**FARMERS NATIONAL BANC CORP.  
20 SOUTH BROAD STREET  
CANFIELD, OHIO 44406  
PROXY STATEMENT  
ANNUAL MEETING OF SHAREHOLDERS  
MARCH 27, 2008**

Farmers National Banc Corp., herein referred to as Farmers or the Corporation is furnishing this Proxy Statement to its shareholders in connection with the solicitation, by order of the Board of Directors of Farmers, of proxies to be used at the Annual Meeting of Shareholders to be held on Thursday, March 27, 2008 at 3:30 P.M., Eastern Standard Time, at Kenneth F. McMahon Hall at the Mill Creek MetroParks Experimental & Educational Building at 7574 Columbiana-Canfield Rd., Canfield, Ohio 44406, and at any adjournments thereof. The Corporation is a one-bank holding company of which The Farmers National Bank of Canfield, herein referred to as the Bank is the wholly owned subsidiary.

The cost for solicitation of proxies will be borne by Farmers. Brokerage firms and other custodians, nominees and fiduciaries may be requested to forward soliciting material to their principals and to obtain authorization for the execution of proxies. Farmers will, upon request, reimburse brokerage firms, and other custodians, nominees and fiduciaries for the execution of proxies and for their expenses in forwarding proxy material to their principals.

The proxy statement and the form of proxy are being mailed on March 6, 2008 or as soon thereafter as practicable to all shareholders entitled to vote at the meeting. In addition to use of mails, proxies may be solicited by officers, directors, and employees of Farmers by personal interview, telephone or other forms of direct communication.

The 2007 Annual Report, including the required audited financial statements of the Corporation and related financial information, is enclosed with this proxy statement and form of proxy.

**VOTING RIGHTS**

Only shareholders of record at the close of business on February 1, 2008 will be entitled to vote at the meeting. As of February 1, 2008, Farmers had issued and outstanding 13,028,376 shares of common stock with no par value held by approximately 3,870 holders of record eligible to vote. Each outstanding share entitles the record holder to one vote. The number of shares present at the meeting in person or by proxy will constitute a quorum for the transaction of business.

It is important that your stock be represented at the meeting, regardless of the number of shares you may own. We would appreciate your signing and returning the enclosed proxy. The shares represented by each proxy, which is properly executed and returned to Farmers, will be voted in accordance with the instructions indicated in such proxy. If no instructions are indicated, shares represented by proxy will be voted FOR the election of each of the directors as described herein under Proposal 1. An abstention or failure to vote on amending the Code of Regulations is equal to a vote AGAINST Proposal 2. The proxy may be revoked at any time prior to its exercise, by delivering notice of revocation or a duly executed proxy bearing a later date to the Treasurer of the Corporation at any time before the proxy is voted. Shareholders who attend the meeting in person may vote their stock even though they may have sent in a proxy. No officer or employee of Farmers may be named as a proxy. If you received two or more proxy forms because of a difference in addresses or registration of shareholdings, each should be executed and returned in order to assure a complete tabulation of shares.

The Corporation will appoint two officers to act as inspectors for the purpose of tabulating the votes cast by proxy. Broker non-votes and abstentions are not treated as votes cast for purposes of any of the matters to be voted on at the meeting. The directors standing for re-election shall be elected by a plurality of the votes cast.

The Board of Directors knows of no other business that will be presented for consideration at the 2007 Annual Meeting other than the matters described in this Proxy Statement. If any other matters should come before the meeting, the proxy holders will vote upon them in accordance with their best judgment.

**PROPOSAL NO. 1:**

**ELECTION OF DIRECTORS**

The Board of Directors of the Corporation currently consists of eight (8) directors and is divided into three (3) Classes. Two (2) directors are in Class I whose terms expire March 2008 and are up for election this year, three (3) directors are in Class II whose terms expire March 2009, and three (3) directors are in Class III whose terms expire March 2010. Pursuant to the Code of Regulations, the authorized number of directors has been set at eight (8). The Board of Directors has nominated the two (2) persons named below to serve as directors in accordance with the proposal. The class in which each director is designated is identified below. Each of the nominees is presently a member of the Board of Directors and has consented to serve another term as director if re-elected. If any of the nominees should be unavailable to serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee or nominees (in which case the persons named on the enclosed proxy card will vote all valid proxy cards for the election of such substitute nominee or nominees), allow the vacancy or vacancies to remain open until a suitable candidate or candidates are located, or approve a resolution that provides for a lesser number of directors. It is presently anticipated that each person elected as a director of the Corporation at the annual meeting will be elected by the Corporation as a director of the Corporation's wholly owned subsidiary, Farmers National Bank of Canfield.

