2001 Incentive Stock Option Plan. At our 2001 Annual Meeting of Shareholders, the shareholders approved the 2001 Incentive Stock Option Plan. The purpose of the 2001 Incentive Stock Option Plan is to reward and retain officers in a manner that best aligns officers' interests with stockholders' interests. Under this plan, the Company may award options for up to 2,000,000 shares of the Company's common stock to qualified officers of the Company and its subsidiaries. Each option granted under the Plan must have an exercise price of no less than the fair market value of Company's common stock as of the date of grant. Options granted under the plan vest according to a schedule designated at the grant date. Annual stock option grants for executive officers are a key element of market-competitive total compensation. In 2005, the Committee approved annual stock option grants for the executive officers based on internal factors, such as the size of prior grants, relative job scope and contributions made during the past year, as well as a review of publicly available data on senior management compensation within the Peer Group.

Evaluation of Executive Performance

The Committee does not usually rely solely on predetermined formulae or a limited set of criteria when it

Table of Contents

evaluates the performance of the CEO and the Company's other named executive officers. Instead, the Committee considers:

management's overall accomplishments;

the accomplishments of the individual executives;

the Company's financial performance; and

recommendations of the CEO relating to the named executive officer's base salary for 2006, annual incentive compensation for 2005 and grants of stock options under the Company's 2001 Incentive Stock Option Plan.

Compensation of the CEO

The Compensation Committee meets each year to determine the compensation package for the CEO. The Committee considers the following factors in determining the base salary for the upcoming year for Mr. Adams: the Company's success in attaining its goals for the current year, Mr. Adams' contribution to the Company's financial performance and the level of compensation paid to the highest paid executives by the companies selected for peer comparison. The Committee also considers Mr. Adams' 36 years of service to the Company and the growth of the Company from a \$100 million dollar bank to a \$6.6 billion dollar bank holding company during Mr. Adams' 31 year tenure as CEO creating substantial long-term returns to UBSI shareholders. Based on these factors, the Committee will establish a base salary for 2006. The Committee will also determine a bonus amount and stock option award and will consider an extension in Mr. Adams' Employment Agreement.

Conclusion

Attracting and retaining talented and motivated management and employees is essential to create long-term shareholder value. Offering a competitive performance based compensation program helps to achieve this objective by aligning the interests of the CEO and the other named executive officers with those of our shareholders. We believe United's 2005 compensation programs met those objectives.

extensions by the Executive Committee with the approval of Mr. Adams. The term of this contract has been extended through March 31, 2011. Under the amended contract, Mr. Adams is required to devote his full-time energies to performing his duties as Chairman and CEO on behalf of United and its subsidiaries. The contract provides for a base compensation of \$650,000 and additional benefits consistent with the office. This base compensation may be increased but not decreased. If the contract is terminated for any reason other than mutual consent or cause, Mr. Adams, or his family or estate, is entitled to his base salary for a sixty (60) month period. Under Mr. Adams' contract, cause is defined as based on (i) excessive, unapproved absences, (ii) gross or willful neglect of duty that results in some substantial loss to United, or (iii) fraud or commission of any criminal act, if proven. If the contract is terminated by mutual consent, Mr. Adams, his family or estate are entitled to receive the amount mutually agreed upon by Mr. Adams and United. If the contract is terminated for cause, United shall pay Mr. Adams' base salary only for the period of his active full-time employment to the date of termination.

The contract between Mr. Adams and United also provides for an additional gross-up payment by United to Mr. Adams in the event that a payment or distribution pursuant to the contract would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code of 1986, as amended. Any calculated gross-up payment amount shall be equal to one hundred percent (100%) of the excise tax plus one hundred percent (100%) of any federal, state and local income taxes plus the additional excise tax on the gross-up amount. Any gross-up payment pursuant to the contract must be paid to Mr. Adams within 30 days of the receipt of the amount determined.

United and United Bank (WV) also entered into an employment agreement with I. N. Smith, Jr. on December 17, 1985. The term of the agreement extends until Mr. Smith reaches the age of 75. Under his employment agreement, Mr. Smith provides such consulting and advisory services as United may request, and receives for such services an annual fee of \$30,000. In addition, United agreed to use its best efforts to nominate and elect Mr. Smith to the Company's Board of Directors.

