Item 1. Security and Issuer.

The class of equity securities to which this Amendment No. 3 to Schedule 13D relates is the common stock, without par value (the "Common Stock"), of Constellation Energy Group, Inc., a Maryland corporation (the "Issuer" or "Constellation"). The address of the principal executive offices of the Issuer is 750 E. Pratt Street, Baltimore, Maryland 21202.

Item 4. Purpose of Transaction.

Item 4 is hereby amended and restated in its entirety as follows:

EDFI acquired the securities referenced in this report pursuant to (i) an investor agreement, dated July 20, 2007 (the "Investor Agreement"), between EDFI and Constellation, entered into in connection with the joint venture arrangement between EDFI and Constellation with respect to development of nuclear projects in the United States and Canada, and (ii) a series of open-market purchases consummated by EDFI pursuant to an Accelerated Share Purchase Agreement entered into on August 28, 2008 with Citibank N.A.

EDFI evaluated various alternative to the proposed acquisition of Constellation by MidAmerican Energy Holdings Company ("MidAmerican") since the announcement on September 19, 2008 of that transaction. On December 17, 2008, EDFI, a wholly owned subsidiary of EDF, and EDF Development, Inc. ("EDFD"), a wholly owned subsidiary of EDFI, entered into a definitive agreement (the "Agreement") with Constellation to acquire preferred stock and specified business interests and assets of Constellation, subject to the terms and conditions of the Agreement. The principal terms of the transaction include (i) the acquisition of a 49.99% ownership interest in the nuclear generation and operation business of Constellation for a purchase price of \$4.5 billion, subject to receipt of necessary regulatory approvals and satisfaction of other closing conditions; (ii) the provision of a \$1 billion up-front cash investment in Constellation in the form of nonconvertible cumulative preferred stock (the "Preferred"), which will be credited against the purchase price for the nuclear generation and operation business; and (iii) the provision of additional liquidity support through an asset put option pursuant to which Constellation could, at its option, sell to EDFD non-nuclear generation assets of Constellation having an aggregate value of up to \$2 billion. In connection with the transaction, EDF is also providing Constellation with a \$600 million interim backstop liquidity facility. In connection with the acquisition of the Preferred by EDFD, EDFD has the right to appoint an observer to the board of directors of Constellation. Upon consummation of the acquisition of the 49.99% interest in the nuclear generation and operation business, EDFI will have the right to appoint a director to the board of directors of Constellation. EDFD expects to close the transaction within six to nine months.

In conjunction with the Agreement, Constellation and MidAmerican have jointly terminated their prior merger agreement.

Item 5. Interest in Securities of the Issuer.

Paragraphs (a) and (b) of Item 5 are hereby amended and restated in their entirety as follows:

(a) EDFI is the beneficial holder of 16,964,095 shares of Constellation's Common Stock. Based on information contained in Constellation's Schedule 14A filing with the Securities and Exchange Commission, dated November 25, 2008, there were 179,274,673 issued and outstanding shares of Constellation's Common Stock as of November 14, 2008. On December 17, 2008, Constellation issued 19,897,278 shares of Common Stock to MidAmerican; accordingly, EDFI is the beneficial owner of 8.52% of Constellation's issued and outstanding Common Stock.

(b) Subject to the terms of the Amended and Restated Investor Agreement described in Item 6, EDFI has sole power to vote or to direct the vote of and to dispose of or direct the disposition of all of the shares of Common Stock reported on this Schedule 13D/A.

Item 6. Contracts, Arrangements, Undertakings or Relationships with Respect to Securities of the Issuer.

In connection with the Agreement, EDFI and Constellation entered into an Amended and Restated Investor Agreement (amending the Investor Agreement), pursuant to which, upon consummation of the acquisition of the 49.99% interest in the nuclear generation and operation business, EDFI will have the right to appoint a director to the board of directors of Constellation. In addition, among other changes, EDFI has the right to vote its shares of Constellation stock with respect to certain matters submitted for shareholder approval, including, but not limited to, any business combination of Constellation or sale of all or substantially all of Constellation's assets, any amendment to the articles of incorporation or the bylaws of Constellation or other extraordinary transactions for which shareholder approval is required under the Maryland General Corporation Law. Also, EDFI will be released from certain of the standstill provisions of the Amended and Restated Investor Agreement upon the occurrence of certain events, and EDFI may freely dispose of its shares of Constellation stock in accordance with Rule 144 of the Securities Act of 1933.