The two (2) Class I nominees proposed for election at this Annual Meeting are Joseph D. Lane and Ronald V. Wertz. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ELECTION OF THE TWO NOMINEES NAMED IN THIS PROXY STATEMENT.

**PROPOSAL NO. 2:**

**AMENDMENT TO THE CODE OF REGULATIONS RELATING TO ANNUAL MEETING DATE**

In February 2008, the Corporation's Board of Directors voted unanimously to recommend to the Corporation's shareholders that Article II, Section 1 of the Corporation's Code of Regulations be amended to change the date of the Corporation's Annual Meeting of Shareholders from the month of March to April, at a date and time that the Board deems appropriate; commencing in the Year 2009. Although the Board of Directors characterizes the proposed Amendment to the Code of Regulations as a procedural matter, the Board considers the Amendment to the Code of Regulations as necessary and desirable for the following reasons: While the Corporation has complied with the annual meeting date in the past, preparing and filing the annual proxy statement for the annual meeting in conjunction with the preparation, compiling and filing of year end financial statements and the year end audit has required management to allocate a concentrated amount of time to regulatory compliance matters during January and February of each year. Moving the annual meeting date to April will allow management to better balance the responsibilities of various regulatory compliance requirements with the day to day responsibilities of operating the Corporation. Moving the

annual meeting date to April will also provide improved flexibility, efficiency and effectiveness of the Board and management in addressing customary and other year-end corporate business that have evolved from increased organizational, regulatory and administrative complexities.

Due to these increased organizational, regulatory and administrative complexities that have evolved over time and currently affect the Corporation, the Board of Directors believes that the Corporation's management will benefit from the additional time to prepare for the Annual Meeting of Shareholders.

Should the proposal be adopted by the Corporation's shareholders, Article II, Section I of the Corporation's Code of Regulations would be amended to read in its entirety as follows:

Section 1. Annual Meeting. The annual meeting of the shareholders of this corporation, for the purpose of fixing or changing the number of directors of the corporation, electing directors and transacting such other business as may come before the meeting, shall be held on a day, to be determined by the Board of Directors, in the month of April each year.

To approve the proposed Amendment, the affirmative vote of the holders of record of shares entitling them to exercise a majority of the voting power is required. Your vote on this proposal is particularly important since an abstention or failure to vote is tantamount to a vote against the amendments to the Code of Regulations.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE PROPOSED AMENDMENT TO THE CODE OF REGULATIONS DESCRIBED IN THIS PROXY STATEMENT.**

This committee meets on a regular biweekly basis with three members of the Bank's Executive Loan Committee.

The Board of Directors has a *Building Committee* consisting of all the directors. The function of this committee is to oversee site selection for new offices, remodeling projects and any other modifications to the Corporation's buildings. This committee did not meet in 2007.

The Nominating Committee will consider director nominees recommended by shareholders, provided these nominations are in accordance with the procedures set forth in the Corporation's Code of Regulations. The Code of Regulations requires that nominations made by a shareholder be made in writing to the Secretary of the Corporation not less than 90 nor more than 120 days prior to the Annual Meeting. The nomination must include the name, age, address, principal occupation and employment history for at least five years, the number of shares of the Corporation owned by the nominee and the identity and ownership of shares of the shareholder making such nomination. The Corporation may also require other information reasonably required allowing the Nominating Committee to make an informed decision regarding the qualifications and characteristics of the nominee. In its deliberations for all candidates, the Nominating Committee considers a candidate's personal and professional integrity as well as knowledge of the banking business, involvement in community, business and civic affairs. In searching for qualified director candidates to fill vacancies to the Board, the Nominating Committee solicits potential candidates from members of the Board. If no acceptable candidates are found from such solicitation, each member of the Board is asked to seek suggested candidates from their respective trusted personal and business advisors. In this process, nominations from shareholders will also be considered. With respect to nominating an existing director for re-election, the Nominating Committee will consider the intentions of the Director to continue to serve the Corporation, and will consider and review such director's Board and committee attendance, performance and independence. The Nominating Committee operates under a written charter adopted by the Board of Directors. A copy of the Nominating Committee Charter can be found on the Corporation's web site at [www.fnbcanfield.com](http://www.fnbcanfield.com).

#### **EXECUTIVE COMPENSATION**

##### ***Compensation Discussion and Analysis and Report of Compensation Committee***

This section explains the Corporation's executive compensation program as it relates to its executive officers.