J. Paul McNamara entered into an employment agreement with United, effective as of October 11, 2003. During the three-year term of the agreement, Mr. McNamara was to serve as Vice Chairman of United Bank (VA) and a member of United's Board of Directors. On October 31, 2005, Mr. McNamara retired as Vice Chairman of United Bank (VA) and by mutual agreement, United and Mr. McNamara terminated the employment agreement. Mr. McNamara is fully vested in the normal retirement benefit provided for under the salary continuation agreement assumed by United, and United will continue his participation in health and welfare benefits, or provide similar coverage, for a period of 36 months.

Change of Control Agreements

In March of 1994, United entered into agreements with Steven E. Wilson, James B. Hayhurst, Jr. and Joe L. Wilson to encourage those executive officers not to terminate their employment with United because of the possibility that United might be acquired by another entity. The Board of Directors determined that such an arrangement was appropriate, considering the entry of large regional bank holding companies into West Virginia. The agreements were not undertaken in the belief that a change of control of United was imminent. In August of 2000, United entered into similar change of control agreements with Richard M. Adams, Jr., Kendal E. Carson, James J. Consagra, Jr. and John Neuner, III. On February 2, 2006, Mr. Carson notified United that he was resigning his positions as an Executive Vice President of United and as President of United Bank (VA). His last date of employment was February 23, 2006. Upon the resignation of Mr. Carson, his change of control agreement terminated and he is not entitled to receive any payments under the agreement. On April 4, 2003, United entered into an employment agreement with J. Paul McNamara that contained change in control provisions similar to agreements with Messrs. S. Wilson, Hayhurst, J. Wilson, Adams, Carson, Consagra and Neuner. On October 31, 2005, Mr. McNamara retired as Vice Chairman of United Bank (VA). Upon the retirement of Mr. McNamara, his change of control agreement terminated.

Table of Contents

Generally, the agreements provide severance compensation to those officers if their employment should end under certain specified conditions after a change of control of United. Compensation is paid upon any involuntary termination following a change of control unless the officer is terminated for cause. In addition, compensation will be paid after a change of control if the officer voluntarily terminates employment because of a decrease in the total amount of the officer's base salary below the level in effect on the date of consummation of the change of control, without the officer's consent; a material reduction in the importance of the officer's job responsibilities without the officer's consent; geographical relocation of the officer without consent to an office more than fifty (50) miles from the officer's location at the time of a change of control; failure by United to obtain assumption of the contract by its successor or any termination of employment within thirty-six (36) months after consummation of a change of control which is effected for any reason other than good cause.

Under the agreements, a change of control is deemed to occur in the event of a change of ownership of United which must be reported to the Securities and Exchange Commission as a change of control, including but not limited to the acquisition by any person (as such term is used in Sections 13(d) and 14(d) of the Securities and Exchange Act of 1934 (the Exchange Act)) of direct or indirect beneficial ownership (as defined by Rule 13d-3 under the Exchange Act) of twenty-five percent (25%) or more of the combined voting power of United's then outstanding securities, or the failure during any period of two (2) consecutive years of individuals who at the beginning of such period constitute the Board for any reason to constitute at least a majority thereof, unless the election of each director who was not a director at the beginning of such period has been approved in advance by directors representing at least two-thirds (2/3) of the directors at the beginning of the period.

Under the agreements, severance benefits include: (a) cash payment equal to the officer's monthly base salary in effect on either (i) the date of termination; (ii) the date immediately preceding the change of control, whichever is higher, multiplied by the number of full months between the date of termination and the date that is thirty-six (36) months after the date of consummation of the change of control; (b) payment of cash incentive award, if any, under United's Incentive Plan; and (c) continuing participation in employee benefit plans and programs such as retirement, disability and medical insurance for a period of thirty-six (36) months following the date of termination.

The agreements do not affect the right of United to terminate the officer, or change the salary or benefits of the officer, with or without good cause, prior to any change of control; provided, however, any termination or change which takes place after discussions have commenced which result in a change of control will be presumed to be a violation of the agreement and will entitle the officer to the benefits under the agreement, absent clear and convincing evidence to the contrary.

Employee Benefit Plans

No directors or principal shareholders of United and its subsidiaries, other than those persons who are salaried officers, participate in any type of benefit plan of United.

United's subsidiaries provide, on a substantially non-contributory basis for all full-time employees, life, and disability insurance. Life insurance with a value of 250% of base salary, up to a maximum benefit of \$1,000,000, is provided to all full-time employees, including executive officers. The premiums paid by United for life insurance on any individual, which has a face value greater than \$50,000 is properly reported as compensation. These plans do not discriminate, in scope, terms or operation, in favor of the executive officers of United or its subsidiaries and are available generally to all full-time salaried employees of United and its subsidiaries.

