hereof. Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by Union Pacific Corporation that it is the beneficial owner of any of the common stock referred to herein for purposes of Section 13(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or for any other purpose, and such beneficial ownership is expressly disclaimed.

Item 1. Security and Issuer.

This Statement on Schedule 13D (the "Schedule 13D") relates to the common stock, no par value (the "Issuer Stock"), of Motor Cargo Industries, Inc., a Utah corporation (the "Issuer"). The principal executive offices of the Issuer are located at 845 West Center Street, North Salt Lake, Utah 84054.

Item 2. Identity and Background.

(a), (b), (c) and (f). This Schedule 13D is filed by Union Pacific Corporation, a Utah corporation ("Union Pacific"). The address of Union Pacific's principal place of business is 1416 Dodge Street, Omaha, Nebraska 68179. Union Pacific operates primarily in the areas of rail transportation, through its subsidiary, Union Pacific Railroad Company, and trucking, through its subsidiary, Overnite Transportation Company ("Overnite"). The name, business address, present principal occupation or employment, the name and principal business of any corporation or other organization in which such employment is conducted and the citizenship of each of the directors and executive officers of Union Pacific is set forth in Schedule I hereto, which is incorporated by reference.

(d) and (e). During the last five years Union Pacific has not, and, to the best knowledge of Union Pacific, none of the directors or executive officers of Union Pacific set forth in Schedule I hereto have been (i) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

On October 15, 2001, Issuer, Union Pacific and Motor Merger Co., a Utah corporation and wholly-owned subsidiary of Union Pacific ("Merger Sub"), entered into an Agreement and Plan of Merger (the "Merger Agreement"). As a condition and inducement for Union Pacific to enter into the Merger Agreement and in consideration therefor, Messrs. Harold R. Tate and Marvin L. Friedland, holders of Issuer Stock (the "Subject Shareholders"), who collectively are the beneficial owners of 4,046,153 shares of Issuer Stock (the "Subject Shares"), entered into Shareholder Agreements on October 15, 2001 with Union Pacific (the "Shareholder Agreements"). The terms of the Merger Agreement and the Shareholder Agreements are summarized below.

Union Pacific estimates that the total amount of funds required to purchase all of the shares of Issuer Stock pursuant to the Offer (as defined below), assuming that only the Subject Shareholders elect to receive shares of Union Pacific Stock, and to pay related fees and expenses, will be approximately \$34.5 million. Union Pacific expects to obtain the necessary funds from available cash and working capital. The

Edgar Filing: MOTOR CARGO INDUSTRIES INC - Form SC 13D

Offer is not conditioned upon any financing being obtained. Union Pacific has not paid additional consideration to the Subject Shareholders in connection with the execution and delivery of the Shareholder Agreements.

Item 4. Purpose of the Transaction.

(a)-(g) and (j)

Merger Agreement.

The Merger Agreement provides, among other things, for the commencement by Union Pacific of a cash-election exchange offer (the "Offer") to exchange 0.26 of a share of common stock, par value \$2.50 per share, of Union Pacific ("Union Pacific Stock") or \$12.10 in cash for each outstanding share of Issuer Stock, in accordance with the terms and subject to the conditions provided in the Merger Agreement. Union Pacific is not required to accept for exchange or to exchange, and may terminate or, except as set forth in the Merger Agreement, delay the acceptance of any tendered Issuer Stock for payment, if, among other things, less than two-thirds of the total number of shares of Issuer Stock outstanding on a fully diluted basis are validly tendered and not properly withdrawn prior to the initial expiration date (the "Minimum Condition").

Upon the terms of and subject to the conditions to the Offer, Union Pacific will accept for exchange and exchange all shares of Issuer Stock validly tendered and not withdrawn prior to the expiration of the Offer as promptly as practicable after expiration of the Offer. Thereafter, Union Pacific shall be entitled to designate up to that number of directors of the Issuer, rounded up to the next whole number, as will make the percentage of the Issuer's directors designated by Union Pacific equal to the percentage of outstanding shares of Issuer Stock held by Union Pacific, including the shares of Issuer Stock accepted for payment pursuant to the Offer, and the Issuer will, upon request of Union Pacific, promptly take all actions necessary to cause Union Pacific's designees to be so elected.