*Responsibility.* Policy and decision-making relating to compensation of the Corporation's executives rest with the Executive Compensation and Employees Salary Committee of the Board of Directors, which is made up of all of the independent directors. The Compensation Committee may not delegate its authority. No officers of the Corporation sit on the Compensation Committee, nor do any officers have a role in determining executive compensation. The Compensation Committee reports to the full Board, but its decisions are not subject to full Board approval. No compensation consultants were used in 2007. The Compensation Committee sets the limits for compensation increases in the aggregate for all staff, reviews performance of executive officers and sets their salaries for the coming year. The Compensation Committee also negotiated the terms of the executive contracts referred to as Employment Contracts of Executives, discussed below. In addition, the Compensation Committee recommends any incentive or bonus program to the Board.

*Objectives.* The Compensation Committee oversees an integrated compensation program having several elements as discussed below. With respect to each element of executive

compensation, the Compensation Committee has the objectives of providing the Bank, its staff and the communities it serves with consistent long-term leadership of the highest quality possible while protecting the interests of the shareholders.

*What the Compensation Program is Designed to Reward.* The executive compensation programs are designed to reward: (1) specific job performance by the individual in question; (2) contribution to target levels of growth, profitability, stability and capital; and, (3) two additional specific items of corporate performance in the banking industry: return on equity (ROE) and return on assets (ROA). Also considered is the executive's contribution to the general success of the Bank and its business plan. Successful bank operations depend upon accomplishment in all areas and integration with the business community's direction and success in the Bank's market areas. Executive performance is therefore evaluated using these factors as well. Specific results of each executive's area of responsibility are evaluated and considered. The Compensation Committee evaluates the President (Principal Executive Officer) on the same basis as other executive officers with weight being given to the achievement of target levels of growth, capital and return on equity, and, in addition, specific target goals of the overall strategic plan of the Bank.

*Elements of Compensation.* The elements of compensation currently used by the Compensation Committee are: (1) salary, (2) participation in the Stock Option Plan, (3) Deferred Compensation Agreements, and (4) the Corporation's non-discriminatory 401(k) Plan. The Corporation pays each of these elements because it believes each element contributes to an integrated, balanced, fair, and competitive compensation program. Such a program is necessary for the Bank to attract and retain the consistent, long-term leadership that is required for the Bank to succeed. The Compensation Committee recommends and determines the amounts for each element based upon its straightforward judgments about the performance of individuals and the long-term interests of the Corporation's shareholders. The Compensation Committee's policy for allocating between long-term and currently paid out compensation is to emphasize a competitive salary structure. There have been no grants of options under the Stock Option Plan in 2007. Each element of compensation is presented in the Summary Compensation Table provided below.

*Determination of Amounts of Compensation.* The Compensation Committee does not engage in any benchmarking of the Corporation's compensation against any other institution; however, it is aware of the competitive market for banking executives in the Corporation's geographic market. The Corporation's compensation program for the elements of salary and stock options must be competitive in the relevant market, and this is the primary consideration in setting levels of salaries and grants under the Stock Option Plan. There are no additional Deferred Compensation Agreements or Employment Contracts of Executives presently contemplated by the Compensation Committee.

*Summary Compensation Table.* Listed below is the total compensation paid by the Corporation's subsidiary, The Farmers National Bank of Canfield, during the fiscal years indicated to the named person(s) for their respective services in all capacities, specifically setting forth the direct compensation to the President & CEO (who is also the Corporation's Principal Executive Officer), the Principal Financial Officer and two other Executive Officers who received cash and cash equivalent compensation in excess of \$100,000. The Compensation Committee has recommended and approved the compensation set forth below.

(a) The amount of Director Fees included in this annual amount is as follows: Paden (\$12,000 for 2007, 2006 and 2005 respectively).

(b) In May 1996, the Corporation adopted a 401(k) Profit Sharing Retirement Savings Plan. All employees of the Bank who have completed at least one year of service and meet certain other eligibility requirements are eligible to

participate in the Plan. Under the terms of the Plan, employees may voluntarily defer a portion of their annual compensation, not to exceed 15%, pursuant to Section 401(k) of the Internal Revenue Code. The Bank matches a percentage of the participants voluntary contributions up to 6% of gross wages. In addition, at the discretion of the Board of Directors, the Bank may make an additional profit sharing contribution to the Plan. The Bank's contributions are subject to a vesting schedule and the Plan meets the requirements of Section 401(a) of the Internal Revenue Code and Department of Labor Regulations under ERISA.

- (c) Amounts represent cost of group term life insurance and other benefits,

and for  
Messrs. Paden  
and Lukas,  
accrued  
amounts under  
each of their  
respective  
deferred  
compensation  
agreements.