Each employee of United, or its participating subsidiaries, who completes one year of eligible service and is 21 years of age is eligible to participate in United's Pension Plan (the Pension Plan). The Pension Plan is noncontributory on the part of the employee. Pension benefits are based on years of service and the average of the employee's highest five consecutive plan years of basic compensation paid during the ten plan years preceding the

date of determination. United's funding policy is to contribute annually the maximum amount that can be deducted for federal income tax purposes. Contributions are intended to provide not only for benefits attributed to service to date, but also for those expected to be earned in the future. Vesting is attained after five years of participation.

The table below illustrates the operation of the Pension Plan and the Supplemental Retirement Plan (the SERP) (described on page 23 under the caption Supplemental Executive Retirement Agreements) by showing various annual benefits, after reduction for Social Security retirement income, assuming various annual base salaries and years of credited service.

Benefits under both the Pension Plan and the SERP are based on annual base salary and do not include bonuses, directors' fees, expense reimbursements, and employer contributions to retirement plans. The annual benefit under both the Pension Plan and the SERP is reduced by Social Security benefits and the annual benefit under the SERP is further reduced by annual benefits payable at retirement under the Pension Plan and benefits under United's Savings and Stock Investment Plan. Benefit figures shown are computed on the assumption that participants retire at the normal retirement age of 65. For purposes of the table, it is assumed each participant is receiving benefits from the Pension Plan in the form of a life annuity.

Table of Contents

The estimated credited years of service for each of the executive officers named in the Summary Compensation Table under the Pension Plan as of December 31, 2005, are as follows: Mr. Adams 37 years; Mr. S. Wilson 34 years; Mr. Hayhurst 34 years; Mr. Carson 8 years; and Mr. Consagra 8 years. As previously mentioned, Mr. Carson has since resigned from United.

Other Employee Plans

Each employee of United, who completes ninety (90) days of qualified service, is eligible to participate in the United Savings and Stock Investment Plan, a deferred compensation plan under Section 401(k) of the Internal Revenue Code. Each participant may contribute from 1% to 100% of compensation to his/her account, subject to Internal Revenue Service maximum deferral limits. After one year of eligible service, United matches 100% of the first 2% of salary deferred and 25% of the second 2% of salary deferred with United stock. Vesting is 100% for employee deferrals and the company match at the time the employee makes his/her deferral.

United employees may participate in an employee stock purchase plan whereby its employees may purchase shares of United's common stock. Purchases made by employees under this plan are coordinated by the Personnel and Shareholder Relations Department of United Bank (WV), and involve stock purchased at market price for this purpose.

Supplemental Executive Retirement Agreements

On July 27, 1990, United also entered into a Supplemental Retirement Agreement (SERP) with Mr. Richard Adams. The agreement was amended on November 1, 2001. This amended agreement provides for an annual supplemental retirement benefit upon his reaching age 65 or upon the later termination of his employment with United or an affiliated or successor entity to United, whichever last occurs. The annual benefit will be equal to seventy percent (70%) of the average of Mr. Adams' three highest base salaries, reduced by benefits actuarially calculated at the time the supplemental retirement benefit becomes payable under (i) the United Pension Plan; (ii) social security; and the United Savings and Stock Investment Plan. The table on page 22 may be used to estimate Mr. Adams' annual supplemental retirement benefit. The amended agreement also provides for reduced benefits for early retirement before age 65 as well as payments to his spouse or his estate if unmarried in the event of his death. The benefits under the amended agreement are fully vested in Mr. Adams and survive his termination of employment from United or an affiliated or successor entity to United for whatever reason, including but not limited to, change in control, dismissal with or without cause, voluntary termination, expiration of contract or disability.

