Dear TRW Shareholder:

Today Northrop Grumman significantly increased its offer to TRW shareholders.

Under the terms of the amended offer, TRW shareholders will receive \$53 in Northrop Grumman common stock in exchange for each share of TRW common stock. The exchange ratio has a protective collar, so that TRW shareholders will receive \$53 in Northrop Grumman stock as long as the market price of Northrop Grumman's stock is between \$113 and \$123 per share. The minimum exchange ratio is 0.4309 and the maximum is 0.4690.

The enhanced offer represents a 33% premium over the closing price of TRW common stock on the New York Stock Exchange prior to announcement of Northrop Grumman's acquisition proposal on February 22.

Send TRW's board a strong message in favor of inviting us to do due diligence. Vote FOR the Control Share Acquisition Proposal at TRW's special meeting of shareholders on April 22 and FOR the Northrop Grumman proposals at the annual meeting on April 24.

If the TRW board continues to deny us access to non-public information, Northrop Grumman's offer will not proceed. The increased offer is expressly subject to our review of non-public information.

A BLUE proxy card is enclosed. Please be certain to complete the certification on the back of the proxy card to ensure that your vote is counted at the special meeting. Time is short, and TRW's future is at stake, so please act today.

If you have any questions or require assistance in voting your shares, call D.F. King & Co., Inc. toll-free at 1-800-755-7250.

Sincerely,

Kent Kresa