There were no bonus payments to the named executives for the years shown above, and no stock options granted; accordingly, salary was the primary compensation.

*Deferred Compensation Agreements.* In 1991, as a result of certain changes in the Internal Revenue Code, the Bank's former pension plan was amended to reduce significantly the benefits of several key employees, including those of Mr. Paden and Mr. Lukas. As a result, the Bank has entered into Deferred Compensation Agreements with two of the executive officers named above, Mr. Paden and Mr. Lukas. Under the terms of the Deferred Compensation Agreements, upon retirement, Mr. Paden will receive monthly payments of \$930.00 and Mr. Lukas will receive monthly payments of \$815.00, each for a period of two hundred and four (204) consecutive months. In the event that any payments remain payable to the executive officer at the time of his death, the remaining payments will be discounted to present value (at the rate of 6% compounded annually) and paid to his surviving spouse in a lump sum. If there is no surviving spouse, the lump sum payment will be made to the estate of the deceased executive. Payments will be prorated in the event the employee retires before the age of 65, and will be increased if he retires after the age of 65. These Agreements are funded by life insurance policies owned by the Bank, on which the Bank is the beneficiary and on which the Bank pays the premiums. These Agreements also provide that these executive officers will be available to perform consulting services for the Bank during the period they are receiving these payments, and prohibits them from entering into competition with the Bank during that same period.

#### **EMPLOYMENT CONTRACTS OF EXECUTIVES**

The Corporation has entered into employment contracts with Frank L. Paden, Carl D. Culp, Donald F. Lukas and Mark L. Graham. The Corporation desires to provide for the continued employment of these executives resulting in continuity of management for the future. Each executive

has entered into an employment contract on or about March 29, 2001. Each employment contract for each respective executive provides the following terms and conditions of employment:

Each executive shall have a term of employment commencing on the date of the employment contract and continuing until that annual meeting which takes place during the third calendar year following the date of the agreement. At each successive annual meeting after the date of execution, the term of employment is renewed for an additional three-year period of time. The agreement shall continue until terminated pursuant to its terms.

The executive can only be terminated by the Corporation for cause, as that term is described in the agreement. If terminated, the executive shall be paid his salary for his remaining term of employment. Such payment shall be made in lump sum.

If a change in control of the Corporation shall occur and the executive leaves the employment of the Corporation within eighteen (18) months following the change of control, in addition to the above compensation, the employee shall receive a lump sum payment of three (3) times his prior year's compensation. The compensation which might be paid to each of the named executives pursuant to a change in control, based upon compensation received in 2007 is: Frank L. Paden \$747,147; Carl D. Culp \$405,510; Donald F. Lukas \$426,375; Mark L. Graham \$325,239. Upon termination for any reason, each of the executives shall be subject to a two-year non-compete and non-solicitation agreement, which shall prevent such individual from working for a competitor of the Corporation or the Bank.

If the executive is terminated without cause, or leaves the Corporation within eighteen (18) months following a change of control, or if the Board fails to elect the executive to a position of comparable duties and responsibilities then being served by the executive, all stock options previously granted to the executive shall become immediately exercisable and vested.

The Compensation Committee of the Board of Directors approved the terms of the employment contracts.

**OUTSTANDING EQUITY AWARDS AT FISCAL YEAR END**

The following table sets forth the incentive stock options granted to the Corporation's President & CEO, Executive Vice President and CFO, and other named Executive Officers under the Farmers National Banc Corp. 1999 Stock Option Plan. The Compensation Committee of the Board of Directors has approved the grants of incentive stock options described below. No options have been exercised.

Donald F. Lukas	3,000	\$ 11.00	11/09/2009
Mark L. Graham	2,000	\$ 11.00	11/09/2009

(1) Options granted in 2001 are incentive stock options, which

are exercisable equally over a five-year vesting period; however, all options become immediately exercisable in the event of a change in control of the Corporation. These options were granted for a term of eight years, subject to earlier termination in certain events related to termination of employment. All options granted have been vested and are exercisable.

- (2) Exercise price is the fair market value on the date of the grant.

**INDEBTEDNESS OF MANAGEMENT**

The Bank has had, and expects to have in the future, banking transactions in the ordinary course of business with directors, executive officers and their associates on the same terms, including interest rates and collateral on loans, as those prevailing at the same time for comparable transactions with others. Since the beginning of 2007, the largest aggregate extensions of credit to executive officers, directors and their associates during the year ended December 31, 2007 was \$6,336,936 or 8.57% of Equity Capital Accounts. In the opinion of the management of the Bank, these transactions do not involve more than a normal risk of collection or present any unfavorable features.

**RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS**