On October 1, 2003, United entered into Supplemental Retirement Agreements with the named executive officers, Kendal E. Carson, James J. Consagra, Jr., James B. Hayhurst, Jr., and Steven E. Wilson to encourage them to remain an employee of United. On February 2, 2006, Mr. Carson notified United that he was resigning his positions as an Executive Vice President of United and as President of United Bank (VA). His last date of employment was February 23, 2006. Upon his resignation, Mr. Carson's SERP terminated and he is not entitled to receive any payments under the agreement. The SERP for Messrs. James B. Hayhurst, Jr. and Steven E. Wilson ensures that each of these participating executive officers, when retiring at age 65 or later, receives a level of retirement benefits, without regard to years of service, equal to 70% of the executive officer's total base salary projected to be in effect at age 65 and is updated each January 1 by United. At the time one of these participating executive officers retires, the benefit the participant is entitled to through the SERP is calculated, and then funds from the following sources are deducted to determine the amount, if any, of the payment due under the SERP (i) the benefit under the Pension Plan; (ii) Social Security benefits payable; and (iii) any benefits under United's Savings and Stock Investment Plan. The table on page 22 may be used to estimate Messrs. Hayhurst's and Wilson's annual supplemental retirement benefit. The annual benefit will be paid monthly for a period of fifteen years. The executive may retire early at the age specified in the SERP and receive a benefit equal to 60% of the executives final pay based on the same provisions set forth above. The SERP for Mr. James J. Consagra, Jr. ensures that he will receive, at the age set forth in the SERP, an annual benefit equal to \$100,000, paid in monthly installments for a

Table of Contents

period of 15 years. If Mr. Consagra retires or leaves employment early, the executive will receive an accrual benefit set forth in a Schedule to the SERP, subject to a ten (10) year vesting schedule. This early termination benefit will be paid monthly for a period of fifteen (15) years.

PROPOSAL 2: APPROVAL OF THE 2006 STOCK OPTION PLAN

At its March 20, 2006 regular meeting, the Board of Directors of United approved the adoption of the 2006 Stock Option Plan (2006 Plan) and directed that the 2006 Plan be submitted to shareholders for approval. This section of the proxy materials contains a summary of key terms of the 2006 Plan. The complete 2006 Plan is attached hereto as Exhibit B to these proxy materials and shareholders should review the complete text. The following description is qualified in its entirety by reference to the applicable provisions of the 2006 Plan document.

Purpose of the 2006 Plan

The 2006 Plan is designed to advance the interests of United by assisting in attracting and retaining qualified employees and providing them with increased motivation to exert their best efforts on behalf of the Company.

Eligibility

At present, no specific grants are planned under the 2006 Plan. All grants are expected to be made on a discretionary basis, rather than pursuant to a formula. Accordingly, the amounts of any awards under the 2006 Plan to any specific person or group are not determinable at this time. Any officer and key employee of United and its subsidiaries will be eligible to receive grants under the 2006 Plan as designated by the Compensation Committee. As of March 27, 2006, the estimated number of potentially eligible recipients was approximately 250.

Administration

The 2006 Plan will be administered by the Compensation Committee of the Board of Directors (Committee) of United. The Committee will have full power to construe and interpret the 2006 Plan and promulgate such regulations with respect to the 2006 Plan as it may deem desirable in accordance with applicable law. The terms and conditions of each option may vary from eligible employee to eligible employee.

Awards

Options to purchase United's stock may be awarded under the 2006 Plan. Such options will be non-statutory stock options (NSOs), i.e. options that do not qualify as incentive stock options under Section 422 of the Internal Revenue Code. See, discussion under Section entitled Tax Consequences on page 26 of these proxy materials.

Purchase Price

The purchase price of all stock subject to option must not be less than 100% of the fair market value of United stock on the date the option is granted. Fair market value is defined as the opening bid price on the day the Compensation Committee approves the option award or, at the Compensation Committee's discretion may be based on alternatives as determined in accordance with Section 409A of the Internal Revenue Code. As of March 27, 2006, the market value of United's common stock, as quoted on the National Association of Securities Dealers Quotation System (NASDAQ) under the quotation symbol UBSI , was \$37.81 per common share.

Table of Contents

Term of Option

No option shall be granted for a term of more than ten (10) years from the date the option is granted.

Vesting and Change in Control

Subject to certain change in control provisions, recipients of options will be fully vested in and permitted to exercise options granted under the 2006 Plan three years from the grant date. Notwithstanding the vesting period, in the event of a change in control, the recipient may exercise all options previously granted beginning on the date of the execution of a binding contract which would result in a change in control, and ending on the effective date of the change in control, at which later time all unexercised options in effect at such time will terminate. Change in control is defined in the 2006 Plan. See Exhibit B.

Exercise of Options

Each option granted will be exercisable in accordance with its terms, provided that no option will be exercisable more than ten years after the date it is granted.

An exercise of an option shall be made in written notice to United of the election and of the number of shares to be purchased. Such notice shall be accompanied by full payment for shares acquired at the time that an option, or any part thereof, is exercised. Full payment for shares acquired shall be made in cash or such other form as determined by the Compensation Committee at the time an option, or any part thereof, is exercised. The rights of a recordholder of stock with respect to such shares will not accrue until a certificate for the shares is issued.

