**Item 1.01 Entry into a Material Definitive Agreement**

On June 8, 2006, the Compensation Committee of the Board of Directors increased the target performance share awards for four executive officers, including two executive officers named in the summary compensation table of our 2006 proxy statement, Robert W. Dineen, President, Lincoln Financial Advisors and Westley V. Thompson, President, Employer Markets. The increase relates to the 2006-2008 performance cycle, and the final number of shares to be received, if any, depends upon satisfaction of the performance targets for the cycle. The increases were made to correct an inadvertent error in the original awards resulting in a decrease in the executives' total direct compensation as compared to 2005. As a result, the Committee increased Mr. Dineen's and Mr. Thompson's target performance share awards by 1,548 shares and 1,511 shares, respectively. More information about the performance awards for the 2006-2008 cycle is included in our Form 8-K filed on April 18, 2006, including the Overview of the 2006 Long Term Incentives For Senior Management Committee Members filed as Exhibit 10.1 to the Form 8-K.

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

Effective June 9, 2006, Section 3 of Article III of our bylaws was amended to remove the requirement of electing and appointing officers annually after the annual meeting of shareholders.