Union Pacific intends, as soon as practicable after completion of the Offer, to have Issuer merge with and into Merger Sub. By virtue of the Merger and without any action on the part of the holders of the shares of Issuer Stock, at the effective time of the Merger (the "Effective Time"), each share of Issuer Stock issued and outstanding immediately prior to the Effective Time (other than (a) any shares held by Union Pacific, the Issuer or any of their respective subsidiaries, which shares, by virtue of the Merger and without any action on the part of the holder of such shares, will be canceled and retired and will cease to exist with no payment being made with respect thereto, and (b) shares of Issuer Stock held by a holder who has demanded an appraisal for such shares in accordance with the Utah Revised Business Corporation Act) will be converted into the right to receive \$12.10 in cash, payable to the holder of that share, without interest, upon surrender of the share certificate formerly representing that share.

The articles of incorporation of the corporation surviving the Merger (the "Surviving Corporation") will be in the form set forth in Exhibit A to the Merger Agreement, until duly amended. The bylaws of Merger Sub in effect at the Effective Time will be the bylaws of the Surviving Corporation, until duly amended. Subject to applicable law, (a) the directors of Merger Sub immediately prior to the Effective Time will be the initial directors of the Surviving Corporation and will hold office until their respective successors are duly elected and qualified, or their earlier death, resignation or removal, and (b) the officers of the Issuer immediately prior to the Effective Time will be the initial officers of the Surviving Corporation and will hold office until their respective

Edgar Filing: MOTOR CARGO INDUSTRIES INC - Form SC 13D

successors are duly elected and qualified, or their earlier death, resignation or removal.

The purpose of the Offer, the Merger and the Shareholder Agreements is to enable Union Pacific to acquire control of, and the entire equity interest in, the Issuer. It is the intention of Union Pacific that following the completion of the Offer and the Merger, the Issuer will be operated separately from Overnite and will maintain its own corporate identity. There are no plans to merge any of the operating facilities or operating employees of Overnite and the Issuer, but over time, there may be some efficiencies realized from combining administrative functions.

Shareholder Agreements

In connection with the Merger Agreement, Union Pacific has entered into a Shareholder Agreement, dated as of October 15, 2001, with each of the Subject Shareholders, who have, among other things, (a) agreed to tender the Subject Shares in the Offer, elect to receive Union Pacific Stock and vote the Subject Shares: (1) in favor of the Merger, the Merger Agreement and other transactions contemplated thereby; (2) against any alternative transactions; and (3) in favor of any other matter necessary for the consummation of the Offer (collectively, the "Voting Actions"), (b) granted to Union Pacific an irrevocable proxy coupled with an interest to vote the Subject Shares with respect to the Voting Actions, (c) agreed that they will not grant a proxy or power of attorney with respect to any of the Subject Shares, (d) agreed to waive any rights of appraisal available in the Merger and to take or refrain from taking certain other actions, (e) agreed that they have not and will not enter into any voting agreement, voting trust or similar understanding or obligation with respect to the Subject Shares and that any such arrangements previously entered into or granted with respect to the Subject Shares has expired or been revoked or terminated, (f) agreed not to donate, pledge, encumber, issue, sell, transfer, assign, or otherwise dispose of, in any manner the Subject Shares or change, modify or alter in any manner the Beneficial Ownership (as defined in the Shareholder Agreements) of any of the Subject Shares, (h) agreed not to solicit, initiate or encourage the making or submission of any proposal, or participate or engage in any discussions or negotiations, that constitute, or may reasonably be expected to lead to, any third party acquisition proposal or make any arrangement to abandon, terminate or fail to consummate the exchange of the Subject Shares pursuant to the Offer or the Merger or any other transaction contemplated thereby, or enter into any letter of intent or similar document or any contract, agreement or commitment contemplating or otherwise relating to any third party acquisition proposal.

Mr. Friedland's Shareholder Agreement provides that he is not required to take any action or make any election which conflicts with his existing contractual obligations imposed by margin accounts he maintains with respect to his 188,153 Subject Shares.

The covenants and agreements contained in the Shareholder Agreements will terminate upon the termination of the Merger Agreement.

The foregoing summaries of the Merger Agreement and the Shareholder Agreements do not purport to be complete and are qualified in their entirety by reference to the complete text of such agreements attached hereto as Exhibit 99.1, Exhibit 99.2 and Exhibit 99.3, respectively.

(h) and (i). The tender of shares of Issuer Stock pursuant to the Offer will reduce the number of shares of Issuer Stock that might otherwise trade publicly and will reduce the number of holders of shares of Issuer Stock and could adversely affect the liquidity and market value of the

Edgar Filing: MOTOR CARGO INDUSTRIES INC - Form SC 13D

remaining shares of Issuer Stock held by the public.