Order of Exercise

Any vested option granted pursuant to the 2006 Plan may be exercised in any order, at the discretion of the optionee.

Employment Status of Optionee

Except for disability and death, each vested option, to the extent it shall not have been exercised, shall terminate three (3) months after the termination of employment of the optionee. In the event termination of employment is the result of permanent and total disability, each vested option shall terminate one (1) year after the termination of employment of the optionee. This limitation is waived entirely for exercises by estates or by persons receiving vested options because of the death of the optionee. However, nothing shall operate to extend the term of the option beyond the term stated in the agreement granting the option. Any option that is not vested at the time of an optionee's termination or death will expire commensurate with such termination of employment or death as applicable.

Nonassignable and Nontransferable Options

Each option, and all rights thereunder, shall be nonassignable and nontransferable other than by will or the laws of descent and distribution. With the exception for disability, during an optionee's lifetime, an option may only be exercised by the optionee. If an optionee suffers total and permanent disability, an option may be exercised by the optionee, if capable, or by the optionee's committee, guardian, attorney-at-law or other authorized person or entity. After the death of an optionee, an option may be exercised by his or her personal representative, devisee or heir, as the case may be.

Table of Contents

Effective Date and Duration of the 2006 Plan

The 2006 Plan will become effective upon approval of shareholders owning a majority of the total votes cast at the meeting. The 2006 Plan will terminate five (5) years from its effective date, but the termination shall not affect option rights granted before the date of termination.

Allocation of Shares

A total of 1,500,000 shares of United's authorized but unissued common stock, \$2.50 par value, will be allocated for the 2006 Plan. If an option under the 2006 Plan expires or terminates unexercised as to any shares covered thereby, such shares may be thereafter available for granting of options under the 2006 Plan. The number, kind, or class (or any combination thereof) of shares of stock under the 2006 Plan; the grant limitations under Section 4 of the 2006 Plan; the number, kind or class (or any combination thereof) of shares subject to the 2006 Plan of shares of stock subject to options; and the exercise price of the options must be adjusted by the Compensation Committee in an equitable manner to reflect any change in the capitalization of the Company including but not limited to stock dividends or stock splits.

Each Plan year, 400,000 options will be considered for award to eligible employees; however, not all of the 400,000 options are required to be awarded in that year. Any ungranted options from the prior year(s) will be added to the current year's available options for the Committee's consideration for the granting of options. The total number of options that may be granted in any one year, with the exception of the first year in which 400,000 will be considered for award, is the current year's allocation plus the cumulative total of all ungranted and forfeited options of all prior years under the 2006 Plan. No employee may be granted in any calendar year options which total more than 60,000 shares.

Amendment and Discontinuance

Subject to applicable law and the listing standards or requirements of any exchange on which United Stock is traded, the Board of Directors may at any time amend or discontinue the 2006 Plan. The Board of Directors may not, without the approval of the shareholders, amend the 2006 Plan to increase the maximum number of shares as to which options may be granted under the 2006 Plan, change the class of eligible employees, reduce the exercise price of outstanding options (except with respect to certain changes in capital structure as provided in Section 13 of the 2006 Plan), or lower the exercise price at which future options may be granted below the fair market value of the stock on the date the option is granted. Amendments may not alter the outstanding options without the consent of the optionee.

Tax Consequences

The following discussion outlines generally the federal income tax consequences of participation in the 2006 Plan. Individual circumstances may vary and each recipient should rely on his or her own tax counsel for advice regarding federal income tax treatment under the 2006 Plan. Furthermore, any tax advice contained in this discussion is not intended to be used, and cannot be used, to avoid penalties under the Internal Revenue Code.

All options granted under the 2006 Plan will be non-statutory stock options (NSOs), i.e. options that do not qualify as incentive stock options under Section 422 of the Internal Revenue Code. A recipient will not recognize income upon a grant of an option or at any time prior to the exercise of the option or portion thereof. An individual who exercises a non-statutory stock option (NSO) will recognize compensation taxable as ordinary income in the year the option is exercised in an amount equal to the excess of the fair market value of the shares purchased on the exercise date over the purchase price. United is entitled to a tax deduction in an amount equal to the ordinary income recognized by the optionee. The excess of the proceeds from any subsequent sale of the shares purchased over the

Table of Contents

fair market value on the date of exercise is taxed as long-term capital gain if the shares are held more than one year and as short-term capital gain if held one year or less.

