Item 8.01. Other Events.

As previously disclosed, on March 27, 2015, Olin Corporation (“Olin”) and The Dow Chemical Company (“TDCC”) announced that they and certain affiliates had entered into an Agreement and Plan of Merger (the “Merger Agreement”) dated March 26, 2015 among Olin, TDCC, Blue Cube Acquisition Corp. (“Merger Sub”) and Blue Cube Spinco Inc. (“Spinco”), pursuant to which, subject to the terms and conditions of the Merger Agreement and a Separation Agreement dated March 26, 2015 between TDCC and Spinco, (1) TDCC will transfer its U.S. chlor-alkali and vinyl, global chlorinated organics and global epoxy businesses to Spinco, (2) TDCC will distribute Spinco’s stock to TDCC’s shareholders, at TDCC’s option, by way of a spin-off, a split-off or a combination thereof, and (3) Merger Sub will merge with and into Spinco, with Spinco as the surviving corporation (the “Merger”).

Olin and TDCC announced today that the waiting period applicable to the transactions under the Merger Agreement had expired under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the “HSR Act”). The press release is attached hereto as an exhibit and is incorporated by reference herein.

The expiration of the waiting period under the HSR Act satisfies one of the conditions to the closing of the Merger, which remains subject to Olin shareholder approval and customary closing conditions.

This communication includes forward-looking statements. These statements relate to analyses and other information that are based on management’s beliefs, certain assumptions made by management, forecasts of future results, and current expectations, estimates and projections about the markets and economy in which Olin and TDCC’s chlorine products business operate. These statements may include statements regarding the proposed combination of TDCC’s chlorine products business with Olin in a “Reverse Morris Trust” transaction, the expected timetable for completing the transaction, benefits and synergies of the transaction, future opportunities for the combined company and products and any other statements regarding Olin’s and TDCC’s chlorine products business’s future operations, anticipated business levels, future earnings, planned activities, anticipated growth, market opportunities, strategies and competition.

The statements contained in this communication that are not statements of historical fact may include forward-looking statements that involve a number of risks and uncertainties. We have used the words “anticipate,” “intend,” “may,” “expect,” “believe,” “plan,” “estimate,” “will,” and variations of such words and similar expressions in this communication to identify such forward-looking statements. These risks, as well as other risks associated with Olin, TDCC’s chlorine products business and the proposed transaction are also more fully discussed in the prospectus included in the registration statement on Form S-4 filed with the Securities and

Exchange Commission (the “SEC”) by Olin on May 8, 2015 and the preliminary proxy statement on Schedule 14A filed with the SEC by Olin on May 8, 2015. The forward-looking statements should be considered in light of these factors. In addition, other risks and uncertainties not presently known to Olin or that Olin considers immaterial could affect the accuracy of our forward-looking statements.