Nasdaq National Market Listing. Depending upon the number of shares of Issuer Stock purchased pursuant to the Offer, the shares of Issuer Stock may no longer meet the requirements of the National Association of Securities Dealers for continued inclusion on the Nasdaq National Market:

If the Nasdaq National Market were to cease to publish quotations for the shares of Issuer Stock, it is possible that the shares of Issuer Stock would continue to trade in the over-the-counter market and that price or other quotations would be reported by other sources. The extent of the public market for such shares of Issuer Stock and the availability of such quotations would depend, however, upon such factors as the number of shareholders and/or the aggregate market value of such securities remaining at such time, the interest in maintaining a market in the shares of Issuer Stock on the part of securities firms, the possible termination of registration under the Securities and Exchange Act of 1934 (the "Exchange Act") as described below, and other factors. Union Pacific cannot predict whether the reduction in the number of shares of Issuer Stock that might otherwise trade publicly would have an adverse or beneficial effect on the market price for, or marketability of, the shares of Issuer Stock or whether it would cause future market prices to be greater or lesser than Union Pacific is presently offering.

Registration Under the Exchange Act. Shares of Issuer Stock are currently registered under the Exchange Act. The Issuer can terminate that registration upon application to the SEC if the outstanding shares are not listed on a national securities exchange and if there are fewer than 300 holders of record of shares of Issuer Stock. Termination of registration of the shares of Issuer Stock under the Exchange Act would reduce the information that the Issuer must furnish to its shareholders and to the SEC and would make certain provisions of the Exchange Act, such as the short-swing profit recovery provisions of Section 16(b) and the requirement of furnishing a proxy statement in connection with shareholders meetings pursuant to Section 14(a) and the related requirement of furnishing an annual report to shareholders, no longer applicable with respect to shares of Issuer Stock. In addition, if shares of Issuer Stock are no longer registered under the Exchange Act, the requirements of Rule 13e-3 under the Exchange Act with respect to "going-private" transactions would no longer be applicable to the Issuer. Furthermore, the ability of "affiliates" of the Issuer and persons holding "restricted securities" of the Issuer to dispose of such securities pursuant to Rule 144 under the Securities Act may be impaired or eliminated. If registration of the shares under the Exchange Act were terminated, they would no longer be eligible for Nasdaq National Market listing or for continued inclusion on the Federal Reserve Board's list of "margin securities."

Status as "Margin Securities." The shares of Issuer Stock are presently "margin securities" under the regulations of the Federal Reserve Board, which has the effect, among other things, of allowing brokers to extend credit on the collateral of shares of Issuer Stock. Depending on the factors similar to those described above with respect to listing and market quotations, following consummation of the Offer, the shares of Issuer Stock may no longer constitute "margin securities" for the purposes of the Federal Reserve Board's margin regulations, in which event the shares of Issuer Stock would be ineligible as collateral for margin loans made by brokers.

If registration of the shares of Issuer Stock is not terminated prior to the Merger, then the registration of the shares under the Exchange Act and the quotation of the shares on the Nasdaq National Market will be

Edgar Filing: MOTOR CARGO INDUSTRIES INC - Form SC 13D

terminated following the completion of the Merger.

Item 5. Interest in Securities of the Issuer.

(a) and (b). As of the date hereof, Union Pacific does not own any shares of Issuer Stock. However, as a result of entering into the Shareholder Agreements with the Subject Shareholders, Union Pacific possesses shared power to vote or direct the vote of, and thus may be deemed to beneficially own, 4,046,153 shares of Issuer Stock, or approximately 62.5% of the issued and outstanding shares of Issuer Stock as of October 15, 2001.

With respect to the Voting Actions, Union Pacific has the power to vote or cause the vote of the Subject Shares in accordance with the terms of the Shareholder Agreements. Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission that Union Pacific is the beneficial owner of the Issuer Stock referred to in this paragraph for purposes of Section 13(d) of the Exchange Act or for any other purpose, and such beneficial ownership is expressly disclaimed. Union Pacific does not, and, to the knowledge of Union Pacific, none of the persons listed on Schedule I, beneficially owns any shares of Issuer Stock other than as set forth herein.

(c) No transactions in the Issuer Stock were effected by Union Pacific, or, to the best knowledge of Union Pacific, any of the persons listed on Schedule I hereto, during the 60-day period preceding the date hereof.

(d) None, other than the current holders of the Subject Shares.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to the Securities of the Issuer.

Except as set forth in this Schedule 13D, to the knowledge of Union Pacific, there are no other contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 or listed on Schedule I hereto, and between such persons and any person with respect to any securities of the Issuer, including but not limited to, transfer or voting of any of the securities of the Issuer, joint ventures, loan or option arrangements, puts or calls, guarantees or profits, division of profits or loss, or the giving or withholding of proxies, or a pledge or contingency the occurrence of which would give another person voting power over the securities of the Issuer.