Vote Required

The affirmative vote of a majority of votes cast on this proposal is required for the approval of this proposal. In determining whether the proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be disregarded and will have no effect on the outcome of the vote.

United believes that its compensation plans have made a significant contribution to the success of the Company in attracting and retaining key employees. It is the intention of the persons named in the accompanying proxy, unless the proxy specifies otherwise, to vote **FOR** the 2006 Stock Option Plan.

Accordingly, the Board of Directors recommends that the shareholders vote FOR approval of the 2006 Stock Option Plan.

PROPOSAL 3: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Subject to ratification by United's shareholders, United's Audit Committee has selected Ernst & Young LLP (Ernst & Young), Charleston, West Virginia as the independent registered public accounting firm for United to audit the consolidated financial statements of United and its subsidiaries for the fiscal year ending December 31, 2006. Ernst & Young has audited the financial statements of United and its subsidiaries since 1986.

Representatives of Ernst & Young will be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so. Such representatives of the firm will be available to respond to appropriate shareholder inquiries at the Annual Meeting.

The affirmative vote of a majority of votes cast on this proposal is required for the approval of this proposal. In determining whether the proposal has received the requisite number of affirmative votes, abstentions and broker non-votes will be disregarded and will have no effect on the outcome of the vote.

Shareholder ratification of the selection of Ernst & Young as our independent registered public accounting firm is not required by our Bylaws or otherwise. However, the Board of Directors is submitting the selection of Ernst & Young to the shareholders for ratification as a matter of good corporate practice. If the shareholders fail to ratify the selection, the Audit Committee will terminate Ernst & Young as the Company's independent registered public accounting firm and direct the appointment of a different firm. Even if the selection is ratified, the Audit Committee and the Board of Directors in their discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its shareholders.

The Audit Committee and the Board of Directors recommends a vote FOR the ratification of Ernst & Young as the independent registered accounting firm for United.

AUDIT COMMITTEE AND INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Audit Committee Report

The United Bankshares, Inc. Audit Committee reviews United's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal control. United's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States and on the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management and the independent registered public accounting firm the 2005 audited financial statements. This discussion included the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as Amended by Statement on Auditing Standards, No. 90, Communications with Audit Committees. In addition, the Audit Committee received from the independent registered public accounting firm the written disclosures and the letter required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. And, the Audit Committee determined that the nonaudit services provided to the Company by the independent registered public accounting firm are compatible with the auditors' independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited financial statements and management's report on the effectiveness of internal control over financial reporting be included in United's Annual Report on Form 10-K for the year ended December 31, 2005, for filing with the Securities and Exchange Commission.

No member of the Audit Committee is a former or current officer or employee of United.

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services and other services performed by the independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee has delegated to the Chair of the Audit Committee authority to approve permitted services provided that the Chair reports any decisions to the

**EXHIBIT B
UNITED BANKSHARES, INC.
2006 STOCK OPTION PLAN**

1. Purposes of the Plan.

The Plan is designed to advance the interests of United Bankshares, Inc. (United) by assisting in attracting and retaining qualified employees and providing them with increased motivation to exert their best efforts on behalf of the Company.

2. Administration.

The Plan shall be administered by the Compensation Committee of the Board of Directors (Committee) of the Company. The Committee shall consist of not less than two directors, appointed by the Board of Directors. To the extent required to comply with Rule 16b-3 under the Exchange Act, each member of the Committee shall qualify as a Non-employee Director (within the meaning of said section). To the extent required to comply with Code Section 162(m), each member of the Committee also shall be an Outside Director (within the meaning of said section).

The Committee may select any officer or key employee of the Company or of its subsidiaries (eligible employee) to participate in the Plan and may from time to time grant options to purchase the shares of stock described hereafter in accordance with the terms of this plan.

The Committee shall have full power to construe and interpret the Plan and promulgate such regulations with respect to the Plan as it may deem desirable in accordance with applicable law. The terms and conditions of each option may vary from eligible employee to eligible employee.

3. Awards.

Options to purchase United s stock may be awarded under the Plan. Such options shall be non-statutory stock options (NSOs) i.e., options that do not qualify as ISOs.

4. Stock Subject to Option.

There shall be allocated to the Plan 1,500,000 authorized and unissued shares of common capital stock of the Company. If an option granted under the Plan expires or terminates unexercised as to any shares covered thereby, such shares may thereafter be available for the granting of options under the Plan.

The Committee will consider for award up to 400,000 shares of Common Capital Stock in any plan year. Any ungranted options from the prior year(s) will be added to the current year s available options for the Committee s consideration for the granting of options. The total number of options that may be granted in any one year, with the exception of the first year in which 400,000 shares will be considered for award, is the current year s allocation plus the cumulative total of all ungranted options of

Table of Contents

all prior years under the 2006 Plan. An employee may not be granted in any calendar year options which in the aggregate relate to more than 60,000 shares of stock.

The Company, during the term of the options granted pursuant to this Plan, will at all times reserve and keep available, and will seek to obtain from any regulatory body having jurisdiction, to the extent required, any authority in order to issue and sell the number of shares of its Common Stock sufficient to satisfy the requirements of such options. If in the opinion of its counsel the issue or sale of any shares of its stock pursuant to this Plan will not be lawful for any reason, including the inability of the Company to obtain from any regulatory body having jurisdiction authority deemed by such counsel to be necessary to such issuance or sale, the Company shall not be obligated to issue or sell any such shares.

5. Terms and Conditions of Options.

All options granted under this Plan shall be evidenced by an option agreement that specifies the option exercise price, the duration of the option, the number of shares to which the option pertains, and such other provisions as the Committee, in its discretion, may from time to time determine, provided, however, that all options granted shall be subject to the following provisions:

(a) **Option Price**: The option price per share with respect to each option shall be not less than 100% of the fair market value of the stock on the date the option is granted. Fair market value shall be defined as the opening bid price on the day the Committee approves the option award or at the Committee's discretion based on alternatives as determined in accordance with IRC Section 409A.

(b) **Vesting**: Subject to the acceleration of vesting provisions of Section 5(c), following, an employee shall be permitted to exercise options granted hereunder in accordance with the following vesting schedule:

Years from	Percentage
Grant of Option	Vested
1	0%
2	0%
3	100%

In order for options to vest, an optionee must be an employee on the date the options are scheduled to vest (as outlined in the preceding schedule) or in the case of a change in control, the optionee must be an employee on the date the change in control is deemed to have occurred in order to have the vesting of outstanding options accelerated.

(c) **Change in Control**: Notwithstanding the vesting schedule of Section 5(b), above, in the event of a change in control as hereafter defined, an employee shall be permitted to exercise all of the options granted beginning on the date of the execution of a binding contract which would result in a change in control, whether or not the contract is performed, and ending on the effective date of the change in control, at which latter time all unexercised options in effect at such time shall terminate. The surviving or resulting corporation or other entity, in its absolute discretion, may grant options to purchase its shares upon such terms and conditions as it desires.

Table of Contents

For the purpose of this Plan, a change in control shall be deemed to have occurred: (i) if any person (as such term is used in Section 13(d) and 14(d) of the Securities Exchange Act of 1934 (the Exchange Act)) or group of persons, together with its affiliates excluding employee benefit plans of United or its subsidiaries, shall become the beneficial owner (as such term is used in the Exchange Act), directly or indirectly of common stock of United representing twenty percent (20%) or more of the combined voting power of United's then outstanding securities eligible to be voted in an election of directors, unless two-thirds of the Board, as constituted immediately prior to the date of the change in control, decide in their discretion that no change in control has occurred; (ii) if at any time individuals who at the date of this Agreement constitute at least a majority of the Board of Directors cease for any reason other than death or voluntary resignation (being a resignation not requested by any other person or persons, including without limitation, the retirement of a director at the end of his or her term) to constitute at least a majority thereof; (iii) if there is a change in control of a nature that, in the opinion of counsel for United, would be required to be reported in response to Item 6(e) of Schedule 14A under the Exchange Act, unless two-thirds of the Board, as constituted immediately prior to the date of the change in control, decide in their discretion that no change in control has occurred; (iv) the shareholders of United approve a plan of complete liquidation or winding-up of United; or (v) any event which United's Board of Directors determine constitutes a change in control.

(d) Exercise of Options: An exercise of an option shall be made in a written notice to the Company of the election and of the number of shares to be purchased. Full payment for shares acquired shall be made in cash or such other form as determined by the Committee at the time that an option, or any part thereof, is exercised. The rights of a record holder of stock with respect to such shares will not accrue until a certificate for the shares is issued.

(e) Term of Option: No option shall be granted for a term of more than ten (10) years from the date the option is granted.

(f) Employment Status of Optionee: Except as hereinafter provided with respect to disability and death and subject to the termination of option provisions in Section 5(e), each vested option, to the extent it shall not have been exercised, shall terminate upon three (3) months after the termination of employment of the optionee. Subject to the termination of option provisions in Section 5(e), in the event termination of employment is the result of the optionee's permanent and total disability, as defined in Section 22(e)(3) of the Internal Revenue Code, or successor section, each vested option, to the extent it shall not have been exercised, shall terminate one (1) year after the termination of employment of the optionee. The three (3) month and one (1) year limitations on the exercise of vested options are waived entirely for exercises by estates or by persons receiving vested options because of the death of the optionee. Provided, however, that nothing in this paragraph shall operate to extend the term of the option beyond the term stated in the agreement granting the option. Any option that is not vested at the time of an optionee's termination or death will expire commensurate with such termination of employment or death, as applicable.

(g) Options Nonassignable and Nontransferable: Each option, and all rights thereunder, shall be nonassignable and nontransferable other than by will or the laws of descent and distribution. With the exception hereafter noted for disability, during an optionee's lifetime, a vested option may only be exercised by the optionee. If an optionee suffers total and permanent disability, a vested option may be exercised by the optionee, if capable, or by the optionee's committee, guardian, attorney-in-fact or other

Table of Contents

authorized person or entity. After the death of an optionee, a vested option may be exercised by his or her personal representative, devisee or heir, as the case may be.

(h) **Order of Exercise:** Any vested option granted pursuant to this Plan may be exercised in any order, at the discretion of the optionee.

6. Rights of Shareholders.

No optionee shall have rights as a shareholder as to shares covered by an option until the date a stock certificate is issued to such individual for the shares.

7. Rights of Participants.

This Plan will not confer upon any participant any right with respect to continuance of employment or other service with United or any subsidiary, nor will it interfere in any way with any right United or any Subsidiary would otherwise have to terminate such Participant's employment or other service at any time.

8. Effective Date of Plan.

The Plan shall become effective upon approval by shareholders owning a majority of the total votes cast at the meeting held to consider the Plan.

9. Amendment of Plan.

Subject to applicable law and the listing standards or requirements of any exchange on which United stock is traded, the Board of Directors may at any time terminate or from time to time amend the Plan and the terms and conditions of any options not theretofore issued; and may, with the consent of the affected holder of an option, withdraw or from time to time amend the Plan and the terms and conditions of any options which theretofore have been granted.

However, the Board of Directors may not, without the approval of the shareholders, amend or alter the Plan to increase the maximum number of shares as to which options may be granted under the Plan, or change the class of eligible employees, or reduce the exercise price of outstanding options, or lower the exercise price at which future options may be granted (i.e., options may not be awarded with a below-market exercise price).

10. Termination of Plan.

The Plan shall terminate five (5) years from its effective date, or if earlier, five (5) years from the date of its adoption, but the termination shall not affect option rights granted before the date of termination.

11. Withholding.

United and any of its subsidiaries shall have the power and the right to deduct or withhold, or require a participant to remit to the Company or any of its subsidiaries, an amount sufficient to satisfy

Table of Contents

federal (including FICA), state, and local taxes required by law to be withheld with respect to any grant, exercise, or payment made under or as a result of this Plan.

12. Compliance.

Options awarded under the Plan are intended to be exempt from IRC Section 409A and the Plan will be construed and interpreted consistent with that intention.

13. Changes in Capital Structure.

The number, kind, or class (or any combination thereof) of shares of stock reserved under Section 4 of the Plan; the grant limitations also defined in Section 4 of the Plan; the number, kind, or class (or any combination thereof) of shares of stock subject to options; and the exercise price of the options shall be adjusted by the Committee in an equitable manner to reflect any change in the capitalization of the Company, including, but not limited to, such changes as stock dividends or stock splits.

14. Construction.

If any provision of the Plan or any Option Agreement is held to be illegal or void, such illegality or invalidity shall not affect the remaining provisions of the Plan, but shall be fully severable, and the Plan shall be construed and enforced as if the illegal or invalid provisions had never been inserted. For all purposes of the Plan, where the context permits, the singular shall include the plural, and the plural shall include the singular. All decisions of the Committee upon questions regarding the Plan or any Option Agreement shall be conclusive and binding on all persons. Unless otherwise expressly stated herein, in the event of any inconsistency between the terms of the Plan and any Option Agreement, the terms of the Plan shall control. The headings of the paragraphs of this Plan have been included for convenience of reference only, are not to be considered a part hereof and shall in no way modify or restrict any of the terms of provisions hereof.

15. Governing Law.

This Plan and any Option Agreement issued pursuant to this Plan shall be governed by, and construed in accordance with, the laws of the State of West Virginia.
